# CITY RECORD

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

JOSEPH M. TIERNEY  
PRESIDENT, CITY COUNCIL

VOL. 77

MONDAY, JANUARY 7, 1985

NO. 1

## SNOW EMERGENCY CENTER READY FOR WINTER!

Mayor Raymond L. Flynn has announced that the City of Boston's Snow Emergency Center will be operative again this year until April 1 during declared storm emergencies. The center, located at City Hall, serves as a clearing-house, fielding calls twenty-four-hours-a-day from Boston residents requiring assistance with vehicles and walkways and providing shelter for stranded individuals.

The Snow Emergency Center opens after Traffic and Parking Commissioner Lisa Chapnick and Public Works Commissioner Joseph Casazza, in conjunction with the Police Commissioner, declares a snow emergency or six inches or more of snow is forecast by the Weather Bureau. Public Works Department employees staff the center until a significant reduction in calls can be determined.

The following pieces of information should be kept in mind during Boston's foul weather days:

- during snowstorms, all snow related emergencies in Boston should be reported to the city's Snow Emergency Center at 725-3050;

- from now to April 1, the Highway Division of Public Works mobilizes a snow emergency standby operation consisting of three, fifteen-person shifts twenty-four-hours-a-day;

- during a snow emergency, public service announcements are issued through the media by the Department of Public Works, the twenty-four-hour Hot Line and the Mayor's Office;

- snow emergency calls should go to 725-3050 rather than to individual yards so that Public Works can better monitor calls and communicate with the individual yards for more efficient operation;

- If a call is made to report an unplowed street in Boston, see if there are any cars that might block a plow. If there are, try to have it removed by the owner. If the owner can't be determined, report it to the Snow Emergency Center to have it towed;

- after a street has been plowed, DO NOT SHOVEL SNOW OFF OF CARS INTO THE STREET. "Throwout" accounts for a 30 percent increase in the cost of snow removal or \$12,000 an hour;

- in Boston, shoveling the sidewalk is the individual resident's legal responsibility;

- during a snow emergency, snow removal costs the City of Boston an estimated \$40,000 an hour;

- a snow emergency parking ban may be issued; the side of the road is determined by the last digit of the year (in 1985, odd side parking).

### TO MAKE A DIFFERENCE: THE BOSTON COMMUNITY SCHOOLS

On January 22, 1985, the Boston Community Schools Program will celebrate the publication of *To Make a Difference*, a book about the people of the Boston Community Schools. This book, written by Lee Warren and with a preface by the well-known author Jonathan Kozol, describes the experiences of the people of the Community Schools — the students, staff, Council members, adult learners, senior citizens, children, and families — who have made the Community Schools Program work and whose lives have been positively influenced and enriched through participation in this neighborhood-based program.

The *To Make a Difference* project began in 1982, when the Community Schools requested assistance from the Executive Service Corps of Boston in the area of public relations. At that time, the Community Schools did not even have an up-to-date brochure which described the program. The Community Schools had survived a number of years of inadequate support and funding, emerging with new ideas and fresh

initiatives — in child care, adult literacy, alternative education — and yet this success story, and the stories of the neighborhood people benefiting from these efforts, were not being told.

The Executive Service Corps, through the person of Ezra Merrill, executive director, developed a project in conjunction with the Community Schools to write a book which would enable the people of the program to tell their own stories, and which would chronicle the struggles and successes of the program's twelve-year history. The Executive Service Corps developed support for this project through the Boston Committee, the Korda Foundation, and the Community Schools Program itself.

Lee Warren, the author, and Doug Clifford, the photographer, spent the summer of 1984 visiting Community Schools all across Boston, interviewing students, staff, and Community School Council members. Jonathan Kozol visited some Community Schools, as well, and wrote the preface for the book based on his impressions of the people he met and the programs he saw. Kozol wrote, "The wealth of cities, in the long run, does not rest within its banks or highrise buildings but within the spirits of its people . . . Boston has its poverty, its racial fears, and its outrageous and intolerable griefs. Only the romantic or the very rich could deny this. But the city also has a wealth that cannot be identified with dollars. It is the wealth of ordinary people joining hands and linking arms to face odds together. They learn and teach, suffer and fear, struggle and (at least occasionally) prevail. The Community Schools at length embody something more than buildings, teachers, courses of instruction. They are, at last, no less than a community of conscience."

For more information, or a copy of the book, *To Make A Difference*, contact

The Boston Community Schools, 26 West Street, Boston MA 02111, 725-4920.

### AMERICAN RED CROSS BLOOD PROGRAM

The City Employees' Blood Drive will be held at Room 801, eighth floor, City Hall, on Friday, January 25, 1985, from 9:30 a.m. to 2:15 p.m.

Contact Paul D. Taylor, 725-4951, or Doug Butler, 725-4949, Room 715, City Hall.

Geraldine C. Wyse, R.N., Room 115, City Hall, 725-4983 will furnish information.

Appointments are taken in fifteen-minute intervals.

Please forward donor lists to Room 715, Highway Division, Public Works Department.

## FIRE DEPARTMENT ORDERS

December 26.

General Order No. 80

### I. RETIREMENT

The retirement of the following-named member, in accordance with the provisions of section 5, c. 32, G.L., will become effective 0800 hours, January 1, 1985:

Fire Lieutenant Melzer T. Pietroski, Marine Unit.  
Fire Lieutenant Pietroski was appointed to the department January 6, 1954, and promoted to fire lieutenant October 19, 1966.

Fire Lieutenant Pietroski leaves the department with the best wishes of his associates.

### II. TRANSFERS

The following-named members will be transferred, effective 0800 hours, Saturday, December 29, 1984:

Fire Captain James W. McNamara, from Headquarters, to Ladder Co. 15.

Fire Lieutenant Robert T. Kilduff, from Engine Co. 53, to Ladder Co. 29.

Fire Lieutenant Robert E. Small, from Ladder Co. 2, to Pers./Medical.

Fire Fighter Jon G. Nemes, from Pers./Medical, to Engine Co. 55.

Fire Fighter James M. Freda, from Ladder Co. 15, to Ladder Co. 10.

Fire Fighter Robert P. Williams, from Engine Co. 4, to Engine Co. 30.

Fire Fighter Robert P. Breen, from Fire Prevention, to Tower Unit.

Fire Fighter Michael A. Tardivo, from Engine Co. 51, to Ladder Co. 24.

Fire Fighter Stephen F. Daly, from Engine Co. 56, to Engine Co. 29.

Fire Fighter John J. McDonald, from Ladder Co. 25, to Engine Co. 55.

Fire Fighter John F. Alves, from Engine Co. 4, to Ladder Co. 24.

Fire Fighter James M. McCarthy, from Engine Co. 37, to Engine Co. 55.

Fire Fighter Robert J. Munroe, from Engine Co. 53, to Ladder Co. 29.

### IV. HIGH COMMENDATION

On August 22, 1984, Box 2211 was struck for a fire at 790 Tremont Street. Engine Company 22 was the first to arrive and reported fire showing from the top floor.

Upon being informed of a victim trapped on the fourth floor, Fire Lieutenant Donald Mullen, Headquarters, detailed to Engine Company 22 and Fire Fighter Joseph Montoya, Engine Company 22, without hesitation, immediately made their way to the fourth floor where they encountered heavy overhead fire issuing from both sides of the hallway.

Crawling on hands and knees, Lieutenant Mullen came upon an unconscious victim in the first room on the right and with the assistance of Fire Fighter Montoya, under heat and smoke conditions, successfully removed the victim to the safety of the stairwell where he was removed by other members to an awaiting ambulance. The victim suffered second- and third-degree burns while both Lieutenant Mullen and Fire Fighter Montoya were treated for burns and relieved from duty.

Because this rescue was performed with dedication to duty and under great personal risk, before fire lines were in operation, the Fire Commissioner is pleased to commend Lieutenant Donald Mullen, Headquarters, and Fire Fighter Joseph Montoya, Engine Company 22 and refers their case to the Board of Merit for further consideration.

## FIRE DEPARTMENT ORDERS

December 27.

General Order No. 81

### I. TRANSFER CORRECTION

The transfer of Fire Fighter John J. McDonald from Ladder Company 25 to Engine Company 55, was listed incorrectly in General Order No. 80, 1984. It should have read as follows:

Fire Fighter John W. McDonald, Ladder Co. 26, to Engine Co. 55.

## CITY RECORD USPS 114-640

Second class postage paid at Boston, Massachusetts.

Subscription (in advance) . . . . . \$12.00 per year  
Single copies . . . . . 30 cents

Postmaster: Send address change to City Record, Room 203, 1 City Hall Square, Boston, MA 02201.

### NEWS AGENCY

Old South Newsstand, 302 Washington Street.

### Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by noon, Monday of each week to insure its publication in the following Monday's issue.

### II. FIRE ALARM BOXES ESTABLISHED

The following-numbered fire alarm boxes have been established and will be installed in the near future:

13-1211 — Polcari's Restaurant, 283 Causeway Street.

13-1539 — Emerson College, 21 Commonwealth Avenue.

16-181 — Bayside Merchandise Mart, 150 Mt. Vernon Street.

12-3773 — Boston Police Academy, 85 Williams Avenue.

Company commanders shall add the above fire alarm boxes to the UAAB assignment cards. The circuit numbers will be announced when the boxes are installed.

### III. HAZARDOUS BUILDINGS

The vacant building located at 263 West Sixth Street, District 6, is in hazardous condition. There are holes in all floors extending from top to bottom.

The building located at 202 to 206 H Street, District 6, is in hazardous condition. The rear walls are bulging out of alignment and present a possible collapse condition under fire conditions.

Extreme caution must be taken at all times during fire fighting operations at these locations. These buildings have been posted.

## POLICE DEPARTMENT ORDERS

December 10.

Personnel Order No. 84-221

The following reassignments are hereby ordered, effective on the dates listed below:

Police Officers:

John LaCorte, Id. 5871, from Area A (D) to Personnel Division, Medically Incapacitated Section, (D)—12-12-84.

Timothy Murray, Id. 8907, from Area B (D), to Personnel Division, Medically Incapacitated Section, (D)—12-12-84.

Paul McDonough, Id. 6667, from Area E (N), to Personnel Division, Medically Incapacitated Section, (N)—12-12-84.

John Thomas, Id. 6189, from Personnel Division, Medically Incapacitated Section, (N), to Area E (N)—12-09-84.

Thomas Brown, Id. 4404, from Personnel Division, Medically Incapacitated Section (N), to Area D (D)—12-17-84.

Richard Long, Id. 6865, from Personnel Division, Medically Incapacitated Section (N), to Area B (N)—11-27-84.

Patricia Murphy, Id. 7460, from Personnel Division, Extended Leave Section (D), to Area A (D)—12-01-84.

George V. Thomas, Id. 8675, from Area E (N), to Personnel Division, Extended Leave Section (N)—1-08-85.

Thomas J. Domenico, police cadet, from Personnel Division, Extended Leave Section (D), to Personnel Division (det. to Area E) (D)—12-12-84.

Deanna A. Lymon, Id. 8598, provisional clerk-typist, Personnel Division (D), to Personnel Division, Extended Leave Section, (D)—12-01-84.

P.O. No. 84-200 is amended as follows: Police Cadet Barbara Parolin, is hereby detailed from Operations (N) to Area C (F. HALF), effective December 5, 1984. Ms. Parolin will remain assigned to the Personnel Division.

December 12.

Personnel Order No. 84-222

The following-named police cadets are hereby detailed as listed below, effective Wednesday, December 19, 1984. They will remain assigned to the Personnel Division.

Police Cadet Christopher R. Boyle, Id. 9001, from Team Police (N), to Off. of the Police Comm., Info. Services (First Half).

Robert W. Ciccolo, Jr., Id. 9006, from Off. of the Police Comm., Info Services (N), to Team Police (N).

December 14.

Personnel Order No. 84-223

*It is with deep regret that the Police Commissioner announces the death of Groundman Laborer and Motor Equipment Operator Gerard P. Walsh, Id. 0676, on Thursday, December 13, 1984.*

*Mr. Walsh was appointed to this department on September 24, 1958, and assigned to the Signal Service Unit where he served his entire career.*

## POLICE DEPARTMENT ORDERS

December 17.

Personnel Order No. 84-224

Acting Lieutenant John E. Lydstone, Id. 6257, assigned to the Organized Crime Unit, is hereby rated lieutenant detective and shall receive a weekly differential of \$33 in addition to his regular salary, effective July 18, 1984.

Acting Sergeant Timothy Callahan, Id. 6578, assigned to the Organized Crime Unit, is hereby rated sergeant detective and shall receive a weekly differential of \$33 in addition to his regular salary, effective October 10, 1984.

Sergeant Maurice R. Wall, Id. 4366, assigned to the Bureau of Administrative Services, Chief Clerk's Office, is hereby rated sergeant detective and shall receive a weekly differential of \$33 in addition to his regular salary, effective December 12, 1984.

Police Officer Joseph R. Memmo, Id. 6674, assigned to the BIS, Identification Unit, is hereby rated detective and shall receive a weekly differential of \$33 in addition to his regular salary, effective December 5, 1984.

Police Officer Daniel O'Toole, Id. 6674, assigned, to the Office of the Police Commissioner, Officer Friendly Program, is hereby rated police officer-community service officer and shall receive a weekly differential of \$8 in addition to his regular salary, effective November 7, 1984.

P.O. No. 84-195 is amended as follows: The effective date of the retirement of Police Officer Elaine King, Id. 6911, has been changed to September 17, 1981, at close of business, provided that final approval is granted by the Public Employee Retirement Administration.

December 17.

Personnel Order No. 84-227

The following reassignments are hereby ordered, effective on the date listed below.

Police Officer Joseph Toomey, Id. 8358, from Personnel Division, Medically Incapacitated Section (N), to Area B (N) — 12-20-84.

Glendon Barrow, Id. 8708, from Area C (N), to Area B (N) — 12-26-84.

George Billotte, Id. 8820, from Area B (N), to Area C (N) — 12-26-84.

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

### HEALTH AND HOSPITALS DEPARTMENT

#### Health Care Centers

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award, without advertising, a contract to the Trustees of Health and Hospitals of the City of Boston, Inc., a charitable, nonprofit corporation created under chapter 174 of the Acts of 1880, as most recently amended by chapter 656 of the Acts of 1965, under which said corporation will continue the operation of comprehensive primary health care centers affiliated with the Boston City Hospital, in certain neighborhoods in the City of Boston for the period of July 1, 1983, through June 30, 1984, at a cost not to exceed \$2,693,997. The health care centers are operated in facilities, some of which are owned or rented by the City of Boston, and consist of the following:

North Dorchester, Dorchester Health Center, Uphams Corner Health Center; Roxbury, Whittier Street Health Center; Mattapan, Harvard Street Health Center; South Boston, South Boston Health Center; East Boston, East Boston Neighborhood Health Center.

Under this contract, the Trustees will continue to provide fiscal management services to the Health Centers and assume continuing responsibility for their operations. In consideration of the services rendered the Trustees shall be permitted to retain an amount equal to 7 percent of the total of this contract as general and administrative cost.

This undertaking is of a very personal and professional nature, and the Trustees have demonstrated to the city during the past several years their special fitness to administer this contract in a very satisfactory manner, at a reasonable cost. Accordingly, in our judgment, no benefit would inure to the city by publicly advertising for bids.

This letter of award is being submitted late due to reevaluation of the cost of the contract.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

#### I.V. Catheters, etc.

Dear Sir:

An invitation for bids, Proposal No. 214, for furnishing I.V. catheters and Solution Room supplies to the Department of Health and Hospitals was advertised in the *City Record* on April 11, 1983. Bids were publicly opened and read on May 19, 1983.

Fenwal Laboratories submitted a defective bid, but was the lowest acceptable bidder for the items awarded to this company.

The department has decided to use a new method for mixing special solutions which, at first glance, seemed to be more cost-effective than the system that was previously in use. Because of this decision, items used in the old system were not included among the Solution Room supplies put out for public bid. After an in-depth analysis of the cost associated with this new method, it was decided it

was too expensive and the hospital would return to the old system. Rather than publicly advertise for the items omitted from the original bid each vendor who had responded to the original advertisement for Solution Room supplies was asked to quote prices on these items. American McGaw was the lowest bidder. Rather than have two separate contracts with American McGaw, one advertised and one unadvertised, the hospital decided to reject American McGaw's advertised bid and award all their items without advertising.

Therefore, in view of the above, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award contracts without advertising, to Fenwal Laboratories, Division of Travenol Labs., Inc., \$5,000.00 1 percent fifteen, net thirty, FOB destination; American McGaw, California, \$65,500, 1 percent, fifteen, net thirty, FOB destination; orders less than \$500/plus freight, who submitted prices I consider reasonable.

The above contract amounts are approximate figures based on estimated volumes. The contract period is July 1, 1983, through June 30, 1984.

This letter of award is submitted late because evaluations were only recently completed on the above items.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

#### Pacemakers, etc.

Dear Sir:

An invitation for bids for pacemakers and related items, Proposal No. 213, was advertised in the *City Record* on May 9, 1983. Bids were publicly opened and read on May 26, 1983.

Certain medical supplies are generic and are freely interchangeable and therefore the hospital will select the lowest cost, acceptable item. Pacemakers are not generic items and differ with each manufacturer. In the selection of a pacemaker, price is not the prime consideration. The medical condition of the patient is of paramount importance when determining which pacemaker will be used. With this in mind, the Department of Health and Hospitals approached the Law Department for permission, which was granted, to have the contract period run for three years.

Defective bids were submitted by the following vendors, but their products are considered necessary by the physicians at Boston City Hospital.

Therefore, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to the following vendors who submitted bids with prices that I consider reasonable: Cordis Corporation, Florida, \$96,000; net thirty days, FOB destination; Cardiac Pacemakers, Inc., Minneapolis, \$75,000, net thirty days, FOB destination; Cardio Pace, Inc., New Jersey, \$75,000, two percent fifteen days, FOB Hospital.

The above contract amounts are approximate figures based on estimated volumes. The contract period is July 1, 1983, through June 30, 1986.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

**ADVERTISEMENT  
MASSACHUSETTS BAY TRANSPORTATION  
AUTHORITY**

Transportation Building, 10 Park Plaza  
Boston, MA 02116-3933

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. 094-1/S2CN11 Station Modernization and Platform Strengthening, Central Square Station, Cambridge, Massachusetts (Class 1—General Transit Construction or Class 7—Buildings) (Project Value \$1.5 million) will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on January 29, 1985. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

Work consists of demolition and removal work, excavations and foundations, new tunnel extension, new platform work, elevators and escalators, and rebuilding of three existing stair entrances, including site improvements and site restoration, concrete work, masonry unit work, miscellaneous metal work, carpentry, waterproofing, roofing and sheet metal, doors and frames, glazing, finishes, plumbing, HVAC, and electrical work.

This contract is subject to a financial assistance contract between the MBTA and the United States Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the above address after December 27, 1984, from 8:30 a.m. to 4:00 p.m., Monday through Friday, at a charge of \$50. Half-size contract drawings may be requested for convenience purposes, at a charge of \$25 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1—General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional postage and handling charge of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition,

pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent WBE 3 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager—Construction, Mr. James McGowan (58 Day Street, West Somerville, Massachusetts 02144; telephone 617-722-5806). A prebid conference will be held on January 14, 1985, at 10 a.m., at 275 Dorchester Avenue, South Boston, Massachusetts. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424) apply to any contract, procurement or agreement which results from this solicitation.

Bid guarantee shall consist of a bid deposit of \$557,500 (five hundred fifty-seven thousand five hundred dollars) in the form of a bid bond, cash, certified check, treasurer's or cashier's check issued to the MBTA by a responsible surety, bank or trust company.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**ADVERTISEMENT  
CITY OF BOSTON**

**NEIGHBORHOOD DEVELOPMENT  
AND EMPLOYMENT AGENCY**

**I. The Invitation**

The Boston Alcohol Detoxification Project, Inc., through funding from the Neighborhood Development and Employment Agency (NDEA) under support from the Community Development Block Grant invites contractors to bid the following project:

**II. Specific Information**

Site—Boston Alcohol Detox, Inc., 19 Father Francis J. Gilday Street, Boston MA 02118.

Scope—New boiler, chimney, smoke detection system, new storm windows.

Remarks—G.C. required; subcontractors bids also accepted.

Bid opening date—January 7, 1985, 2 p.m.

Drawings Available—At site through Fred Walker, 266-2615, and Dodge Report.

**III. Contract Conditions**

General bids will be received at the job site at the designated time at which they will be opened and read aloud. Bids shall be on a form provided in the contract documents. Plans and specifications will be available on January 1, 1985, at the job site. A deposit of \$20 (certified check), payable to the non-profit organization will be left upon receipt of drawings and given back when they are returned in good shape within thirty days.

No bid for the award of this project will be considered unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended on minority business enterprises. For the purpose of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indian.

The attention of each bidder is called to the provision of the contract documents requiring that at least 50 percent of all work hours on this project be performed by Boston residents, 25 percent by minorities, and 10 percent by women, in each trade.

Included with the contract documents are copies of the "Minority Business Utilization Form." Each contractor must complete, sign, and file with this bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

Contractors shall also avail themselves of the list of minority businesses to be provided by NDEA through the Office of Minority Business Enterprise to facilitate compliance with the requirements.

The attention of each bidder is called to the fact that this is a federally assisted project and therefore not less than the minimum salaries and wages set forth in the contract documents must be paid to each worker on the project (Davis-Bacon), and that the contractor must ensure that employees and applicants are not discriminated against because of race, color, religion, sex, or national origin (Executive Order No. 11246). Attention is also called to the contractor requirements relating to Workmen's Compensation and insurance requirements of the successful general contractor and subcontractors for the project shall be set forth in the Supplementary and Special Conditions of the contract documents.

PAUL S. GROGAN,  
Director.

CITY OF BOSTON

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

**Proposal for Boarding and Securing, Project No. 56-CD-ABU, Community Development Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

1-25 Warren Street, Ward 9  
96 Crawford Street, Ward 12  
214-216 Humboldt Avenue, Ward 12  
1314 Blue Hill Avenue, Ward 14  
52 Deering Road, Ward 14

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received until 11 a.m., Thursday, January 17, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Com-

monwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 56-CD-ABU."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractor to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his

subcontractors agree to the following workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commission of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specification for goals and timetables.)

These goals are applicable to all the contractor construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity

imum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 8 and Executive Order 11246.

### TRAFFIC AND PARKING DEPARTMENT

#### Invitation for Bids for Parking Sign Manufacture and Installation.

The City of Boston, acting by its Traffic and Parking Department, through its Commissioner of Traffic and Parking (the Awarding Authority), invites sealed general bids for the above-entitled project, subject to all provisions of law, including without limitation, sections 39F and 39K through 39P of Chapter 30, of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

**Time and Place for Filing Bids**  
Sealed bids will be received up until twelve o'clock noon, Boston time, Wednesday, January 11, 1985, at the office of the Awarding Authority, Room 721, City Hall, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

Bids must be submitted in duplicate on the bid forms obtained from the Awarding Authority. Each copy of the proposal shall be completely filled in, signed, enclosed in an envelope, sealed and plainly marked with the name of the bidder and a description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority at the office designated above, accompanied by a bid deposit in the form of a bid bond, or a certified check or a treasurer's or cashier's check from a responsible bank or trust company, payable to the City of Boston, in the amount of 10 percent of the contract proposal price. The duplicate copy of the proposal shall be filed with the City Auditor, City of Boston, Mass., previous to the time named for the opening of proposals. The proposals shall be opened before the time stated above for the opening of proposals.

**Bid Forms and Contract Documents**  
All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Monday, January 14, 1985, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with

respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance and liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award of this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

No proposal may be withdrawn after the time limit for filing proposals for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. Proposals filed by the three lowest responsible and eligible bidders may not be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

**NO BID FOR THE AWARD OF THIS PROJECT WILL BE CONSIDERED ACCEPTABLE UNLESS THE CONTRACTOR COMPLIES WITH THE FOLLOWING REQUIREMENTS FOR MINORITY BUSINESS ENTERPRISE UTILIZATION.**

PURSUANT TO THE SUPPLEMENTAL MINORITY PARTICIPATION AND RESIDENT PREFERENCE SECTION OF THIS CONTRACT, THE GENERAL CONTRACTOR MUST GIVE SATISFACTORY ASSURANCE THAT AT LEAST 10 PERCENT OF HIS BID PRICE SHALL BE EXPENDED FOR MINORITY BUSINESS ENTERPRISE. FOR THE PURPOSES OF THIS PARAGRAPH, THE TERM MINORITY BUSINESS ENTERPRISE MEANS A BUSINESS ORGANIZATION IN WHICH 51 PERCENT OF THE BENEFICIAL OWNERSHIP AND CONTROL IS HELD BY ONE OR MORE MINORITY PERSONS (BLACK, HISPANIC, ASIAN-AMERICAN, OR AMERICAN INDIAN).

INCLUDED WITH THE CONTRACT DOCUMENTS ARE COPIES OF THE "MINORITY BUSINESS UTILIZATION FORM," "MINORITY BUSINESS IDENTIFICATION STATEMENT," "MINORITY BUSINESS UTILIZATION PROGRESS REPORT," AND THE "MINORITY BUSINESS AND GENERAL CONTRACTOR'S LETTER OF INTENT."

EACH GENERAL CONTRACTOR MUST COMPLETE, SIGN AND FILE WITH HIS BID THE MINORITY BUSINESS UTILIZATION FORM. FAILURE TO DO SO WILL RESULT IN THE REJECTION OF THE BID PROPOSAL. THE LOWEST RESPONSIBLE AND ELIGIBLE BIDDER IS REQUIRED TO SUBMIT A MINORITY BUSINESS AND GENERAL CONTRACTOR'S LETTER OF INTENT. THE LETTER OF INTENT SHALL BE COMPLETED AND SIGNED BY THE MINORITY BUSINESS ENTERPRISE AND THE GENERAL CONTRACTOR NO LATER THAN TEN (10) WORKING DAYS AFTER THE GENERAL BID OPENING. THE LOWEST BIDDER MUST ALSO SUBMIT A MINORITY BUSINESS IDENTIFICATION STATEMENT FOR EACH MINORITY BUSINESS NOT INCLUDED IN THE CITY OF BOSTON MINORITY BUSINESS DIRECTORY.

ALL CONTRACTORS SHALL ALSO AVAIL THEMSELVES OF THE CITY OF BOSTON MINORITY BUSINESS DIRECTORY PUBLISHED BY THE CITY THROUGH THE OFFICE OF MINORITY BUSINESS TO FACILITATE COMPLIANCE WITH THESE REQUIREMENTS.

THE MINORITY BUSINESS OFFICE IS LOCATED AT 15 BEACON STREET, FIFTH FLOOR, BOSTON, MA 02108, TELEPHONE NUMBER 720-4300.

Bidders seeking information pertaining the affirmative action in connection with City of Boston contracts should attend scheduled meetings at 15 Beacon Street. These meetings will be held on the first and third Wednesdays of each month.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest to do so.

CITY OF BOSTON,  
LISA G. CHAPNICK,  
Commissioner of Traffic and Parking.  
(Jan. 7-14.)

**Invitation to Contract with Interested, Responsible and Competent Persons, Firms, or Corporations Which Are Located within a Reasonable Distance of the Boston Fire Department Headquarters, 115 Southampton Street, Boston, MA 02118, to Rebuild Two Ladder Trucks.**

The City of Boston, acting by its Fire Commissioner, invites competent persons, firms, or corporations to enter into a contract to submit proposals as may be required from time to time by the Official, for the performance of particular items of work described above, and to perform such work as may be required by the Official.

Copies of the contract documents and specifications may be obtained at Fire Headquarters, 115 Southampton Street, Boston, MA 02118, on or before Friday, January 11, 1985. Application to contract for such work will be accepted until 12 o'clock noon, Friday, January 25, 1985, at which time and place they will be publicly opened and read aloud. Proposals must be sealed and marked "To Rebuild Two Ladder Trucks," and must be made in duplicate, one to be deposited with the City Auditor at City Hall, previous to the time stated for the opening of the bid.

The attention of all applicants is directed to the provisions of the contract documents, and particularly to the requirements for insurance certificate.

The City and Official reserve the right to contract only in those cases and in accordance with those applications as the Official deems to be in the interest of the City.

LEO D. STAPLETON,  
Fire Commissioner.

**NOTICE TO CONTRACTORS**

**Invitation for Bids for Roof and Masonry Repairs, Five Fire Engine Companies No. 17, 22, 29, and Fire Alarm Building.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02111 hereinafter referred to as the Awarding Authority hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for the project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29A and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents titled: "Roof and Masonry Repairs, Five Fire Engine Companies 3, 17, 22, 29, and Fire Alarm Building."

SCOPE OF WORK includes: roof and masonry repairs, fire engine Companies 3, 17, 22, 29 and Fire Alarm Building.

TIME AND PLACE FOR FILING BID APPLICATIONS: General bidders must submit an Application to Bid and Contractor Qualification Statement or Update to the department on or before two o'clock noon, Boston time, on January 21, 1985, at the office of the Awarding Authority, sixth floor, Court Street, Boston, MA 02108. ALL SUBBIDS general bid shall be filed with the Awarding Authority at the above address before twelve o'clock noon on February 13, 1985, and ALL GENERAL BIDS shall be filed with the Awarding Authority at the above address before twelve o'clock noon on February 20, 1985, at which time and place respective bids will be opened forthwith and read aloud. Awarding Authority reserves the right to waive informalities in or to reject any and all bids if it be in the public interest to do so.

SubTrades  
Roofing and Flashing  
Masonry

Applications to bid are now available at the offices of the Public Facilities Department. PLANS AND SPECIFICATIONS will be available on or about January 14, 1985, at the Public Facilities Department to all interested parties who present a certified check, payable to the City of Boston, for each set. Plans and specifications must be turned in good condition within thirty days of the opening in order for the bidder to have the check returned. Bidders are hereby notified that deposits must be 5 percent of his/her bid, and must be in the form of a bid bond, or certified check, or a suror's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provisions of the specifications, the obligation of the contractor and subcontractor to take affirmative action in connection with employment practices in the performance of this contract.

CITY OF BOSTON,  
PUBLIC FACILITIES DEPARTMENT,  
JAMES HART,  
Director.

# CITY RECORD

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

JOSEPH M. TIERNEY  
PRESIDENT, CITY COUNCIL

DL. 77

MONDAY, JANUARY 14, 1985

NO. 2

## MAYOR FLYNN'S STATE OF THE CITY ADDRESS

Mayor Raymond L. Flynn  
Jamaica Plain Community High School  
January 7, 1985.

You and I started on a mission one year ago. It is a mission with an important objective: to create a city that works for and cares about everyone. As I have traveled this city's neighborhoods, and have spoken with many residents in their homes, I have learned first-hand that you were tired of the division of the past, and are committed to a future based on fairness and equity — one that treats all of its citizens with dignity and respect.

Tonight it is time to pause and consider our progress. To consider where we have been and where we are going.

In every neighborhood in 1984, I could see you acting on the principle that seemed to have been lost or mislaid for a few years — that people want to get together to get things done, and that you want city government to be there to help it.

My administration made a promise to you — that we would strive to create a city government that is every bit as good as the people it would serve. We promised to try as no one has tried before.

We started right away, following through on basic services. We plowed and resurfaced the streets, towed the abandoned cars, and filled the potholes. The historians of our period probably won't write about snowplows, but if you live on a street that had never seen one, then we made a little history last winter.

We also went beyond basic services, to help those who find it most difficult to help themselves. The nation has noted that we are a city, and a state, with a deep commitment to the needs of the poor, the hungry, and the homeless.

We have also delivered on the promise to replace housing politics with a housing policy. The new housing that went up in neighborhoods like Codman Square enabled low- and moderate-income families to own their own homes — an opportunity they never expected to have. Because of my strong, personal relationship with a Governor who cares about working families, we were able to win important state legislation, and the Governor signed today, that will speed up the rehabilitation of abandoned buildings into affordable housing.

Successful work between my administration and the Boston City Council gave Boston's poor, elderly, and handicapped renters historic protections against evictions for condominium conversions.

We were proud this year, when the court expressed confidence in this administration and ended its four years of receivership of the Boston Housing Authority. Residents of public housing will now fully reclaim their status as first-class citizens of the City of Boston.

I have acted on my belief that there should be only one set of rules in this city. They will apply to everyone and they are based on fairness.

I also have acted on my belief that conflict would end where opportunity begins. We have been working hard to create greater opportunity for every neighborhood. The cynics may look down and say that this is a lot of rhetoric. But then they weren't at Carson Beach or Roberto Clemente Field, where the Summer Youth Olympics brought together children of every background to run, to laugh, and to learn together.

Many children competed and some won medals, but Boston was the real

winner. The spirit among these thousands of young people signified the changing attitudes across the city.

History will record that in 1984, when Boston experienced its most peaceful summer in years, the city saw the single greatest dollar amount of private investment in any one year. Three billion dollars of private investment mean tens of thousands of new jobs, and important linkage funds for housing development and rehabilitation — and more is on the way.

We have given meaning to the idea of the public-private partnership. In Boston, this partnership means unprecedented agreements with the business community that will provide thousands of construction and permanent jobs for Boston residents, as well as summer jobs for low-income youths.

As we look at our city on the threshold of a new year, we have a plan for action. It is a plan with four key points —

- Number 1 — the need to gain financial stability for city government;
- Number 2 — securing private development that will generate revenue and create new jobs; and
- Number 3 — spur housing development through reclaiming abandoned buildings and new construction;
- Number 4 — to continue to unite the neighborhoods of this city.

These priorities express my vision for this city. My job as Mayor will be to ensure that as the growth in the downtown area continues, the people in the neighborhoods will not be left behind.

As we follow through on these commitments, we will be forced to concentrate a lot of time and effort to secure structural financial reform. Because from the vantage of 1985 we can see financial storm clouds forming up ahead. Unless the Commonwealth enables us to keep those clouds from breaking

(Continued on next page)

## State of the City Address . . .

(Continued from previous page)

over our city, the vision we share could be washed away.

Boston has been shortchanged for several years by a structural gap between its revenues and its essential expenditures. In recent years, city government kept going with stop-gap measures such as the sale of garages. But one-time revenues will soon be a thing of the past. We are running out of furniture to throw on the fire.

When I said in my inaugural that I would begin the task of seeking a permanent, structural solution, it was because the situation *demands* it.

State Revenue Commissioner Ira Jackson recognized this when he said, "Even the efficiencies and economies in the city's management — and many are being made — cannot derive a solution of a structural nature. In the longer term, the structural inadequacies could shake the foundation of the city's viability."

Among the most important economies we have made are the level-funding or cutting of the budgets of two-thirds of city departments; a reduction in personnel that reached 460 in mid-December; a subsequent 5 percent cut for most city agencies; and improved management and fiscal planning that will save millions of dollars.

Making difficult budget reductions was necessary, but it is not sufficient. Revenue reform has always been good policy. Now it is an imperative. Last month, we submitted to the Legislature several options to provide new revenue and cost assumptions.

Our proposals for self-help would free everyone from the shell games of the past, in which Boston appeared at the State House in search of one "bailout" or another.

We don't want a bailout, we want to fix the boat.

We are not alone in this desire. If Boston's situation is one good reason for revenue reform, then I can think of several equally good reasons. Many cities and towns in the Commonwealth need and deserve a greater degree of financial independence than our legislative measures could provide.

It is difficult for me, and it must be difficult for the residents of this city, to appreciate the state's economic health

when we are stretching a dollar to police the streets.

For it must be recognized, especially by our state leaders, that the question we have posed is one of fairness and equity. State revenues are allowed to grow at a pace that keeps up with costs, while city revenues are tightly capped. Boston generates millions in revenue for the Commonwealth. The state *surplus* piles up in relationship to the deepening of *deficit* in Boston.

The first step we made on entering City Hall was to open the books — to expose a structural gap that has expanded dramatically since the enactment of Proposition 2 1/2. It reveals an astounding divergence between state and city revenue growth. Since 1976, the state's total revenue from sources of taxation has risen 129 percent, while Boston's total revenue from sources of taxation rose only two percent in the same period.

Since the rate of inflation in the past ten years, we have lost 19 percent of our real buying power, while costs have continued to rise.

When people voted for Proposition 2 1/2, I do not believe they wanted to cut elderly care, public safety, or other municipal services.

They wanted relief from an unfair and uncontrolled property tax burden. Unfortunately, the revenue reform needed after Proposition 2 1/2 did not take

place, and the City of Boston has been left with a net tax loss of \$110 million.

While local aid has risen, it has not been enough to close the widening gap between our revenues and essential expenditures.

We are further strained by the increasing number of costs we are forced to assume from the federal government. No city of Boston's size and function attempts to do so much with little. We provide services for a resident population of nearly 600,000 and workday population of over a million. Yet, we are the only major city that relies primarily on the property tax to do so.

In Boston, 98 percent of our local revenue comes from the property tax. By comparison, Chicago receives only 39 percent of its revenue from property taxes. Philadelphia realizes a mere 10 percent of its total tax revenues from that levy, and Kansas City and St. Louis rely on the property tax for only 15 percent of their revenues.

Atlanta, Minneapolis, San Francisco and Denver levy local, hotel-motel taxes, while Pittsburgh, Cleveland, and Seattle gain revenue from amusement taxes. The painful conclusion is that Boston is alone among these U.S. cities in trying to finance a modern city on an antiquated revenue base.

At the same time, Boston also home to more tax-exempt property than any city except Washington, D.C. We are proud to host great hospitals, museums, and universities that bring worldwide acclaim to the city. But tax-exempt property comprises over 50 percent of all our property. If we are to host the national institutions, then we must have a revenue structure that reflects that fact.

We are proposing self-help legislation in a more open and direct way than ever before. We certainly recognize that any pioneering legislation takes a long time to win acceptance and approval.

We are trying to do something that has never been done before, because the people of Boston deserve it.

Boston is not only the political capital of the state, it is the economic, financial and cultural center for the region. I am sure that our state leaders understand the potential cost of delay in our gaining financial stability. If Boston is unable to secure financial stability, we could lose. The cracks in the city's infrastructure will slowly widen because we will

ve enough money. The vital sounds  
a bustling commerce could be re-  
ced by the quiet breaking of the city's  
art.

None of us can afford to sit by and  
atch this happen. We have come too  
and we have too far to go.

have a vision of a city in which eco-  
mic growth and economic justice are  
e principles of the future. You have al-  
ady contributed your hearts and your  
ents to the making of a great city. I  
ow *you want* nothing more than to  
ntinue to do so. And I know you will  
cept nothing less than the opportu-  
y to do it.

Thank you.

### AMERICAN RED CROSS BLOOD PROGRAM

The City Employees' Blood Drive will  
be held at Room 801, eighth floor, City  
Hall, on Friday, January 25, 1985, from  
10:30 a.m. to 2:15 p.m.

Contact Paul D. Taylor, 725-4951, or  
Doug Butler, 725-4949, Room 715, City  
Hall.

Geraldine C. Wyse, R.N., Room 115,  
City Hall, 725-4983 will furnish informa-  
tion.

Appointments are taken in fifteen-  
minute intervals.

Please forward donor lists to Room  
5, Highway Division, Public Works  
Department.

### LOW-INCOME HOUSING DEVELOPMENT

The City of Boston is two steps closer  
to getting a \$15 million UDAG for the de-  
velopment of 400 units of low-income  
housing that will be combined with  
1,000 units of moderate and market-  
rate housing at Columbia Point.

On December 20, the Massachusetts  
legislature voted its support for a bill  
introduced by the Boston Redevelopment Au-  
thority and the Boston Housing Author-  
ity who are working closely on this  
project. In addition, HUD approved \$8.7  
million in Urban Initiatives funds for the  
development.

The legislation will allow the Boston  
Housing Authority to allocate thirty  
percent of section 8 subsidy from three,  
state-aided developments (Highland  
Park, Summer Street, Franklin Field) to  
Columbia Point in exchange for public

housing subsidies presently at Colum-  
bia Point. The section 8 subsidy will be  
tied to the tenant or unit, thus allowing  
for an income mixture throughout the  
1,400 unit development.

The UDAG will be decided by the end  
of January, 1985, and the funding will  
begin in early February. The passage of  
this legislation was extremely urgent  
and it will thus allow the BHA enough  
time to complete the huge financial  
transaction.

### POLICE DEPARTMENT ORDERS

December 18.

*Personnel Order No. 84-228*

The resignations of the following-named per-  
sons, having been presented, are hereby ac-  
cepted, effective on the dates listed below.

Linda J. Winik, Id. 7069, provisional police dis-  
patcher, Operations Unit — 11-06-84.

Deborah M. Symes, Id. 8804, provisional police  
dispatcher, Operations Unit — 12-25-84.

Paul J. Jones, Id. 8959, police cadet, Personnel  
Division, Extended Leave Section — 10-23-84.

William C. Yee, Id. 8683, police cadet, Personnel  
Division, detailed to Radio Shop — 1-01-85.

Annie L. Batson, Id. 0766, school traffic supervi-  
sor, Area B — 12-21-84.

The services of Police Cadet Michael W. Leas-  
ton, Id. 8654, assigned to the Personnel Division,  
detailed to the Operations Division, have been ter-  
minated effective August 25, 1984.

The services of Provisional Custodial Worker  
Tresa McConico, Id. 8914, assigned to the House  
of Detention, have been terminated, effective Octo-  
ber 29, 1984.

Don K. Doughty, Id. 8801, has been appointed a  
provisional police dispatcher, assigned to the Oper-  
ations Unit (N), effective December 19, 1984.

The temporary reinstatement of Captain Arthur  
C. Cadegan, Jr., Id. 2877, assigned to the Bureau of  
Administrative Services, Hackney Carriage Sec-  
tion, under chapter 32, ss. 90B and 91, is hereby  
terminated at the close of business on November  
30, 1984.

Mardi J. Sullivan, Id. 2325, assigned to the Pay-  
roll Section, Management and Budget, is hereby  
provisionally promoted to the position of budget an-  
alyst, remaining in the same assignment, effective  
October 17, 1984. Ms. Sullivan terminated as po-  
lice clerk and typist, effective October 16, 1984.

Caroline J. Hainline, Id. 1006, assigned to the  
Data Collection Unit, Management and Budget is  
hereby provisionally promoted to the position of  
senior computer operator, remaining in the same  
assignment, effective September 5, 1984. Ms.  
Hainline terminated as computer operator effective  
September 4, 1984.

Police Officer Mark J. Connolly, Id. 3670, as-  
signed to the Medically Incapacitated Section, of  
the Personnel Division is hereby retired from active  
duty in this department, in accordance with law, un-  
der chapter 32, section 5, effective November 30,  
1984.

December 19.

*Special Order 84-64*

To All Bureaus, Districts-Areas, Divisions, Offices,  
Section and Units.

Special Order 84-60 (Recruit Class of 1983, Va-  
cation Time Owed), is hereby amended to add the  
name of Police Officer Irma F. Foster, Id. 8848. Offi-  
cer Foster is assigned to Team Police and is owed  
eight vacation days.

### FIRE DEPARTMENT ORDERS

January 3, 1985.

*General Order No. 1*

#### I. APPOINTMENT

The Fire Commissioner is pleased to announce  
the appointment of Reverend Kevin M. Turman as  
Protestant Chaplain, Boston Fire Department, ef-  
fective 0800 hours, January 4, 1985.

#### II. TRANSFERS

The following-named members will be transfer-  
red, effective 0800 hours, Saturday, January 5,  
1985:

Fire Fighter Thomas W. Uniacke, from Ladder  
Co. 10 to Engine Co. 42.

Fire Fighter Joseph R. Murphy, from Engine Co.  
28 to Engine Co. 42.

Fire Fighter Edward S. Saniuk, from Ladder Co.  
10 to Engine Co. 42.

Fire Fighter William J. Hegarty, from Engine Co.  
42 to Ladder Co. 10.

Fire Fighter Stephen J. Gabrick, from Engine Co.  
42 to Ladder Co. 10.

Fire Fighter John T. Sheehan, from Engine Co.  
42 to Ladder Co. 10.

Fire Fighter Matthew McDonagh, from Engine  
Co. 42 to Ladder Co. 10.

#### IV. FIRE ALARM BOX LOCATION (CORRECTION)

The location of fire alarm box 251 as listed in G.O.  
No. 79, 1984, shall be corrected to read as follows:  
Box 251—Engine House 28, 746 Centre Street.

#### V. HAZARDOUS BUILDING

The building located at 1107 through 1115 Harri-  
son Avenue, District 5, is in hazardous condition.  
The rear wall is bulging, fire escape is separating  
from building, cracks in masonry, bricks missing  
from exterior walls, numerous holes in floors, and  
the interior stairways are unsafe or missing.

Extreme caution must be taken at all times during  
fire fighting operations at this location. This build-  
ing has been posted.

### CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the award-  
ing of contracts without advertising,  
based on the following communica-  
tions:

#### HEALTH AND HOSPITALS DEPARTMENT

##### Solutions and Administration Equipment

Dear Sir:

Pursuant to the authority delegated to me by the  
Board of Health and Hospitals, I respectfully re-  
quest your Honor's permission to award a contract,  
without advertising, to Travenol Laboratories, Inc.,  
Illinois, \$3,500,000, 2 percent forty-five, net forty-  
six days, FOB destination, for the period July 1,  
1983, through June 30, 1986.

Because solutions and their administrative equipment are considered a system, which would require extensive evaluation at each of the three hospitals, plus intensive inservice training should there be a change in vendor, the Department of Health and Hospitals has received permission from the city's Law Department to award this contract for a three-year period.

Under this contract, Travenol Laboratories, Inc. will provide the Department of Health and Hospitals with solutions in plastic or glass containers and administration equipment. Prices will remain firm from July 1, 1983, through June 30, 1984. Price increases scheduled for July 1, 1984, and July 1, 1985, will be limited to 4 percent. The actual percentage to be applied to the base price will be determined by the Massachusetts Blue Cross, MAC, maximum allowable increase for product groups contained herein.

In the past, competition for providing solutions has been very limited, due to the few vendors who can supply these products. Historically, Travenol Laboratories Inc. was the low bidder when these products were publicly bid except in one instance. At that time the contract was awarded to another vendor but after eight months the contract was canceled because the new vendor was unable to meet the department's needs. Department personnel believe that they have been able to obtain a more favorable contract with Travenol Laboratories, Inc. by negotiation rather than by public bid.

Because of the above, because the competitive market has gotten smaller, because Travenol Laboratories, Inc. has serviced us well in the past and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

LICENSING BOARD  
Legal Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising in the awarding of a contract to Harrison A. Fitch, Esquire of 189 State Street, for legal services to be rendered to this board.

Under the terms of the agreement, Mr. Fitch will represent the board in any legal actions which may be necessary to enable the board to perform its statutory function.

Mr. Fitch is a highly qualified and capable attorney. He has agreed to represent this board at the rate of \$80 per hour which is below the usual rate and very reasonable.

The period of this contract shall be from July 1, 1983, to June 30, 1984, and the total amount of compensation shall not exceed \$25,000.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Andrea W. Gargiulo,  
Chairwoman.

MAYOR'S OFFICE  
Liaison Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Mr. Brian R. McNaught of Brookline, for liaison services with various city departments and Boston's gay and lesbian community.

Under the terms of the contract, Mr. McNaught will serve as the Mayor's liaison to the gay and lesbian community with the specific responsibilities of

developing pro-active measures to assure equal treatment in employment and the delivery of city services, and to advise city departments of issues and policies affecting Boston's gay and lesbian community.

Mr. McNaught is uniquely qualified to perform these services because of his extensive knowledge of issues affecting Boston's gay and lesbian community, his award-winning publications on the subject of homosexuality, and his counseling, speaking, and administrative experience.

Due to the highly specialized and unique nature of the services to be performed, and given Mr. McNaught's exceptional qualifications, and the reasonable cost of services, I believe that public advertising would serve no useful purpose.

Compensation under this contract shall not exceed \$36,000, payable at \$138 per day, which I have determined to be reasonable for the work to be performed. Payment for services associated with this contract shall be charged to account 1-14-02-29, Office of Policy Management. The term of this contract shall be from July 1, 1983, to June 30, 1984.

Very truly yours,  
Micho F. Spring,  
Deputy Mayor.

NDEA  
Revolving Loan Fund, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to the Economic Development and Industrial Corporation (hereinafter referred to as EDIC or the contractor), a corporation under Massachusetts General Laws, chapter 1097 of the Acts of 1971, located at 18 Tremont Street, for capitalization of a revolving loan fund and the funding of certain program management costs.

Under the terms of this contract EDIC shall: further capitalize a certain revolving loan fund to provide low-interest, long-term, fixed-asset loans to eligible industrial and commercial enterprises which are expanding, modernizing or relocating within the City of Boston; and provide for certain services program management for the planning and execution of community development activities pursuant to the Housing and Community Development Act of 1974, as amended.

The contractor is uniquely qualified to perform the work called for under this contract. It is a highly professional development corporation which possesses extensive experience in loan packaging, implementation and management, as well as more general administrative services in support of publicly and privately funded development activities.

Compensation under the terms of this contract, which I have determined to be reasonable for the services to be provided, shall not exceed \$700,000. Of this amount, \$485,000 shall be used to further capitalize the revolving loan fund described in subparagraph A above. The remaining \$215,000 shall be used to fund the program management costs referenced above. Funds for this contract shall come from Program Year VIII of the Community Development Block Grant (CDBG) Program. The term of this contract shall be from July 1, 1982, to June 30, 1984. This request has been delayed due to prolonged negotiations between EDIC and the NDEA.

Because of the unique qualifications of the contractor and the reasonable cost of the services to be provided, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with soliciting sealed bids by

advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 1.

Sincerely,  
Paul S. Grogan,  
Director.

Copy Machine Training

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Quality Systems Business, Incorporated, New York. Under the terms of the contract the contractor will operate a copy machine technician program for twenty-five CETA participants to combine classroom instruction with actual hands-on experience in the repair and maintenance of copy machines. The program is designed to train participants in the areas of basic and intermediate electronics, systems analysis and fusing, detail stripping and cleaning and repair of a variety of copiers and collators. This training program will take place at Don Bosco Technical High School, 300 Mount Street.

The contractor was selected based on its successful operation of Copy Machine Technician Programs under the Private Industry Council of New York. In addition, the contractor was selected based on the merits of its proposal in the area of program and curriculum design and cost effectiveness. This program is being funded under the Boston Private Industry Council (BPIC) Business Partnership.

Funds for the operation of this contract will be provided to the City of Boston through a federal government grant under Title VII of the Comprehensive Employment and Training Act Amendment of 1978, P.L. 95-524. The contract will be effective for the period June 20, 1983, through September 1983, at a total cost not to exceed \$80,000. This request is retroactive due to the time involved in negotiating final program structure and funding levels.

As this is a negotiated contract at a reasonable cost, which conforms to federal procurement requirements for CETA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

Elderly Services Program

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to the Labourer Center, a nonprofit organization, located at 371 West Fourth Street South Boston, for the purpose of providing elderly services program.

Under the terms of the contract, the contractor will provide a variety of recreational and informational programs, as well as health care and transportation services. The contractor was selected based upon ability to provide services, reasonableness of cost and previous experience in providing these services.

Compensation under the terms of this contract shall not exceed \$37,500, payment being made from Year IX funds of the Community Development Block Grant program. The period of performance shall be from October 1, 1983, until June 30, 1984.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

### Dental Care Program

Mr. Mayor:  
I respectfully request your Honor's permission to award a contract to the Joseph M. Smith Community Health Center, a nonprofit organization, located at 51 Stadium Way, Allston, for the purpose of providing a dental care program.

Under the terms of the contract, the contractor will provide primary and preventive dental care services to low- to moderate-income residents of Allston. The contractor was selected based upon ability to provide services, reasonableness of cost and previous experience in providing these services. Compensation under the terms of this contract will not exceed \$11,250, payment being made from Year IX funds of the Community Development Block Grant program. The period of performance will be from October 1, 1983, until June 30, 1984. As this is a negotiated contract as a reasonable cost, based upon an extensive review of proposals, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

### Hospice Program

Mr. Mayor:  
I respectfully request your Honor's permission to award a contract to the Dorchester Bay Area Hospice, Inc., a nonprofit organization, located at 1353 Dorchester Avenue, Dorchester, for the purpose of providing a hospice program.

Under the terms of the contract, the contractor will provide home health care services to terminally ill cancer patients in the Dorchester, South Boston, and Roxbury communities. The contractor was selected based upon ability to provide services, reasonableness of cost and previous experience in providing these services.

Compensation under the terms of this contract will not exceed \$24,000, payment being made from Year IX funds of the Community Development Block Grant program. The period of performance will be from October 1, 1983, until June 30, 1984. As this is a negotiated contract as a reasonable cost, based upon an extensive review of proposals, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

### POLICE DEPARTMENT

#### Medical Examinations

Mr. Mayor:  
I respectfully request authorization to dispense with public bidding in the award of a contract to Dr. William C. Wigglesworth, Ipswich, for an amount not to exceed \$35 per hour, or \$28,000 total, for a period of time commencing July 1, 1983, through June 30, 1984. We have determined that the contract cost is reasonable in view of the professional nature of the services.

The purpose of this contract is to provide for medical examination of present and prospective police officers to aid in departmental decisions relating to termination of fitness of injured or ill officers for return to light or full duty; distinguishing between on- and off-duty injuries and illnesses of officers; selection of officers from applicants; promotion of officers; reviewing claims of illness-caused absences;

advising the department on applications for disability retirements.

Previous departmental attempt to either maintain a physician as a full-time employee or to contract with the facilities and staff of a local hospital have proved unsatisfactory. It has been very difficult to hire a well-qualified physician for full-time work, because of the salary rate and the interest of most qualified physicians in maintaining some private practice.

We believe the proposed contract will solve these problems. First, its part-time nature enables the department to select a more highly qualified physician who wishes to maintain a private practice while it provides greater comprehensiveness via employment of both a doctor experienced with trauma injuries and an occupational medicine specialist. Second, the expiration of a contract, with subsequent renewal, revision, or non-resumption of the terms of agreement, is superior to a longer term employment relationship, in that we have more flexibility to correct deficiencies of the system. We have in the past terminated the services of physicians whose performance was unsuitable for various reasons. Third, the contract provides sufficient time to schedule all the appointments we require.

Adequate evaluation of the health states of officers is, of course, vital to efficient functioning of the department. With respect to sick and injury leave, it has become even more important because of three troublesome areas. One is the recent expansiveness of conditions for which arbitrators are granting benefits to injured and ill officers through the grievance process. The second area is in the direct relationship between low morale and improper use of sick leave, as exemplified by an officer who, dissatisfied with his transfer from an indoor to an outdoor function, calls in sick for a few days or longer. The third area is the continuing need to evaluate injured officers to return them to work as soon as they are fit. The recent increase in officers' applications for disability retirement, with their high cost to the city, also require more intense departmental evaluation.

We have recruited applicants for the positions through the New England Journal of Medicine, Journal of Occupational Health, and the Mass. Medical Society Newsletter. Dr. Wigglesworth is the most qualified of the applicants for the position. He is a graduate of Harvard Medical School, a lifelong practitioner in the Boston area and is highly experienced in the orthopedic and trauma-related injuries that compose the bulk of our problems.

He has worked for us during fiscal years 1978 through 1983, in this capacity and proved very effective.

Therefore, because of the advertising already undertaken by the department, and in light of the qualifications and experience of Dr. Wigglesworth, it is believed that public advertising would serve no useful purpose.

Respectfully submitted,  
Joseph M. Jordan,  
Police Commissioner.

Dear Mr. Mayor:

I respectfully request authorization to dispense with public bidding in the award of a contract to Robert A. Dye, M.D., Wellesley, for an amount not to exceed \$25 per hour, or \$20,000 total, for a period of time commencing July 1, 1983, through June 30, 1984. We have determined that the contract cost is reasonable in view of the professional nature of the services.

The purpose of this contract is to provide for medical examination of present and prospective police officers to aid in departmental decisions relating to determination of fitness of injured or ill officers for

return to light or full duty; distinguishing between on- and off-duty injuries and illnesses of officers; selection of officers from applicants; promotion of officers; reviewing claims of illness-caused absences; advising the department on applications for disability retirements.

Previous departmental attempts to either maintain a physician as a full-time employee or to contract with the facilities and staff of a local hospital have proved unsatisfactory. It has been very difficult to hire a well-qualified physician for full-time work, because of the salary rate and the interest of most qualified physicians in maintaining some private practice.

We believe the proposed contract will solve these problems. First, its part-time nature enables the department to select a more highly qualified physician who wishes to maintain a private practice while it provides greater comprehensiveness via employment of both a doctor experienced with trauma injuries and an occupational medicine specialist. Second, the expiration of a contract, with subsequent renewal, revision, or non-resumption of the terms of agreement, is superior to a longer term employment relationship, in that we have more flexibility to correct deficiencies of the system. We have in the past terminated the services of physicians whose performance was unsuitable for various reasons. Third, the contract provides sufficient time to schedule all the appointments we require.

Adequate evaluation of the health states of officers is, of course, vital to efficient functioning of the department. With respect to sick and injury leave, it has become even more important because of three troublesome areas. One is the recent expansiveness of conditions for which arbitrators are granting benefits to injured and ill officers through the grievance process. The second area is in the control of improper use of sick leave. The third area is the continuing need to evaluate injured officers to return them to work as soon as they are fit. The recent increase in officers' applications for disability retirement, with their high cost to the city, also require more intense departmental evaluation. Recent changes in contracts with bargaining units representing sworn employees have also made the services of well-qualified physicians necessary for purposes of evaluation officers' fitness for light duty and in the holding of hearing for changing officers from injured leave to sick leave.

We have recently recruited applicants for the position through the Massachusetts Medical Society Newsletter. Dr. Dye is the most qualified of the applicants for the position, with a background in cardiology which, because of the so called "heart law" and the substantial amount of cardiovascular disease among our employees, is an important area of concern for us. He has worked on a trial basis since mid-May, 1983, and his services have been excellent. He is a graduate of Boston University School of Medicine and a clinical instructor in medicine at Harvard Medical School.

Therefore, because of the advertising already undertaken by the department, and in light of the qualifications and experience of Dr. Dye, it is believed that public advertising would serve no useful purpose.

Respectfully submitted,

Joseph M. Jordan,  
Police Commissioner.

### PUBLIC FACILITIES DEPARTMENT Architectural Design Services

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on July 7, 1983, I hereby request your Honor's written authority to dispense with public

advertising and award to Linenthal, Eisenberg, Anderson, Inc., engineers, 75 Kneeland Street, a contract for architectural design services, including supervision of construction, for roof, masonry, windows and drain repairs at Brighton Court House, at a cost not to exceed \$19,950 (including \$4,500 for supplementary services) which is a fixed fee based on a negotiated factor of 10.3 percent of the estimated construction cost of \$150,000, which is a reasonable amount.

Following the advertisement of this project and receipt of proposals, the consultant was selected on the basis of a rating process undertaken by the Public Facilities Designer Selection Committee in accordance with MGL ch. 7, sec. 30. I believe this firm is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that public advertising would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
Director.

#### Reimbursement of Expenses

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on July 7, 1983, I hereby request your Honor's written authority to dispense with inviting proposals by advertisement in the *City Record*, and award nunc pro tunc to Jackson Mann Community School Council, Inc., 500 Cambridge Street, Allston, a contract for the reimbursement of non-personnel expenditures incurred in running an adult basic education program such as books, supplies, postage, etc., in the amount not to exceed \$14,639.09 (covered by a grant from the Commonwealth of Massachusetts) for the period November 1, 1982, to June 30, 1983. I believe the cost is reasonable.

The reasons for the delay in awarding this contract concern the fact that this was a short-term program which had to be equipped upfront and the time needed to verify the costs incurred was lengthy due to the City Auditor's requirements.

In view of the fact that this contract is for the reimbursement of expenses already incurred, it is my judgment that public advertising in this instance would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
Director.

#### Engineering Services

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on July 7, 1983, I hereby request your Honor's written authority to dispense with inviting proposals by advertisement in the *City Record* and award to Zaldastani Associates, Inc., 7 Water Street, a contract for engineering services, for the period July 1, 1983, to June 30, 1984, in connection with the Sarabond mortar problem on the exterior masonry walls of West Roxbury High School.

The services include acting as our expert witness in the law suit against Dow Chemical Company, the architect and the contractor, and providing assistance with mitigating the damage to the building during the legal process. The cost shall not exceed \$27,000 (including \$1,500 for supplementary services and \$500 for out-of-pocket expenses) payable at hourly rates set forth in the contract, which is a reasonable amount.

Our investigation and research have led us to believe that Zaldastani Associates is the best engineering firm in this area for this kind of assignment. I believe they are qualified to perform the services required.

In view of the technical and professional nature of the services, it is my judgment that public advertising would serve no useful purpose in this instance.

Respectfully,  
Donald B. Manson,  
Director.

#### PUBLIC IMPROVEMENT COMMISSION Cable TV Consultant

Dear Mr. Mayor:

Pursuant to the vote of the Public Improvement Commission dated June 23, 1983, authorizing the chairman to contract for services relating to the development of the Cable Television System in Boston, I hereby request your Honor's written authority to dispense with inviting proposals by advertisements in the *City Record*, and award a contract to Timothy F. Gens, 29 Rockwood Street, Boston.

Under the terms of this contract, Mr. Gens will serve as a consultant to the Public Improvement Commission with responsibility for the following: develop technical facilities plan, work with technical advisors in devising plan for acquisition of equipment and design of programming production and post-production space in City Hall; develop personnel specifications, what production and post-production personnel are needed to run the municipal channel; coordinate agency development of municipal programs, work with city agencies in developing specific programming ideas and production schedules; refine programming ideas, estimate hourly production costs, personnel needs, etc.; define plan for sharing programming facilities among agencies; work with other consultants and personnel in actual writing and production of programs; identify potential outside resources of freelance production people and develop entrepreneurial outreach for funding and development of programming; develop "Boston Today" format and production plan, work with other consultants and personnel in developing a format, budget and plan for implementing a daily "Boston Today" program; coordinate participating agencies and officials; develop municipal programming standards, ethical standards governing possible misuse of the municipal channel; quality control standards governing production and content.

Mr. Gens will provide these services from July 1, 1983, to June 30, 1984, at a cost not to exceed \$40,000, payable at \$25 per hour. I believe the cost is reasonable and that Mr. Gens is qualified to perform these services.

Due to the technical and professional nature of the services to be performed, it is my judgment that public advertising would serve no useful purpose.

Respectfully,  
Joseph F. Casazza,  
Chairman.

#### PUBLIC WORKS DEPARTMENT Weather Forecasting

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Weather Services Corporation, a corporation, located at Bedford, for weather forecasting services.

Under the terms of the contract, Weather Services Corporation will transmit scheduled forecasts of weather conditions expected during the current day and succeeding two days via Extel/Teletype, as well as furnish storm warnings at any time of the day or night, a report on hurricane advisories and positions, and a twenty-four-hour consultation service.

Weather Service Corporation is uniquely qualified to do this work because they operate one of the largest and best-equipped private weather centers

in the country designed to monitor and forecast weather throughout the world. Their global forecast center operates twenty-four hours a day, seven days a week. Weather information is received continuously, round-the-clock basis from around the world and is processed in a communications term that is ten times faster than the regular weather teletype channels.

Compensation under this contract shall not exceed \$3,280, which I have determined to be reasonable for the services to be performed. The term of this contract shall be from July 1, 1983, to June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Robert P. Mehegan,  
Acting Commissioner

#### SCHOOL DEPARTMENT Chapter 766 Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Castle School, Cambridge, Linda Corwin, director, for the providing special educational services to Boston Public School children in accordance with M.G.L. c. 766 (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$39,256, which I believe is reasonable for the services to be performed, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is zero. The facility will provide thereunder educational services to Boston Public Schools pupils in accordance with each child's individual educational needs as determined by the School Department staff.

Because it has been determined that these children are in immediate need of special education and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,  
Edward J. Winter,  
Secretary

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Berkshire Learning Center, Pittsfield, Dr. Marianne Rud, director, for providing special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$59,000, which I believe is reasonable for the services to be performed, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is zero. The facility will provide thereunder educational services to Boston Public Schools pupils in accordance with each child's individual educational needs as determined by the School Department staff.

Because it has been determined that these children are in immediate need of special education and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,  
Edward J. Winter,  
Secretary

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Charles River Academy, Inc., Cambridge, Dennis A. McGuire, director, for the providing of special educational services to Boston Public School children in accordance with G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$59,480, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$29,740.

The facility will provide thereunder educational services to Boston Public Schools pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,  
Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Cooperative Production Collaborative, North Dighton, James P. Lyons, director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$15,400, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$7,700.

The facility will provide thereunder educational services to Boston Public Schools pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,  
Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Learning Disabilities Foundation, Inc., Dr. Charles Drake, director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$145,200, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$72,600.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,  
Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Concord Area Special Education, Concord, for providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$14,064, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$7,032.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,  
Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Boston School for the Deaf, Randolph, Hollis W. Wyks, director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$90,800, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$43,500.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,  
Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Boston Basics, Inc., Jamaica Plain, Dorothy Renaghan, director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$272,688, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$136,344.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,  
Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Leland Hall School, Development Learning Center, Norfolk, Robert O'Meara, director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$49,088, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$24,544.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,  
Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Little People's School, Inc., West Newton, Nancy E. Rosoff, director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$817,700, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$408,850.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,  
Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Massachusetts General Hospital, Child Psychiatry Unit, J. Robert Buchanan, M.D., director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$7,280, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$3,640.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,  
Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to May Institute, Chatham, Walter Christian, Ph.D., director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$250,000, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$123,000.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,  
Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Shore Collaborative, Adams School, Everett, Henry Owen, director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$70,000, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$35,908.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,  
Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Stevens-Children's Home-School, Swansea, Kathleen M. Brown, director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$92,750, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$24,500.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,  
Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Hayden Goodwill Inn School, Joseph Schechtman, director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$248,500, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$124,250.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,  
Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Bay Cove Day Center for Children, Susan Villani, M.D., director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$817,700, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$290,934.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,  
Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Krebs School Foundation, Inc., Ida G. Krebs, director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$111,600, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$55,800.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,  
Edward J. Winter,  
Secretary.

Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization of the award of a contract to The Concord-Assabet School, Inc., Stephen Joffe, director, for the provision of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$69,000, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is zero. The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,

Edward J. Winter,  
Secretary.

Mr. Mayor:

On behalf of the Boston Public School, I request your authorization for the award of a contract to Youth Enrichment Services, Inc., 180 Massachusetts Avenue. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$9,500, which I have deemed to be reasonable. On June 15, 1983, the School Committee approved all of the '84 chapter 636 proposals for the sum of \$280,685. Youth Enrichment Services' portion as related to that amount is \$9,500.

The contract will provide leadership training sessions for up to 537 students from District IX and V. These training sessions will be sequenced with an activity so that students acquire leadership skills in listening, problem solving, and group decision-making. The activities consist of skiing, bicycling, or hiking trips, ranging from a one-day trip to a woodland environment, to a three-day outdoor leadership workshop. Each trip will be preceded by a one-hour, orientation session.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Collaborative; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Order Modifying desegregation Plan *Morgan v. McDonough*, Civil Action No. 72-911-G; further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 84-9D and 84-5D.

Very truly yours,

Robert R. Spillane,  
Superintendent.

## Math Training

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization of a contract to Robert Willcutt, 74 Appleton Street. The consultant performed the following services during the period March 2, 1983, through June 30, 1983, and occurred at a cost not to exceed \$2,740, which is deemed reasonable.

The consultant provided services to teachers and parents at Copley Square H.S. in basic skills and geometry curriculum which will result in curriculum implementation revisions consistent with current math education goals at a cost of \$450 to be charged to ch. 636 and four training workshops in problem solving, basic/general math skills, geometry and consumer applications for secondary math teachers, including preparation and follow-up consultation at a cost of \$300 to be charged to ch. II, ECIA.

Dr. Willcutt has provided outstanding training services to BPS math teachers for several years through the court-ordered university collaboration and is presently serving as associate professor at Boston University and is nationally recognized for his expertise and work in math education.

Due to the fact that Mr. Willcutt had already processed \$1,990 in service orders and the above payment of \$750 would bring him above the \$2,000 service order limit, a contract is required. However, only \$750 need be encumbered at this time.

The lateness of this contract is attributable to the fact that at the time of Mr. Willcutt's additional services were engaged late in the school year, School Department personnel employed him were unaware of previous service orders and, therefore, of the need for a contract. This was determined only after new service orders and invoices for payments for Mr. Willcutt's services had been received.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provision of General Laws, ch. 44, s. 53A and is subject to receipt of funds under grant from chapter 636 and Chapter II., E.C.I.A.

Yours truly,

Robert R. Spillane,  
Superintendent of Schools.

## TREASURY DEPARTMENT Tax Collection Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Kara Keane, an individual, located at 9 Hallam Street, Dorchester, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of this contract, Ms. Keane will act as a clerk for the unit. Ms. Keane is uniquely qualified to do this work because of her experience within the unit, her formal education and her excellent past performance.

Compensation under this contract shall not exceed \$10,000, which I have determined to be reasonable for the work to be performed. Ms. Keane will be working full time at the rate of \$8 per hour.

The term of this contract shall be August 5, 1983, through June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Respectfully yours,

Lowell L. Richards, III,  
Collector-Treasurer.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Daniel Calenda, an individual, located at 23 Tileston Street, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of this contract, Mr. Calenda will assist in collection activities as legal intern for the unit. Mr. Calenda is uniquely qualified to do this work through his past experience and his past excellent performance.

Compensation under this contract shall not exceed \$8,000, which I have determined to be reasonable for the work to be performed. Mr. Calenda will be working part time at the rate of \$5 per hour.

The term of this contract shall be July 1, 1983, through June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Respectfully yours,

Lowell L. Richards, III,  
Collector-Treasurer.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Brad Hudson, an individual, located at 39 Hazelton Street, Mattapan, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of this contract, Mr. Hudson will assist in collection activities by performing accounting functions for the unit. Mr. Hudson is uniquely qualified to do this work through his past experience and his past excellent performance.

Compensation under this contract shall not exceed \$11,000, which I have determined to be reasonable for the work to be performed. Mr. Hudson will be working full time at the rate of \$5 per hour.

The term of this contract shall be July 1, 1983, through June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Respectfully yours,

Lowell L. Richards, III,  
Collector-Treasurer.

## Bond Counsel Services

Dear Mr. Mayor:

I request your permission to award a contract for legal services to the firm of Palmer & Dodge, One Beacon Street, and to dispense with public advertising for bids. The term of the contract would run from July 1, 1983, to June 30, 1984, and the contract price would not exceed \$125,000. This contract price is reasonable.

Palmer & Dodge would serve as the city's bond counsel, and would provide advice and prepare documents in connection with financial matters, particularly in connection with the issuance of bonds, notes and certificates of indebtedness of the city.

Because Palmer & Dodge is especially qualified in the area of municipal finance, and because this firm has previous experience with the financial affairs of the City of Boston, I believe that public ad-

vertising would serve no useful purpose. This award letter was delayed due to budgetary review.

Respectfully,

Lowell L. Richards, III,  
Collector-Treasurer.

#### Parking Violations System

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Price Waterhouse, a partnership, located at One Federal Street, for technical support and guidance in connection with design and implementation of controls and procedures for the new, administratively managed parking violations systems.

Under the terms of the contract, Price Waterhouse will analyze the collection activities of the first year of the administratively managed parking ticket collection operation, make recommendations and aid in the implementation of the recommendations. While their scope will include all activities of the parking clerk which have financial impact, they will focus on four areas: identification of changes in collection procedures which would result in increased collections, utilizing computer-based statistical analysis packages; implementation of a computerized system to handle efficiently, and in compliance with statute, violations written on vehicles owned by leased and rental car companies; implementation of a multi-purpose management information system; identification and correction of any procedures which may not meet strict processing control requirements appropriate for an operation such as this.

Price Waterhouse is uniquely qualified to do this work because of their previous performance on this and several other projects for the city and their familiarity with the city's operating methods and procedures.

Compensation under this contract shall not exceed \$125,000, which I have determined to be reasonable for the work to be performed. The term of this contract shall be July 1, 1983, through June 30, 1984. This award letter was delayed because of budgetary review.

Because of the professional nature of the services to be performed I believe that public advertising would serve no useful purpose.

Respectfully,

Lowell L. Richards III,  
Collector-Treasurer.

#### Financial Advisor Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Government Finance Associates, Incorporated, a corporation, located at New Jersey for services as financial advisor. Mr. Chester Johnson is the principal of this corporation.

Under the terms of this contract, Government Finance Associates, Incorporated, will provide the following professional consultant services to the city: analysis and recommendations on structure of bond and note sales, including possible modifications of maturity schedules, decision-making on choice of competitive versus negotiated sale, and special security features analysis; advisory assistance on all issues of city securities, including format and content of required documents and issuance statements; service as the city's liaison with institutional investors, underwriters, national rating agencies and other interested parties; provision of ongoing analysis of actual versus potential sources of capital, including innovative sources, for investment in Boston's several debt obligations;

provision of assistance to the city in preparing and applying for grants for financing for economic development.

Government Finance Associates, Incorporated, is uniquely qualified for this work. Mr. Johnson is the former assistant treasurer of the United States Government, in charge of the Treasury Department's State and Local Finance Division, and has served as vice-president and chief of the Public Finance Advisory Group of the Morgan Guarantee Trust Company of New York. Mr. Johnson's associates in Government Finance Associates, Incorporated are similarly highly qualified and experienced.

Compensation under this contract shall not exceed \$200,000, which I have determined to be reasonable for the work to be performed. The term of this contract shall be July 1, 1983, through June 30, 1984. This award letter was delayed because of budgetary review.

Because of the professional nature of the services to be performed I believe that public advertising would serve no useful purpose.

Respectfully,

Lowell L. Richards III,  
Collector-Treasurer.

#### SUFFOLK COUNTY JAIL

##### Legal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Theodore Tedeschi, Esq., and individual located at 50 Milk Street, for legal services to the Sheriff of Suffolk County, concerning the matter of *Inmates of Suffolk County Jail v. Kearney, et al.*

Under the terms of the contract, the contractor shall provide legal services to the Sheriff of Suffolk County in certain litigated matter including, without limitation, the matter of *Inmates of Suffolk County Jail v. Kearney, et al.*, presently pending before the United States District Court for the District of Massachusetts.

Compensation under this contract shall not exceed \$20,000, which I have determined to be reasonable for the work to be performed. The term of this contract shall be July 1, 1983, through June 30, 1984.

Because of Mr. Tedeschi's familiarity with the ongoing litigation concerning the jail and the reasonable cost for the specific legal services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely yours,

Dennis J. Kearney,  
Sheriff.

CITY OF BOSTON

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

**Proposal for Boarding and Securing, Project  
No. 58-CD-ABU, Community Development  
Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

26 Boston Street, Ward 7  
28 Boston Street, Ward 7  
12 Wensley Street, Ward 10  
81 Highland Street, Ward 11  
216 Highland Street, Ward 11  
90 Capen Street, Ward 17  
27 Mora Street, Ward 17  
653 Walk Hill Street, Ward 18

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, January 24, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Com-

monwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 57-CD-ABU."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractor to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

**I. Minority Business Requirements:**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**II. Workforce Requirements:**

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commission of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specification" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms as the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables).

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Duxbury, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action.

ion program contract provisions, and to the requirements of mandatory compliance with section of the Housing and Urban Development Act of 1968 and Executive Order 11246.

NOTICE TO CONTRACTORS

Invitation for Bids for Spraying Trees for Control of the Elm Bark Beetle and Elm Leaf Beetle.

The City of Boston, acting by the Parks Commission, Room 816, Boston City Hall, Boston, MA 02101, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project set forth below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Spraying Trees for Control of the Elm Bark Beetle and Elm Leaf Beetle."

SCOPE OF WORK consists of furnishing of all labor, material, and equipment necessary to apply (1) Methoxychor Dormant spray for control of the Elm Bark Beetle and one (1) Follar Spray of Cararyl for control of the Elm Leaf Beetle to existing trees on Commonwealth Avenue, between Arlington Street and Kenmore Square, and limited areas in the Boston Common, Public Gardens, Worcester Square, and Union Park.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, January 29, 1985, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, January 14, 1985, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$10 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$10 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51

percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Neighborhood Development and Employment Agency, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Neighborhood Development and Employment Agency, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement, (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, January 22, 1985, at 10 a.m., Boston time.

CITY OF BOSTON,  
PARKS AND RECREATION DEPARTMENT,

### CITY OF BOSTON

#### INSPECTIONAL SERVICES DEPARTMENT

#### NOTICE TO CONTRACTORS

##### **Proposal for Demolition and Site Clearance, Project No. 141 CD-ATD, Community Development Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

33 Belden Street, Ward 7 (rear garage)  
70-72 Hampden Street, Ward 8  
97 Lamartine Street, Ward 10  
27 Puritan Avenue, Ward 14  
16 Banton Street, Ward 16 (rear garage)

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, January 24, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bids shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 141-CD-ATD."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the demolition and site clearance of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The contractor's attention is called to XXIV, protection of the public. These measures, which appear in the contract, are two general types: revisions to the demolition contract specifications, and modifications or additions to the Clearance of Unsafe Buildings Program itself.

##### **NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246) IF APPLICABLE.**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federal-assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulation in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of the projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the

contractor's goals shall be in a violation of the contract, the Executive Order and the regulations in CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

##### **Notice**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practice the performance of this contract.

##### **Attention to All Bidders**

###### **I. Minority Business Requirements:**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership or control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of the directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount of the bid must be obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

###### **II. Workforce Requirements:**

During the performance of this contract, the general contractor shall agree and shall require that its subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (2), and (3) above shall apply to each trade that a

on the list of "Classification and Minimum Rates" as determined by the Commissioner of Labor and Industries under the provisions of Chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of the requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 5 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

##### Invitation for Proposals for Management Agent(s) Services

The City of Boston, through its Collector-Treasurer, is hereby soliciting proposals for the services of a management agent(s) for residential properties subject to tax title liens, and on which the city intends to take possession pursuant to M.G.L., chapter 60 section 53.

The management agent(s) must fulfill the following responsibilities:

- (1) Collect rent from tenants of the building(s) and turn said rents over to the City of Boston;
- (2) Perform routine maintenance on behalf of the city and at the city's expense, subject to the prior approval of the Collector-Treasurer;
- (3) Provide a plan and procedure for service in the event of a major mechanical failure, disasters, etc.;
- (4) Perform any other duties commonly performed by a management agent of residential properties.

Fees for management of tax possession properties will be on a negotiated basis. However, any firm/individual selected as a management agent must be current in all real or personal taxes due to the City of Boston.

For more information on this program please contact Mr. Joseph McGrail at 725-3224. The tax possession program will be commencing as soon as possible. Therefore the selection of the management agent(s) will be completed by January 25, 1985.

**TRAFFIC AND PARKING DEPARTMENT**

**Invitation for Bids for Parking Sign  
Manufacture and Installation.**

The City of Boston, acting by its Traffic and Parking Department, through its Commissioner of Traffic and Parking (the Awarding Authority), invites sealed general bids for the above-entitled project, subject to all provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

**Time and Place for Filing Bids**

General bids will be received up until twelve o'clock noon, Boston time, Wednesday, January 30, 1985, at the office of the Awarding Authority, Room 721, City Hall, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on the proposal forms obtained from the Awarding Authority. Each copy of the proposal shall be completely filled in, signed, enclosed in an envelope, sealed and plainly marked with the name of the bidder and the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority at the office designated above, accompanied by a bid deposit in the form of a bid bond, or a certified check or a treasurer's or cashier's check on a responsible bank or trust company, payable to the City of Boston, in the amount of 10 percent of the contract proposal price. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of proposals. The proposals shall be filed before the time stated above for the opening of proposals.

**Bid Forms and Contract Documents**

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Monday, January 14, 1985, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance and liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award of this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

No proposal may be withdrawn after the time limit for filing proposals for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. Proposals filed by the three lowest responsible and eligible bidders may not be

withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

**NO BID FOR THE AWARD OF THIS PROJECT WILL BE CONSIDERED ACCEPTABLE UNLESS THE CONTRACTOR COMPLIES WITH THE FOLLOWING REQUIREMENTS FOR MINORITY BUSINESS ENTERPRISE UTILIZATION.**

PURSUANT TO THE SUPPLEMENTAL MINORITY PARTICIPATION AND RESIDENT PREFERENCE SECTION OF THIS CONTRACT, THE GENERAL CONTRACTOR MUST GIVE SATISFACTORY ASSURANCE THAT AT LEAST 10 PERCENT OF HIS BID PRICE SHALL BE EXPENDED FOR MINORITY BUSINESS ENTERPRISE. FOR THE PURPOSES OF THIS PARAGRAPH, THE TERM MINORITY BUSINESS ENTERPRISE MEANS A BUSINESS ORGANIZATION IN WHICH 51 PERCENT OF THE BENEFICIAL OWNERSHIP AND CONTROL IS HELD BY ONE OR MORE MINORITY PERSONS (BLACK, HISPANIC, ASIAN-AMERICAN, OR AMERICAN INDIAN).

INCLUDED WITH THE CONTRACT DOCUMENTS ARE COPIES OF THE "MINORITY BUSINESS UTILIZATION FORM," "MINORITY BUSINESS IDENTIFICATION STATEMENT," "MINORITY BUSINESS UTILIZATION PROGRESS REPORT," AND THE "MINORITY BUSINESS AND GENERAL CONTRACTOR'S LETTER OF INTENT."

EACH GENERAL CONTRACTOR MUST COMPLETE, SIGN AND FILE WITH HIS BID THE MINORITY BUSINESS UTILIZATION FORM. FAILURE TO DO SO WILL RESULT IN THE REJECTION OF THE BID PROPOSAL. THE LOWEST RESPONSIBLE AND ELIGIBLE BIDDER IS REQUIRED TO SUBMIT A MINORITY BUSINESS AND GENERAL CONTRACTOR'S LETTER OF INTENT. THE LETTER OF INTENT SHALL BE COMPLETED AND SIGNED BY THE MINORITY BUSINESS ENTERPRISE AND THE GENERAL CONTRACTOR NO LATER THAN TEN (10) WORKING DAYS AFTER THE GENERAL BID OPENING. THE LOWEST BIDDER MUST ALSO SUBMIT A MINORITY BUSINESS IDENTIFICATION STATEMENT FOR EACH MINORITY BUSINESS NOT INCLUDED IN THE CITY OF BOSTON MINORITY BUSINESS DIRECTORY.

ALL CONTRACTORS SHALL ALSO AVAIL THEMSELVES OF THE CITY OF BOSTON MINORITY BUSINESS DIRECTORY PUBLISHED BY THE CITY THROUGH THE OFFICE OF MINORITY BUSINESS TO FACILITATE COMPLIANCE WITH THESE REQUIREMENTS.

THE MINORITY BUSINESS OFFICE IS LOCATED AT 15 BEACON STREET, FIFTH FLOOR, BOSTON, MA 02108, TELEPHONE NUMBER 720-4300.

Bidders seeking information pertaining the affirmative action in connection with City of Boston contracts should attend scheduled meetings at 15 Beacon Street. These meetings will be held on the first and third Wednesdays of each month.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price,

as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if in the public interest to do so.

**NOTICE TO CONTRACTORS**

**Proposal for Boarding and Securing, Project  
No. 57-CD-ABU, Community Development  
Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, hereby after referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

193-197 D Street, Ward 6  
194-200 Blue Hill Avenue, Ward 13  
21 Ceylon Street, Ward 13  
34 Abbot Street, Ward 14  
357 Bowdoin Street, Ward 15  
361 Bowdoin Street, Ward 15  
926 Hyde Park Avenue, Ward 18

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m. Thursday, January 24, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form of a general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, a general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws

chapter 149, section 26, as amended. This schedule will be available to the successful bidder. The successful bidder will be required to provide performance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with foregoing stipulation will be required before commencing performance of this contract. The contractor shall provide a performance bond, and also a labor and material payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 57-CD-1."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and the contractor must ensure that employees applying for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to reject any informalities and to reject any or all general bids if it be in the public interest to do so.

#### Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of specifications for and the obligations of the contractor and subcontractor to take affirmative action in connection with employment practices in the performance of this contract.

#### Attention to All Bidders

Minority Business Requirements: A bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. The purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid. The City of Boston Minority Business Directory lists all minority-owned businesses that have been identified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon

Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

#### II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

#### NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables).

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

CITY OF BOSTON

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

Proposal for Sidewall Repair, Project No. 12-CD-ASW, Community Development Block Grant.

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the repair of left sidewalk per specifications on file of the following building.

5 Mt. Pleasant Terrace, Ward 8

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, January 24, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bids shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applica-

ble provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: Project No. 12-CD-ASW.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the repair of left sidewalk of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractor to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 per-

cent ratio of female employee manhours to total employee manhours in each trade worked on contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provision chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation, expressed in percentage terms, the contractor's aggregate workforce in each trade on all construction work in the covered areas, pages EEO-1 and EEO-2 of the bid specifications for goals and timetables).

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered area.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoughton, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4.1 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its contracts.

The transfer of minority or female employee trainees from contractor to contractor or from contractor to project for the sole purpose of meeting contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4.1. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

INSPECTIONAL SERVICES DEPARTMENT

By JAMES T. REID,

(Jan. 14.) Inspectional Services Commissioner

# CITY RECORD

JAN 28 1985

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

JOSEPH M. TIERNEY  
PRESIDENT, CITY COUNCIL

77

MONDAY, JANUARY 21, 1985

NO. 3

## THE FIRST YEAR

*A Progress Report of City Government in the Flynn Administration.*

On the morning of January 2, 1984, Mayor Raymond L. Flynn took the oath of office and made a promise to the people of Boston. He vowed to create a government that would seek to be "... the highest expression of common values and principles which we all share."

The writers Alan Rogers and Andrew Buni, in the book *City on a Hill*, described the essence of the message that went out that day: "Pledging a city open to all, not just to the few. ... announce(ed), 'Our theory of government will be trickle up, not trickle down.' In a manner reminiscent of another working class mayor, James Curley, he promised: 'This will also be an administration that listens.'"

The mayor opened his first term by listening and then acting. In seventeen neighborhood meetings conducted across the city — and in countless public and informal ones — thousands of Boston residents brought their suggestions and dissatisfactions directly to the mayor. And the mayor and his administration acted: they towed abandoned cars, plowed the streets, and filled the potholes. During every meeting and every question was a feeling of optimism: the mayor is listening because people count. Together we can get things done.

The mayor's pledge had been to create a city government that worked for everyone; a government that would be an ally rather than an obstacle in the neighborhood. He fulfilled his pledge that people would believe in Boston again.

The work on all of these objectives began with the thirteen Transition Task Force reports commissioned immediately after the November election. The task forces comprised volunteers from many backgrounds; some with expertise in their own area and others who represented various community points of view. They were part of the process of involving people in making policy.

It was understood that the workable plan could not be completed in the first year. But it was equally clear that the spirit called for a blueprint for the future. Once drawn, the blueprint showed that the city lacked a firm revenue structure on which to build a real community. So the work began to reinforce the foundation.

### Opening the Books

The city needed to open the process of financial management. The first step had been taken already, with the organization in November of the financial transition team. The mayor assembled a task force of financial experts to examine every aspect of the city's fiscal affairs. The administration utilized their recommendations to develop fiscal policy. The policy rested on the unified initiatives to open the books, improve management, and seek structural revenue reform.

A new auditor, budget director, and treasurer who had distinguished themselves in the private sector formed the core of the team to execute the policy.

Budget Director Stuart Vidockler, Collector-Treasurer George Russell, Auditor Leon Stamps, with Administrative Services Director Raymond Dooley developed a municipal budget that for the first time in the city's history included a submission of revenue estimates. It went from the earliest preparation stages to unanimous City Council approval in only six weeks. Included in this process was a complete analysis of every fee, license, and fine administered by the city. The increases recommended by the office could generate \$8 million annually.

Over two-thirds of departments and agencies had been cut or level-funded and several unnecessary agencies and departments had been eliminated. Later all departments except health and hospitals, police, and fire received additional five percent budget reductions.

Before the fiscal 1985 tax rate was approved this fall, the budget passed what Samuel Tyler of the Boston Municipal Research Bureau called "the most thorough review by the (state) Department of Revenue" that he has observed.

Boston could be at peace with itself and prosper only if all of its diverse communities believed equally in the city's integrity. The financial management team followed through on several initiatives that restored the confidence of investors who ranged from major West Coast financial institutions to working families in West Roxbury. The success of three separate bond issues demonstrated this new confidence.

Collector-Treasurer Russell directed the first issue of "mini-bonds" ever carried out by a Massachusetts city. The bonds sold in \$100, \$500, and \$1,000 denominations, making them accessible to smaller investors. The response forced a doubling of the initial \$1 million offering, and the entire \$2 million offering sold in two days. The bonds will be applied to needed, smaller capital improvement projects in the neighborhoods.

With the sale in May of \$55 million in long-term, general obligation bonds Boston was able to secure its first substantial borrowing since the enactment of Proposition 2. The favorable response to the city's prospectus has established the basis for a national market for Boston securities. This fall, with a letter of credit from Morgan Guaranty Trust, the city received an attractive rate for a \$70-million issue of short term, revenue anticipation notes.

Bond revenues cannot be used to cover deficits in the operating budget. They are restricted to use for capital improvement projects. The establishment of the Office of Capital Planning, under Director Mary Nee, has enabled the administration to bring the planning process under control. For the first time since 1962, the office will create a comprehensive program for capital improvements replacing the old, cost ineffective method of allowing departments to implement capital projects without coordination with each other. The administration will now be able to make citywide priorities for capital improvements.

The eager response to the city's securities offerings represents an affirmation of the administration's efforts to restore sound fiscal management. By mid-December, net personnel reductions had reached 460 in city and Suffolk County departments, excluding the School Department. Controls on the use of overtime led to a 10 percent reduction in overtime pay and hours.

But as state Revenue Commissioner Ira Jackson noted, "Even . . . the efficiencies and economies in the city's management — and many are being made — . . . cannot derive a solution of a structural nature. In the longer term, the structural inadequacies could shake the foundation of the city's viability."

The management efforts established the basis for Boston to seek alternative revenue sources on the merits of a demonstrated need. Last spring, the administration made important progress on that initiative. As the mayor noted, recalling the December day in 1773 when a band of patriots demanded America's independence by tossing tea into Boston Harbor, "It had been 211 years since Boston waged an effective battle over revenue." Never in its modern history has the city been able to obtain structural revenue reform and financial independence. Like cities and towns across the Commonwealth, the administration wants to create a city that is capable of earning its own way.

The efforts to date have laid the groundwork for a more comprehensive campaign for municipal financial reform that would benefit every city and town in the Commonwealth. It is a matter of equity between municipalities whose revenues are capped and a state government whose revenues are allowed to grow to keep pace with growing costs. But the administration stated often that any pioneering legislation takes an extended period to first win acceptance and then approval. It is clear that it will be very difficult to win financial reform in the legislature without active leadership from state officials.

Regional economic health depends on a viable Boston, and the city is unique in two ways among major American cities in its relationship with its metropolitan area. First, all other cities of Boston's size and function rely on at least one revenue source in addition to the municipal property tax. Some rely

on county systems to share the costs of education and public safety, while others receive excises from services such as off-street parking. Secondly, Boston is the combined political capital and economic and service center for the region.

### Serving Millions

The city's multi-functional role requires it to provide a broad range of basic services to a resident population of nearly 600,000 and to a workday population of millions. In his inaugural address, the mayor was speaking for commuters to the city as well when he said, "Boston residents across the city want the potholes filled, the streets clean and safe, and the schools every bit as good as the children who attend them." So while the difficult work to modernize the revenue base continues, existing funds and professional managerial talent have been applied to the long-neglected needs of critical city departments.

The Fire Department had been operating for several years with apparatus that threatened fire fighters' safety and their ability to do their jobs. Commissioner Leo Stapleton assembled a rebuilding program that replaced 25 percent of the aging pumpers and ladder trucks with new equipment. A firehouse in East Boston received the first piece of unused apparatus it has been assigned since 1948, and another in West Roxbury received the first new piece in its history.

The commissioner tripled the staffing of the Arson Squad. They work closely with the neighborhood-based Arson Prevention Commission and together the two have helped to reduce the rate of arson in the city that in 1983 was called "the arson capital of America." The commission has begun to execute a prevention program that is directed against arson for profit and coordinates the activities of several city and state agencies and departments.

Curing the arson epidemic is part of an overall commitment to improving the quality of life in the city's neighborhoods. The Neighborhood Clean-Up Campaign last spring organized 5,000 volunteers, from the business community, the neighborhoods, city government and labor organizations, to remove **4,000 tons** of debris from streets, sidewalks, parks, and vacant

lots in every neighborhood. On one Tuesday, members of the Boston Building Trades Council donated their time and the materials to help neighbors to clear seven lots in Roxbury.

The Department of Public Works used **2,000 tons** of hardtop to fill thousands of potholes. The DPW replaced **45 miles** of roads, the largest such project in the city's history.

City departments are led by managers who in several cases have transformed poorly run bureaucracies into agencies capable of providing quality services at controlled costs. For example, Traffic and Parking Commissioner Lisa Chapnick reorganized that department to deliver better community services while reducing administrative costs. The department exposed and shut down three residential parking sticker counterfeiting operations, established new or expanded residential parking programs in Allston-Brighton, Mission Hill, Charlestown, Jam Plain, Dorchester, Fenway-Kenmore East Boston, and the South End. The department saved \$1.5 million over a year on a new contract to process parking tickets.

Traffic and Parking eliminated unnecessary management and saved nearly \$200,000. The department for the time is functioning with an organizational plan that defines the functions and responsibilities of each of its units. Traffic and Parking now has a transportation planning section that will help city's neighborhoods to better understand and meet their transportation needs.

### Special Problems, Special Programs

While the administration reorganized and streamlined the city's line departments, they developed new programs to solve some special problems:

- A series of public health studies including one directed by Boston City Hospital's Dr. George Lamb, has related a rise in certain neighborhood infant mortality rates and a decline in prenatal health care and nutrition programs. The mayor responded by allocating \$150,000 in city funds to buttress programs administered by the Department of Health and Hospitals. He stated that the size of a parent's income would not determine which children live or die in Boston.

As promised in the mayoral campaign, the mayor created a Sexual Assault Unit within the Police Department. The twelve person squad started in July with an intensive public awareness campaign. Members of the unit met with community organizations throughout the city to explain their function and encourage people to report rape and other violent sexual crimes. The unit is based at police headquarters, but will move soon to renovated quarters in the North District 14 police station in Allston.

The mayor has had a singular concern for the homeless in Boston throughout his public career. That concern has taken the form of the allocation of \$1 million in city-controlled funds to subsidies for the homeless. The mayor's official act was to double the number of beds at the Long Island Hospital.

Homelessness in Boston wears many faces. Families with children are increasingly represented in the lines waiting for warmth and shelter in Boston. The city funds programs such as Little Sisters of the Assumption shelter near Uphams Corner. There, homeless families find not only a bed, but a program of counseling to help them together through physically and emotionally demanding times.

Last month, a national fund co-sponsored by the U.S. Conference of Mayors and the Robert Wood Johnson Foundation recognized Boston's effort in providing a \$1.4 million grant that will pay for health care and social services at emergency shelter sites. Health care services based at the Shattuck and Boston City Hospitals will provide preventive health care that homeless individuals and families would not otherwise receive. Mayor Flynn was a member of the group that applied for the grant and will administer the funds. Another factor in the foundation's decision to fund the Boston program was a generous grant from the state.

The concern for the unique problems of poorer families spurred the doubling of funds for city-supported day care programs to over one-half million dollars. The nineteen centers in eight neighborhoods are now capable of offering improved and expanded services to children — and parents — who most need them.

### "Hating the Violence"

The commitment to provide every neighborhood with the same quality services is an extension of the commitment to build a city that is accessible to everyone. The administration applied significant time and energy to encouraging an environment that produced Boston's most peaceful summer in a decade. The work rested on the proposition that people would rather fight for a future than fight against each other.

The mayor has intervened personally to comfort victims of racial incidents. He communicated clearly that those who engage in racial violence are taking a great risk.

Mayor Flynn gave force to two related themes of his inaugural message: "... the full weight of city government will be brought down on all those who seek, because of race or color, to deny anyone from any street, any school, any park, any home, any job in any neighborhood of the city."

And, "This is a time for hating the violence and the discord of the past. It is a time for loving the city and all its people."

In January, he visited the Dixon family on Lonsdale Street, Dorchester, a black family whose house had been stoned by a small group of local white youths. When he arrived at the house, he found Mrs. Dixon at the kitchen table composing a letter to him. The mayor acted on her request to please respond to this crime in a way that would help to prevent such incidents in the future.

The youths were tried and convicted by Attorney General Bellotti of destroying the Dixons' property and violating their civil rights.

A series of activities at Wainwright Park, near Lonsdale Street, helped to ease tension by assuring all the local young people that they counted for something in the City of Boston.

As the year proceeded, it seemed that discord was becoming something of the past. The Summer Youth Olympics brought together hundreds of children from every neighborhood to run, to leap, and to learn. They competed cleanly on the field and cooperated off the field. Some of the children won medals, but Boston was the real winner, from the first citywide trials at Carson Beach to the finals at Roberto Clemente Field.

The mayor also offered a new ap-

proach to bringing the city together. In an address in November he elaborated on the message of the inaugural saying, the city has reached a crossroad in racial relations and, "To choose the correct route, I think we need a principle to guide us. I would submit that we can summarize that principle in these words:

"Conflict ends where opportunity begins. That is, if we are to build a community, we must first build a foundation of good jobs, safe, decent, and affordable housing, and quality schools." He argued that the "worst kind of discrimination is the one that denies families the security of a living wage, that denies children the hope of a good education, that robs our youth of a stake in the future ..."

The Reverend Charles Stith of the Union United Methodist Church and *Bay State Banner* publisher Melvin B. Miller recognized that the climate was improving over the course of the year.

After the mayor paid a judgment awarded to Mrs. Patricia Bowden for the wrongful killing of her husband in 1975 by Boston police, publisher Miller said in an editorial: "But that (racial conflict) may all be history now. True to his word, the new mayor, Ray Flynn, has made dramatic moves to bring the city together."

The Reverend Stith called the mayor "A breath of fresh air in this city" at a ceremony during which the mayor welcomed Nobel Peace Prize winner Archbishop Desmond Tutu to Boston.

The commitment to racial harmony also manifested itself in the hiring process of the new administration. People from every ethnic and economic background were chosen for management positions. The process included the selection of nine minority department heads among whom are the auditor, collector-treasurer, and BHA administrator.

### Housing Policy Replaces Housing Politics

The housing policy crafted over the past twelve months is a response to a crisis of affordability that grips Boston's housing market. The policy is based on the complementary initiatives to expand the supply of affordable housing in the longer term, while providing protections to low-income renters in the short term. Important progress has

been made in the effort to coordinate the execution of this policy among several city departments and agencies.

Successful work with the Boston City Council produced historic protections for the city's neediest renters. For the first time in the city's history, poor, elderly, and handicapped people received permanent protection against condominium evictions.

The mayor delivered on the promise to reclaim responsibility for the Boston Housing Authority. Superior Court Judge Paul Garrity, who had ordered the BHA into receivership in 1980, said, "I am returning responsibility for the BHA to the city because of the confidence I feel in the Flynn administration."

The mayor appointed an administrator for the BHA, Doris Bunte, who will be a leader as public housing residents reclaim their status as equal citizens in Boston. Public housing developments will be treated as any neighborhood, with the full range of rights and services.

As part of the commitment to improved conditions in public housing, the administration also moved forward with the plans to carry out major rehabilitation at Columbia Point, while protecting the status of current residents.

Efforts at expanding the supply of affordable housing included resolution of the Tent City project. After sixteen years the developers and the Tent City Corporation have agreed upon a development plan and a UDAG application has been filed.

The administration's hard work, in conjunction with the governor's office, at the state legislature resulted in landmark legislation allowing cities and towns to more quickly transfer abandoned, tax-delinquent properties to new non-profit and probate developers. The new law will help the city's already aggressive effort to rehabilitate abandoned property into affordable housing. Programs such as the Boston Housing Partnership and NDEA's Homesteading and Abandoned Housing Initiative are ready to rehabilitate 100 of the 800 abandoned structures in the city that have been identified.

Housing construction programs administered by NDEA and other city agencies are part of the 5,000 to 7,000 units now under construction or on the drawing board in Boston. A *Boston*

*Globe* editorial of December 2 praised the construction by the city of twenty-one units on a site in Codman Square saying, "The units offer a sense of belonging for families who may never have thought they could find affordable, livable housing in the city."

The mayor is a member of a task force of state and local officials and representatives of the private sector that is working with HUD to maintain low-income housing in 4,000 units of financially distressed, HUD-financed properties. That work had positive results in the transfer of the Methunion (South End) and Marksdale (Roxbury) developments to tenant-owned cooperatives.

The administration inherited a local housing market gripped by crisis. Overcrowding, high rents, and unhealthy and unsafe conditions can be found in buildings in many neighborhoods. As part of the comprehensive strategy to take on this problem, the mayor has convened a blue-ribbon commission to recommend changes in the city's Inspectional Services Department and he has pursued irresponsible landlords in the courts.

Last month, after Boston Housing Chief Justice E. George Daher ordered a landlord to find alternative housing for Southeast Asian families crammed into units in Brighton, the mayor said, "We will continue to use every legal means at our disposal to crack down on those who would squeeze money out of poor people while forcing them to live in run-down, unsafe, and unhealthy apartments."

### Taking Care of Business

In the same year in which Boston has experienced its most peaceful summer and the least amount of serious racial violence in many years, the city has seen \$3 billion in investment, the greatest total in any single year in its history. People are working together to get things done.

Development is proceeding with a new orientation. The administration is nurturing the commercial boom while directing benefits into residential neighborhoods in the form of jobs and linkage funds. The administration also pushed for new attention to environmental and design questions. Projects such as Post Office Square offer urban open space and a design in scale with its sur-

roundings.

Most recently, the announcement of the Harborpark plan manifested the city's commitment to a full neighborhood share in development. Harborpark is the blueprint for a redeveloped waterfront that will offer jobs, recreation, and access for Boston's working families.

In an address to a citizens seminar on harbor clean-up, the mayor said, "I grew up near a harbor that put food on the table; near a waterfront where children had a place to play; and near a place that offered work and recreation to a lot of hard-working families." The mayor said Harborpark would provide citywide access to what had become "an enclave for the rich."

The same principle will be applied in downtown where, in addition to the billion in investments this year, the Boston Redevelopment Authority, under director Stephen Coyle, announced 11 planned downtown development projects that will produce \$1.3 billion in investment. This new investment will mean 12,000 construction jobs; 25,000 permanent jobs; an increased tax base; and \$25 million in neighborhood rehabilitation funds.

For the first time, the Boston Job Policy was extended to development projects that are entirely privately financed. Each of the development teams for the ten projects mentioned above has agreed that 50 percent of permanent jobs will go to Boston residents. Many will also fund and implement job training programs.

The administration successfully worked with other private developers to hire Boston residents. Of the newly hired employees at Copley Place, 50 percent are Boston residents, 50 percent are women, and 35 percent are minorities.

Economic development projects funded or managed through the city's Economic Development and Industrial Commission created 940 new jobs and helped the city retain 2,203 jobs. Eight affiliates authorized nearly \$10 million in Industrial Revenue Bonds for the acquisition and expansion of manufacturing companies in Boston.

A \$1.8 million loan was awarded for the purchase of the Boylston Building, the China Trade Center. It will be transformed into a retail center for Chinatown and will create 300 construction and 300 permanent jobs.

through negotiations carried out by development advisor John Connolly, the mayor entered an agreement with Boston University in relationship to the use of Commonwealth Armory. The agreement will control expansion of the university outside agreed-upon boundaries and the university must sell properties in the Audubon Circle neighborhood.

### Education that Works

To ensure that everyone is equipped to share in the opportunities created by the continuing development boom, the administration had initiated a job training program for adults that concentrates on providing them with basic literacy skills.

Fourteen literacy centers served over 100 economically disadvantaged adults in 1984. State officials called the effort "impressive" for its results in securing high-wage jobs for low-income priorities and women, and welfare recipients.

The program that is now in the final planning stages will create a model job training program for the city. The program will target job training services to those who most need them: the younger adults who by experience understand the need for good jobs in a competitive labor market. It is the breadwinners of poor families who have the chance to compete for a living wage.

Boston also continued its national leadership in the fields of job training and literacy for youth. The Boston Commission exceeded its goal, with the mayor's strong leadership, of placing 1,500 Boston Public Schools students in high-tech, private sector summer jobs.

Last month, under the mayor's leadership, the Greater Boston Building Trades Council signed an historic agreement with the School Department to provide greater access to apprenticeships for Boston Public Schools students.

Judge W. Arthur Garrity called the mayor's involvement in the schools the most significant development in the city in years. The mayor has taken an active role in public school matters: attending school committee meetings, visiting schools, attending graduations, approving \$58 million for the construction and rehabilitation of the Boston Latin schools and the repair of

schools across the city.

### Taxation With Representation

New policies emanated from a new administration of talented, motivated professionals. Many were new to government at the outset and have learned important lessons through applying creativity, honesty, and hard work to the job.

Some departments are now led by individuals selected from national talent searches. Others are local residents who had emerged as leaders in the city's neighborhoods. They represent a broad spectrum of backgrounds and philosophies and are becoming a team that works for Boston.

The twelve women who now head city departments include the commissioner of Traffic and Parking, the BHA administrator and the Director of the Office of Capital Planning.

For the first three quarters of 1984, minority people were hired at a rate of 36.1 percent of all new employees, up from the roughly 29 percent of 1983. The percentage of minority employees in the workforce increased slightly, despite a drop in the overall number of employees.

In his inaugural address, Raymond L. Flynn had said, "A mayor succeeds best when he taps this reservoir of community energy rather than trying to replace it. We intend to tap it early and often."

The community energy helped a new city government to realize some important achievements and to learn some important lessons. It has helped Boston to foresee an end to the division of the past and to encourage the community of the future.

### POLICE DEPARTMENT ORDERS

*Personnel Order No. 85-2*

January 2.

The following reassignments are hereby ordered, effective on the dates listed below.

Lieutenant Herbert Rodday, Id. 3449, from Personnel Division, Medically Incapacitated Section (D), to Area C (D) — 1-09-85.

Detective Saul Chajmowicz, Id. 7431, from Personnel Division, Extended Leave Section (N), to Area D (N) — 1-07-85.

Police Officers:

Edward Eager, Id. 7439, from Personnel Division, Extended Leave Section (D), to M.O.P. (D) — 12-31-84.

Roger Wagner, Id. 5016, from Personnel Division, Medically Incapacitated Section (N), to M.O.P. (N) — 1-07-85.

Richard Bradley, Id. 6476, from Area A (N), to Area C (N) — 1-02-85.

Richard Bradley, Id. 6476, from Area C (N), to Personnel Division Suspended Section (N) — 1-02-85.

Mitchell Matyka, Id. 6847, from Area B (N), to Personnel Division, Medically Incapacitated Section (N) — 1-02-85.

Michael Primm, Id. 8228, from Area C (N), to Personnel Division, Medically Incapacitated Section (N) — 1-02-85.

Robert Sprague, Id. 5759, from Area C (D), to Personnel Division, Medically Incapacitated Section (D) — 1-02-85.

Angelo Conti, Id. 6589, from Area B (N), to Personnel Division, Medically Incapacitated Section (N) — 1-02-85.

Ida M. Weldon, Id. 8756, police clerk and typist, from Hackney Carr. (D), to Personnel Div. Extended Leave Sec. (D) — 1-02-85.

*Personnel Order No. 85-3*

January 4.

The following reassignments are hereby ordered, effective on the dates listed below.

Police Officers:

John Kennedy, Id. 6342, from Area E (D), to MOP, Emerg. Services Unit (D) — 1-09-85.

Mary McInness, Id. 8874, from Area B (D), to Area A (D) — 1-09-85.

Edward G. Dailey, Id. 5979, from Area A (D), to Operations (D) — 1-09-85.

Kevin Rodday, Id. 8229, from Area C (N), to Area B (N) — 1-09-85.

Lawrence Borbee, Id. 5689, from Area D (D), to Personnel Division, Medically Incapacitated Section (D) — 1-09-85.

Domenic Pagliarulo, Id. 3948, from Area A (D), to Personnel Division, Medically Incapacitated Section (D) — 1-09-85.

Donta Singleton, Id. 8232, from Area E (D), to Personnel Division, Medically Incapacitated Section (D) — 1-09-85.

Joseph Politano, Id. 6299, from Operations (D), to Area A (D) — 1-09-85.

### CITY OF BOSTON

#### INSPECTIONAL SERVICES DEPARTMENT

#### NOTICE TO CONTRACTORS

#### Proposal for Boarding and Securing, Project No. 59-CD-ABU (A-I), Community Development Block Grant.

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

- 7 Blue Hill Avenue, Ward 8
- 7 Rockville Park, Ward 12
- 2 Savin Street, Ward 12
- 7 Havelock Street, Ward 14
- 37 Intervale Street, Ward 14
- 1 Mallon Road, Ward 14
- 7 Norwell Street, Ward 14
- 25 Rosseter Street, Ward 14
- 41-243 Woodrow Avenue, Ward 14

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, January 31, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time the bids will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and clearly marked with the description of the work to be done. Two copies of the general bids shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the bid amount. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder. The successful bidder will be required to provide insurance for the payment of compensation and the financing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the

contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 59-CD-ABU."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

#### Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

#### Attention to All Bidders

##### I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority

business will not count towards the minority business percentage requirements.

##### II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

#### NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed

to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

#### PARKS AND RECREATION DEPARTMENT

#### NOTICE TO CONTRACTORS

#### Invitation for Bids for Proposed Earthwork at Evergreen Cemetery, Brighton, Mass.

The City of Boston, acting by the Parks Commissioner, Room 816, Boston City Hall, Boston, MA 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Earthwork at Evergreen Cemetery, Brighton, Mass."

SCOPE OF WORK: Clearing and Grubbing, and Excavation.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, February 5, 1985, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, January 21, 1985, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$10 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$10 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Neighborhood Development and Employment Agency, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Neighborhood Development and Employment Agency, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement, (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, January 29, 1985, at 10 a.m., Boston time.

The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, January 14, 1985, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$10 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$10 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders

form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Neighborhood Development and Employment Agency, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Neighborhood Development and Employment Agency, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement, (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, January 22, 1985, at 10 a.m., Boston time.

**NOTICE TO CONTRACTORS**

**Invitation for Bids for Alterations and Repairs to  
the Treasury Department, Boston City Hall.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and

44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Alterations and Repairs to the Treasury Department, Boston City Hall."

SCOPE OF WORK includes the construction of additional office and conference room space.

TIME AND PLACE FOR FILING BID APPLICATIONS: General bidders must submit an Application to Bid and Contractor Qualification Statement or Update to the department on or before twelve o'clock noon, Boston time, on February 4, 1985, at the office of the Awarding Authority, sixth floor, 26 Court Street, Boston, MA 02108. ALL GENERAL BIDS shall be filed with the Awarding Authority at the above address before twelve o'clock noon on March 6, 1985, at which time and place respective bids will be opened forthwith and read aloud. The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be the public interest to do so.

Applications to bid are now available at the offices of the Public Facilities Department. PLANS AND SPECIFICATIONS will be available on or about January 28, 1985, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

**INVITATION FOR SEALED BIDS  
FOR FURNISHING GOODS AND MATERIALS**

Proposal No. 366 — To furnish MEDICAL SUPPLIES (DISPOSABLE BEDPANS AND ID BRACELETS) to the DEPARTMENT OF HEALTH AND HOSPITALS — Bid Opening Date Thursday, February 7, 1985. (Appropriation Code Various.)

The Department of Health and Hospitals by its Commissioner hereby invites sealed bids for furnishing, in accordance with order, goods or materials as above set forth. Every bid must be:

(A) Submitted on a form obtained from the Director of Contracts and Purchasing at 818 Harrison Avenue, Boston,

(B) Signed by the bidder.

(C) Accompanied by a certificate of deposit, certified check, or a treasurer's or cashier's check, payable to the City of Boston in the amount determined by the Director of Contracts and Purchasing as set forth in the purchasing proposal and contract form,

(D) Enclosed in a sealed envelope plainly marked with the Proposal Number and Item to which the bid relates, and

(E) Filed at the office of the Director of Contracts and Purchasing at 818 Harrison Avenue, Boston, MA 02118, before 12 noon on the bid date stated above, at which time and place all bids for the sale and delivery of such goods or materials will be publicly opened and read.

Pursuant to law, a duplicate of the bid (without bid deposit check) must also be filed with the City Auditor at his office in City Hall before the time stated above for the opening of bids by the Director of Contracts and Purchasing.

The Commissioner of Health and Hospitals reserves the right to reject in whole or in part any and all bids or any item thereof, and to award the contract as he deems in the best interest of the City of Boston.

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

JOSEPH M. TIERNEY  
PRESIDENT, CITY COUNCIL

VOL. 77

MONDAY, JANUARY 28, 1985

NO. 4

## MAYOR ANNOUNCES ONE-STOP HOUSING CLEARINGHOUSE

On Wednesday, January 16, 1985, Mayor Raymond L. Flynn announced the opening of the Clearinghouse, a central office which will provide the public with up-to-date information on abandoned property.

At the same time, Mayor Flynn released a report of the Property Disposition Committee titled "Abandoned Property in Boston." The Executive Summary of the report states:

The Flynn Administration has made the reclamation of abandoned housing in Boston's neighborhoods a top priority. The strategy has been to put in place all the elements necessary to achieve a comprehensive, long-term solution to abandonment. To carry out this critical task, Mayor Flynn began by establishing a Property Disposition Committee (PDC) in September. The PDC is a working cabinet of five city officials closely involved in the many aspects of acquiring, disposing and rehabilitating abandoned property.

In its first year, the PDC has accomplished the following:

- established the Clearinghouse;
- undertaken unprecedented data gathering and analysis of abandoned properties. The city now knows more about abandoned buildings and vacant land, including location, tax status, and ownership, than ever before;
- initiated internal administrative reforms which improve the city's ability to quickly acquire abandoned property and dispose of it to responsible owners and developers;
- increased financing for rehabilitation of abandoned property;
- strongly supported successful state legislation, which expedites foreclosures and abatements.

A copy of the report or more information on the Clearinghouse may be obtained by writing or calling: The Clearinghouse, Room 211, Boston City Hall, Boston, MA 02201 (617)725-4105.

We have the mechanisms in place to create new housing where boarded-up buildings now stand. We have the opportunity to help people to rebuild Boston. Thank You.

### CHINA TRADE CENTER CONSTRUCTION BEGINS

*A major new Downtown project.*

Mayor Raymond L. Flynn presided at groundbreaking ceremonies held for the China Trade Center, a \$12-million development project that will provide an important economic boost to nearby Chinatown while revitalizing a prominent corner in the heart of Boston. Located at the intersection of Boylston and Washington Street in the historic Boylston Building, the China Trade Center will contain 97,000 square feet of retail and office space. Over 300 construction jobs and 300 new permanent jobs will be created by the project.

The developer of the China Trade Center is the Boylston Development Group Limited Partnership, a subsidiary of the Báy Group. The Partnership has purchased the building and leased the land for ninety-nine years from the Chinese Economic Development Council. Many of the new stores in the building will feature Chinese products.

Mayor Flynn stated, "To say that the China Trade Center is a successful public-private partnership would be an understatement. The number of public and private organizations that pulled together to make this project happen is truly remarkable. We should give special recognition to the Chinese Economic Development Council, which persevered to see the China Trade Center become a reality."

The China Trade Center marks a new beginning for the Chinese Economic Development Council and the residents of Chinatown. The center will offer opportunities for new businesses and for

(Continued on next page)

### REMARKS OF MAYOR RAYMOND L. FLYNN

*January 16, 1985*

I announced at my State of the City Address that one of four priorities for 1985 is the expansion of the supply of affordable housing, through rehabilitating abandoned buildings.

With the opening of the Clearinghouse, we are making a major step forward on the initiative. We will turn neighborhood liabilities into neighborhood assets. The tax-delinquent, abandoned structures will be transformed from sources of blight to sources of safe, decent, and affordable housing.

Historically, the purchase of foreclosed buildings from the city was an insiders game. Today, it becomes open to anyone with the will and the means to take a deteriorated property and make it work again.

The Clearinghouse will provide information and technical assistance to people who want to purchase properties. Once potential developers have identified properties they would like to purchase, the Clearinghouse will give them ready access to all the necessary information.

The announcement I am making today is one of a series of steps we have taken to carry out the policy objective of expanding the supply of affordable housing. The Boston Housing Partnership has earmarked 100 abandoned structures for rehabilitation. In addition, the Abandoned Housing Bill, that won approval through the coordinated work of the Governor's office and my office, will allow us to speed up the process of getting those properties back on the market.

As we begin 1985, I am encouraged.

## China Trade Center . . .

(Continued from previous page)  
growth in Chinatown's economic base. The building will showcase Chinese products and services, bringing in new customers and expanding their markets.

## MAYOR FLYNN CALLS FOR UNITY

*Mayors in effort to fight federal aid cuts.*

Boston Mayor Raymond L. Flynn returned from a two-day visit to Washington, D.C. where he had attended the annual meeting of the U.S. Conference of Mayors. The Mayor renewed his call "to Mayors across America that they speak with one voice against the Reagan Administration's proposals to end such vital federal programs as Revenue Sharing and Urban Development Action Grants, along with substantial reductions in CDBG funding.

Mayor Flynn noted that under such federal programs as Revenue Sharing, "Boston received some \$18 million in 1984, of which some \$17 million went into public safety resulting in programs such as neighborhood foot patrols for the city's neighborhoods.

The Mayor, who co-chaired the U.S. Conference of Mayors' Committee on Communities and Economic Development, addressed the U.S. Conference of Mayors on the matter of the proposed federal cuts to cities. He noted that last year, the CDBG funds—which were the principal source of discretionary funds for human services—were used to supplement such critical areas as health care, elderly services, day care, and housing. "In Boston—the capital city of the New England region—we used CDBG funds last year as part of our effort to offset the rise in infant mortality brought about by previous federal cuts in the Women Infant and Children's Nutritional Program (WIC). Currently, CDBG funds are being used by the city to help operate mother and child programs at a number of Boston neighborhood health centers. The City of Boston has also used its share of CDBG funds to deal with the problem of homelessness. In all, Boston received some \$23 million in CDBG funds in 1984, of which under federal guidelines, \$2.3 million was allowed to be used for human services.

"Similarly," Flynn emphasized, "cuts in the UDAG program would also be shortsighted. UDAG grants have been used by cities like Boston to help our economic growth, to increase real wealth and create more well-paying jobs. Boston is the center of the New England region's economy. To slow its growth rate by federal cuts in the UDAG program is to undermine the economic stability of the New England region." He noted that a \$1.7 million UDAG award Boston received last year "will be used for building badly needed handicapped and elderly housing units in Charlestown. This will not only create housing for the elderly, but also it will provide badly needed construction jobs and will contribute to the development of the Charlestown Naval Shipyard.

"The reelection of Ronald Reagan did not represent a mandate to shoot the wounded. To cut lifeline programs like CDBG and UDAG is to stifle economic growth and deny millions of Americans the chance to uplift themselves and only add to the number of people requiring such public assistance programs as food stamps. As a result, it will be America as a whole that will suffer the most from this shortsightedness," Flynn concluded.

## POLICE DEPARTMENT ORDERS

January 4.

*Personnel Order No. 85-4*

The following-named persons have been appointed to this department as provisional laborers, assigned to the Building Maintenance Section BAS, effective December 19, 1984. These persons terminated as provisional custodian workers, same assignment, effective December 18, 1984.

Provisional Laborers:

John J. Finn, Id. 9200.  
Arnold C. Kasabian, Id. 8370.  
Kenneth J. Smith, Id. 9043.  
Thomas J. Wallace, Id. 9042.

The following-named persons have been appointed to this department as permanent custodial workers, assigned to the Building Maintenance Section, BAS, effective on the dates listed below.

Custodial Workers:

Francis J. Smith, Id. 9249 — 12-19-84.  
Robert F. Deary, Id. 9255 — 1-02-85.  
Edwin A. Scanlan, Id. 9254 — 1-02-85.

The following-named persons have been appointed as student interns in this department, assigned as follows, effective January 2, 1985.

Student Interns:

Edward M. Connors, Id. 9251, Area D.  
William J. Everett, Id. 9253, B.I.S., Crime Lab.  
John Kingsbury, Id. 9252, B.I.S., Crime Lab.

January 8.

*Personnel Order No. 85-5*

The following-named persons, having been retired from active duty in this department, are hereby reinstated under the terms of chapter 32, section 90b and 91, for a period of 120 days in a calendar year, such reinstatement to be effective on the date listed below.

Superintendent Edward F. Connolly, Id. 380.  
Bur. of Admin. Services — 1-01-85.

Captain Arthur C. Cadegan, Jr., Id. 2877, BA.  
Hackney Carriage — 1-01-85.

Lieutenant Detective Samuel K. Abany, Id. 295.  
C.I.D., B.I.S. — 1-01-85.

Lieutenant Francis G. Kelly, Id. 3540, Area E (I) — 1-01-85.

Acting Sergeant Cornelius J. Moynihan, Id. 5403, Area D (D) — 1-01-85.

Detective William A. Keogh, Id. 3807, Area D (I) — 1-01-85.

Detective Thomas J. McCabe, Id. 3202, C.I.D. B.I.S. (D) — 1-01-85.

Detective John J. Reilly, Id. 4893, BAS, Warrenton Unit (D) — 1-01-85.

Police Officer William J. Hood, Jr., Id. 3887, Area D — 1-01-85.

Police Officer Robert T. Kearney, Id. 4980, Area D — 1-01-85.

Police Officer John G. Rahilly, Id. 5398, Area (D) — 2-01-85.

Police Officer Robert A. Ryan, Id. 4356, Area (D) 1-01-85.

P.O. No. 84-195 is amended as follows: Police Officer Robert A. Ryan retired from this department under chapter 32, section 58.

January 8

*Special Order No. 85-1*

To All Bureaus, Districts-Areas, Divisions, Office Sections, and Units.

The Boston Police Relief Association, in cooperation with the American Red Cross Blood Center

accepting blood donations at the Boston Police VFW Post No. 1018, 500 Morton Street, Dorchester, between the hours of 8:30 a.m. and 2:30 p.m., Tuesday, January 22, 1985.

At the present time, there is a critical shortage of blood, and the department employees are encouraged to participate, with the reminder that the blood collected through this program is used exclusively for active members and their families, and retired members of the department. This blood is used to treat officers injured in the line of duty, thus giving every member of the department an opportunity to make a small sacrifice to ease the burden of those who make a greater one.

Commanding officers shall remind all employees of the importance of their cooperation in the continuation of the blood program. Members of the department who donate their blood will be granted one half-day of additional relief at a later date.

Reports containing the names of the volunteers and their schedule of duty on Tuesday, January 22, 1985, will be forwarded to the Personnel Division. Commanding officers will schedule their day officers in such a manner as to have proper coverage at all times.

**FIRE DEPARTMENT ORDERS**

January 17.

General Order No. 3

**I. RETIREMENTS RESCINDED**

The retirements of Fire Fighter John H. Hartford, Ladder Co. 4 (Medical), and Fire Fighter Francis E. Almeida, Rescue Company (Medical), were rescinded effective 0800 hours, October 24, 1984.

**II. RETIREMENT DATE CHANGE**

The retirement of Fire Fighter David Sheridan of Engine Co. 3 became effective at 0800 hours, January 9, 1985.

**III. RETIREMENTS**

The retirements of the following-named members, in accordance with the provisions of section 5, c. 32, G.L., will become effective at 0800 hours, February 1, 1985:

Fire Fighter Richard M. Baldwin, Training and Maintenance Division.

Fire Fighter Bartolomeo J. DiBenedetto, Engine Co. 36.

Principal Fire Alarm Operator Edmund J. Burke, Fire Alarm Division.

Fire Fighter Baldwin was appointed to the department April 23, 1952. Fire Fighter DiBenedetto was appointed November 16, 1955. Principal Fire Alarm Operator Burke was appointed January 7, 1953, promoted to senior fire alarm operator December 13, 1961, and promoted to principal fire alarm operator December 1, 1982.

The retirements of the following-named members, in accordance with the provisions of section 5, c. 32, G.L., will become effective at 1700 hours, January 31, 1985:

Foreman of Inside Wireman Eugene J. Flynn, Fire Alarm Division.

Principal Clerk Etta Arams, Fire Prevention Division.

Foreman Flynn was appointed to the department January 28, 1953 and promoted to foreman of inside wireman on February 16, 1977. Principal Clerk Arams was appointed to the department on April 20, 1967.

All of these members leave the department with the best wishes of their associates.

**IV. FIRE ALARM BOX INSTALLED**

The following-numbered fire alarm box has been installed and company commanders shall add it to Circuit Card 49:

Box 16-181 — Bayside Merchandise Mall, 150 Mt. Vernon Street.

**V. FIRE ALARM BOX ESTABLISHED**

The following-numbered fire alarm box has been established and company commanders shall add it to the appropriate UAAB assignment card:

Box 14-1566 — Horticultural Hall, 300 Massachusetts Avenue.

The above box will be in District 4.

The circuit number will be announced when the box is installed.

**VI. HIGH COMMENDATION**

On Sunday, December 16, 1984, at 2020 hours, Engine Company 42 responded to a still alarm for 84 Ruthven Street, Roxbury, for which Box 2187 (two alarms) was struck.

Upon arrival, Fire Lieutenant Francis L. McLaughlin of Engine Company 42 was informed of a person trapped on the second floor, from which heavy smoke was showing, receiving the approximate location of the victim from a civilian.

Lieutenant McLaughlin, without hesitation, donned his readied air mask and ascended the front stairs to the fire floor. Encountering fire-filled rooms adjacent to a hallway, he made his way on hands and knees through smoke and heat to the kitchen area and discovered an unconscious woman on the floor.

With much difficulty, under heat and smoke conditions, he managed to drag the woman back through the same hallway to the stairs where he was assisted in removing her to safety.

Because his rescue was performed before fire fighting operations had begun, subjecting himself to great personal risk, the Fire Commissioner is pleased to commend Fire Lieutenant Francis L. McLaughlin of Engine Company 42 and refers his case to the Board of Merit for further consideration.

**VII. COMMENDATION**

The Fire Commissioner is pleased to commend Fire Fighter Chester P. Daiute of Engine Company 18 for assisting members of the Braintree Fire Department, while off duty, at a fire and explosion on January 14, 1985, requiring the evacuation of two elderly women over ground ladders.

**RETIREMENTS**

November 30, 1984.

To the Auditor.

The applications for retirement of the following-named have been received to be effective in accordance with sections 5, 6, 7, and 10 of chapter 32:

**BOSTON HOUSING AUTHORITY**

John F. Jennette, director of maintenance.

**FIRE DEPARTMENT**

Francis B. Cooley, fire fighter.

Thomas F. Leydon, fire fighter.

**HEALTH AND HOSPITALS DEPARTMENT**

John A. Hayes, associate director.

Carl H. Nickerson, principal clerk.

**INSPECTIONAL SERVICES**

Carmen Sarno, building inspector.

**POLICE DEPARTMENT**

Elaine King, police officer.

Edward F. Connolly, police superintendent.

Mark J. Connolly, police officer.

Thomas J. McCabe, detective.

Cornelius J. Moynihan, police sergeant.

Francis P. Nazzaro, police officer.

**SCHOOL DEPARTMENT**

Edward G. Sweeney, roofing supervisor.

Michael J. Abruzzese, teacher.

Ann Brinkert, paraprofessional.

Grace DiBari, cafeteria attendant.

Clare R. Driscoll, teacher.

Anita S. Karp, teacher.

Dorothea Littlefield, substitute teacher.

Catherine Wesley, clerk-typist.

**TRAFFIC AND PARKING DEPARTMENT**

George Farrah, director of operations.

Attest:

JAMES F. O'DONNELL,  
*Executive Officer.*

**CONTRACTS AMENDED**

The Mayor has approved the amending of contracts, based on the following information:

**NDEA**

**Furniture Moving**

Dear Mr. Mayor:

On March 12, 1983, your Honor approved the award of a contract, without advertising for bids, to Allen W. Young Movers, Inc., a corporation, located at Dedham, for the purpose of moving all office furniture and files from 294 Washington Street, fifth floor, to 15 Beacon Street, sixth and tenth floors.

Your approval is requested to amend this contract with respect to maximum compensation to allow for additional time that the contractor spent in performing the duties required under this contract. This additional cost, which was not anticipated at the time of the original award, was due to the unavailability of the freight elevators at 294 Washington Street for several hours. The cost of this amendment, which I have determined to be reasonable for the services to be provided, shall not exceed \$564. The total cost of this contract, as amended, shall not exceed \$3,564. The period of performance of this contract will remain unchanged.

As this is a negotiated contract and because of the reasonable cost of the services to be provided, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with public advertising pursuant to authority granted under the city of Boston code, st. 4, s.5.

Sincerely,

Paul S. Grogan,  
*Director.*

**SCHOOL DEPARTMENT**

**Asbestos Removal Services**

Dear Mr. Mayor:

I respectfully request your Honor's approval of my action to amend Contract C-3835 (83) with Hygeia, Inc., Wellesley, to survey nineteen additional schools, and also to include industrial hygiene and consulting services during asbestos removal projects in seven schools.

This work must be completed within forty-five days and the schools must be ready for occupancy September 7, 1983.

It is imperative to have a certified industrial hygienist monitor the asbestos removal work to assure that the work is performed in accord with all federal and state regulations.

The City of Boston benefits by having the services of Dr. Charles M. Spooner, principal consultant of Hygeia, Inc., an internationally recognized authority on asbestos removal work. Dr. Spooner maintains a fully equipped laboratory and an excellent staff of industrial hygienists capable of furnishing complete material testing services.

The cost for this amendment including additional survey work, monitoring the work zones; testing adequacy of HEPA filtered blowers, isolation of work zone, ventilation system protection and decontamination facilities; collecting and analyzing air samples daily, will be \$83,000. The total cost of this contract will not exceed \$108,000.

The cost of this amendment is reasonable and the public interest and safety is best served by its approval without further advertising.

Very truly yours,

Paul W. Mooney,  
Senior Structural Engineer.

#### Training Sessions, etc.

Dear Mr. Mayor:

On December 3, 1982 your Honor approved an award of a contract, without public advertising for bids, to Thompson Island Education Center, to provide instructional services, meals, transportation for Districts IX and V, during the period of September 9, 1982, to June 30, 1983, at the cost not to exceed \$31,300.50.

Your approval is requested to amend this contract to provide two additional, six-one-half training sessions (thirty-five students) which include techniques in problem solving, critical thinking skills and group decision-making. The cost of this amendment, shall not exceed \$888, which I have determined to be reasonable. The contract, as amended, shall not exceed \$32,188.

Because of the professional nature of services to be rendered, and for the continuity of the program which has run effectively, I believe that public advertising would serve no useful purpose.

The reason for the late submission of this contract to an administrative turnover in personnel at Thompson Island. This agreement is to be executed, without an appropriation of funds, under ch. 44, s. 53A, and is subject to the receipt of ch. 636 funds.

Sincerely,

Robert R. Spillane,  
Superintendent.

### CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

#### ADMINISTRATIVE SERVICES DEPARTMENT

##### Preventive Maintenance Consultant

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Haskell Goodwin Associates, Inc., a corporation located at 18 Main Street, Charlestown, for professional consulting services.

Under the terms of this contract, Haskell Goodwin Associates, Inc. will do the following: prepare detailed implementation plans for consolidating the management of the preventive and corrective maintenance of city-owned facilities; prepare a plan for

comprehensive preventive maintenance program for city-owned facilities; initiate design on a work order system for use by the maintenance unit; conduct a study of available computer-based maintenance information systems; continue providing assistance to the Real Property Department on an as-needed basis relative to improvements in custodial services in City Hall; assist in implementing a reorganization of the maintenance activities at the Suffolk County Courthouse complex at Pemberton Square; provide such other assistance as the city may require relative to the preventive and corrective maintenance of city-owned facilities.

Under this contract, the billing rates will be \$50 per hour to the maximum of \$350 per day for the principal consultant, and \$40 per hour to a maximum of \$280 per day for associate consultants.

Compensation under this contract will be for professional consulting services and related out-of-pocket expenses and shall not exceed \$40,000. I have determined this amount to be reasonable for the work to be performed and compensation will be paid from appropriation account number 10141290.

The term of this contract shall be July 1, 1983, to June 30, 1984. Due to delays in negotiating the fee and the work to be performed, this contract is being processed late.

Deane Haskell, president of Haskell Goodwin Associates, is uniquely qualified to do this work because of his professional experience, qualifications, and his past accomplishments in the areas of preventive and corrective maintenance. Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,

Dennis J. Morgan,  
Executive Secretary.

#### Personnel Division

##### Employee Training

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Isaacson, Ford Webb & Miller of 99 Bedford Street, for professional consulting services to the Administrative Services Department, Personnel Division. This contract is for the purpose of training City of Boston employees in career development techniques, the preparation of career plans and counseling of employees on the skills gained.

Under the terms of the contract, Isaacson, Ford Webb & Miller will provide consulting, managerial, and technical assistance to the professional career development of employees of the City of Boston. The contractor will provide training to employees of the Personnel Division and the city will use any materials specially developed for this program in its future training efforts. The contractor shall create and supervise the implementation of a career development program within the city for municipal workers. The contractor is a recognized firm with expertise in providing professional services in the field.

Compensation under this contract shall not exceed \$38,000, which I have determined to be reasonable for the work to be performed.

The term of this contract shall be September 1, 1983, through June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

Thomas B. Francis, Jr.,  
Supervisor of Personnel.

#### Purchasing Division

##### Tax Bills

Dear Mr. Mayor:

The Purchasing Division has received a requisition from the Treasury Department requesting to purchase 200,000 real estate tax bills and 25,000 personal property tax bills. Since these tax bills have to be received by September 21, 1983, there is not sufficient time to advertise for public bids.

The Purchasing Division has requested written quotes from four of the largest vendors and the following were received:

Burroughs Corporation, Waltham, \$10.68 per thousand; Moore Business Forms, Wellesley Hills, \$11.40 per thousand; Unified Data Products, Needham, \$11.43 per thousand; Duplex Products Company, East Weymouth, \$11.40 per thousand.

Burroughs Corporation, who quoted the lowest, cannot make delivery by September 21, 1983. Therefore permission is requested to award a contract, without advertising, to Moore Business Forms, Wellesley Hills, in the amount of \$2,565 net, a cost I consider reasonable.

Respectfully yours,

Frank F. Chin,  
Purchasing Agent.

#### Mailing Equipment

Dear Mr. Mayor:

Authority is requested to award a contract, without advertising, to Pitney Bowes, Inc., Waltham, for the maintenance of city-owned mailing equipment and for the rental and maintenance of postage meters, in an amount not to exceed \$15,000 net. The period of time for this contract will be July 1, 1983, to June 30, 1984, and will be for various departments.

Under this contract, Pitney Bowes will provide all materials and perform all the work necessary for and incidental to providing preventative and remedial maintenance for this equipment.

Inasmuch as Pitney Bowes is the manufacturer their technicians are trained specially to maintain and repair all of the equipment it manufactures, and parts are readily available, it is my opinion that a benefit will inure to the city by publicly advertising for bids. Pitney Bowes has informed me that, by law the postage meters cannot be sold and must be rented. The cost of maintenance and rentals is reasonable and will be no higher than the price charges other government agencies by Pitney Bowes.

A schedule of the equipment to be serviced and maintained, and the rented postage meters, will be furnished by Pitney Bowes and will become part of this contract. It will show location, model and serial number, and monthly or annual cost of each item.

This award letter is being submitted at this late date due to the time necessary to recatalog the equipment the city now has.

Respectfully yours,

Frank F. Chin,  
Purchasing Agent.

#### Copiers Maintenance

Dear Mr. Mayor:

Authority is requested to award a contract, without advertising, to Xerox Corporation, Lexington for the maintenance of copiers for the various departments, in an amount not to exceed \$300,000 net, for the period July 1, 1983, to June 30, 1984. Copiers to be maintained include city-owned copiers, copiers being leased under a lease-purchase contract and copiers which may be purchased outright or under lease-purchase contracts during fiscal year 1984.

Under this contract, Xerox will provide all materials and perform all the work necessary for and incidental to providing preventative and remedial maintenance services for these copiers.

Inasmuch as Xerox is the manufacturer, their technicians are trained specially to maintain and repair all of the equipment it manufactures, and parts are readily available, it is my opinion that no benefit will inure to the city by publicly advertising for bids. The cost of the service and maintenance is reasonable and will be no higher than the prices charged the General Services Administration by Xerox for the same work.

A schedule of the copiers to be serviced and maintained under this contract will be furnished by Xerox and will become part of this contract. It will show locations, model and serial number, and monthly cost of each copier. The schedule will be updated to reflect additional copiers if, from time to time, more copiers are purchased or leased.

This award letter is being submitted at this late date due to the time necessary to recatalog the equipment the city now has.

Respectfully yours,  
Frank F. Chin,  
Purchasing Agent.

Dear Mr. Mayor:

Authority is requested to award a contract, without advertising, to Savin Business Machines Corporation, New York, with local offices at 1489 Soldiers Field Road, Brighton, for the maintenance of copiers for the various city departments, in an amount not to exceed \$20,000 net, for the period July 1, 1983, to June 30, 1984. Copiers to be maintained include city-owned copiers, copiers being leased under a lease-purchase contract and copiers which may be purchased outright or under lease-purchase contracts during fiscal year 1984.

Under this contract, Savin will provide all materials and perform all the work necessary for and incidental to providing preventative and remedial maintenance services for these copiers.

Inasmuch as Savin is the manufacturer, their technicians are trained specially to maintain and repair all of the equipment it manufactures, and parts are readily available, it is my opinion that no benefit will inure to the city by publicly advertising for bids. The cost of the service and maintenance is reasonable and will be no higher than the prices charged the General Services Administration by Savin for the same work.

A schedule of the copiers to be serviced and maintained under the contract will be furnished by Savin and will become part of this contract. It will show locations, model and serial number, and monthly cost of each copier. The schedule will be updated to reflect additional copiers if, from time to time, more copiers are purchased or leased.

This award letter is being submitted at this late date due to the time necessary to recatalog the equipment the city now has.

Respectfully yours,  
Frank F. Chin,  
Purchasing Agent.

Dear Mr. Mayor:

Authority is requested to award a contract, without advertising, to International Business Machine Corporation, Waltham, for the maintenance of copiers for the various city departments, in an amount not to exceed \$250,000 net, for the period July 1, 1983, to June 30, 1984. Copiers to be maintained include city-owned copiers, copiers being leased

under a lease-purchase contract and copiers which may be purchased outright or under lease-purchase contracts during fiscal year 1984.

Under this contract, IBM will provide all materials and perform all the work necessary for and incidental to providing preventative and remedial maintenance services for these copiers.

Inasmuch as IBM is the manufacturer, their technicians are trained specially to maintain and repair all of the equipment it manufactures, and parts are readily available, it is my opinion that no benefit will inure to the city by publicly advertising for bids. The cost of the service and maintenance is reasonable and will be no higher than the prices charged the General Services Administration by IBM for the same work.

A schedule of the copiers to be serviced and maintained under this contract will be furnished by IBM and will become part of this contract. It will show locations, model and serial number, and monthly cost of each copier. The schedule will be updated to reflect additional copiers if, from time to time, more copiers are purchased or leased.

This award letter is being submitted at this late date due to the time necessary to recatalog the equipment the city now has.

Respectfully yours,  
Frank F. Chin,  
Purchasing Agent.

#### FIRE DEPARTMENT AFSA Unit Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to J. O'Brien, an individual, located at 18 Oak Street, Charlestown, for assistance in the inspection of property and collection of data for the Augmented Fire Service Availability Project.

Under the terms of the project, Mr. O'Brien will act as a field inspector for the AFSA Unit. Mr. O'Brien is uniquely qualified to do the work because of his former experience in the Boston Fire Department's Inspectional Services.

Compensation under the terms of the contract shall not exceed \$5,000, which I have determined to be reasonable for the work to be performed. Mr. O'Brien, will be working at the rate of \$10 per hour, and will receive a \$3 per diem travel allowance for use of his personal vehicle.

The term of this contract shall be from August 1, 1983, to June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

The processing of this contract has been delayed due to the legal uncertainties regarding the AFSA Project. However, because properties remain to be inspected, and because of the valuable nature of the inspection information to the Fire Department, a scaled-down inspection program is being undertaken at this time.

Very truly yours,  
George H. Paul,  
Fire Commissioner/Chief.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Lawrence P. Kelley, an individual, located at Canton, for assistance in the inspection of property and collection of data for the Augmented Fire Service Availability Project.

Under the terms of the project, Mr. Kelley will act as a field inspector for the AFSA Unit. Mr. Kelley is uniquely qualified to do the work because of his former experience in the Boston Fire Department's Inspectional Services.

Compensation under the terms of the contract shall not exceed \$5,000, which I have determined to be reasonable for the work to be performed. Mr. Kelley, will be working at the rate of \$10 per hour, and will receive a \$3 per diem travel allowance for use of his personal vehicle.

The term of this contract shall be from August 1, 1983, to June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

The processing of this contract has been delayed due to the legal uncertainties regarding the AFSA Project. However, because properties remain to be inspected, and because of the valuable nature of the inspection information to the Fire Department, a scaled-down inspection program is being undertaken at this time.

Very truly yours,  
George H. Paul,  
Fire Commissioner/Chief.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to John J. Glennon, an individual, located at 212 Garfield Avenue, Hyde Park, for assistance in the inspection of property and collection of data for the Augmented Fire Service Availability Project.

Under the terms of the project, Mr. Glennon will act as a field inspector for the AFSA Unit. Mr. Glennon is uniquely qualified to do the work because of his former experience in the Boston Fire Department's Inspectional Services.

Compensation under the terms of the contract shall not exceed \$5,000, which I have determined to be reasonable for the work to be performed. Mr. Glennon, will be working at the rate of \$10 per hour, and will receive a \$3 per diem travel allowance for use of his personal vehicle.

The term of this contract shall be from August 1, 1983, to June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

The processing of this contract has been delayed due to the legal uncertainties regarding the AFSA Project. However, because properties remain to be inspected, and because of the valuable nature of the inspection information to the Fire Department, a scaled-down inspection program is being undertaken at this time.

Very truly yours,  
George H. Paul,  
Fire Commissioner/Chief.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to William E. Driscoll, an individual, located at 39 Dow Road, West Roxbury, for assistance in the inspection of property and collection of data for the Augmented Fire Service Availability Project.

Under the terms of the project, Mr. Driscoll will act as a field inspector for the AFSA Unit. Mr. Driscoll is uniquely qualified to do the work because of his former experience in the Boston Fire Department's Inspectional Services.

Compensation under the terms of the contract shall not exceed \$5,000, which I have determined to be reasonable for the work to be performed. Mr. Glennon, will be working at the rate of \$10 per hour, and will receive a \$3 per diem travel allowance for use of his personal vehicle.

The term of this contract shall be from August 1, 1983, to June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful service.

The processing of this contract has been delayed due to the legal uncertainties regarding the AFSA Project. However, because properties remain to be inspected, and because of the valuable nature of the inspection information to the Fire Department, a scaled-down inspection program is being undertaken at this time.

Very truly yours,

George H. Paul,  
*Fire Commissioner/Chief.*

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Robert F. Clements, an individual, located at Quincy, for assistance in the inspection of property and collection of data for the Augmented Fire Service Availability Project.

Under the terms of the project, Mr. Clements will act as a field inspector for the AFSA Unit. Mr. Clements is uniquely qualified to do the work because of his former experience in the Boston Fire Department's Inspectional Services.

Compensation under the terms of the contract shall not exceed \$5,000, which I have determined to be reasonable for the work to be performed. Mr. Clements, will be working at the rate of \$10 per hour, and will receive a \$3 per diem travel allowance for use of his personal vehicle.

The term of this contract shall be from August 1, 1983, to June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful service.

The processing of this contract has been delayed due to the legal uncertainties regarding the AFSA Project. However, because properties remain to be inspected, and because of the valuable nature of the inspection information to the Fire Department, a scaled-down inspection program is being undertaken at this time.

Very truly yours,

George H. Paul,  
*Fire Commissioner/Chief.*

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Robert G. Brady, an individual, located at Norwood, for assistance in the inspection of property and collection of data for the Augmented Fire Service Availability Project.

Under the terms of the project, Mr. Brady will act as a field inspector for the AFSA Unit. Mr. Brady is uniquely qualified to do the work because of his former experience in the Boston Fire Department's Inspectional Services.

Compensation under the terms of the contract shall not exceed \$5,000, which I have determined to be reasonable for the work to be performed. Mr. Brady, will be working at the rate of \$10 per hour,

and will receive a \$3 per diem travel allowance for use of his personal vehicle.

The term of this contract shall be from August 1, 1983, to June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful service.

The processing of this contract has been delayed due to the legal uncertainties regarding the AFSA Project. However, because properties remain to be inspected, and because of the valuable nature of the inspection information to the Fire Department, a scaled-down inspection program is being undertaken at this time.

Very truly yours,

George H. Paul,  
*Fire Commissioner/Chief.*

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Francis A. Williams, an individual, located at Quincy, for assistance in the inspection of property and collection of data for the Augmented Fire Service Availability Project.

Under the terms of the project, Mr. Williams will act as a field inspector for the AFSA Unit. Mr. Williams is uniquely qualified to do the work because of his former experience in the Boston Fire Department's Inspectional Services.

Compensation under the terms of the contract shall not exceed \$5,000, which I have determined to be reasonable for the work to be performed. Mr. Williams, will be working at the rate of \$10 per hour, and will receive a \$3 per diem travel allowance for use of his personal vehicle.

The term of this contract shall be from August 1, 1983, to June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful service.

The processing of this contract has been delayed due to the legal uncertainties regarding the AFSA Project. However, because properties remain to be inspected, and because of the valuable nature of the inspection information to the Fire Department, a scaled-down inspection program is being undertaken at this time.

Very truly yours,

George H. Paul,  
*Fire Commissioner/Chief.*

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Paul N. Thorenson, an individual, located at 3 Centerville Park, Dorchester, for assistance in the inspection of property and collection of data for the Augmented Fire Service Availability Project.

Under the terms of the project, Mr. Thorenson will act as a field inspector for the AFSA Unit. Mr. Thorenson is uniquely qualified to do the work because of his former experience in the Boston Fire Department's Inspectional Services.

Compensation under the terms of the contract shall not exceed \$5,000, which I have determined to be reasonable for the work to be performed. Mr. Thorenson, will be working at the rate of \$10 per hour, and will receive a \$3 per diem travel allowance for use of his personal vehicle.

The term of this contract shall be from August 1, 1983, to June 30, 1984.

Because of the professional nature of the serv-

ices to be performed, I believe that public advertising would serve no useful purpose.

The processing of this contract has been delayed due to the legal uncertainties regarding the AFSA Project. However, because properties remain to be inspected, and because of the valuable nature of the inspection information to the Fire Department, a scaled-down inspection program is being undertaken at this time.

Very truly yours,

George H. Paul,  
*Fire Commissioner/Chief.*

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Francis Rattigan, an individual, located at 8 Old Morton Street, Mattapan, for assistance in the inspection of property and collection of data for the Augmented Fire Service Availability Project.

Under the terms of the project, Mr. Rattigan will act as a field inspector for the AFSA Unit. Mr. Rattigan is uniquely qualified to do the work because of his former experience in the Boston Fire Department's Inspectional Services.

Compensation under the terms of the contract shall not exceed \$5,000, which I have determined to be reasonable for the work to be performed. Mr. Rattigan, will be working at the rate of \$10 per hour, and will receive a \$3 per diem travel allowance for use of his personal vehicle.

The term of this contract shall be from August 1, 1983, to June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

The processing of this contract has been delayed due to the legal uncertainties regarding the AFSA Project. However, because properties remain to be inspected, and because of the valuable nature of the inspection information to the Fire Department, a scaled-down inspection program is being undertaken at this time.

Very truly yours,

George H. Paul,  
*Fire Commissioner/Chief.*

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Walter D. Paris, an individual, located at 15 Valley Road, Dorchester, for assistance in the inspection of property and collection of data for the Augmented Fire Service Availability Project.

Under the terms of the project, Mr. Paris will act as a field inspector for the AFSA Unit. Mr. Paris is uniquely qualified to do the work because of his former experience in the Boston Fire Department's Inspectional Services.

Compensation under the terms of the contract shall not exceed \$5,000, which I have determined to be reasonable for the work to be performed. Mr. Paris, will be working at the rate of \$10 per hour, and will receive a \$3 per diem travel allowance for use of his personal vehicle.

The term of this contract shall be from August 1, 1983, to June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

The processing of this contract has been delayed due to the legal uncertainties regarding the AFSA Project. However, because properties remain to be inspected, and because of the valuable nature of the inspection information to the Fire Department, a

scaled-down inspection program is being undertaken at this time.

Very truly yours,  
George H. Paul,  
Fire Commissioner/Chief.

#### HEALTH AND HOSPITALS DEPARTMENT X-ray Equipment Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to award, without advertising, a contract to United X-Ray Corporation of Massachusetts, Fall River, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$126,500.

Under this contract United X-Ray will provide the following services:

maintenance contract for Phillips X-ray equipment located in A.C.C. X-ray: Rooms 1, 2, 3, 4, 7, Neuro/Polytone, to include parts, labor and travel between 8 a.m. and 5 p.m., \$85,000; maintenance contract for Angio Room to include annual preventive maintenance on puck changer, \$37,500; repair contract on above equipment as needed, after 5 p.m. on weekends and holidays, \$4,000; at a cost not to exceed, \$126,500.

Inasmuch as the equipment is of a highly specialized nature, United X-Ray Corporation is the distributor and the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Central Monitor Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to Datamedix, Inc., Sharon, for the period July 23, 1983, through July 22, 1984, at a cost not to exceed \$4,500.

Under this contract, Datamedix, Inc., at a cost of \$2,964, will provide complete maintenance from 8 a.m. to 5 p.m., Monday through Friday, on the following components of the central monitor located in the Medical 6 ICU at Boston City Hospital: two CNS monitor, ST-429-68; one switching module, SS-3-1; one relay box, SS-3-217; one writer w/cabinet, WR-4D/CW-2; one data storage unit, DS-2; two digital display module, RD-1.

Datamedix will also repair, as needed, miscellaneous patient monitors located at the patients' beds at a cost not to exceed \$1,536.

Because Datamedix, Inc. is the manufacturer of this equipment and is the only vendor capable of providing this service and the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

In order to distribute the contractual workload more evenly throughout the year, the Department of Health and Hospitals has been given permission, by the Law Department, to execute maintenance and repair contracts, at the expiration of warranties, which will cross fiscal years.

The contract encompasses more than one fiscal year and the city's financial obligations are subject to the availability of an appropriation in accordance with the requirements of City of Boston Code, St. 4, ss. 4 and 8.

Because a determination was only recently made concerning the funds that would be available for re-

pairs under this contract, the letter of award is being processed late.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Wheelchair Repairs

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award, without advertising, a contract to Continuing Care Associates, Walpole, for the period September 1, 1983, through June 30, 1984, at a cost not to exceed \$3,000.

Under this contract, Continuing Care Associates will clean, repair and maintain approximately 100 wheelchairs for Mattapan Hospital patient use, pickup and delivery will be included. This service will enable the hospital to make the best possible use of the equipment on hand.

Continuing Care Associates provides fast service, a high quality of workmanship, free pickup and delivery and the most reasonable and stable repair and parts rates. The companies used in the past did not provide the quality service Continuing Care Associates supplies to the hospital. Their rates were higher and unstable, their service slow and inaccurate, and they charged for pickup and delivery.

Therefore, because Continuing Care Associates supplies quality service at prices I consider to be reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### LAW DEPARTMENT Consulting Engineers Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Feld, Kaminetzky & Cohen, P.C. consulting engineers, located at New York.

Under the terms of the contract, Feld, Kaminetzky and Cohen, P.C. will provide the City of Boston the services specified in the letters annexed hereto. The services will be rendered in connection with the case of *City of Boston v. Dow Chemical Co., et al.* C.A. No. 54256. Feld, Kaminetzky & Cohen, P.C. is uniquely qualified to provide these services in this area.

The terms of the contract will be July 1, 1983, through June 30, 1984. Compensation shall not exceed \$10,000, which I have determined to be reasonable.

In view of the professional nature of the services to be performed I believe that public advertising would serve no useful purpose.

Very truly yours,  
James P. McGuire,  
Corporation Counsel.

#### Office Manager Services

Dear Mr. Mayor:

I respectfully request authorization to dispense with public advertising in the award of a contract to Lynn Glickstein of Washington, D.C., in an amount not to exceed \$15,000, for the period of July 1, 1983, to June 30, 1984.

Under the terms of this contract, Ms. Glickstein will serve as administrative assistant to the director of the City of Boston's Washington Office, located at Washington, D.C. Ms. Glickstein, will be responsible for the administration of the office, along with

monitoring of all correspondence. The contractor is uniquely qualified to perform those services because of her experience and knowledge of Boston and Washington.

In view of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
James P. McGuire,  
Corporation Counsel.

#### LIBRARY DEPARTMENT IBM Machine Rental, etc.

Dear Mr. Mayor:

The Board of Trustees in charge of the Library Department of the City of Boston respectfully requests the approval of your Honor for the award of a contract, without public advertising, to International Business Machines Corporation, a corporation having a place of business at New York, and at Waltham, for the rental and maintenance of certain IBM machines during the period July, 1983, through June 30, 1984.

This award letter is late in submission, due to the IBM Company's recent internal contract pricing procedure. No rental prices were available until August 1, 1983.

The rental of equipment will enable the library to continue its program of data processing activities which was initiated in 1966 whereby, using IBM equipment, many internal service operations have been mechanized. Inasmuch as only IBM can provide its own equipment, no useful purpose would be served by advertising for bids. The total cost for the rental of the equipment during the period of the contract is estimated to be \$70,000.

In view of the above, the Board of Trustees in charge of the Library Department, acting in the name of and for the City of Boston, has voted, that there be entered into, without public advertising, with International Business Machines Corporation, a corporation having a place of business in New York, and at Waltham, a contract for rental of certain data processing equipment during the period July 1, 1983, through June 30, 1984, the total rental thus charged to be subject to the terms, agreements, and conditions set forth in said contract.

The approval of your Honor for the award of this contract, without publicly advertising for bids to the International Business Machines Corporation as above is hereby requested. In the opinion of the official this is a reasonable cost for the service to be rendered.

Respectfully,  
THE BOARD OF TRUSTEES IN CHARGE  
OF THE LIBRARY DEPARTMENT OF THE  
CITY OF BOSTON,

Liam Kelly,  
Acting Director.

Dear Mr. Mayor:

The Board of Trustees in charge of the Library Department of the City of Boston respectfully requests the approval of your Honor for the award of a contract, without public advertising, to International Business Machines Corporation, a corporation having a place of business at New York, and at Waltham, for the maintenance of previously installed data processing equipment which the library purchased under two separate agreements, one on September 30, 1981, and the other on August 1, 1982. This contract is for the period July 1, 1983, to June 30, 1984, at a monthly rate of \$3,000, for a total twelve-month cost not to exceed \$36,000.

This award letter is late in submission, due to the IBM Company's recent internal contract pricing procedure. No rental prices were available until August 1, 1983.

Under this maintenance contract, IBM will provide all materials and perform all of the work necessary and incidental to providing preventative and remedial maintenance service for the above-mentioned data processing equipment.

Inasmuch as IBM is the manufacturer, their technicians are trained specifically to maintain and repair all of the equipment it manufactures and parts are readily accessible, it is the opinion of the Board of Trustees in charge of the Library Department of the City of Boston, that public advertising would serve no useful purpose and that the best interests of the city would be served by awarding this contract to IBM. The following action has been taken:

Voted, that without public advertising, there be entered into with International Business Machines Corporation, a corporation having a place of business at New York, and at Waltham, a contract for the maintenance of certain data processing equipment during the period July 1, 1983, to June 30, 1984, the total amount thus paid to be subject to the terms, agreements, and conditions set forth in said contract.

Believing the cost to the city to be reasonable for the maintenance service to be rendered, and in view of the foregoing, the permission of your Honor is hereby requested to award this contract to International Business Machines Corporation as above.

Respectfully,  
THE BOARD OF TRUSTEES IN CHARGE  
OF THE LIBRARY DEPARTMENT OF THE  
CITY OF BOSTON,

Liam Kelly,  
Acting Director.

—  
LICENSING BOARD  
Stenographic Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising in awarding of a contract to Janet Dillon of Somerville, for stenographic services to be rendered to this board.

Under the terms of the agreement, Miss Dillon will record the testimony of all hearings held by the board. She will prepare and supply transcripts as needed.

Miss Dillon's rate of \$55 per sitting and \$1.55 per page, is about half the usual rate and she will be available to personally service all of the hearing dates.

Because of the professional nature of the work, public advertising of this contract would serve no useful purpose. We have found in the past that the lowest bidders have been corporate stenographic services who use our hearings as part of a training program for novices. In accepting the low bidder, the board has had to tolerate uncovered hearings, inexperienced operators, inoperable equipment and other interruptions which make the entire process unprofitable.

The period of this contract shall be from July 1, 1983, to June 30, 1984, and the total compensation shall not exceed \$8,000.

Very truly yours,  
Andrea W. Gargiulo,  
Chairwoman.

MANAGEMENT INFORMATION SYSTEMS  
Minicomputer Maintenance, etc.

Dear Mr. Mayor:

I respectfully request your permission to dis-

pense with public advertising and award a contract to the Digital Equipment Corporation, 175 Federal Street, for the field service and maintenance of the DEC PDP 11/70 minicomputer and peripheral equipment, currently being leased under a separate contract, in an amount not to exceed \$30,500, for the period of July 1, 1983, through June 30, 1984.

Under the terms of the contract, DEC will provide monthly preventive maintenance services as well as repair service on an as-needed basis including parts and labor during the hours defined in the contract document.

Because Digital is the manufacturer of the equipment and is uniquely equipped to service it according to its required standards, no useful purpose would be served by publicly advertising this contract. The costs have been reviewed and found to be reasonable. This contract will be charged to account number 1-01-49-290. Due to administrative delays, this contract is being submitted late.

Sincerely,  
Joseph Sarno,  
Director.

Systems Development

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Access International, Inc., 208 Union Wharf, for professional services in an amount not to exceed \$10,000.

Access International, Inc. will provide consulting services related to two systems which they assisted in developing for the City of Boston: Workload Tracking and the Outreach/Feedback Systems. The period of service for this contract will be from July 1, 1983, through June 30, 1984.

Through the use of the ADMIN/11 and the documentation conventions followed up by Access in systems development, Access will minimize technical computer support and personnel costs. Because of Access' role in the design of the above systems and their high-level skills and experience with ADMIN/11, no useful purpose would be served by publicly advertising this unique service. The cost of this contract has been reviewed and determined to be reasonable.

This contract will be charged to account number 1-01-49-290. Due to administrative delays, this contract is being submitted late.

Sincerely,  
Joseph A. Sarno,  
Director.

Computer Software System

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to ADMIN/11, Inc. of Cambridge, for the renewal of a licensing agreement of a computer software system, ADMIN/11, to which the proposed contractor has proprietary rights. ADMIN/11 will provide software support services for the PDP 11/70 minicomputer. Support service will consist of special upgrading of the system as well as support of the existing software.

ADMIN/11 has proved to be a particularly useful language and is less complicated and much simpler to use, which makes it possible for senior professionals in the particular departments to supervise the operations of their system without prior knowledge of data processing.

The cost of this contract will not exceed \$4,000, and will cover the period of July 1, 1983, through June 30, 1984, and will be charged to account number 1-01-49-290.

The cost of this contract has been reviewed and found to be reasonable. As this service is unique and is used in conjunction with existing equipment no useful purpose would be served by public advertising. Due to administrative delays, this contract is being submitted late.

Sincerely,  
Joseph A. Sarno,  
Director.

Technical Training

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Digital Equipment Corporation, a Massachusetts-based vendor, whose Educational Services Division is located at Bedford, for the technical training of city personnel at an amount not to exceed \$5,000, for the period July 1, 1983, through June 30, 1984.

Under the terms of the contract, Digital Equipment Corporation will provide: high-level technical training to city personnel at the DEC Educational Services facilities, located in Bedford; provide self-paced instruction courses for basic technical training undertaken in City Hall; and audio-visual cassettes for introductory and conceptual course that can be made available to management level personnel working with computer technology.

The Education Services Division of Digital Equipment Corporation is uniquely suited to provide these services because the technical training is for the purpose of programming and operating computers manufactured by Digital. The total cost of services to be provided has been determined to be reasonable. Therefore, public advertising would serve no useful purpose, and due to administrative delays this contract is being submitted late.

Sincerely,  
Joseph Sarno,  
Director.

PARKING CLERK  
Policy Planning, etc.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Dominick Pugliese, an individual, located at 83 Sierra Road, Readville, for the purpose of developing plans, procedures, and policies.

In April, under a previous contractual agreement Mr. Dominick Pugliese was hired to develop and implement a plan for reorganizing the management structure of the Traffic and Parking Department. In his proposal, Mr. Pugliese also included recommendations to restructure certain units within the agency and improve the organization's overall system of management. It is the further development and implementation of these latter recommendations that will be addressed under this new agreement.

Mr. Pugliese's first task under this new contract will be to redefine the duties, responsibilities and relationships of jobs within three of the six major divisions in Traffic and Parking. He will, of course, be responsible for making certain that all changes in jobs and titles conform to the standards and regulations of the City of Boston and Civil Service Commission.

Subsequently, and perhaps more importantly, Mr. Pugliese will attempt to improve both organizational and individual effectiveness by developing and implementing a management process whereby supervisor and subordinate operate under a clear definition of the common goals and priorities.

of the organization, as established by top management. This project will entail working with top management to identify the agency's short- and long-range targets for organizational improvement, identifying each manager's major areas of responsibility in terms of expected results, and establishing a process for review and feedback that uses these measures as guides for operating the unit and assessing the contributions of each of its members.

This office is completely satisfied with the work previously done by Mr. Pugliese. He is uniquely qualified to perform this additional work because of his academic and experiential credentials as well as his familiarity with the personnel and functions of the Traffic and Parking Department.

Compensation under this contract shall not exceed \$30,000, which I have determined to be reasonable for the work to be performed — per diem, \$200.

The terms of this contract shall be July 1, 1983, through April 15, 1984.

Because of the professional nature of the services to be performed, I believe public advertising would serve no useful purpose.

Very truly yours,

John A. Vitagliano,  
*Commissioner.*

**POLICE DEPARTMENT  
Medical Examinations**

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Jane Coleman, M. D., 143 Park Street, West Roxbury, for an amount not to exceed \$25 per hour, or \$12,000 total, for a period of time commencing July 1, 1983, through June 30, 1984. We have determined that the contract cost is reasonable in view of the professional nature of the services.

The purpose of this contract is to provide for medical examinations of present and prospective police officers to aid in departmental decisions relating to: determination of fitness of injured or ill officers for return to light or full duty; distinguishing between on- and off-duty injuries and illnesses of officers; selection of officers from applicants; promotion of officers; reviewing claims of illness-caused absences; advising the department on applications for disability retirements.

Previous departmental attempts to either maintain a physician as a full-time employee or to contract with the facilities and staff of a local hospital have proved unsatisfactory. It has been very difficult to hire a well-qualified physician for full-time work, because of the salary rate and the interest of most qualified physicians in maintaining some private practice.

We believe the proposed contract will solve these problems. First, its part-time nature enables the department to select a more highly qualified physician who wishes to maintain a private practice while it provides greater comprehensiveness via employment of both a doctor experienced with trauma injuries and physical rehabilitation. Second, the expiration of a contract, with subsequent renewal, revision, or non-resumption of the terms of agreement, is superior to a longer-term employment relationship, in that we have more flexibility to correct deficiencies of the system. Third, the contract provides sufficient time to schedule all the appointments we require.

Adequate evaluation of the health states of officers is, of course, vital to efficient functioning of the department. With respect to sick and injury leave, it has become even more important because of three troublesome areas. One is the recent expansive-

ness of conditions for which arbitrators are granting benefits to injured and ill officers through the grievance process. The second area is in the control of improper use of sick leave. The third area is the continuing need to evaluate injured officers to return them to work as soon as they are fit. The recent increase in officers' applications for disability retirement, with their high cost to the city, also require more intense departmental evaluation. Recent changes in contracts with the bargaining units representing sworn employees have also made the services of well-qualified physicians necessary for purposes of evaluating officers' fitness for light duty and in the holding of hearings for changing officers from injured leave to sick leave.

We have recently recruited applicants for the position through the Massachusetts Medical Society Newsletter. Dr. Coleman is the most qualified of the applicants for the position, with a background in rehabilitative medicine which, because of the nature of injuries received and the long recovery time of our employees, is an important area of concern for us. She has worked on a trial basis since mid-May, 1983 and her services have been excellent. She is a graduate of the University of Massachusetts Medical School with a residency in physical medicine and rehabilitation from University Hospital, Boston.

Therefore, Because of the advertising already undertaken by the department, and in light of the qualifications and experience of Dr. Coleman, it is believed that public advertising would serve no useful purpose.

Respectfully submitted,

Joseph M. Jordan,  
*Police Commissioner.*

**PUBLIC FACILITIES DEPARTMENT  
Architectural Design Services**

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on July 7, 1983, I hereby request your Honor's written authority to dispense with public advertising and award to Storch Associates, 2 Charlesgate West, a contract for architectural design services, including supervision of construction, for renovations to Columbus Park in South Boston consisting of rehabilitation of the running track and football field, replacement of lighting and improvements to perimeter areas, at a cost not to exceed \$49,094 (including \$11,500 for supplementary services), fully reimbursable by federal and state grants, which is a fixed fee based on a factor of 10.025 percent of the estimated construction cost of \$375,000, which is a reasonable amount.

This project was first advertised by the Parks Department and their engineering section rated the applicants by their rating system in accordance with MGL ch. 7, sec. 30. We reviewed their rating, approved of it and are confident this firm is qualified to perform the services required.

In view of the technical and professional nature of the services and the selection process used, it is my judgment that public advertising would serve no useful purpose.

Respectfully,

Donald B. Manson,  
*Director.*

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on August 10, 1983, I hereby request your Honor's written authority to award, without further advertising, pursuant to a publicly advertised request for proposal, to Bayside Engineering Associates, Inc., 286 Summer Street, a contract for architectural design services, including supervi-

sion of construction, for waterproofing of precast concrete joints at Boston City Hall, at a cost not to exceed \$23,000 (including \$10,000 for supplementary services) which is a negotiated fee based on 13 percent of the estimated construction cost of \$100,000. I have determined this is a reasonable cost.

As a result of the above-mentioned advertisement and the receipt of proposals, the consultant was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL ch. 7, sec. 30. I believe this firm is qualified to perform the services required.

In view of the technical and professional nature of the services and the selection process used, it is my judgment that public advertising would serve no useful purpose.

Respectfully,

Donald B. Manson,  
*Director.*

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission dated June 27, 1983, as amended August 10, 1983, I hereby request your Honor's written authority to award without further advertising, pursuant to a publicly advertised request for proposal, to Bayside Engineering Associates, Inc., 286 Summer Street, a contract for architectural design services, including supervision of construction, for general repairs at three recreation facilities, at a cost not to exceed \$44,000 (including \$2,000 for supplementary services) which is a fixed fee based on a factor of 11.08 percent of the estimated construction cost of \$384,000, I believe that the cost is reasonable.

As a result of the above-mentioned advertisement and the receipt of proposals, the consultant was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL ch. 7, sec. 30. I believe this firm is qualified to perform the services required.

In view of the technical and professional nature of the services and the selection process used, it is my judgment that public advertising would serve no useful purpose.

Respectfully,

Donald B. Manson,  
*Director.*

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on July 7, 1983, I hereby request your Honor's written authority to dispense with public advertising and award to Carol R. Johnson & Associates, Inc., Cambridge, a contract for architectural design services, including supervision of construction, for renovations to the Joseph Lee Playground in the Back Bay Fens consisting of reconstruction of the running track, rehabilitation of the ball diamonds and improvements to the perimeter areas, at a cost not to exceed \$44,894 (including \$11,500 for supplementary services), fully reimbursable by federal and state grants, which is a fixed fee based on a factor of 10.275 percent of the estimated construction cost of \$325,000, which is a reasonable amount.

This project was first advertised by the Parks Department and their engineering section rated the applicants by their rating system in accordance with MGL ch. 7, sec. 30. We reviewed their rating and in this instance made a correction which they approved. I am confident that this firm is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that public advertising would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
Director.

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on July 7, 1983, I hereby request your Honor's written authority to dispense with public advertising and award to Schoenfeld Associates, Inc., 210 South Street, a contract for architectural design services, including supervision of construction, for renovations to the East Boston Recreation Center consisting of reconstruction of the children's area, the football field, the running track, and improvements to the perimeter areas, at a cost not to exceed \$47,025 (including \$11,500 for supplementary services), fully reimbursable by federal and state grants, which is a fixed fee based on a factor of 10.15 percent of the estimated construction cost of \$350,000, which is a reasonable amount.

This project was first advertised by the Parks Department and their engineering section rated the applicants by their rating system in accordance with MGL ch. 7, sec. 30. We reviewed their rating and in this instance made a correction which they approved. I am confident that this firm is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that public advertising would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
Director.

#### GAS SERVICE

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on August 10, 1983, I hereby request your Honor's written authority to dispense with public inviting proposals be advertisement in the *City Record*, and award to Boston Gas Company, 201 Rivermoor Street, a contract for availability and use of gas at EDIC's Boston Marine Industrial Park Building 114, including the installation of gas mains. The work is to be done in two phases, with the cost of this Phase 1 not to exceed \$322,670, as specified by Boston Gas in its letter dated March 23, 1983.

The gas line will be the property of Boston Gas and as the property owner being served by the utility, the city is obligated to pay for the installation of same.

Because the city is contracting for gas service for which Boston Gas is the sole source, public advertising in this instance would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
Director.

#### Leasing Certain Premises

Dear Mr. Mayor:

Under a delegation of its power from the Public Facilities Commission to the Director of Public Facilities, I hereby request your Honor's written authority to dispense with public advertising in extending the lease for certain premises deemed necessary and convenient by the director, to be used as office space by the Office of Housing, Community Schools and Veterans Services Department.

The demised premises consist of 21,200 square feet on three floors at 26 West Street.

The term of the lease will be twelve months beginning July 1, 1983, and ending June 30, 1984. The monthly rental will be \$23,186.67 (including \$220 for HVAC maintenance), with the charge for this extended term not to exceed \$278,240.04. I have determined that this cost is reasonable.

Since these facilities are both adequate and convenient, it is my judgment that public advertising in this instance would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
Director.

Under a delegation of its power from the Public Facilities Commission to the Director of Public Facilities, I hereby request your Honor's written authority to dispense with public advertising in extending the lease for certain premises deemed necessary and convenient by the director, of Parks and Recreation Department purposes. There is further delegation of power from the Commission to the director to execute such lease, or extension thereof, upon receipt of said written authority.

The demised premises consist of 52,000 square feet of land and building therein at 30 Regis Road, Mattapan. The rental charge for this period shall not exceed \$4,756.24. I have determined that this cost is reasonable.

The reason for the late submission of this letter is that the Parks Department just received permission from the Commissioner of Public Works to move to the Public Works' premises at 160 Hancock Street, Dorchester. The move will be complete by the end of the month. Therefore, a lease extension for the Mattapan premises of only one month is required.

Since these facilities are both adequate and convenient, and the fact that they will be vacated shortly, public advertising in this instance would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
Director.

#### Electrical Service

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on August 10, 1983, I hereby request your Honor's written authority to dispense with inviting proposals by advertisement in the *City Record*, and award to Boston Edison Company, 800 Boylston Street, a contract for electric power at EDIC's Boston Marine Industrial Park Building 114, including underground cable and overhead pole relocations, at a negotiated cost of \$50,000 as specified by Boston Edison in its letter dated February 9, 1983.

The power line is the property of Boston Edison, and as the property owner being served by the utility company, the city is obligated to pay for the installation of same.

Because the city is contracting for electrical service for which Boston Edison is the sole source, public advertising in this instance would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
Director.

#### PUBLIC WORKS DEPARTMENT

##### Legal Services

Dear Mr. Mayor:

I respectfully request your approval to award a contract for legal services, without public advertising, to the law firm of Rackemann, Sawyer & Brewster, a professional corporation, at 28 State Street.

The services are required in connection with the development of a solid waste disposal plant, which would convert the city's rubbish to steam and electricity. The project is large and complex. It will require a substantial commitment of specialized legal expertise in the areas of finance, contracting and real estate. Rackemann, Sawyer & Brewster has extensive experience in these areas which will be needed during the course of the project to supplement the support from the Law Department. The term of the contract is April 16, 1983 to June 30, 1983.

The fees will be based on a composite rate of \$125 per hour which is reasonable for the service to be rendered. The total contract price will not exceed \$10,000. Because of the professional nature of the services to be rendered, I do not feel that public advertising is desirable or appropriate. This letter is being submitted late due to administrative oversight.

Very truly yours,  
Joseph F. Casazza,  
Commissioner.

#### RETIREMENT BOARD

##### Legal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to David T. Decelles, 1023 Beacon Street, Brookline.

Under the terms of the contract, Mr. Decelles will provide legal services to the Boston Retirement Board, as required, on an hourly consultant basis including but not limited to research, preparation of briefs, memoranda, opinion letters, pleading, and other documents.

Compensation under this contract shall not exceed \$2,000. Payments to be made will be at the rate of \$6.25 per hour for actual time, a rate which is reasonable.

The term of this contract shall be July 27, 1983 through December 31, 1983. This award letter is being submitted late because the requirement for these services and their extent could not be determined in advance.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Brian M. Leahy,  
Executive Officer.

#### Disability Applications Review

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Janice Henry, located in Belmont, for services to the State-Boston Retirement System Office of Special Investigations.

Under the terms of the contract, the contractor will provide assistance reviewing disability retirement applications to the Office of Special Investigations, a section of the Boston Retirement System. The contractor is specially qualified to perform this work due to her present capacity as a registered nurse with a bachelor of arts degree from Emmanuel College and a master's in education from Suffolk University.

Compensation under this contract shall not exceed \$10,000, \$16 per hour, which I have determined reasonable for the work to be performed. The term of this contract shall be from August 1, 1983, to January 1, 1984. Because of the nature of the work to be performed, i.e., in-depth analysis of Pre-Retirement Disability Applications, Mrs. Henry's experience as a registered nurse and her educational background uniquely qualifies her for the service.

in view of the reasonable cost of these services I believe that public advertising would serve no use-purpose.

It was not possible to initiate this request sooner because of the necessity of the Office of Special Investigations to retain this assistance and expertise immediately so that they may continue to process cases that have been backlogged for quite some time.

Respectfully,

Brian M. Leahy,  
Executive Officer.

#### SCHOOL DEPARTMENT

##### Chapter 766 Services

Dear Mr. Mayor:

On behalf of the school committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to United Cerebral Palsy Association, Andrew Baumgartner, director, for the providing of special educational services to Boston School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$40,620, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$1,020.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,

Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Crotched Mountain Rehabilitation Center, Joseph Handy, president, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$70,400, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$15,292.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,

Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of

Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Clearway School, Inc., Victoria Neeson, administrator, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$82,000, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$41,000.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,

Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Cushing Hall, Inc., Scituate, Rev. John T. Atwater, director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$95,000, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$16,146.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,

Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to EISEC, University Hospital, Inc., J.S. Abercrombie, Jr., M.D., director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$1,095,072., which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$547,536.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,

Edward J. Winter,  
Secretary.

#### TREASURY DEPARTMENT

##### Tax Collecting Services

I respectfully request your permission to dispense with public advertising and to award a contract to Michael Ardagna, an individual, located at 15 Humphrey's Place, Dorchester, for assistance in the collection of delinquent real estate, personal property and motor vehicle taxes.

Under the terms of this contract, Mr. Ardagna will assist in collection activities for the unit. Mr. Ardagna is uniquely qualified to do this work through his past experience and his past excellent performance.

Compensation under this contract shall not exceed \$14,000, which I have determined to be reasonable for the work to be performed. Mr. Ardagna will be working full time at the rate of \$6.50 per hour.

The term of this contract shall be July 1, 1983, through June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Respectfully yours,

Lowell L. Richards, III,  
Collector-Treasurer.

#### CONTRACTS AWARDED

The Mayor has approved the award of the following contracts to the lowest eligible bidders:

##### ADMINISTRATIVE SERVICES DEPARTMENT

###### Uniforms

For furnishing uniforms, Proposal No. 261 to the Police Department, awarded to Weston Uniforms Co., Inc., at \$12,603.

### ASSESSING DEPARTMENT

#### Invitation for Proposals for the Installation of a New Telecommunications System.

The Assessing Department at One City Hall Square, Boston City Hall, invites sealed bids for the wiring and installation of a leased or finance purchased telecommunications system to be installed at 294 Washington Street, fifth floor.

Proposal forms are obtainable at the Real Property Department, Room 811, One City Hall Square, Boston City Hall, in the Telecommunications Office. Envelopes containing proposals must be sealed and plainly marked "Proposal for Lease or Finance Purchase of Telecommunications System." Bid Date Monday, February 11, 1985. The bid must be in duplicate. One copy signed by the bidder and accompanied by a certified check, payable to the City of Boston in the amount of 5 percent of total bid, or a bid bond, must be left with the Telecommunications Department, Room 811, Boston City Hall. These bids must be submitted on or before twelve o'clock noon, on Monday, February 11, 1985. Copies filed with the Telecommunications Department will be publicly opened and read at twelve o'clock noon of the day stated above. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, MA 02201, previous to the time named for the opening of the bids. The Assessing Department reserves the right to reject any or all bids and to accept the bid which it deems best for the interest of the City of Boston.

The attention of all bidders is specifically directed to the equal opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

For proposal forms and other specifications, please contact Tom Fitzgerald, Room 811, Telecommunications Department, Boston City Hall, or call 725-4110.

**Invitation for Bids for Alterations and Repairs to the Treasury Department, Boston City Hall.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and

44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Alterations and Repairs to the Treasury Department, Boston City Hall."

SCOPE OF WORK includes the construction of additional office and conference room space.

TIME AND PLACE FOR FILING BID APPLICATIONS: General bidders must submit an Application to Bid and Contractor Qualification Statement or Update to the department on or before twelve o'clock noon, Boston time, on February 4, 1985, at the office of the Awarding Authority, sixth floor, 26 Court Street, Boston, MA 02108. ALL GENERAL BIDS shall be filed with the Awarding Authority at the above address before twelve o'clock noon on March 6, 1985, at which time and place respective bids will be opened forthwith and read aloud. The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be the public interest to do so.

Applications to bid are now available at the offices of the Public Facilities Department. PLANS AND SPECIFICATIONS will be available on or about January 28, 1985, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

**NOTICE TO CONTRACTORS**

---

**Invitation for Bids for Proposed Earthwork at Evergreen Cemetery, Brighton, Mass.**

The City of Boston, acting by the Parks Commission, Room 816, Boston City Hall, Boston, MA 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Earthwork at Evergreen Cemetery, Brighton, Mass."

SCOPE OF WORK: Clearing and Grubbing, and Excavation.

BIDS shall be submitted in duplicate before 2

p.m., Boston time, on Tuesday, February 5, 1985 and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, January 21, 1985, after 9 a.m. Boston time, at the Parks and Recreation Department to all interested parties who present a \$10 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$10 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least percent of the beneficial ownership is held by a minority group members who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bid form (MBU-F), and submitted at the time of opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Neighborhood Development and Employment Agency, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Neighborhood Development and Employment Agency, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement, (employee manhours per trade) for this contract are as follows: minority, 25 percent; Boston Resident, 50 percent and Female, 10 percent.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, January 2, 1985, at 10 a.m., Boston time.

**LICENSING BOARD**

**Invitation for Bids for Automobile Rental**

The City of Boston, acting by its Licensing Board, Room 240, City Hall, hereinafter referred to as the Board, invites sealed proposals for lease of an automobile to be used by the Board in the performance of its duties during the period February 15, 1985, to February 14, 1987, in accordance with the specifications below.

1985 Mercury Brougham with power accessory package, eight-cylinder and radio.

Lessor to provide insurance in the amount of \$100,000 per person, \$100,000 per accident, and collision insurance with a \$250 deductible.

Bidders are required to leave at the office of the Board, Room 240, City Hall, Boston, their bid proposal accompanied by a bid deposit in the form of a certified check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$100, to become the property of the City of Boston if the proposal after acceptance is not carried out, and returnable, if the proposal is rejected.

A fully executed duplicate bid, without check, must be filed with the City Auditor prior to the time of opening bids. The proposal must be complete, signed, and enclosed in an envelope, and plainly marked with the description of the automobile and the equipment contained therein and the amount of mileage on the odometer, if known.

Bids must be received by Monday, February 11, 1985, at 5 p.m. in Room 240, City Hall, Boston, and will be opened and read on Tuesday, February 12, 1985, at 9 a.m.

The Board reserves the right to waive any formalities and to accept or reject any or all bids or any part of a bid, and to award the contract as it deems in the public interest so to do.

Additional information may be obtained by contacting Thomas W. Stanton, Secretary, Boston Licensing Board.

**Proposal for Providing Fidelity Bonds and Burglary Insurance, Monies and Securities Insurance for Boston Public Schools.**

The School Committee of the City of Boston invites bids for providing fidelity bonds and burglary insurance, monies and securities insurance for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Providing Fidelity

Bonds and Burglary Insurance, Monies and Securities Insurance. Bid date: Wednesday, February 13, 1985." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check payable to the City of Boston, in the amount of one hundred dollars (\$100), or a bid bond, must be left at the office of the Business Manager, at or before twelve o'clock noon, on Wednesday, February 13, 1985. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

CITY OF BOSTON

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

**Proposal for Boarding and Securing, Project  
No. 60-CD-ABU, Community Development  
Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

1-25 Warren Street, Ward 9

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, February 7, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applica-

ble provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 60-CD-ABU."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE  
ACTION TO ENSURE EQUAL EMPLOYMENT  
OPPORTUNITY (EXECUTIVE ORDER  
11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms to the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EE0-1 and EE0-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federal-assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Weymouth, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulation in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employer and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of the projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be in violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subcontractors), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employer opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section

of the Housing and Urban Development Act of 68 and Executive Order 11246.

**Invitation for General Bids for Fabricating, Delivering and Installing Food Service Equipment in Various Schools.**

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for fabricating, delivering and installing food service equipment in various schools.

General bids will be received up until twelve clock noon, Boston time, Monday, February 11, 1985, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$100 minimum or 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) on the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate

of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

**Invitation for Bids for Furnishing and Installing  
New Hood and Exhaust Fan at Brighton  
High School, 25 Warren Street, Brighton,  
Mass.**

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Furnishing and Installing New Hood and Exhaust Fan at Brighton High School, 25 Warren Street, Brighton, Mass."

**SCOPE OF WORK:** Furnishing and Installing a new hood and exhaust fan.

**TIME AND PLACE FOR FILING BID APPLICATIONS:** General bidders shall file an Application to Bid and Contractors Qualification Statement with the Awarding Authority, 26 Court Street, Boston, MA 02108, second floor, no later than twelve o'clock noon, Boston time, Thursday, January 31, 1985. Forms may be obtained without charge from the Awarding Authority. ALL GENERAL BIDS will be received before twelve o'clock noon on Thursday, February 21, 1985, at which time and place respective bids will be opened and read aloud.

PLANS AND SPECIFICATIONS will be available on or about Thursday, February 7, 1985, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days of bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

#### CONTRACT C

**Glass Repairs and Replacements to Buildings and Structures.**  
**SCOPE OF WORK INCLUDES:** Glass repairs and replacements to buildings and structures of a maintenance or emergency nature, including without limitations, doors, windows, skylights, and greenhouses. Estimated cost of construction is \$11,000.

#### CONTRACT D

**Heating and Air-Conditioning Repairs to Buildings and Structures.**

**SCOPE OF WORK INCLUDES:** Heating, ventilating and air-conditioning repairs to buildings and structures of a maintenance or emergency nature, including, without limitations, boilers, combustion chambers, burners, controls, piping, heating units, air-conditioning units, pipe covering, and oil storage tanks. Estimated cost of construction is \$20,000.

#### CONTRACT E

**Miscellaneous and Ornamental Iron Repairs to Buildings and Structures.**

**SCOPE OF WORK INCLUDES:** Miscellaneous and ornamental repairs to buildings and structures of a maintenance or emergency nature, including without limitation, doors, windows, railings, stairways, supports, fencing. Estimated cost of construction is \$12,000.

**TIME AND PLACE FOR FILING BID APPLICATIONS:** Bidders must submit an Application to Bid and Contractor Qualification Statement or Update to the department on or before twelve o'clock noon, Boston time, on Monday, February 11, 1985, at the office of the Awarding Authority, Room 816, City Hall, Boston MA 02201. All bids shall be filed with the Awarding Authority at the above address before twelve o'clock on Wednesday, March 20, 1985, at which time and place respective bids will be opened forthwith and read aloud. The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

**APPLICATIONS TO BID** are now available at Room 816, Parks and Recreation Department.

**SPECIFICATIONS** will be available on or about Monday, February 11, 1985, after 9 a.m., at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston. The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of the contracts.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, March 12, 1985, at 10 a.m., Boston time.

## ADVERTISEMENT CITY OF BOSTON

### REAL PROPERTY BOARD

**Invitation for Proposals for Leasing of Public Parking Facility at 45 Nashua Street and 36 Accolon Way, Boston.**

The Real Property Board of the City of Boston, hereinafter called the Board, invites, from individual citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one-half thereof is owned by a citizen or citizens of the United States, proposals for leasing the public parking facility situated in Boston at 45 Nashua Street and 36 Accolon Way, for the term of two (2) years beginning April 1, 1985, and ending March 31, 1987, unless earlier terminated in accordance with the terms and conditions as more fully set forth in the form of lease. Copies of the proposal and the lease, containing all applicable terms, conditions and covenants regarding the leasing of the Nashua Street/Accolon Way Parking Facility may be obtained daily (except Saturdays, Sundays, and holidays) between 9 a.m. and 5 p.m., at the office of the Board, One City Hall Square, Room 811, Boston, for a non-refundable fee of twenty-five dollars (\$25) for each proposal taken. The covenants and agreements contained in the lease will require, among other conditions, that the lessee will maintain and operate the parking facility at all times in a manner fully satisfactory to the Board.

Bidders may be asked to provide the Board with evidence of ability to perform the terms and conditions of the lease. As part of their proposal, bidders must furnish the Board with information concerning past experience in managing and operating parking facilities.

Proposals shall be submitted in duplicate, on forms obtained as aforesaid. Each copy of the proposal shall be properly filled out, signed, enclosed in an envelope, sealed, and marked, "Proposal for Leasing of Public Parking Facility at 45 Nashua Street and 36 Accolon Way, Boston." One copy of the proposal shall be filed with the Board at its office on or before 10 a.m., on Friday, March 15, 1985, at which time and place all proposals will be publicly opened and read aloud. The copy of the proposal filed with the Board shall be accompanied by a bid deposit of five thousand dollars (\$5,000) made under the terms stated in the form of proposal, in the form of cash or a certified check, payable to the City of Boston. Additionally, the copy of the proposal filed with the Board shall be accompanied by a letter from a duly authorized agent of an insurance company certifying that a performance bond in the required amount as set forth in the proposal will be produced or, alternatively, the bidder shall accompany any proposal filed with the Board with cash or a certified check in the required amount as set forth in the proposal, payable to the City of Boston. The other copy of the proposal shall be filed by the bidder before said day and hour at the office of the City Auditor, One City Hall Square, Room M4, Boston.

No proposal shall be withdrawn after the day and hour hereinbefore set for the opening of proposals.

The Board reserves the right to reject any and all proposals.

MASSACHUSETTS BAY TRANSPORTATION  
AUTHORITY**

**Transportation Building, 10 Park Plaza  
Boston, MA 02116-3933**

**NOTICE TO CONTRACTORS**

Sealed bids for MBTA Contract No. 094-104, Platform Extension and Station Modernization, Washington Street, Red Line Level, Boston, Massachusetts (Class 1 — General Transit Construction or Class 7 — Buildings, Project Value 96.9) will be received by the Director of Construction at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on February 19, 1985. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

Work consists of construction of a platform extension and modernization of the Washington Street Station at the Red Line Level.

This contract is subject to a financial assistance contract between the MBTA and the UMTA of the United States Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Proposal Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after January 17, 1985, Monday through Friday, at a charge of \$50. The Authority's Standard Specifications, Construction, dated January 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidder's attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 18 percent WBE 4 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of

race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. James M. McGowan, Regional Construction Office No. 2, Cabot Yard, 275 Dorchester Avenue, South Boston, MA 02127, telephone number 617/722-5450. A pre-bid conference will be held on February 5, 1985, at 10 a.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Proposal guaranty shall consist of a bid deposit of four hundred eighty-four thousand five hundred dollars (\$484,500) in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**Invitation for Bids for Cafeteria  
Alterations at Various Schools.**

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Cafeteria Alterations at Various Schools."

**SCOPE OF WORK:** In general includes: Dismantling and removal of existing cafeteria equipment and carpentry.

**TIME AND PLACE FOR FILING BID APPLICATIONS:** General bidders shall file an Application to Bid and Contractors Qualification Statement with the Awarding Authority, 26 Court Street, Boston, MA 02108, second floor, no later than twelve

o'clock noon, Boston time, Thursday, January 31, 1985. Forms may be obtained without charge from the Awarding Authority. ALL GENERAL BIDS will be received before twelve o'clock noon on Thursday, February 21, 1985, at which time and place respective bids will be opened and read aloud.

PLANS AND SPECIFICATIONS will be available on or about Thursday, February 7, 1985, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days of bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

**Proposal for Binding of Attendance and Scholarship Records for Boston Public Schools**

The School Committee of the City of Boston invites bids for binding of attendance and scholarship records for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Binding of Attendance and Scholarship Records. Bids due: Thursday, February 7, 1985." The bid must be in duplicate. One copy, signed by the bidder, accompanied by a certified check payable to the City of Boston, in the amount of one hundred dollars (\$100), or a bid bond, must be left at the office of the Business Manager, at or before twelve o'clock noon, on Thursday, February 7, 1985. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

## TO MAKE A DIFFERENCE

*The Boston Community Schools.*

Chapter I of *To Make a Difference: the Boston Community Schools*, written by Lee Warren, is reprinted below. The Executive Service Corps of Boston, the Boston Committee, the Korda Foundation and the Community Schools collaborated to produce this book, which was released January 22, 1985. Copies may be obtained from Jules Slavet at the Boston Community Schools Program central office, 26 West Street, Boston, MA 01211. (617) 725-4920.

### Chapter I. Who Are the Community Schools?

#### What

When I went to visit the Jackson/Mann Community School one day in early June, the seniors' lunch was being set up. Ann and Patrick, two senior volunteers who help serve the lunch, came over and joked with Sue Mechan (Program Developer) as she and I talked in the art room. The art room was filled with supplies and work in progress—there was a room filled with hundreds of ceramic figures next door—and Pam Quinn, an art teacher, was there getting things ready for one of her classes. We were talking in the art room because it was the quietest place around: the community school office, for example, was crowded with desks and women, talking, laughing, eating, answering the phones.

It was cheese day and the Jackson/Mann was distributing federal cheese, butter, and powdered milk. Lines formed in the hot sun outdoors, hundreds of people, mostly older, mostly Russian. When the time came, they entered in single file, quietly, were checked off and waved their cards to the staff, who put the five-pound blocks of cheese and the two-pound blocks of butter into their opened carryalls. The line proceeded steadily, at the expense of tremendous activity by a number of staff people from all programs at the community school, who managed to move a regular supply of the heavy cheese and butter from the storeroom to the desk for several hours. With all this work, they still had the energy and compassion to sympathize with and help an older woman who was short of breath and needed to sit down.

The seniors had their lunch. Later, in a small office adjoining that room, I talked with Barbara Neumann, Director of the Adult Education Program, after she had finished her planning meeting with the teachers in the program. All this was going on next to the hall where the cheese was being distributed.

Upstairs, children began to arrive for the After-school Program. When I wandered in, two boys were playing chess,

a small group was fooling around in a corner, and Mary Beth Callahan, head teacher, was awaiting for the others to arrive. The pre-school group that day was off on a field trip, so I missed them.

I talked with Janice Hamilton, Program Supervisor, out in the main hall—again because there was a free desk—and in the auditorium across the way a theater group was rehearsing a play they were going to perform that night for Allston-Brighton residents.

Only my time with Pat Brainard, Coordinator, was uninterrupted—mostly. One or two people did drop in with a quick comment or question, and I was conscious of the phones and of work to be done in this busy woman's office.

All this occurred during three or four hours at one school. And I may have missed something; I didn't, for example, visit the gym, where teens are likely to have been playing basketball after school. As this visit indicates, the community schools serve a lot of people, of all ages, through a lot of different programs. Although, the community schools provide educational, recreational, and social programming for 30,000 people each year—Bostonians of all ages, races, and classes:

- In the past five years, the community schools have enabled 5,000 adults to attain their GED (high school diploma).
- During 1984, six community schools—the Harborside, Mattahunt, Jackson/Mann, Charlestown/Kent, Quincy, and Jamaica Plain—served over 600 adults in Adult Basic Education and the External Diploma Program.
- For the past five years, the City Roots Alternative Education Program has helped over 100 high school drop-outs each year get a GED and a job. In 1984-85, two program sites will be added to the original three.
- During 1984, the community schools provided 1,000 of Boston's immigrants and refugees with training in English as a Second Language.
- 200 children are provided with remedial and enrichment reading and language arts instruction each year through after school reading programs.
- 500 families are served each year in pre-school and after school day care programs, enabling mothers to work or receive job training.
- 3,000 senior citizens are regularly served, through senior clubs, activities, special trips, and lunch programs.
- The community schools counseling program helps 500 people each year to cope with poverty, housing problems, joblessness, and family stress.
- Summer is for kids: summer camp

(Continued on next page)

#### CORRECTION

The January 28, 1985, issue of the *City Record* listed the One-Stop Clearinghouse location as Room 211, Boston City Hall. The correct location is Room 811, Boston City Hall.

## Boston Community Schools . . .

(Continued from previous page)

and other programs serve 16,000 kids each year and employ 500 teenagers as camp counselors and aides. At thirty-seven neighborhood sites, the Boston community schools serve a total of 60,000 meals to disadvantaged children during the summer.

- In addition to their own programs, the community schools make themselves available for community programs: AA, Girl Scouts, distributions of federal cheese and butter, community meetings.

What this means is that the community schools are busy places where numerous activities are happening simultaneously. Seniors eat lunch in the room used earlier by Montessori preschoolers at the Condon, for example, providing a handy metaphor for the impressive range of programs run by the community schools. At the Agassiz one afternoon, teen-aged boys play basketball in the gym, while little girls take ballet, some elementary school children work and play in their after school reading group and others paint gardens downstairs. Line dancing for seniors, swimming in the pool, aerobic exercises, and GED testing, all go on one evening at the Murphy Community School, as two women work quietly into the night planning a summer camp program for a predominantly black group in their predominantly white neighborhood. Entering the community schools, I sense energy and activity, committee people working long and backbreaking hours to make happen what often nobody thought could happen.

### Where

In a city of neighborhoods, the community schools are where the people are. Their programs happen in the neighborhoods they serve.

In a unique arrangement, the Community Schools share twenty public school buildings, all built since 1971, with the Boston Public Schools. These buildings are modern, well-lit places with exceptional recreational facilities: pools, gyms, exercise and weight rooms. They include classrooms, space for child care and arts and craft activities, and theaters.

The community schools occupy other neighborhood facilities, such as Curtis Hall in Jamaica Plain, the Uphams Corner Municipal Building in Dorchester,

and the Orient Heights Recreation Center in East Boston. And the community schools take their programs to yet other places in the city. The Adult Basic Education and External Diploma Programs, for example, are taught both in local community schools and in neighborhood housing projects and churches in Allston-Brighton and in East Boston.

Mostly, the community schools are accessible. They are local and they are for the most part easy to get to by public transportation. Some even provide transportation for participants—for children in the after-school programs, for example, or for seniors, or for people taking ESL classes at night.

As part of Boston's neighborhoods, the community schools are just as various as the neighborhoods themselves. Outside the Blackstone, for example, signs are in Spanish as well as English, a man pushes a cart with fruit drinks found in Latin countries, a fruit truck sells pineapples and bananas. The Condon is a place to go—a modern building set in the old, almost treeless, black-topped D Street Project in South Boston. At the Quincy, colorful flags brighten the hallways, and notices are in both Chinese and English. The Jamaica Plain Community School is isolated in the vast wastelands of the Southwest Corridor construction project. Curtis Hall, only a few blocks away, is an elegant, high-ceilinged brick and grey stone building. The Ohrenberger is surrounded by fields and woods, as in the Mattahunt; the Harborside by dense city streets and the harbor, inaccessible but beautiful. They're all different, but they're all right there, where the people are.

### Who

"The people are the program."

This statement—the community schools' slogan since the program first began—gets at what the community schools are really all about: doing for people what people want done; empowering people; uniting people.

The people are the people of Boston. They are the neighborhood folks who use the community schools. They are the boys and girls who come after school, the seniors who line dance and eat lunch and go on trips, the teens who play basketball, the men and women who need a high school diploma or the English language or, simply, some exercise. They are refugees and immigrants, single mothers, widows,

toddlers, families—whole families use the community schools' various programs. They are black, white, Hispanic, Chinese, Russian, Lebanese, Thai. . .

The people are the Council members, neighbors who volunteer the time to plan and oversee the community school in their own neighborhood. These people are responsible for the community school: they hire staff and decide what programs their neighborhood needs and wants. Council members are neighbors, concerned citizens, people who believe in their own empowerment and are willing to work hard for it.

The people are the staff, and they are the local community schools and in the Central Office, running the program the Councils have decided upon. They are diverse, dedicated, tough, and most have managed to maintain a good sense of humor in the midst of the confusion inherent in any grassroots community organization.

These people, like the people they serve, are black and white and Hispanic and Asian. They are representative of the neighborhoods they live and work in, and they are deeply committed to the community schools. They work remarkably hard—often sixty hours a week—and they last remarkably long in situations where burn-out seems inevitable.

### Why

Boston is a great place. It's among the top cities in the country—in the world—for music, art, medicine, law, science, higher education, business development. Boston's history is central to the country's history and is highly visible; Faneuil Hall Marketplace noted throughout the country as model for urban redevelopment; Boston's high tech industry is revolutionizing the workplace.

And Boston is a size which makes these strengths accessible. It's large enough to have them, small enough that they can be known and enjoyed.

But Boston, like all urban centers, is loaded with problems—most of them common to all big cities, some unique. And the problems confront a significant proportion of Boston's residents; many who enjoy Boston's riches live in the suburbs.

The statistics are impressive.

- Nearly a third (31.6 percent) of Bostonians over twenty-five do not have

a high school diploma. The percentage is higher for minorities. Many of these people, over 100,000, are functionally illiterate, [#] which means that they cannot read a want ad, fill out a job application, or perform simple computational tasks.

- Of those who enter the Boston Public high schools as freshmen, 47 percent drop out before completing their diplomas. [\*]
- Almost one in five of Boston's citizens was born outside the U.S. and Canada. Thirteen percent now come from Hispanic countries, Asia, and the Middle East. These immigrants and refugees are unevenly bunched throughout the city. [ + ]
- Seventeen percent of Boston's adults live in households in which English is not the language usually spoken at home. In some communities, such as the South End and Central Boston, the figure goes as high as 35 percent. [ + ]
- One in ten residents is over sixty-five, though that figure reaches as high as 25 percent in West Roxbury; a third are nineteen and under, school-aged; and one in five is a teenager, between the ages of ten and nineteen. [ + ]
- Roughly one quarter of Boston's families can barely make ends meet. [ + ] In 1978, 36 percent earned under \$10,000 a year, 71 percent under \$20,000. [†] Predictably, wealth and poverty are unevenly distributed around the city. [ + ]
- Ten percent of Boston's residents live in public housing [\*]: 6 percent of whites (who nonetheless compose 42 percent of all residents of subsidized housing), 20 percent of blacks, 14 percent of Hispanics, 3 percent of orientals. [ + ]

# Diane Halperin, Boston Neighbor-

## hood Development and Employment Agency

These powerful statistics illustrate one of the most important reasons the community schools exist: to provide services, survival skills in some cases, to people in need. To the single mother on AFDC with three kids and no other adult around and no way to get out of the house. To the man who was a lawyer and biology teacher in China, but who now, without English, is a dishwasher. To the kids with no place to go, nothing to do, and not much to look forward to. To the parent trying to support a family without a high school diploma.

The community schools also exist to provide both leisure and enrichment services to people in the city's neighborhoods who want them. To families who want to go for a swim on a hot summer evening. To the eighty-year-old man who decides to take up painting. To the woman who wants to take a writing course after all those years of child rearing. To the child who wants to take ballet, or gymnastics, or play basketball.

Need and want meet in the Boston Community Schools Program. A grassroots organization, its mission is to meet big city needs, to provide services identified by the neighborhoods, in the neighborhoods, and to empower people.

As Dot Gorman, Acting Coordinator at the Ohrenberger, says: "It makes a difference in the quality of life."

### How

The government of the City of Boston makes this happen, through a cooperative partnership with the neighborhoods. The city supplies money for salaries, facilities and maintenance, and technical assistance; the neighborhoods, through their Councils, determine their own needs, decide what programs they want to run, and hire staff to run them. This combination of city resources and local decision-making both lowers costs (local volunteers do a lot of the work) and increases the program's effectiveness in the community.

The total budget for the community schools for fiscal 1984 is \$3.484 million, of which the city has contributed \$1.126 million. The rest has been raised by the community schools individually and by the Central Office for particular programs, from public and private sources. City funds are divided among the schools, and each school sets its own

fee structures. Some depending on the neighborhood served, charge more for a membership or for specific programs, than others. Summer camp at the Condon, for example, cost \$5 for the summer; at West Roxbury, the fee is \$70 for two weeks. Membership fees are generally \$2 or \$3 for an adult, less for kids and seniors.

The community schools also work collaboratively with other local agencies. In South Boston, for example, the summer camp program is a collaborative arrangement of the Condon and Tynan Community Schools, the South Boston Neighborhood House, and the South Boston Boys and Girls Club. Boston's Parks and Recreation Department's Camp Joy for the handicapped is housed in several of the community schools. AA and AI Anon meet at most of the community schools.

### When

The Boston Community Schools program has been in operation since 1972.

In the twelve years since its opening, the program has gone through a number of changes. It started with three schools and a program for juvenile delinquents. There are now twenty schools, offering a wide variety of programs. In the early 1980s, their funding was severely cut — in one year from \$1.8 million down to \$540 thousand. But the community schools survived, through sheer grit, and they are now on an upswing again. Their budget is increasing and new sources of funding have been found to solidify old programs and develop new ones.

The community schools are here to stay.

## POLICE DEPARTMENT ORDERS

January, 10.

Commissioner's Memorandum No. 85-1

To All Bureaus, Districts-Areas, Divisions, Offices, Sections, and Units.

A civilian employee of the department covered by Union Contract (either Local 285 or AFSCME and members of the Management Development and Compensation Plan) employed prior to January 1, 1985, who used fewer than five sick days in the calendar year ending December 31, 1984, may elect to redeem sick days at his/her rate of pay on December 31, 1984. Employees with less than six months of service as of December 31, 1984, are not eligible. Only employees on the payroll on December 31, 1984, qualify for this payment.

The following schedule is used to determine redemption:

(Continued on next page)

(Continued from previous page)

| Sick Days Used<br>During 1984 | Redemption |
|-------------------------------|------------|
| 0                             | 5          |
| 1                             | 4          |
| 2                             | 3          |
| 3                             | 2          |
| 4                             | 1          |
| 5                             | 0          |

If an employee is on the payroll on the last day of the calendar year and has completed by this date at least six months service but less than twelve months service, the following prorated schedule for payment will be used.

1. At least six months of service, employee is entitled to 2.5 days pay, minus the number of sick days used.
2. At least seven months of service, employee is entitled to 3.0 days pay, minus the number of sick days used.
3. At least eight months of service, employee is entitled to 3.25 days pay, minus the number of sick days used.
4. At least nine months of service, employee is entitled to 3.75 days pay, minus the number of sick days used.
5. At least ten months of service, employee is entitled to 4.25 days pay, minus the number of sick days used.
6. At least eleven months of service, employee is entitled to 4.50 days pay, minus the number of sick days used.

B.P.D. Form No. 1837, Civilian Redemption of Sick Leave for the period ending December 31, 1984, must be completed and returned to the Personnel Division, Room 508, Police Headquarters by January 28, 1985. Any forms received after January 28, 1985, will not be honored. The number of days redeemed will be deducted from the employee's sick leave bank during the week of February 4, 1985. Days not redeemed will remain in the employee's sick leave bank. Payment for redeemed sick leave will be made as soon as possible.

January 18.

#### Personnel Order No. 85-8

At about 5:15 a.m., Saturday, December 22, 1984, Cadet Michael Linskey, while in the vicinity of 926 Hyde Park Avenue, Hyde Park, observed a Ford van on fire. The van was parked in the driveway adjacent to a dwelling house. Cadet Linskey notified the Fire Department from a nearby telephone.

Upon returning to the scene, Cadet Linskey found that the fire had spread to the dwelling house. He then entered the burning building through the front door and awoke the occupants of the first floor by banging on the door. Cadet Linskey then proceeded to the second floor and alerted the occupants which included a male, his wife, and their baby. As Cadet Linskey left the apartment, he observed the front room burst into flames.

The cadet then ran to the third-floor apartment and observed that it was unoccupied. He then left the building. When outside the building, Cadet Linskey accounted for all the occupants. Upon learning that all were accounted for, the cadet then reported to the officers responding to the incident and to the Arson Squad officers who had also responded to the fire.

I am pleased to commend Cadet Linskey for his superior performance in safely evacuating the occupants from the building.

This commendation shall remain a permanent part of his personnel file.

January 19.

#### Personnel Order No. 85-9

Police Officer Mark Buchanan, Id. 8546, assigned to Area C has agreed to accept forty hours of punishment duty to be served at a time designated by his commanding officer.

Officer Buchanan acted in violation of Rule 102, sections 3 and 4.

January 21.

#### Personnel Order No. 85-10

Police Officer Patricia E. Washington, Id. 7367, assigned to Area B is hereby ordered suspended from duty without pay for three days for violation of Rule 102 (the Conduct and General Rights and Responsibilities of Police Department Personnel), sections 3 and 23.

January 21.

#### Personnel Order No. 85-11

Police Officer Deborah P. Austin, Id. 8288, assigned to Area B, is hereby ordered suspended from duty without pay for a period of three days for violation of Rule 2 (the Conduct and General Rights and Responsibilities of Police Department Personnel) sections 3 and 23.

January 22.

#### Commissioner's Memorandum No. 85-4

To All Bureaus, Districts-Areas, Divisions, Offices, Sections, and Units.

#### Announcement Date

The Boston Police Department, in cooperation with the Massachusetts Department of Personnel Administration, will hold the Sergeant's Promotional Examination on Saturday, April 13, 1985. The location and time of the examination will be announced at a later date when the official Civil Service Poster is distributed.

#### Examination Components and Grading

The examination will consist of three components: a written multiple-choice test, a practical exercise (interactive role-play situation) and an evaluation of training and experience. Only applicants who pass the written component will be allowed to advance to the other components.

The passing grade on the multiple-choice test will be determined with the assistance of a panel of incumbent sergeants and other individuals familiar with the position of sergeant. To ensure confidentiality of the test materials, the panel will conduct their structured review of the test materials on the day the test is actually administered to applicants.

#### Description of Written Test

The written component is designed to test, where practicable, the following knowledges and their application: constitutional law as it relates to the police function (first, fourth, and fifth amendments); search and seizure procedures; procedures and techniques involved in preliminary criminal investigation (such as: searching the crime scene, determining the exact nature of the crime, interviewing witnesses and victims, protecting physical evidence); police patrol function (such as: public service, criminal investigation); courtroom behavior (such as: case preparation, appearance) rules of evidence (such as: types of evidence, rules of exclusion, corpus delicti); interview and interrogation process and practices; procedures and techniques involved in handling, protecting and collecting physical evidence at a crime scene; crime scene recording procedures and techniques (such as:

field notes, photographs, sketches); police activities in residential areas (such as: family crisis intervention, burglaries); procedures and techniques in continuing criminal investigation (such as: reviewing reports from preliminary investigation(s), developing a theory, pursuing leads); procedures involved in confessions, admissions and written statements; the various roles of urban police (such as: law enforcement, peace-keeping, and public service); the communication function (such as: dispatch procedures, recording complaints, computer-aided dispatch); the media as it relates to police operations; and previously identified Massachusetts General Laws, Boston Police Department Rules, Special Orders and sections of the Boston Police Patrolmen's Association contract.

#### Description of the Practical Exercise

The practical exercise is designed to test the applicant's ability to interact, as a sergeant, in job-related situations with police officers. This practical exercise will consist of a simulation exercise in which the applicant will be asked to assume the role of sergeant. The basic task of the applicant will be to meet with a hypothetical police officer (a role player) and perform a variety of interactive job tasks with the officer. The practical exercise has two phases, as follows:

#### Phase I — Individual Review Board

During this preparation period, the applicant will be asked to review a packet of written material, which outline the role the applicant will assume, instructions regarding the overall nature of the task and time frames for completing the task, and the individual items which must be covered with the police officer (role player).

#### Phase II — Meeting

After the individual review period has been completed, the applicant will then actually meet with the police officer (role player) to carry out the assigned tasks, in a simulation exercise. The simulation exercise will be video-taped for subsequent evaluation by the consultant firm contracted to prepare the test instruments. The meeting portion of the exercise will last approximately thirty minutes.

#### Examination Weights

The three separate components will be weighted as follows:

- Written (multiple-choice) examination — 60 percent
  - Practical exercise — 20 percent
  - Training and Experience — 20 percent
- Applicants must attain a passing mark on each of the three weighted components.

#### NOTE

There has been some concern regarding the impact the Training and Experience component will have on the final score of provisionally promoted sergeants who take the examination. We have discussed this issue with the Department of Personnel Administration and can report as follows:

Due to the many categories on the Training and Experience schedule and the weight of the Training and Experience schedule on the overall examination, the effect of a provisional promotion to sergeant is small. For example, if an individual has two years in as a provisional sergeant, he/she would have a final grade of about two-tenths of a point higher than if the two years were served as a police officer.

#### Applications (Form 1)

Once the official Civil Service Announcement posted, eligible police officers in the department should make application to the Department of Personnel Administration, One Ashburton Place, Boston. Since the application card (Form 1) must include the announcement number, filing for the

amination must occur after the official Civil Service posting is announced.

**Eligibility**  
This examination is open to permanent police officers in the Boston Police Department who have been employed in this grade, after certification, for at least three years prior to the date of the examination; including periods, if any, during which the applicant was provisionally promoted therefrom, or temporarily appointed, after certification, to a position in a higher grade (G.L. c. 31, sec. 15F).

**Training classes**  
The department will announce very shortly, the schedule of training to be offered by the Police Academy in preparation for the examination.

January 16.

*Personnel Order No. 85-7*

The following reassignments are hereby ordered, effective on the dates listed below.

Detective John S. Ennis, Id. 6527 from B.I.S., C.I.D. (D) to Personnel Div., Med. Incap. Sec. (D)—1-16-85.

**Police Officers:**

Deborah P. Austin, Id. 8288 from Area B (D) to Personnel Div., Med. Incap. Sec. (D)—1-16-85.

Joyce G. Chase, Id. 7997, from Area D (N), to Personnel Div., Med. Incap. Sec. (D)—1-16-85.

James L. Brown, Id. 7316, from Team Police (N), to Personnel Div., Med. Incap. Sec. (D)—1-16-85.

James F. Browning, Id. 6454, from Personnel Div., Med. Incap. Sec. (N), to Area B (N)—1-13-85.

Robert F. Butler, Id. 6852, Area B (N), to Personnel Div., Med. Incap. Sec. (D)—1-16-85.

Edward J. Gaughan, Id. 4975, from Personnel Div., Med. Incap. Sec. (N), to Team police (N)—1-14-85.

Lorraine V. Henshaw, Id. 7907, from Sexual Assault, Unit (N), to Personnel Div., Med. Incap. Sec. (D)—1-16-85.

James R. Lynch, Id. 8469, from Area B (N), to Personnel Div., Med. Incap. Sec. (D)—1-16-85.

Brian R. Mahoney, Id. 8873, from Area D (N), to Personnel Div., Med. Incap. Sec. (D)—1-16-85.

Robert F. McGarry, Id. 7347, from Area D (N), to Personnel Div., Med. Incap. Sec. (D)—1-16-85.

James M. McManus, Id. 5877, from Area D (N), to Personnel Div., Med. Incap. Sec. (D)—1-16-85.

Carol A. O'Neill, Id. 8800, from Area D (D), to Personnel Div., Med. Incap. Sec. (D)—1-16-85.

Frank D. O'Rourke, Id. 5842, from Personnel Div., Med. Incap. Sec. (D), to Area D (D)—1-5-85.

Domenic A. Pagliarulo, Id. 3948, from Personnel Div., Med. Incap. Sec. (D), to Area A (N)—1-12-85.

Robert A. Regan, Id. 6156, from Area C (N), to Personnel Div., Med. Incap. Sec. (D)—1-16-85.

Marta E. Rodriguez, Id. 8334, from Personnel Div., Extended Lv. Sec. (N), to Operations Dov. (N)—1-23-85.

Francis P. Logan, Jr., Id. 8387, junior building custodian, Bldg. Maint. Sec. B.A.S. (D), to Personnel Div., Extended Lv. Sec.—1-7-85.

January 17.

*Commissioner's Memorandum No. 85-3*

To All Bureaus, Districts-Areas, Divisions, Offices, Sections, and Units.

The City of Boston has granted permission to the Boston Police Relief Association, Inc., for an annual payroll deduction of \$10 for its members. This

is to be deducted from the weekly payroll check of February 22, 1985.

Questions about this payroll deduction should be forwarded to Police Officer Fred Greeley, clerk, Boston Police Relief Association, Inc., telephone number 364-9565.

Police Headquarters Payroll Division is Not to be Called.

**CONTRACTS AWARDED WITHOUT ADVERTISING**

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

**ADMINISTRATIVE SERVICES DEPARTMENT**

*Purchasing Division  
Leasing of Vans*

Dear Mr. Mayor:

On April 1, 1983, your Honor approved the award of a contract, No. 5352, for leasing of vans, for the period April 1, 1983, through June 30, 1983, with the option on the part of the city to renew the contract for the period July 1, 1983, through October 31, 1983, at the same lease cost of \$900 per van for four vans.

The Public Works Department has requested to exercise the option to renew the above contract with Integrity Leasing Corporation, Needham, for the period July 1, 1983, through October 31, 1983, at the same cost of \$900 per month per van (four vans) totaling \$14,400, net, a cost I consider reasonable.

The award letter is being submitted at this late date as the length of time these vehicles are to be needed was questionable.

Respectfully yours,

Frank F. Chin,  
*Purchasing Agent.*

**HEALTH AND HOSPITALS DEPARTMENT  
Pediatric Surgical Services**

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to award a contract, without advertising, to TMCA Foundation, Inc., a professional corporation, located at 30 Bennett Street, Boston, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$36,393.

Under this contract, TMCA Foundation, Inc. will provide a qualified director of Pediatric Surgery at Boston City Hospital. The director will be responsible for the overall care of pediatric surgical patients, the organization and supervision of educational programs for students, residents, and staff as appropriate, including regular rounds and teaching conferences and provide essential consultative services to the Department of Pediatrics at Boston City Hospital for surgical problems in infants and children, consistent with the bylaws of the Medical/Dental Staff of Boston City Hospital.

Professional compensation and fringe benefits for the Director of Pediatric Surgery at Boston City Hospital will be provided by both Boston City Hospital and TMCA Foundation, Inc., along the general guidelines that Boston City Hospital will provide a flat 45 percent of said amount and the remainder will be borne by TMCA Foundation, Inc.

Because of the special fitness of TMCA Foundation, Inc. to provide these services, because of the professional nature of the services and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Negotiation relative to the salary of the director has just been completed, therefore, this letter of award is being submitted late.

Very truly yours,

Lewis W. Pollack,  
*Commissioner.*

**Lab Services Supervision**

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to award a contract, without advertising, to Dr. Salim Emil Kabawat, 13 Concord Square, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$10,400.

Under this contract, Dr. Kabawat who is certified by the American Board of Pathology and is a member of the medical staff of both Mattapan and Long Island Hospitals, will be accountable for the proper supervision of the laboratory services of both hospitals. He will render a monthly written consultative report of his evaluation, review and recommendation of the laboratory services to the medical staff and administration, actively participate in the Quality Assurance Program, and be responsible for the ongoing, in-service training of laboratory staff and review of the quality of their work. These services will be provided at a rate of \$25 per hour at a four-hour period weekly, at each hospital. The frequency and schedule of visits may be changed by the medical director, depending upon the need for the service and the availability of funds.

Because of the special fitness of Dr. Kabawat to render these services, as the price is reasonable, and because of the personal and professional nature of the services to be rendered, no useful purpose would be served by publicly advertising for bids.

This letter of award is being submitted late due to the resignation of the clinical pathologists for whom

**CITY RECORD  
USPS 114-640**

Published weekly in Boston, under the direction of the Mayor, in accordance with legislative act and city ordinance.

**NEWS AGENCY**

Old South Newsstand, 302 Washington Street.

**Advertising**

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by noon, Monday of each week to insure its publication in the following Monday's issue.

the contract was original prepared, and the time required to search for a replacement.

Very truly yours,  
Lewis W. Pollack,  
*Commissioner.*

#### LAW DEPARTMENT Legal Services

Dear Mr. Mayor:

I respectfully request that you approve the award of a professional services contract to George R. Sprague, Esquire, an attorney with offices at 45 Bromfield Street. The contract would require Mr. Sprague to analyze the filing with the Department of Public Utilities by New England Telephone Company requesting a general rate increase. The purpose of the analysis is to advise the city of the potential benefits which might be obtained by the city's intervention in that rate case. The city currently spends over \$4 million annually on telephone services, and the rates approved for future telephone charges may have a substantial financial impact on the city. The city has already saved over \$1 million by intervening in the Boston Edison Company electricity rate case. At a time when deregulation of the telecommunications industry may radically change the cost structure of telephone service, it is imperative that the city study the wisdom of participating in those rate proceedings as well.

Mr. Sprague has worked on this matter in the past and is thoroughly familiar with the circumstances involved. After analyzing the telephone company rate filing and the city's telephone service usage, he will provide the city with a report either recommending or not recommending intervention in the proceedings.

The term of this contract shall be August 1, 1983, through June 30, 1984, at a cost not to exceed \$9,650 at an hourly rate not to exceed \$100.

This award letter is late because the rate increase filing is expected to be made within the next month or two and the city has just been informed.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Yours very truly,  
James P. McGuire,  
*Corporation Counsel.*

#### MANAGEMENT INFORMATION SYSTEM Hardware, Software Maintenance

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Computer Pictures Corporation, Westwood, for systems hardware/software maintenance of the Trend-Spotter Graphics Systems which include: Trend-Spotter software package; chromatics CG1999 terminal; Xerox laser printer; Altos 800-10A hard disk.

Under the terms of this contract, the contractor will furnish all parts and labor, perform preventive maintenance, perform remedial maintenance and respond within twenty-four hours of notification of a problem.

The contractor is specially qualified to do this work because they are the single vendor of the Trend-Spotter System and therefore, are the only company who can provide comprehensive maintenance for the system.

Compensation under this contract shall not exceed \$3,300, which I have determined to be reasonable for the work to be performed. The term of this contract shall be from August 1, 1983, through June 30, 1984.

Although it would be possible to maintain the system with individual service contracts for individual components, it is more economical and efficient for the city to enter into a single maintenance contract and hold one company responsible for maintaining the entire system. Because Computer Pictures Corporation is the only vendor capable of providing comprehensive maintenance and because the cost of this service is reasonable, I believe public advertising would serve no useful purpose. Due to administrative delays, this contract is being submitted late.

Very truly yours,  
Joseph A. Sarno,  
*Director.*  
MAYOR'S OFFICE  
Research Services, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Mr. Richard N. Smith, Washington, D.C. for consultation with various divisions of the Mayor's Office.

Under terms of the contract, Mr. Smith will serve as a consultant to the Mayor's Office of Policy Management with the specific responsibility of researching and writing position papers and speeches as directed by the department.

Mr. Smith has served as a consultant to various departments in the city for a number of years and is specially qualified to do this work because of his knowledge of the workings of Boston city government and the policies of the administration.

Due to the technical and professional nature of the service to be performed, and the fact that Mr. Smith has successfully performed them in the past, and the reasonable cost of services, I believe that public advertising would serve no useful purpose.

Compensation under this contract shall not exceed \$6,000 (payable at \$30 per hour), which I have determined to be reasonable for the work to be performed. Payment for services associated with this contract shall be charged to account 1-14-02-29. The term of this contract shall be from July 1, 1983, to January 3, 1984.

Very truly yours,  
Micho F. Spring,  
*Deputy Mayor.*

Legal Services, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Mr. Charles J. Beard, Esquire, of the law firm of Foley, Hoag and Eliot, One Post Office Square.

Under terms of the contract, Mr. Beard will render professional services to the city in connection with the development of the cable television system in Boston and will advise the city in legal matters relating to the cable operator's compliance with the terms of the final license. Mr. Beard is uniquely qualified to do this work because of his extensive experience and knowledge in the area of cable television communications.

Mr. Beard will be compensated at the rate of \$80 per hour. The cost of this contract shall not exceed \$10,000, plus any necessary pre-approved expenses, which I have determined to be reasonable for the work to be performed.

The term of this contract shall be July 1, 1983, through June 30, 1984. Administrative delays have caused this letter to be submitted late.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,  
Micho F. Spring,  
*Deputy Mayor.*

#### PUBLIC WORKS DEPARTMENT

##### Submarine Cables Testing

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Hardesty & Hanover, consulting engineering, a partnership, located at New York, for isolation and resistance testing of all submarine cables at the Andrew P. McArdle Bridge.

Under terms of the contract, Hardesty & Hanover will isolate and test all conductors in each of the four submarine cables, furnishing two electrical engineers, and test meggar, and two-way radios for communication during the testing. The will also evaluate the reserve capacity in the cables for continuing substitution of good conductors for bad to keep the bridge operational. They will submit a recommendation for any temporary repairs which may forestall the need for renewal of the submarine cables. This letter is being submitted at this time due to administrative delays.

Compensation under this contract shall not exceed \$6,300, which I have determined to be reasonable for the work to be performed.

The term of the contract shall be from August 1, 1983, to June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Joseph F. Casazza,  
*Commissioner.*

#### SCHOOL DEPARTMENT Electronic Calculators

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Sharp Electronics for the period April 1, 1983, through June 30, 1983, at a cost not to exceed \$6,000.

Under terms of the contract, the contractor will furnish and deliver electronic calculators (listed in the state contract), as required.

Under state law, any Massachusetts municipality may make purchase under state contracts which have been publicly advertised and awarded by the Collective Purchasing Bureau, Department of Administration and Finance. In order to take advantage of the state contracts, the city's Law Department has ruled that the city must award its own contracts, based on the state awards.

Since the above-named company was the lowest acceptable bidder on publicly advertised bids for electronic calculators for the Commonwealth of Massachusetts and existing contracts with the Department of Administration and Finance; they are a responsible firm, and they are qualified to fulfill the requirements of their contract; and the price is reasonable, it is my opinion that public interest would not be served by public advertising for bids.

This contract is being submitted for your approval at this time since the Contract Department has recently determined individual purchases with this company will exceed \$2,000 during this fiscal year.

Compensation under this contract shall not exceed \$6,000, which I have determined to be reasonable for the work to be performed.

Very truly yours,  
Leo J. Burke,  
*Business Manager.*

#### Taxi Service

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Red and White Cab Co., a company lo-

located at 3162 Washington Street, Jamaica Plain, for providing taxi service.

Under the terms of the contract, the contractor will provide taxi service to the Citywide Parents' Council within the City of Boston and its neighborhoods for the purpose of attending council meetings.

The Red and White Cab Co. is specially qualified to do this work and is willing to service all communities in the Boston area. Their rates are comparable to five major cab companies in Boston. January, 1982, six major cab companies were solicited. Four companies responded. Two companies did not wish to pursue the contract process unless payment could be made within thirty days.

Compensation under this contract shall not exceed \$5,000, which I have determined to be reasonable for the work to be performed. The term of this contract shall be from July 1, 1982, through June 30, 1983.

Because Red and White Cab Co. is willing to provide taxi service to all areas in Boston and company rates are reasonable and comparable to other cab companies solicited, I believe that public advertising would serve no useful purpose.

This Contract is being submitted late due to the time it took to secure the necessary signatures and pick up material from the attorney for Red and White Cab.

Very truly yours,

Leo J. Burke,  
Business Manager.

#### Theater Poetry Project

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to the Artists Foundation, Inc. The contract shall be in effect during the period May 1, 1983, to June 30, 1983, and occur at a cost not to exceed \$5,000, which is deemed to be reasonable.

During a fifty-day period, with funds from the Massachusetts Council on the Arts, matched by the Boston Public Schools' Office of Curriculum and Instruction, a pilot artist-in-residence in theatre and poetry will be provided to the Joseph Lee Elementary School. Artists will be recruited; in-school programs will be provided; and an in-school planning team, under the direction of a project coordinator, will oversee FY83 program activities and prepare a FY84 cultural resources proposal. Donald A. Brown, acting senior advisor/fine arts, will be responsible for project supervision and endorsement of services' payment to the Artists Foundation, which is providing Sidney Brien, its director of artists-in-residence programs, as the project codirector (with Donald Brown).

The contractor is especially qualified to provide the above services because these are matching funds for a cultural resources project development by the Artists Foundation. Because of the professional nature of the services, it is my determination that the public interest would not be served by public advertisement for bids.

This contract is submitted late due to the fact that more time than originally anticipated has been required to secure funding and process other components of this contract.

Very truly yours,

Robert R. Spillane,  
Superintendent.

#### Multicultural Projects

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Stephen Rose, 142 West Newton Street, Boston. The contract shall be in effect during the period September 1, 1983, to June 30, 1984, and

occur at a cost not to exceed \$22,000, which is deemed to be reasonable. The proposal for Education Consolidation and Improvement Act (ECIA) was approved by the School Committee on June 27, 1983, and contains \$76,000 to fund three contracts of this nature. Rate of compensation is \$2,200 per month or \$500 per week.

The contractor will be part of a team of three consultants that will continue the operation of the Multicultural Project for the Catholic schools in the City of Boston. The consultant will direct the team that will continue the operation of the Cultural Resource Center; develop cultural team training opportunities for each Catholic school in the City of Boston; provide regional workshops in cultural learning for administrators and teachers in the Catholic schools in the City of Boston.

The consultant is especially qualified to provide the above services because this is the second of a three-year project and Stephen Rose was part of the team that initiated the project in the first year. He was selected for the first year of the project from a group of applicants that were screened by the Archdiocese.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the provision of General Laws chapter 44, s. 53A, and is to be subject to the receipt of funds under Grant ECIA chapter 2 Block Grant Funds.

Sincerely yours,

Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Ewa Pytowska, Somerville. The contract shall be in effect during the period September 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$20,000, which is deemed to be reasonable. The proposal for Education Consolidation and Improvement Act (ECIA) was approved by the School Committee on June 28, 1983, and contains \$76,000 to fund three contracts of this nature. Rate of compensation is \$2,000 per month or \$455 per week.

The contractor will be part of a team of three consultants that will continue the operation of the Multicultural Project for the Catholic schools in the City of Boston. The consultant will continue the operation of the Cultural Resource Center; develop cultural team training opportunities for each Catholic school in the City of Boston; provide regional workshops in cultural learning for administrators and teachers in the Catholic schools in the City of Boston.

The consultant is especially qualified to provide the above services because this is the second of a three-year project and Ms. Pytowska was part of the team that initiated the project in the first year. She was selected for the first year of the project from a group of applicants that were screened by the Archdiocese.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an ap-

propriation of funds, under the provision of General Laws chapter 44, s. 53A, and is to be subject to the receipt of funds under Grant ECIA chapter 2 Block Grant Funds.

Sincerely yours,

Robert R. Spillane,  
Superintendent.

#### Services under Chapter 766

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to The Carroll School, Lincoln, Margaret Logue, director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$112,200, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$56,100.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,

Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Bishop Ruocco House, Life Resources, Inc., Lakeville, Robert Turillo, director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$44,618, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is zero.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,

Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Theatre at the Square, Wellesley, Arthur Savage, president, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$50,000, which is

deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$22,800.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,

Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Kennedy Center for Handicapped Children, Inc., Foxboro, Luella Donovan, executive director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$43,500, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$13,500.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,

Edward J. Winter,  
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Manville School, Judge Baker Guidance Center, 295 Longwood Avenue, David Gilmore, director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$974,206, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$595,484.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,

Edward J. Winter,  
Secretary.

#### Services under Chapter 636

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Emerson College, 100 Beacon Street. The contract shall be in effect during the period of September 15, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$6,955, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY '84 chapter 636 proposals for the sum of \$5,280,685. Emerson College's portion as is related to that amount is \$6,955.

The contractor will provide the following instructional services at Copley Square High School: technical assistance/consultant services in the communication areas of English, speech, theatre arts and mass communication; parents-school, self-development; and career education in communication.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of "University Pairing"; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the General Laws of chapter 44, s. 53A, and is to be subject to the receipt of funds under grant from Project No. 83-9D-0009.

Very truly yours,

Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Theatre Company of Boston School Touring Company, 89 St. Botolph Street. The contract shall be in effect during the period of September 15, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$25,000, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY '84 chapter 636 proposals for the sum of \$5,280,685. Theatre Company of Boston/S.T.C.'s portion as is related to that amount is \$25,000.

The contractor will provide the following services: Schedule I — South Boston High School for \$25,000; direct instruction in arts in education, theatre program providing multicultural approaches to basic skills improvement, two daily classes will be offered to thirty-six students recruited by Theatre Company of Boston staff; providing biweekly student theatre workshop performances focusing on original student writings in the new Studio Theatre constructed by Theatre Company of Boston at South Boston High School; direct instruction in poetry, a poet in residence will teach three classes daily in the Reading and Writing Department for seven consecutive weeks; assisting English, humanities and art teachers develop special events combining mainstream classroom with multicultural theatre presentations. (Black History Week

Theatre Project; Celebration of Learning Project; Get a Job Workshop; Freshman Orientation Week); providing cultural resources to plan and implement activities of Creative Resource Team and artist in residence career awareness activities.

The contractor is especially qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of "Cultural Institution"; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the General Laws of chapter 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 636, 84-6D-0006

Very truly yours,

Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Institute of Contemporary Art. The contract shall be in effect during the period of September 15, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$11,622, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY '84 chapter 636 proposals for the sum of \$5,280,685. The Institute of Contemporary Art's portion as is related to that amount is \$11,622.

The contractor will provide the following services: South Boston High School, District 6, ch. 636, 84-6D for \$2,216. The Reading and Writing Workshop at SBHS will utilize ICA exhibitions and visits to local artists studios to increase motivation for and strengthen the basic skills necessary to reading and writing. Eight reading and writing classes will participate in a four-session program eight times over the course of the academic year. In addition the ICA instructor will work as SBHS with reading and writing students to produce booklets reporting on the program and with art students on various art projects.

Dorchester High School, Jeremiah Burke High School, ch. 636, 84-5D for \$3,088. An advanced art class from Dorchester High School and one from Jeremiah Burke High School will participate in program over the course of the academic year which will introduce contemporary art through workshops at the ICA and prominent artists' studios. Each class will participate in eight sessions (the classes will be separate from each other). A part of the program, students will gain career awareness in the arts and participating will incorporate aspects of the program into their curricula.

Boston Latin High School, ch. 636, 84-9D for \$6,318. Advanced art classes from Boston Latin High School will participate in a thirty-session program over the course of the academic year which will introduce them to contemporary workshops: the ICA and visits to prominent artists' studios around Boston. As part of the program, students

will gain career awareness in the arts and participating teachers will incorporate aspects of the program into their curricula.

The contractor is especially qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of "Cultural Institution"; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the General Laws of chapter 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 636, 84-5D, 84-D and 84-9D.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Family Service Association of Greater Boston, 34½ Beacon Street. The contract shall be in effect during the period of September 8, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$9,990, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY '84 chapter 636 proposals for the sum of \$5,280,685. Family Service Association of Greater Boston's portion as is related to that amount is \$9,990.

The contractor will provide counseling/consultation which will consist of assessment, referral, individual and group counseling, viewing films, home visits, telephone counseling, contacts with family members, attending Youth Expression Theatre, meetings with faculty and liaison with community agencies.

The contractor is especially qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the service to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the General Laws of chapter 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 636, 84-6D-0006.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Simmons College, 300 the Fenway. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$51,367, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY '84 chapter 636 proposals for the sum of \$5,280,685. Simmons College's portion as is related to that amount is \$51,367.

The contractor will provide the following services: Schedule I. Jamaica Plain High School. Instructional and non-instructional services to J.P.H.S. staff and students to reduce academic disparity among 340 ninth graders; direct tutoring services to J.P.H.S. students of 1,822 hours; material support for academic remediation, including reading is fundamental books; instructional and non-instructional services to J.P.H.S. students leadership program, including providing one cross-cultural arts appreciation show; material support for students leadership program, including field trip admissions, parent outreach; technical assistance to teachers and administrators to improve the education plan at J.P.H.S. by implementation of fifteen NE accreditation recommendations; purchased leasing computer services for J.P.H.S. business department.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of "University Pairing"; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the General Laws of chapter 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 636, Project No. 84-2D-0002.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Boston Zoological Society (Franklin Park Zoo). The contract shall be in effect during the period of September 3, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$34,970.30, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY '84 chapter 636 proposals for the sum of \$5,280,685. Theatre Company of Boston's T.C.'s portion as is related to that amount is \$34,970.30.

The contractor will provide the following services: in District 3 a total of seven schools will participate, including 630 student, twenty-one teachers and parents; in district 9 a total of two schools, 180 students, six teachers and parents will participate.

The program in both districts will provide the following services: ten lessons/class which focus on

natural history science and wild life education; workshops to train teachers in curriculum development, ecology information and intergration of zoo resources into ongoing classroom activities; curriculum packets (wildlife education lesson plans and activities).

The contractor is especially qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of "Cultural Institution"; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the General Laws of chapter 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 636, state approved Project 84-9D and Project 84-3D-003.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to New England Aquarium. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$7,121, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY '84 chapter 636 proposals for the sum of \$5,280,685. The Institute of Contemporary Art's portion as is related to that amount is \$7,121.

The contractor will provide the following services: Schedule I at the Phillis Wheatley School for \$1,241; direct instructional services to all students in grade six (120 students); assisting teachers in developing follow-up materials to use in the classroom; assisting teachers in developing curriculum materials to use in language to integrate science into classroom activities; Schedule II at the Warren Prescott Elementary School for \$3,880; direct instructional services to all students in kindergarten and first grade (165 students); assisting teachers in developing follow-up materials to use in the classroom; assisting parents in the program as aides on field trips to tidepool sites and the aquarium.

The contractor is especially qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of "Cultural Institution"; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the

expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the General Laws of chapter 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 636, 84-7D-0007 and 84-9D-0009.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Curry College. The contract shall be in effect during the period of July 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$3,203, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY' 84 chapter 636 proposals for the sum of \$5,280,685. Family Service Association of Greater Boston's portion as is related to that amount is \$3,203.

The contractor will provide the instructional services at the William Munroe Trotter School: the pairing between Curry College and the Trotter School will focus on identifying and teaching gifted and talented students and potentially gifted and talented students with emphasis on involving minority children to reflect the racial component of the school. Parents and teachers will participate. A product for gifted and talented in the regular classroom will be developed. Female math models who are gifted will be identified. A continuation of Curry's students teachewr program will continue throughout the acadmic year. To broaden horizons, Trotter students, parents and teacher visitation to Curry College's campus will be instituted.

The contractor is especially qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan *Morgan v. McDonough*, Civil Action No. 72-911-G; further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the General Laws of chapter 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 636.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Regis College, Weston. The contract shall be in effect during the period of August 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$39,937, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved

all of the FY' 84 chapter 636 proposals for the sum of \$5,280,685. Regis College's portion as is related to that amount is \$39,937.

The contractor will provide the following services at Boston Latin Academy, District 9, chapter 636, 84-9D: evaluation of the three-week preadmission session and provision of a study skills manual; monitoring and evaluation of the tutoring program; a profile of seventh-grade students, in support of reduction of attrition rate; workshops for eighth- and tenth-grade teachers in developing curriculum guides; multicultural programs (lectures, films, field trips); learning programs for new students; training of a band and concerts for students through New England Conservatory of Music; programs in art for students and teachers through Boston Museum of Fine Arts.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of "University Pairing"; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan *Morgan v. McDonough*, Civil Action No. 72-911-G).

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the General Laws of chapter 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 636, Project No. 84-9D.

The reason for the late submission of this contract is that the state board did not approve the underlying chapter 636 proposal until June 28, 1983, and the contract could not be processed before that time.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to School Volunteers for Boston, Inc., 138 Tremont Street. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$37,049.30, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY' 84 chapter 636 proposals for the sum of \$5,280,685. School volunteers for Boston's as is related to that amount is \$37,049.30.

The contractor will provide the following instructional services on a city-wide basis: support and expand programs of instruction in the Boston Public Schools through a more extensive use of volunteers in the reading, ESL/bilingual, math, special education and career education programs and in the arts and also assist in maintaining and developing an effective management service for external resources through the Partnership Alliance. School Volunteers for Boston, Inc., through its community district coordinators, will intensify its recruitment of volunteers from neighborhood, civic, social, religious and ethnic groups, from the retirees of business and industrial firms, from the federal

government's released time program for their employees, from parents' groups and from cooperating high school students and college students to lend support and assistance to the crucial academic program of the city.

The contractor is uniquely qualified to provide the above service because the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan *Morgan v. McDonough*, Civil Action No. 72-911-G; further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the General Laws of chapter 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 636, Project No. 83-BC-0708.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Cambridge College/Institute of Open Education, Cambridge. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$56,039, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY' 84 chapter 636 proposals for the sum of \$5,280,685. Cambridge College's portion as is related to that amount is \$56,039.

The contractor will provide the following instructional services at the Martin Luther King Jr. School in district IX: staff and curriculum development; the educational coordinator, operation of the curriculum center by the curriculum center coordinator and the educational coordinator from 7:30 a.m. to 3:30 p.m., Monday through Friday, the continuation and expansion of the eight-grade theatre component infusing current school social studies and English curriculum with established drama organizations (Theatre from Around the Corner, Around the World operated by the Little Flagg's Theatre Group in Roxbury), running for fifteen weeks two days per week, which will strengthen the language arts magnet theme of the King School, the continuation of support for a parent coordinator order to inform and involve parents in the King School Program, the integration of bilingual students into the regular education program, and continuation of the student-at-risk program, including non-graded, self-contained classroom for students at risk.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of "University Pairing"; the institution has specifically designed services in conjunction with school personnel to

intent of U.S. District Court Judge W. Arthur  
rity, Memorandum and Orders Modifying De-  
regation Plan *Morgan v. McDonough*, Civil  
on No. 72-911-G); further, the services have  
n reviewed and approved by appropriate per-  
nel at the Department of Education.

because of the professional nature of the serv-  
to be provided under this agreement and the  
ertise of the contractor in providing such serv-  
it is my determination that the public interest  
not be served by public advertisement for

his agreement is to be executed, without an ap-  
riation of funds, under the General Laws of  
pter 44, s. 53A, and is to be subject to the receipt  
unds under grant from chapter 636, Project  
mber 84-9D.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

## CONTRACTS AMENDED

The Mayor has approved the amend-  
g of contracts, based on the following  
ormation:

### HEALTH AND HOSPITALS DEPARTMENT AIDS Program

ar Sir:

Pursuant to the authority delegated to me by the  
ard of Health and Hospitals, I respectfully re-  
est your Honor's permission to amend the letter  
award for a contract with Fenway Community  
alth Center, Inc., 16 Haviland Street, for the per-  
July 1, 1983, through June 30, 1984, at a cost  
to exceed \$34,400.

This amendment will increase the contract sum  
\$10,000, thereby increasing the city's total liabil-  
under this contract, as so amended, to an  
ount not to exceed \$44,400.

The additional funds have been awarded to help  
port the Fenway Community Health Center's  
ivities in relation to AIDS. These include commu-  
y education, hot line, and additional treatment  
ivities. AIDS is becoming a serious public health  
cern, particularly among the community served  
the Fenway Community Health Center.

In view of the above, and because the cost to the  
y is reasonable, I recommend approval of this  
ndment.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

### ADVERTISEMENT THE SCHOOL COMMITTEE OF THE CITY OF BOSTON

Department of Planning and Engineering,  
26 Court Street, Boston, Mass.

#### Invitation for Bids for Cafeteria Alterations at Various Schools.

The School Committee of the City of Boston, act-  
by its Department of Planning and Engineering,

26 Court Street, Boston, MA 02108, hereinafter re-  
ferred to as the Awarding Authority, hereby invites  
sealed bids for the above-entitled project, subject  
to all applicable provisions of law, including without  
limitation, sections 39F and 39K through 39P of  
chapter 30, and sections 29 and 44A to 44I, inclu-  
sive, of chapter 149 of the General Laws, as  
amended, and in accordance with the terms and  
provisions of the contract documents entitled "Caf-  
eteria Alterations at Various Schools."

SCOPE OF WORK: In general includes: Dismant-  
ling and removal of existing cafeteria equipment  
and carpentry.

TIME AND PLACE FOR FILING BID APPLICA-  
TIONS: General bidders shall file an Application to  
Bid and Contractors Qualification Statement with  
the Awarding Authority, 26 Court Street, Boston,  
MA 02108, second floor, no later than twelve  
o'clock noon, Boston time, Thursday, January 31,  
1985. Forms may be obtained without charge from  
the Awarding Authority. ALL GENERAL BIDS will  
be received before twelve o'clock noon on Thurs-  
day, February 21, 1985, at which time and place re-  
spective bids will be opened and read aloud.

PLANS AND SPECIFICATIONS will be available  
on or about Thursday, February 7, 1985, at the De-  
partment of Planning and Engineering to all inter-  
ested parties for a deposit of \$10. Plans and  
specifications must be returned in good condition  
within thirty days of bid opening in order to have the  
\$10 returned. Bidders are hereby notified that bid  
deposits must be 5 percent of the bid and shall be in  
the form of a bid bond, certified check, payable to  
the City of Boston.

The attention of all bidders is specifically directed  
to the equal employment opportunity section of the  
specifications and the obligations of the contractor  
and all subcontractors to take affirmative action in  
connection with employment practices throughout  
the work. Pursuant to minority participation, the  
general contractor must complete the Minority  
Business Form in the specifications, giving assur-  
ance that at least 10 percent of his bid price shall be  
expended for minority business enterprise.

The Awarding Authority reserves the right to  
waive any informalities in or to reject any and all  
bids if it be in the public interest to do so.

PAUL W. MOONEY,  
Senior Structural Engineer.  
(Jan. 28-Feb. 4.)

### ADVERTISEMENT THE SCHOOL COMMITTEE OF THE CITY OF BOSTON

Department of Planning and Engineering,  
26 Court Street, Boston, Mass.

#### Invitation for General Bids for Fabricating, De- livering and Installing Food Service Equip- ment in Various Schools.

The School Committee of the City of Boston, act-  
ing by the Senior Structural Engineer of the Depart-  
ment of Planning and Engineering, Boston, Mass.,  
hereinafter referred to as the Awarding Authority,  
invites sealed general bids for fabricating, deliver-  
ing and installing food service equipment in various  
schools.

General bids will be received up until twelve  
o'clock noon, Boston time, Monday, February 11,  
1985, at the office of the Awarding Authority, sec-  
ond floor, 26 Court Street, Boston, Mass., at which  
time and place they will be publicly opened and  
read aloud.

Proposals must be made in duplicate, the one  
with the certified check is to be filed and left at the  
above, the other without certified check to be filed  
with the City Auditor, City Hall, Boston, before the  
time stated above for the opening of proposals.

General bids must be submitted on the form ob-  
tained from the Awarding Authority. The general bid  
shall be completely filled in, signed, enclosed in an  
envelope, sealed, and plainly marked with the de-  
scription of the work to be done. The general bid  
shall be filed with the Awarding Authority, at the of-  
fice designated above, accompanied by a bid de-  
posit in the form of cash or a certified check on, or a  
treasurer's or cashier's check issued by a responsi-  
ble bank or trust company, payable to the City of  
Boston, or a bid bond in a form satisfactory to the  
Awarding Authority with a surety company qualified  
to do business in the Commonwealth and satisfac-  
tory to the Awarding Authority and conditioned  
upon the faithful performance by the principal of the  
agreements contained in the subbid or general bid,  
in the sum of \$100 minimum or 5 percent of total  
amount bid, whichever is the greater amount. The  
general bid shall be filed before the time stated  
above for the opening of general bids.

No general bid may be withdrawn after the time  
limit for filing general bids and for five (5) days (Sat-  
urdays, Sundays, and legal holidays excluded)  
from the opening of the general bids. In addition, no  
general bid filed by the three lowest responsible  
and eligible bidders may be withdrawn prior to exe-  
cution and delivery of the general contract, unless  
no award has been made upon expiration of the  
prescribed time therefor.

The rate per hour of the wages to be paid to me-  
chanics, teamsters, chauffeurs, and laborers in the  
work to be performed shall not be less than the rate  
of wages determined for this work by the Commis-  
sioner of Labor and Industries of the Common-  
wealth of Massachusetts under the provisions of  
General Laws (Ter. Ed.), chapter 149, section 26, as  
amended, a schedule of which appears in the spec-  
ifications.

The successful bidder will be required to provide  
by insurance for the payment of compensation and  
the furnishing of other benefits under the Work-  
men's Compensation Law, General Laws (Ter. Ed.),  
chapter 152, to all persons to be employed under  
the contract and sufficient proof of compliance with  
the foregoing stipulation will be required before  
commencing performance of this contract.

The attention of all bidders is specifically directed  
to the equal employment opportunity section of the  
specifications and the obligation of the contractor  
and all subcontractors to take affirmative action in  
connection with employment practices throughout  
the work.

Specifications and other contract documents  
may be obtained at the office of the Awarding Au-  
thority.

A performance bond, and also a labor and mate-  
rials or payment bond, each of a surety company  
qualified to do business under the laws of the Com-  
monwealth and satisfactory to the Awarding Au-  
thority and each in the sum of 100 percent of the  
contract price, will be required of the successful  
general bidder.

PAUL W. MOONEY,  
Senior Structural Engineer.

**NOTICE TO CONTRACTORS**

**Invitation for Bids for Repairs and Maintenance to Buildings and Structures of the Parks and Recreation Department. — Contracts F, G, H, and I.**

The City of Boston, acting by the Parks Commission, Room 816, Boston City Hall, Boston, MA 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled projects. Bids shall be clearly identified as a bid, and signed by the bidder on a form supplied by the Parks and Recreation Department. All bids for these projects are subject to all applicable provisions of law, including without limitations, sections 9F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled:

**CONTRACT F**

Plumbing and Gas Fitting Repairs to Buildings, Structures and Outdoor Recreation Facilities.  
**SCOPE OF WORK INCLUDES:** Plumbing and gas fitting repairs to buildings, structures and outdoor facilities of a maintenance or emergency nature, including without limitation, portable and irrigation water systems, sanitary and surface drainage systems, plumbing systems, equipment and fixtures, gas piping systems and equipment. Estimated cost of construction is \$20,000.

**CONTRACT G**

Painting of Buildings and Structures.  
**SCOPE OF WORK INCLUDES:** Painting of buildings and structures, of a maintenance or emergency nature, including without limitation, surfaces of wood, metal and masonry. Estimated cost of construction is \$15,000.

**CONTRACT H**

Roofing Repairs to Buildings and Structures.  
**SCOPE OF WORK INCLUDES:** Roofing repairs to buildings and structures of a maintenance or emergency nature including, without limitation, built-up roofing, shingle roofing, slate roofing, sheet roofing and flashing. Estimated cost of construction is \$10,000.

**CONTRACT I**

Repairs to Oil Burners in Buildings of Parks and Recreation Department.  
**SCOPE OF WORK INCLUDES:** Repairs to No. 2 and No. 5 oil burners in buildings of the Parks and Recreation Department. Estimated cost of construction is \$10,000.

**TIME AND PLACE FOR FILING BID APPLICATIONS:** Bidders must submit an Application to Bid and Contractor Qualification Statement or Update to the department on or before twelve o'clock noon, Boston time, on Monday, February 18, 1985, at the office of the Awarding Authority, Room 816, City Hall, Boston MA 02201. All bids shall be filed with the Awarding Authority at the above address before twelve o'clock on Wednesday, March 27, 1985, at which time and place respective bids will be opened forthwith and read aloud. The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

APPLICATIONS TO BID are now available at Room 816, Parks and Recreation Department.

**SPECIFICATIONS** will be available on or about Monday, February 18, 1985, after 9 a.m., at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston. The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of the contracts.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, March 19, 1985, at 10 a.m., Boston time.

**SCOPE OF WORK INCLUDES:** Miscellaneous and ornamental repairs to buildings and structures of a maintenance or emergency nature, including without limitation, doors, windows, railings, stairways, supports, fencing. Estimated cost of construction is \$12,000.

**TIME AND PLACE FOR FILING BID APPLICATIONS:** Bidders must submit an Application to Bid and Contractor Qualification Statement or Update to the department on or before twelve o'clock noon, Boston time, on Monday, February 11, 1985, at the office of the Awarding Authority, Room 816, City Hall, Boston MA 02201. All bids shall be filed with the Awarding Authority at the above address before twelve o'clock on Wednesday, March 20, 1985, at which time and place respective bids will be opened forthwith and read aloud. The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

**APPLICATIONS TO BID** are now available at Room 816, Parks and Recreation Department.

**SPECIFICATIONS** will be available on or about Monday, February 11, 1985, after 9 a.m., at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston. The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of the contracts.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, March 12, 1985, at 10 a.m., Boston time.

**Invitation for Bids for Furnishing and Installing New Hood and Exhaust Fan at Brighton High School, 25 Warren Street, Brighton, Mass.**

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Furnishing and Installing New Hood and Exhaust Fan at Brighton High School, 25 Warren Street, Brighton, Mass."

**SCOPE OF WORK:** Furnishing and Installing a new hood and exhaust fan.

**TIME AND PLACE FOR FILING BID APPLICATIONS:** General bidders shall file an Application to Bid and Contractors Qualification Statement with the Awarding Authority, 26 Court Street, Boston, MA 02108, second floor, no later than twelve o'clock noon, Boston time, Thursday, January 31, 1985. Forms may be obtained without charge from the Awarding Authority. **ALL GENERAL BIDS** will be received before twelve o'clock noon on Thursday, February 21, 1985, at which time and place respective bids will be opened and read aloud.

**PLANS AND SPECIFICATIONS** will be available on or about Thursday, February 7, 1985, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days of bid opening in order to have the \$10 returned. Bidders are hereby notified that bid

deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

Transportation Building, 10 Park Plaza  
Boston, MA 02116-3933

**NOTICE TO CONTRACTORS**

Sealed bids for MBTA Contract No. 097-410 STATEWIDE FARE COLLECTION EQUIPMENT, SOUTHWEST CORRIDOR PROJECT, BOSTON, MASSACHUSETTS (Project Value 12.6) will be received by the Director of Construction at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on February 21, 1985. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

Work consists of furnishing and installing the following fare collection equipment: turnstiles, booth-mounted passimeters, fareboxes, fencing and gates, and an electronic passcard reader system.

This contract is subject to a financial assistance contract between the MBTA and the United States Department of Transportation.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after January 24, 1985, Monday through Friday, at a charge of \$50. Half-size drawings may be requested for convenience purposes at a charge of \$15 per set. The Authority's General Requirements and Covenants (1978 Edition of Division I), as amended, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 10 percent WBE 2 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Senior Project Manager, Mr. Robert D. MacKay, 500 Arborway, Boston, MA 02130. (Tel. No. (617) 722-3498. A prebid conference will be held on February 7, 1985, at 10 a.m., at

the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid security shall consist of a bid deposit of sixty-three thousand dollars (\$63,000), in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**ADVERTISEMENT  
CITY OF BOSTON**

**NEIGHBORHOOD DEVELOPMENT  
AND EMPLOYMENT AGENCY**

The Crittenton Hastings House, through funding from the Neighborhood Development and Employment Agency (NDEA), under support from the Community Development Block Grant invites contractors to bid the following project:

Site — Crittenton Hastings House, 10 Perthshire Street, Brighton, MA 02135.

Scope — New smoke detection system; new fire alarm system.

Remarks — No general contractor; subcontractor bids only.

Bids Due — February 13, 1985, at 2 p.m.  
Drawings Available — At site through David Jean, 782-7600 and Dodge Report.

General bids will be received at the job site at the designated time at which they will be opened and read aloud. Bids shall be on a form provided in the contract documents. Plans and specifications will be available immediately, at the job site. A deposit of \$20 (certified check), payable to the Crittenton Hastings House will be left upon receipt of drawings and given back when they are returned in good shape within thirty days.

No bid for the award of this project will be considered unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the laws of the City of Boston, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended on minority business enterprises. For the purpose of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indian.

The attention of each bidder is called to the provision of the contract documents requiring that at

least 50 percent of all work hours on this project be performed by Boston residents, 25 percent by minorities, and 10 percent by women, in each trade.

Included with the contract documents are copies of the "Minority Business Utilization Form" and "Minority Business Identification Statement." Each contractor must complete, sign, and file with the bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

Contractors shall also avail themselves of the list of minority businesses to be provided by NDE through the Office of Minority Business Enterprises to facilitate compliance with the requirements.

The attention of each bidder is called to the fact that this is a federally assisted project and therefore not less than the minimum salaries and wages set forth in the contract documents must be paid each worker on the project (Davis-Bacon), and that the contractor must ensure that employees and applicants are not discriminated against because race, color, religion, sex, or national origin (Executive Order No. 11246). Attention is also called to the contractor requirements relating to Workmen Compensation and insurance requirements of the successful general contractor and subcontractor for the project shall be set forth in the Supplementary and Special Conditions of the contract documents.

# CITY RECORD

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

JOSEPH M. TIERNEY  
PRESIDENT, CITY COUNCIL

OL. 77

MONDAY, FEBRUARY 11, 1985

NO. 6

## MAYOR FLYNN WELCOMES UDAG AWARD

*\$12 million for Columbia Point; praises tenant efforts.*

Boston Mayor Raymond L. Flynn praised the decision to award \$12 million in Federal Urban Development Action Grant funds for the redevelopment of Columbia Point.

Mayor Flynn emphasized that "much credit is due to the tenants of Columbia Point who have kept the faith for the past twelve years and have worked collectively to ensure that Columbia Point would one day be revitalized. Their perseverance is finally about to be rewarded." Mayor Flynn also praised the efforts of Senator Edward M. Kennedy and the Massachusetts Congressional Delegation, particularly Representative Silvio Conte. Archbishop Bernard Law's active support and interest was also cited by Mayor Flynn.

The Federal Housing and Urban Development Secretary, Samuel Pierce, awarded the city the UDAG on January 30, 1985.

The city's plan for Columbia Point calls for development of a mixed-income community with 1,400 housing units, with 400 units of low-income housing guaranteed for present residents of the project. The \$140-million project is being carried out by the development firm of Corcoran, Mullins and Jennison, Inc., in cooperation with the Boston Housing Authority, the Boston Redevelopment Authority and the Columbia Point Community Task Force, which is the group representing the Columbia Point tenants.

Mayor Flynn said, "This grant is the culmination of twelve years of planning and hard work which involved public officials at every level of government, individuals from the private sector, and most of all, the tenants at Columbia Point.

"This remarkable collaboration among scores of people and government agencies will result in a new Columbia Point, one which will be privately owned, which will yield tax revenues to the city, and which will be a fully integrated, mixed-income community. All of this revitalization will take place without any displacement of existing residents.

"I want to pay special thanks to all who have worked on this project, to the state officials, from Governor Dukakis on down, particularly the officials at the Massachusetts Housing Finance Agency, for their mortgage commitment to this project. The BRA and BHA, of course, have literally spent years of work on this project and, now, with the UDAG grant, the federal government has provided the necessary funding for us to move ahead. The Massachusetts Congressional delegation was wholehearted in its support and for that we are

also grateful. Now, the Columbia Point residents, working with the new developers, will help bring all our plans to fruition."

The new housing development, when complete, will exist as a new, mixed-income neighborhood of Boston. Units will consist of one to six bedrooms, and the low-income subsidies will be tied to the tenant, rather than the unit, thus guaranteeing an economic mix throughout the development.

Boston Redevelopment Authority Director Steven Coyle said, "One of the requirements of the lease to the developers is that 400 units will be guaranteed for low-income tenants for ninety-nine years. In an age of literally no federal subsidies for housing, this is a one of a kind protection for those tenants of modest means.

"In addition, the developers have assumed a property tax in excess of \$1.4 million annually," Mr. Coyle continued. "We also estimate that additional taxes to the city, specifically sales and auto excise taxes realized over the period of construction, will equal a half a million

(Continued on next page)

### MAYOR NAMES LIEUT. FRANCIS ROACHE INTERIM POLICE COMMISSIONER

Boston Mayor Raymond L. Flynn announced on February 1, 1985, the appointment of Lieutenant Francis Roache as interim Commissioner of the Boston Police Department.

Lt. Roache has served as a member of the Boston Police Department for the past sixteen years. Since 1978, he has served as Commanding Officer of the Community Disorders Unit (C.D.U.), a former U.S. Marine, Lieutenant Roache is a career police officer. He has risen through the ranks to become a sergeant (1975); detective sergeant (1980), and lieutenant (1983).

Under Lieutenant Roache's direction, the Boston Police Department's Community Disorders Unit has served as a model for other U.S. cities. A frequent instructor at the Boston Police Academy, Lieutenant Roache is a graduate of the FBI National Academy and of the Command Training Course at Babson College. He holds a Master's Degree in Public Management and a Bachelor of Science Degree in Law Enforcement from Boston State College.

Lieutenant Roache is married to the former Barbara Campers. They have five children: Barbara twenty-four, Donna twenty-three, Paula twenty-one, Michael twenty, and Lori nineteen.

In announcing the appointment of Lieutenant Roache as interim Police Commissioner, Mayor Flynn said: "Over the course of many years, I have come to know Lieutenant Roache, above all, for his unique ability to work with people. As a career police officer, he has the highest personal and professional standards. Lt. Roache is a tireless public servant. I know that he will lead by example, as he sets out in building a new leadership team for the Boston Police Department. Lieutenant

(Continued on next page)

## UDAG Award . . .

(Continued from previous page)

dollars in the first year and a quarter of a million ongoing after that."

Another important element the BRA director notes is new jobs: 1,600 construction jobs will be created over four years and sixty-three permanent jobs.

Since October, a remarkable number of hurdles were overcome to get the final approval for the UDAG. Every Wednesday morning, there have been meetings in the office of the director of the Massachusetts Housing Finance Agency (MHFA), Marvin Siflinger. Time was spent reviewing the drawings and cost estimates provided by the developer. This was important because as this work went on, the parties' commitment to and confidence in the project grew.

There were several conditions successfully met before the UDAG could be approved.

- HUD approves the MFHA application for designation as co-insurer. This allows the federal government to pick up 80 percent of the insurance on the mortgage.

- The MFHA and HUD agree on Section 8 rents.

- HUD approves the expenditure of \$8.7 million in Urban Initiatives funds for demolition and site preparation, the last of thirty-three projects to receive such funds.

- So-called "defeasance legislation," passed in the final hours of the 1984 state legislature, which allows the Boston Housing Authority to swap subsidies from three, state-aided developments to Columbia Point in exchange for public housing subsidies presently at Columbia Point.

- Another key piece of legislation passed in the last legislative session cleared the way for 9.7 acres of land formerly designated for recreational use redesignated for Columbia Point.

Director Coyle added, "We have also made progress on the important issues of public access, and the relationship of the project to the water's edge, but several major issues are still outstanding. However, we feel confident that environmental design questions can be resolved to everyone's satisfaction."

The Columbia Point development, to be called Harbor Point, will be located on 48 plus acres on the Columbia Point peninsula. Currently, 350 units are occupied, fifty of those are elderly units.

Seventeen buildings will be demolished to open up the site for redevelopment. A new street layout with expanded views of the water is part of the design. There will be provided a variety of open space and recreational facilities from private yards to shared neighborhood block areas and a waterfront park. The park will have a jogging, walking and hiking path and three large open areas.

Demolition will begin in spring of 1985, construction begins summer, 1985, with the first units occupied in the fall of 1986. Construction will be completed by summer, 1989.

## WILLIAM J. CADIGAN

Employees of the Public Works Department wish William J. Cadigan, administrative assistant in the Highway Division, a happy retirement. He retired at the close of business on January 31, 1985, after completing sixty and a half years of service in that department.

William Cadigan came to work for the Public Works department in 1924, at the age of fifteen as an office boy. He was 76 on January 9, 1985.

## Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by noon, Monday of each week to insure its publication in the following Monday's issue.

## Interim Police Commissioner . . .

(Continued from previous page)

Roache's commitment to fairness and justice will also serve him well as he accepts the challenge before him as interim Police Commissioner."

In his remarks, Lieutenant Roache termed his appointment "the high point of my professional career. The Boston Police department and the people of this city are part of my life. As interim Police Commissioner, I intend to move swiftly in building a new leadership team for the Boston Police Department that will provide more effectively for the protection of the public safety. My sixteen years of experience has taught me that a police officer is often the most direct source of contact the people of our city have with government. That relationship can only be sustained on the basis of mutual respect and understanding. I welcome the challenge Mayor Flynn has given me today."

## FIRE DEPARTMENT ORDERS

January 29

General Order No. 4

### I. TRANSFERS

The following-named member was transferred effective 0800 hours, Saturday, January 26, 1985:  
Fire Fighter William C. Kuzmich, Pers./Medical to Engine Co. 21.

The following-named members will be transferred, effective 0800 hours, Saturday, February 1985:

Fire Captain Donald P. Price, from Engine Co. 1 to Ladder Co. 18.

Fire Lieutenant Paul S. Miller, from Headquarters, to Engine Co. 53.

Fire Lieutenant William T. Scannell, from Headquarters, to Engine Co. 7.

Fire Lieutenant James P. Manning, from Headquarters, to Ladder Co. 2.

Fire Lieutenant Richard M. Morrissey, from Engine Co. 50, to Marine Unit.

Fire Lieutenant Richard J. McGinn, from Ladder Co. 19, to Pers./Medical.

Fire Fighter James J. McKernan, from Ladder Co. 1, to Headquarters.

Fire Fighter Rodney W. Brooks, from Engine Co. 5, to Engine Co. 7.

Fire Fighter Richard R. Parker, from Engine Co. 56, to Engine Co. 10.

Fire Fighter Hector E. Medal, from Ladder Co. 15, to Engine Co. 16.

Fire Fighter Robert J. Munroe, from Ladder Co. 29, to Engine Co. 24.

Fire Fighter Moses Pitts, from Engine Co. 50 to Engine Co. 41.

Fire Fighter James J. Tucker, from Engine Co. to Engine Co. 53.

Fire Fighter William J. Mitchell, from Ladder Co. 21, to Ladder Co. 17.

Fire Fighter Leo J. Fitzgibbon, from Engine Co. 49, to Ladder Co. 25.

Fire Fighter Robert J. McGrath, from Engine Co. 1, to Ladder Co. 26.  
Fire Fighter Lawrence P. O'Donnell, from Engine Co. 10, to Tower Unit.  
Fire Fighter Alvino J. Ruberio, from T and M Division, to Engine Co. 51.  
Fire Fighter John F. Carey, from Ladder Co. 28, to Engine Co. 42.

## II. RETIREMENT DATE CORRECTION

The retirement of Principal Fire Alarm Operator Edmund T. Burke should be corrected to read, effective 1700 hours, January 31, 1985.

## III. FIRE ALARM BOX INSTALLED

The following-numbered fire alarm box has been installed and company commanders shall add it to Circuit Card 50:

Box 13-1283—One Post Office Square Building, 0 Pearl Street.

## IV. COMMENDATION

The Fire Commissioner is pleased to commend Fire Fighter Ronald G. Down of Engine Company 6 for assisting at Box 6152 on January 18, 1985, while off duty.

January 31.

### General Order No. 5

## I. RETIREMENT

The retirement of the following-named member, in accordance with section 5, c. 32, G.L., will become effective at 0800 hours, February 1, 1985:

Fire Fighter James F. Reardon, Engine Company 0.

Fire Fighter Reardon was appointed to the department on January 28, 1953, and he leaves the department with the best wishes of his associates.

## III. FIRE ALARM BOXES ESTABLISHED

The following-numbered fire alarm boxes have been established and company commanders shall add them to the appropriate UAAB assignment cards:

Box 14-2514, South Street Housing Project, 125 South Street, Jamaica Plain.

Box 12-5439, Faneuil Housing Project, 89 Faneuil Street, Brighton.

Box 12-5462, Faneuil Housing Project, 250 North Beacon Street, Brighton.

The circuit numbers will be announced when the boxes are installed.

## V. CHANGE IN DESIGNATION OF FIRE ALARM BOXES

The following-numbered fire alarm boxes has been changed to read:

Box 4174, Rutherford Avenue, at H.P. Hood Company.

Box 417, Rutherford Avenue at No. 420.

Company commanders shall make the above changes on the UAAB assignment cards.

## V. STREET NAME CHANGE

Notice has been received from the City of Boston Public Improvement Commission that from 78-80 Lyde Park Avenue, Jamaica Plain, northwesterly to Washington Street, has been changed to Ukraine Way.

## VI. STREET DISCONTINUED

Notice has been received from the City of Boston Public Improvement Commission that Trimount Place, South Boston, from Dorchester Avenue to Old Colony Avenue, has been discontinued.

## VII. MASSACHUSETTS TURNPIKE CLOSING

Notice has been received by this office that roadway work will require the closing of the eastbound

roadway of the Boston section of the turnpike between Prudential Center and Kneeland Street between the hours of 4 a.m. and 11 a.m. on Sunday, February 3, 1985, weather permitting. Traffic will be normal on the westbound roadway.

Traffic headed for Logan Airport and downtown Boston during these morning hours is encouraged to exit at the Allston/Brighton interchange and use Storrow Drive.

The Eastbound roadway will be in normal operation to accommodate Monday morning commuters.

February 1.

### General Order No. 6

## INVESTIGATION AND ORDERS UNDER GENERAL LAWS CHAPTER 148, SECTIONS 4 AND 5

Pursuant to and in the exercise of the power invested in me under the provisions of General Laws (Ter. Ed.), Deputy Fire Chiefs, District Fire Chiefs, Fire Captains, Fire Lieutenants, Fire Fighter Inspectors of the Fire Prevention Division, Fire Fighters in the Fire Fighting Force, the Fire Department Chemist and the Fire Department Examiners are authorized to do and perform all and singular the acts and things which I, as Head of the Fire Department, am by said Chapter 148, Sections 4 and 5, am empowered to do and perform. Specific authority is hereby delegated to the said Deputy Fire Chiefs, District Fire Chiefs, Fire Captains, Fire Lieutenants, Fire Fighter Inspectors of the Fire Prevention Division, Fire Fighters in the Fire Fighting Force, the Fire Department Chemist and the Fire Department Plans Examiners to make investigations and inspections and to issue orders in writing pursuant to the provisions of said actions.

The above delegation of authority, effective as of January 31, 1985, shall continue in force and effect for a period of one year from the effective date, unless revoked at any time prior thereto. The above delegations of authority are not to diminish nor curtail any of the powers conferred upon me by said General Laws, Chapter 148, Sections 4 & 5.

## INVESTIGATION AND ORDERS UNDER ORDINANCES OF 1979, CHAPTER 28, KNOWN AS BOSTON FIRE PREVENTION CODE

Pursuant to and in the exercise of the power invested in me under the provisions of said Boston Fire Department Code, Deputy Fire Chiefs, District Fire Chiefs, Fire Captains, Fire Lieutenants, Fire Fighter Inspectors of the Fire Prevention Division, Fire Fighters in the Fire Fighting Force, the Fire Department Chemist, the Fire Department Plans Examiners and the Superintendent of the Fire Alarm Division are authorized to do and perform all and singular the acts and things which I, as Head of the Fire Department, am by said Boston Fire Prevention Code, Sections 1.21 and 1.22, empowered to do and perform. Specific authority is hereby delegated to the said Deputy Fire Chiefs, District Fire Chiefs, Fire Captains, Fire Lieutenants, Fire Fighter Inspectors of the Fire Prevention Division, Fire Fighters in the Fire Fighting Force, the Fire Department Chemist, the Fire Department Plans Examiners and the Superintendent of the Fire Alarm Division to make investigations and inspections and to issue orders in writing pursuant to the provisions of said Code.

The above delegations of authority, effective as of January 31, 1985, shall continue in force and effect for a period of one year from effective date, unless revoked at any time prior thereto. The above

delegations of authority are not to diminish nor curtail any of the powers conferred upon me by said Boston Fire Prevention Code, Sections 1.21 and 1.22.

## POLICE DEPARTMENT ORDERS

January 24.

### Personnel Order No. 85-12

Police Officer Carl R. Tagliaferro, Id. 5948, assigned to the Identification Unit is hereby rated defective and shall receive a weekly differential of \$33 in addition to his regular salary, effective January 9, 1985.

January 23.

### Personnel Order No. 85-13

The following reassignments are hereby ordered effective on the date listed below.

Kevin Mullen, Id. 8476, from Area E (detail to Recruit Investigation) (N), to BAS, Training (D) — 1-28-85.

Russell Fisher, Id. 6167, from Harbor Patrol (N), to Personnel Division, Medically Incapacitated Section (D) — 1-23-85.

Joseph Smiddy, Id. 6484, from Operations Unit (D), to Personnel Division, Medically Incapacitated Section (D) — 1-23-85.

Charles McNeil, Id. 6006, from Area (D), to Personnel Division, Medically Incapacitated Section (D) — 1-23-85.

Robert Foilb, Id. 1093, from Area A (N), to Personnel Division, Medically Incapacitated Section (N) — 1-23-85.

Lori Wash, Id. 7914, from Operations Unit (N), to Personnel Division, Extended Leave Section (N) — 1-30-85.

Brian Mahoney, Id. 6873, Personnel Division, Medically Incapacitated Section (N), to Area D (N) — 1-24-85.

Michael Primm, Id. 8228, from Personnel Division, Medically Incapacitated Section (N), to Area C (N) — 1-26-85.

Leonard Nelson, Id. 8731, from Area E (D), to Personnel Division, Suspended Section (D) — 1-23-85.

Frank D. O'Rourke, Id. 5842, from Area E (D), to Identification Unit (D) — 1-5-85.

Marta E. Rodriguez, Id. 8334, from Personnel Division, Extended Leave Section (N), to Area C (D) — 1-23-85.

Motor equipment repairman Juane Cortez, Id. 9231 from Auto Maintenance (D), to Personnel Division (D) — 1-23-85.

Provisional police dispatcher Elizabeth Cavaleri, Id. 8624, from Personnel Division, Extended Leave Section (N), to Operations Unit (N) — 1-23-85.

January 24.

### Commissioner's Memorandum No. 85-5

To: All Bureaus, Districts-Areas, Divisions, Offices, Sections and Units.

Commissioners Memorandum 85-1 (Civilian Sick Leave Reimbursement) dated January 10, 1985, is hereby amended by extending the return date from January 28, 1985, to February 8, 1985. Any forms received after February 8, 1985 will not be honored.

To: All Bureaus, Districts-Areas, Divisions, Offices, Sections, and Units

January 28.

*Commissioner's Memorandum No. 85-6*

There are three (3) openings for Data Entry Operators in the Field Reports Unit, Management and Budget.

**SALARY:** Minimum \$217.80 Maximum \$263.10

**DUTIES:** Under general supervision, performs work of routine difficulty operating on line data entry equipment such as a cathode-ray-tube (CRT) terminal; key punch, verified, key-to-tape, key-to-disc and related equipment; performs a variety of clerical and simple data control, data library and stock inventory work, receives, logs, records and check incoming and outgoing data, reports, documents and similar material for accuracy and completeness; corrects simple errors or refers errors to supervisor; operates on-line or off-line machines; alpha-numeric key-punch, key-to-disc or key-to-tape, to cathode-ray-tube (CRT) to encode raw data into a computer for further processing; compares data on print-data into computer supplies; maintains files, records and reports as required; performs related work as required.

**QUALIFICATIONS:** Some knowledge of data processing procedures, terminology and equipment; good knowledge of office practices and procedures; good mathematical abilities, strong ability to organize data to procedural requirements; ability to understand and follow oral or written procedures and/or instructions; ability to maintain effective working relationships with other employees; adequate skills in typing (minimum of 40 w.m.p.) and strong organizational skills; high school diploma and at least one year of experience in clerical work or a clerical/data processing position.

**ELIGIBLE TO APPLY:** these positions are open to all employees of the Department.

**TO APPLY:** Applications for these positions must be made by 5 p.m., Friday, February 8, 1985, by submitting Form 8 (Application for Promotion) will all relevant information to the Personnel Division, Room 505, Police Headquarters, 154 Berkeley Street, Boston. Form B may be obtained from the Personnel Division, Room 505.

**ALL ELIGIBLE PERSONS ON LEAVE OF ABSENCE OR VACATION ARE TO BE NOTIFIED.**

Commanding officers shall ensure that this order is posted on the appropriate bulletin boards.

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

### ADMINISTRATIVE SERVICES DEPARTMENT Legislation Formulating, etc.

Dear Mr. Mayor:

I respectfully request authorization to dispense with public advertising in the award of a contract to Massachusetts Directions, a Massachusetts partnership, located at 14 Beacon Street, in an amount not to exceed \$40,000, for the period of July 1, 1983, to June 30, 1984. Mr. Wright will be compensated at the rate of \$400 per day. This contract will be paid from Appropriation Code 1-01-41-29. I believe this to be a reasonable amount of compensation for the services to be provided.

Mr. Bruce Wright and his partners and associates will, under Mr. Wright's direction, advise the City of

Boston on proposed and pending legislation affecting the City of Boston. Further, Mr. Wright will assist city department heads in formulating, drafting, and filing legislation deemed necessary and appropriate to improve the orderly functioning of their respective departments.

It is my considered opinion that Mr. Wright, based upon his long experience in dealing with the General Court on public issues as the representative of various industries and commercial enterprises makes him uniquely qualified to provide these services to the City of Boston. Further, Mr. Wright has a proven record of achievement and expertise in this area and I believe that his efforts will prove to be an undeniable asset.

In view of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,

Dennis J. Morgan,  
Supervisor of Budgets.

### Purchasing Division Telephone Dialing Device

Dear Mr. Mayor:

Under state law, any Massachusetts municipality may make purchases under state contracts which have been publicly advertised and awarded by the Collective Purchasing Bureau, Department of Administration and Finance. In order to take advantage of these state contracts, the city's Law Department has ruled that the city must award its own contracts, based on the state awards.

Because this can only be accomplished by dispensing with public advertising, your permission is therefore requested to award a contract, without public advertisement, to Dasa Corporation, Andover, the lowest acceptable bidder on publicly advertised bids for a high capacity telephone dialing device for the Commonwealth of Massachusetts and have existing contracts with the Department of Administration and Finance, for the period September 1, 1983, through June 30, 1984. This contract will be for the lease/purchase and outright purchase of the DasaC-200 high-capacity dialing device.

The pricing schedule for the lease/purchase is \$25 per month for sixty months, full lease with the option to purchase at 10 percent at the end of sixty months. The outright purchase is \$850. The city at present is renting similar equipment from New England T & T at \$27 a month with only thirty-six names and telephone numbers, while Dasa C-200's equipment is capable of storing 400 names and telephone numbers. The total cost of this contract is an amount not to exceed \$20,000.

It is my opinion that the best interests of the city would be served by awarding this contract in the above manner.

Respectfully yours,

Frank F. Chin,  
Purchasing Agent.

### Leasing of Station Wagons

Dear Mr. Mayor:

The Purchasing Division has received a requisition from the Election Department to lease two, five-passenger station wagons, for a period of August 15, 1983, through November 15, 1983. These vehicles will be used for the city primary and final elections to transport repairmen and equipment to service the election machines.

Since these vehicles are needed immediately, the Purchasing Division has contacted the following vendors, who in the past have had available vehicles: Avis, Hertz, Acme and C&W Rental.

This award letter is being submitted at this late date because the exact date of the elections were not confirmed until recently.

Therefore, permission is requested to award a contract, without public advertising, to C&W Rental, Inc., Allston, in the amount of \$775 each per month, a total of \$4,650 net, a cost I consider reasonable.

Respectfully yours,

Frank F. Chin,  
Purchasing Agent.

### Fire Prevention Literature

Dear Mr. Mayor:

The Purchasing Division has received requisitions from the Fire Department for the furnishing of literature to be used in conjunction with Fire Prevention Week in October of 1983.

Because this literature is copyrighted and there are no alternative sources of supply, it is my opinion that publicly advertising for bids would serve no useful purpose.

Your permission is therefore requested to award contracts, without advertising, to the following companies listed below, in the amounts shown, which are costs I consider reasonable.

National Fire Prevention Association, Quincy, a \$2,500; Dray Publications, Inc., Deerfield, \$2,800

Respectfully yours,

Frank F. Chin,  
Purchasing Agent.

### Carrier System Parts

Dear Mr. Mayor:

The Purchasing Department is in receipt of numerous requisitions to furnish parts to the Boston City Hospital's existing telelift system, a record carrier system.

Since Mosler Safe Company, Inc. is the sole supplier of these parts, it would serve no useful purpose to publicly advertise this bid.

Therefore, your permission is requested to issue a contract to Mosler Safe Company, Inc., Ohio, in the amount of \$8,000 net, plus shipping.

Respectfully yours,

Frank F. Chin,  
Purchasing Agent.

### Leasing of Vans

Dear Mr. Mayor:

On August 23, 1982, your Honor approved the award of a contract to the Elderly Commission for the leasing of two vans for fiscal year 1983. At the time of the award, seventeen companies were solicited for bids and only one company responded to the invitation to bid. The contract No. 5161, was awarded to Howard Leasing Corporation, which was the only bidder.

The Elderly Commission has requested the Purchasing Division to renew this contract with Howard Leasing Corporation. Because of the lack of response in public advertising I feel it would serve no useful purpose.

Therefore permission is requested to award contract to Howard Leasing Corporation, 361 Be grade Avenue, West Roxbury, in the amount \$2,664, 2 percent net thirty, which is \$111 per month, a cost I consider reasonable.

This letter is being submitted at this late date because the length of time the vans would be needed was not known.

Respectfully yours,

Frank F. Chin,  
Purchasing Agent.

### Leasing of Trailers

Dear Mr. Mayor:

On March 31, 1983, your Honor approved the award of a contract to Capitol Truck Leasing, Inc., or the lease of four trailers to be used by the Public Works Department to store street lighting equipment and supplies. The period of the contract was April 1, 1983, through June 30, 1983, with the option to renew on the part of the city for an additional fiscal year, at the same monthly rate of \$500 per month.

The Public Works Department still has a need for these trailers and has asked the Purchasing Division to exercise the option to renew this contract for the period July 1, 1983, through June 30, 1984.

Therefore, permission is requested to award a contract, without public advertising to Capitol Truck Leasing, Inc., Everett, in the amount of \$6,000 net, a cost I consider reasonable.

This award letter is being submitted at this late date because as there was some question as to the time that these trailers would be necessary.

Respectfully yours,

Frank F. Chin,  
Purchasing Agent.

### Software Maintenance

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Admins, Inc., Cambridge, in the amount of \$7,500 net. This contract will renew last year's software maintenance contract from July 1, 1983, to June 30, 1984.

This contract will provide software maintenance for use on the Digital VAX minicomputers in the Treasury Department and will be used to greatly advance the receipting, analysis and reporting of all tax and nonrevenue receipts by the city.

The cost of this contract has been reviewed and found to be reasonable and I feel no useful purpose would be served by public advertising.

This request is submitted at this late date due to an oversight in not recalling the full terms of the original contract initiated December 15, 1980, which is intended to be renewed each year for a period of ten years.

Respectfully yours,

Frank F. Chin,  
Purchasing Agent.

### Automotive Batteries

Dear Mr. Mayor:

Under state law, any Massachusetts municipality may make purchases under state contracts which have been publicly advertised and awarded by the Collective Purchasing Bureau, Department of Administration and Finance. In order to take advantage of these state contracts, the city's Law Department has ruled that the city must award its own contracts, based on the state awards.

Because this can only be accomplished by dispensing with public advertising, your permission is therefore requested to award a contract, without public advertisement, to Atlantic Battery Company, Watertown, the lowest acceptable bidder on publicly advertised bids for automotive batteries for the Commonwealth of Massachusetts and has an existing contract with the Department of Administration and Finance. The amount of the contract will not exceed \$10,000 net, for the period July 1, 1983, to April 14, 1984.

This letter of award is being submitted at this late date because the Purchasing Division was comparing prices of many vendors and after making the comparison it proved the state contract was the lowest.

This contract will end on April 14, 1984, because the state contract will not guarantee prices after this date.

It is my opinion that the best interest of the city would be served by awarding this contract in this manner.

Respectfully yours,

Frank F. Chin,  
Purchasing Agent.

### ASSESSING DEPARTMENT

#### Various Assessing Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Thomas L. Jacobs & Associates, Inc., a corporation, located at Illinois for professional services in real estate analysis and appraisal to the Assessing Department.

Under the terms of this contract, the contractor shall assist departmental staff in real estate market trend analysis, development and refinement of statistical techniques, data utilization procedures and quality control standards. The contractor shall provide support services to the Assessing Department in the planning, management and analysis which the department will require to produce the Fiscal 1984 and 1985 tax bills, including assisting the department in recruiting personnel qualified in the area of computer modeling techniques. The contractor is uniquely qualified to perform these services because of their years of experience in real estate appraisal and assessment techniques and their ongoing association with the Assessing Department.

Compensation under this contract shall not exceed \$30,000, which I have determined to be reasonable for the work to be performed.

The term of this contract shall be from August 27, 1983, to June 30, 1984. This contract is being processed late because the rate of compensation could not be determined until this time.

Because of the professional nature of the work to be performed, and the contractor's familiarity with methods and procedures used by the Assessing Department as a result of his previous work with the department, I believe that public advertising would serve no useful purpose.

Sincerely,

Edward W. Jay,  
Commissioner.

### ENVIRONMENT DEPARTMENT

#### Restoration of Sculpture

Dear Mr. Mayor:

I respectfully request your permission to award the Conservation Department of the Fogg Art Museum, a contract to examine, clean, restore, conserve and protectively coat the bronze relief sculpture contained in the Founder's Memorial on Boston Common.

Under the terms of this contract, the Fogg's services will include: examination and documentation of the sculpture's condition; cleaning of all superficial dirt, grime, and accretions from the relief; cosmetic compensation of the sculpture; filling of cracks and seams in the bronze relief; protective coating of the entire available surface of the bronze sculpture.

All the work to be performed will be carried out under the supervision of a master conservator and the cleaning will be carried out by hand.

Compensation under the contract shall not exceed \$3,528, which I determined to be reasonable for this work. The Fogg Museum will provide eighty-four hours of work at an hourly rate of \$42 during the

period from July 1, 1983, to December 30, 1983. This contract is retroactive due to the time required by the Environment Department to get confirmation of contractual service funds from the Budget Department, and the seasonal nature of the work.

Because of the professional and specialized nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

Marcia Myers,  
Acting Director.

### FISCAL AFFAIRS

#### AFSA Fee Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to H. Allen Evans & Associates, Inc., d/b/a Evans Management Services, a corporation, located at California, to provide consulting services for Phase III Augmented Fire Service Availability Fee Implementation.

Under the terms of the contract, the contractor will provide consulting services to assist the project staff in implementing the second year billing. The contractor will also provide documentation of the AFSA system and be available to provide testimony in any further court proceedings which may occur.

The contractor is specially qualified to do this work because of their prior experience in AFSA charge type work. Evans Management Services was the consultant to the City of Inglewood during the nation's first AFSA charge implementation. Evans Management Services has also been the consultant since the City of Boston began to implement the AFSA fee.

Compensation under the contract shall not exceed \$75,000, which I have determined to be reasonable for work to be performed. The term of this contract shall be from July 1, 1983, to June 30, 1984.

Because of the professional nature of the services to be performed, the contractor's past experience not only with AFSA charge type work but also with Boston AFSA fee implementation, and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Very truly yours,

George H. Paul,  
Fire Chief/Commissioner.

### HEALTH AND HOSPITALS DEPARTMENT Equipment Restoration

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to award a contract, without advertising, to Magnasync/Moviola Corporation, California, for the period June 20, 1983, through June 30, 1983, at a cost not to exceed \$7,076.54.

Under this contract, Magnasync/Moviola Corporation restored recorder/reproduction equipment located at Boston Police Headquarters and Boston City Hospital to its maximum operating level. This equipment is used in the delivery of emergency ambulance service to the City of Boston.

Because Magnasync/Moviola Corporation is the only vendor capable of performing this service and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Because of the decision to restore this equipment was made late in June the letter of award could not be processed before the end of the fiscal year.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

## Nutritional Solutions

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to Cutter Laboratories, Inc., California, at \$200,000, 2 percent thirty days, FOB Hospital, for the period July 1, 1983, through June 30, 1986.

Under this contract, Cutter Laboratories, Inc. will provide the Department of Health and Hospitals with intralipid and accessories. Intralipid, a nutritional item, is given to patients via the solutions system. Prior to this year Cutter Laboratories, Inc. was the sole supplier for this item. This year there was limited competition from another vendor. The Nutritional Department was unwilling to accept the new vendor because an extensive evaluation would have to be done at each of the three hospitals and because there is uncertainty regarding availability of the new product.

Because the competitive market has improved slightly, the department was able to negotiate a three-year contract with prices remaining firm for this period. The negotiated prices reflect a saving of approximately 42 percent from last year's Cutter Laboratories, Inc. prices.

Because of the above reasons, because Cutter Laboratories, Inc. has serviced us well in the past, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Because the department wanted all the terms negotiated for the contract in writing from Cutter Laboratories, Inc. before the letter of award was written, the letter is being submitted late.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

## Pest Control Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to award a contract, without advertising, to Medical Area Service Corporation (MASCO), 59 Binney Street, for the period September 1, 1983, through June 30, 1984, at a cost not to exceed \$18,000.

Under this contract, MASCO will provide a unique pest control service to Boston City Hospital. The procedure requires the extensive use of insect and rodent monitor traps and a delivery system for applying boric acid powder into cracks and crevices. Rodenticides are not used within the hospital. The company will provide a quantitative analysis of pest reports, pest populations and trends in the numbers of various pests in selected locations in the hospital.

MASCO is the only company in New England specializing in pest control for health care institutions, their personnel are highly qualified, and their unique procedures have succeeded in dramatically reducing pest population in the hospitals in the Boston area.

Therefore, in view of the above and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

MASCO provided the above services at Boston City Hospital for the month of August, 1983, so that the program could be evaluated. Because of this and because of the time required to process the request for contract this letter of award is being submitted late.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

## INSPECTIONAL SERVICES DEPARTMENT

### Boarding and Securing

Dear Mr. Mayor:

The following buildings or structures have been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous conditions. These buildings or structures are a menace to the neighborhood. The locations are 38 Cedar Street, Ward 11; 483-487 Blue Hill Avenue, Ward 12. Emergency bid held Friday, July 1, 1983, at 11 a.m.

Accordingly, in conformity with the provisions of chapter 802, Acts of 1972 as amended, particularly section 123 thereof, I have asked and have received your Honor's permission to enter these various premises and to board and secure them.

Bidders were requested to submit and aggregate bid for the boarding and securing of these buildings or structures.

We have solicited bids, award to be made to the lower qualified bidder, and have received the following: Donald Clancy and Sons, \$2,410.

Donald Clancy and Sons, has submitted the lowest aggregate bid. This company is thoroughly familiar with this work, it carries all necessary insurance, and it has done satisfactory work for this department in the past.

The Inspectional Services Commissioner considers the price of this contract as reasonable. Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding, without advertising, as required in the City Charter of a contract in the sum of \$2,410, to Donald Clancy and Sons, 399 Dorchester Street, South Boston.

Very truly yours,  
Anthony Pepicelli,  
Commissioner.

## LAW DEPARTMENT

### Legal Data Base

Dear Mr. Mayor:

I respectfully request your Honor's permission to renew, without advertising, the city's existing contract with Mead Data Central, a corporation with its principal office at Ohio, and with its local office at Old City Hall, 45 School Street, third floor, Boston, for LEXIS computer-assisted legal research services for the Law Department.

Under the terms of the contract, the contractor will provide two UBIQ terminals, a printer, installation, instruction and access to a very large legal data base.

The contractor is specifically qualified to do this work because of its unparalleled achievements in the field of computerized legal research support services.

Compensation under this contract shall not exceed \$30,000. The term of this contract shall be July 1, 1983, through June 30, 1983.

Because of the contractor's unique ability to provide these services and the reasonable cost, I believe that public advertising would serve no useful purpose.

Very truly yours,  
James P. McGuire,  
Corporation Counsel.

## MANAGEMENT INFORMATION SYSTEMS

### Video Display Terminals

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to renew a contract with Americal Terminal Leasing Company, located at Kenmore Station, Boston.

This contract with American Terminal Leasing is for the leasing of thirteen VT100 video display terminals necessary for operations within management analysis and data entry. For the past three fiscal years this company has supplied Administrative Services leasing arrangements for these terminals at a rate of \$70 per month per terminal and a maintenance charge of \$19 per month per terminal. American Terminal Leasing is a Boston-based firm whose service has been excellent over the past fiscal years, and therefore I believe that public advertising would serve no useful purpose.

Compensation under this contract shall not exceed \$5,000, which I have determined to be reasonable for the services received. Payment for the services associated with this contract shall be charged to account number 1-01-49-290. The term of this contract shall be from July 1, 1983, through November 1, 1983, and due to administrative constraints this contract is being submitted late.

Sincerely yours,  
Joseph A. Sarno,  
Executive Assistant.

## Systems Analysis, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Mr. Matthew M. Wilbert, 198 Green Street, Boston. The contract will be in an amount not to exceed \$30,000, for the period of July 1, 1983, through June 30, 1984, and is based on an hourly rate of \$20 at thirty hours a week.

The purpose of this contract is for systems analysis, programming and systems maintenance for the PDP 11/70 minicomputer located in Room 703. Mr. Wilbert will perform this work on a full-time basis providing assistance with special reports, backup and maintenance procedures.

Mr. Wilbert has done work for this department in the past and has considerable knowledge in the maintenance and operation of the PDP 11/70 minicomputer. I have determined that the cost of this service is reasonable, therefore no useful purpose would be served by public advertising. This contract will be charged to account number 1-01-49-290, and due to administrative delays, this contract is being submitted late.

Sincerely,  
Joseph A. Sarno,  
Director.

## MAYOR'S OFFICE Caterer's Services

Dear Mr. Mayor:

I respectfully request your permission to award a contract, without advertising, to Howard Swartz, Somerville, to provide professional catering services to the City of Boston for the period July 1, 1983, through June 30, 1984, in the amount not to exceed \$10,000, which is reasonable. This amount will be taken out of the Distinguished Guests and Conventions account.

Under the terms of this contract, the vendor will provide food, service personnel, table and glassware rentals and other equipment necessary for receptions for business and community leaders, visiting international and civic leaders, and dignitaries in the fields of arts and academia.

Howard Swartz has proven expertise and is well known as an innovator in creating menus and preparing foods for national and international dignitaries with a wide variety of tastes and preferences.

We have had previous experience with Mr. Howard Swartz, the owner, and have found his work

of the highest quality and his prices competitive. In view of the above reasons, I believe Howard wartz is extremely qualified for this unique service and that no positive benefit would accrue to the city by public advertising.

Sincerely,  
Katharine D. Kane,  
Deputy Mayor.

Dear Mr. Mayor:

I respectfully request your permission to award a contract, without advertising, to Rebecca's, 21 Charles Street, Boston, to provide professional catering services to the City of Boston for the period July 1, 1983, through June 30, 1984, in the amount not to exceed \$20,000 which is reasonable. This amount will be taken out of the Distinguished Guests and Conventions account.

Under the terms of this contract, the vendor will provide food, service personnel, table and glassware rentals and other equipment necessary for receptions for business and community leaders, visiting international and civic leaders, and dignitaries in the fields of arts and academia.

Rebecca's has demonstrated considerable ability in the past in creating menus and preparing foods for national and international dignitaries with a wide variety of tastes and food preferences. In addition, the close proximity of Rebecca's catering service insures that prompt and thorough service are provided.

We have had previous experience with Ms. Rebecca Caras, the owner, and have found her work to be of the highest quality and her prices competitive. In view of the above reasons, I believe Rebecca's is most qualified for this unique service and that no positive benefit would accrue to the city by public advertising.

Sincerely,  
Katharine D. Kane,  
Deputy Mayor.

NDEA

#### Kindergarten Program

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to Roxbury Tenants of Harvard, a nonprofit organization, located at 835 Huntington Avenue, for the purpose of providing a kindergarten program.

Under the terms of the contract, the contractor will purchase equipment and supplies for the start-up of a full-day kindergarten program in the Mission Hill community. The contractor was selected due to reasonableness of cost and due to the quality of documentation submitted to the NDEA detailing the necessity of this equipment in order to begin this program and obtain licensing.

Compensation under the terms of this contract shall not exceed \$6,200, payment being made from Year IX funds of the Community Development Block Grant program. The period of performance shall be from September 1, 1983, until June 30, 1984. This submission of this letter has been delayed due to the length of the proposal review process.

As this is a negotiated contract at a reasonable cost, based upon an extensive proposal review, it is my belief that public advertising would serve no useful or practical purpose. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,  
Paul S. Grogan,  
Director.

#### Crime Prevention Program

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to Dorchester Youth Collaborative, a nonprofit organization, located at 1514A Dorchester Avenue, Dorchester, for the purpose of providing a youth crime prevention program.

Under the terms of the contract, the contractor will organize supervised clubs for area youths and referrals from agencies and courts. The purpose of these clubs is to provide a structured, constructive recreational environment to reduce crime and juvenile delinquency in the Fields Corner neighborhood. The contractor was selected due to reasonableness of cost and due to the quality of documentation submitted to the NDEA detailing the need for such crime prevention activities in the Dorchester area.

Compensation under the terms of this contract shall not exceed \$16,000 payment being made from Year IX funds of the Community Development Block Grant program. The period of performance shall be from October 1, 1983, until June 30, 1984.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

#### PENAL INSTITUTIONS DEPARTMENT

##### Psychiatric Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Dr. Robert J. VanWhittenberghe, M.D., an individual, Marblehead, for psychiatric consultation services for the Suffolk County House of Correction at Deer Island.

Under the terms of the contract, Dr. VanWhittenberghe will serve as the consulting psychiatrist for the Suffolk County House of Correction and will provide diagnoses and will refer those inmates confined to the House of Correction who will require psychiatric treatment not available at the House of Correction.

Dr. VanWhittenberghe is especially qualified to provide these services because of his prior experience in correctional mental health and the problems unique to the prison environment.

Compensation under this contract shall not exceed \$7,500, at the rate of \$145 per week which cost I have determined to be reasonable. The term of this contract shall be from August 1, 1983, through June 30, 1984. This contract is being submitted late because of unexpected complications in the negotiating process and because of budgetary uncertainties.

Because of the professional nature of the services to be rendered under this contract, and the reasonable cost for the services to be performed, I believe that public advertising for this contract would serve no useful purpose.

Very truly yours,  
James F. Roberts,  
Acting Commissioner.

##### Legal Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Northeastern University, 360 Huntington Avenue, to provide legal services to the in-

mates confined to the Suffolk County House of Correction at Deer Island.

Under the terms of the contract, Northeastern University will provide administrative support and staffing for the Deer Island Legal Services program which provides counseling and representation to the inmates confined to the House of Correction. This program is designed to meet the Constitutional mandate of providing effective access to the court for those incarcerated at the House of Correction. The appropriation therefor is authorized by CBC St. 12, sec. 357.

The cost of this contract shall not exceed \$87,500, which cost I have determined to be reasonable for the services to be rendered. The term of this contract shall be from July 1, 1983, through June 30, 1984.

Because of the professional nature of the services to be performed, public advertising for this contract would serve no useful purpose.

This contract is being submitted late because of extended negotiations with Northeastern University; additionally this department's budgetary uncertainties contributed to the delay.

Very truly yours,  
James F. Roberts,  
Acting Commissioner.

##### Medical Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Dr. Edward Levin, M.D., an individual, 128 Lake Street, Brighton, for medical services at and for the Suffolk County House of Correction at Deer Island.

Under the terms of the contract, Dr. Levin will serve as medical director of the institution infirmary and will provide medical services and treatment to the inmates confined to the House of Correction. In addition, he will provide advice concerning the development and implementation of mandated standard policies and procedures. Dr. Levin will provide on-site services at a minimum of twenty hours per week and will be on call twenty-four hours a day.

Compensation under this contract shall not exceed \$27,000, at the rate of \$520 per week, which cost I have determined to be reasonable. The term of this contract shall be from July 3, 1983, through June 30, 1984.

Because of the professional nature of the services to be rendered under this contract, I believe that public advertising would serve no useful purpose.

This contract is being submitted late because of the unexpected resignation of the previous medical director and the necessity to find an adequate replacement; additionally, budgetary uncertainties contributed to the delay.

Very truly yours,  
James F. Roberts,  
Acting Commissioner.

#### PUBLIC FACILITIES DEPARTMENT

##### Removal of Asbestos

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to D. Clancy & Sons Co., 399 Dorchester Street, South Boston.

Under the terms of this contract, the contractor will expeditiously seal or remove toxic pipe lagging at the Charles Street Jail in order to alleviate a health-threatening situation posed by asbestos contamination at the jail. This will allow the Public Facilities Department to comply with an order of the Commonwealth of Massachusetts, Department of

Correction Inspection Unit which requires the immediate correction of this serious problem. Therefore, in order to prevent further contamination of the jail air from asbestos fibres as quickly as possible, I requested bids from three contractors normally engaged in this type with the following results: D. Clancy & Sons Co., \$4,990; Dartmouth Construction Co., \$5,400; John Palumbo Co., \$5,500.

Compensation under this contract shall not exceed \$4,990, which I have determined to be reasonable for the work to be performed.

Because of the exigency of the situation, the danger to inmates and employees of the jail, the reasonable cost of these services and our favorable past experience with this contractor, I believe that public advertising would serve no useful purpose in this case.

Very truly yours,  
Donald B. Manson,  
Director.

#### Capital Improvements Program

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on July 7, 1983, I hereby request your Honor's written authority to dispense with public advertising and award to Wallace, Floyd Associates, Inc., 286 Congress Street, a contract for professional services for the preparation of a five-year Capital Improvements Program for the City of Boston, for the period July 1, 1983, to June 30, 1984, at a cost not exceed \$160,051 (including \$15,000 for out-of-pocket expenses) provided that Wallace, Floyd, as stated in their proposal, secures the services of Francis E. O'Brien & Associates, Inc., 43 Mendum Street, Roslindale, by way of a subcontract at no additional cost other than the amount stated in the contract. I have determined that the cost is reasonable.

Following the advertisement of this project and receipt of proposals, the consultant was selected on the basis of a rating process undertaken by the Public Facilities Designer Selection Committee in accordance with MGL ch. 7, sec. 30. I believe this firm is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that public advertising would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
Director.

#### REAL PROPERTY DEPARTMENT Advertising Services

Your Honor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to the *Boston Globe*, a corporation located at 135 William Morrissey Boulevard, Dorchester, for advertising.

Under the terms of the contract, the *Boston Globe* will provide weekly advertising of public auctions on tax foreclosed properties under the care and custody of this department.

Compensation under this contract shall not exceed \$30,000. The term of this contract shall be from July 1, 1983, to June 30, 1984.

This department is required to advertise by law and because of daily publications circulation size and the fact that we utilize both the *Boston Globe*, and *Boston Herald*, public advertising would serve no useful purpose.

Respectfully yours,  
Bernard F. Shadrawy, Jr.,  
Commissioner

Your Honor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to the *Boston Herald*, a corporation located at 300 Harrison Avenue, Boston, for advertising.

Under the terms of the contract, the *Boston Herald* will provide weekly advertising of public auctions on tax foreclosed properties under the care and custody of this department.

Compensation under this contract shall not exceed \$30,000. The term of this contract shall be from July 1, 1983, to June 30, 1984.

This department is required to advertise by law and because of daily publications circulation size and the fact that we utilize both the *Boston Globe*, and *Boston Herald*, public advertising would serve no useful purpose.

Respectfully yours,  
Bernard F. Shadrawy, Jr.,  
Commissioner.

#### RETIREMENT BOARD Retirement Applications Review

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Dr. Andrew R. Marks, located at Cambridge, for services to the State-Boston Retirement System, Office of Special Investigations.

Under the terms of the contract, the contractor will provide assistance reviewing disability retirement applications to the Office of Special Investigations, a section of the Boston Retirement System. The contractor is specially qualified to perform this work due to his present capacity as a physician located at the Massachusetts General Hospital, Boston.

Compensation under the contract shall not exceed \$10,000, \$16 per hour, which I have determined reasonable for the work to be performed. The term of this contract shall be from September 1, 1983, to December 31, 1983. Because of the nature of the work to be performed, i.e., in-depth analysis of Pre-Retirement Disability Applications, Dr. Marks' medical education and experience as a physician uniquely qualifies him for this service.

In view of the reasonable cost of these services I believe that public advertising would serve no useful purpose.

Respectfully,  
Brian M. Leahy,  
Executive Officer.

#### SCHOOL DEPARTMENT Physical Examinations

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract to the Associated Pediatricians of Boston, Inc. The contract shall be in effect during the period July 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$6,087, which is deemed to be reasonable by the School Committee.

The contractor will provide the necessary entry-level physical examinations, medical examinations of students who participate in interscholastic sports, and chapter 766 physical examinations for the students of the South Boston High School, Dearborn Middle, and Clap, Emerson, Mason, and Winthrop Elementary Schools.

The contractor is especially qualified to provide these medical services because it is in close proximity to the designated schools. Many of the students attending these schools already receive primary care from the Associated Pediatricians of Boston, Inc. because it is the local health provider and thus able to provide additional backup to the

school health services as it has sufficient staff to provide these services.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This contract is late in submission as a delay occurred in the completion of this contract due to waiting for the revised copy of the Standard Contract (CM 10).

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract to the South Boston Community Health Center, Inc. The contract shall be in effect during the period July 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$5,260, which is deemed to be reasonable by the School Committee.

The contractor will provide the necessary entry-level physical examinations, medical examinations of students who participate in interscholastic sports, and chapter 766 physical examinations for the students at the Gavin Middle, Condon, Perkin and Perry Elementary Schools.

The contractor is especially qualified to provide these medical services because it is in close proximity to the designated schools. Many of the students attending these schools already receive primary care from the South Boston Community Health Center, Inc. as it is the local health provider and thus able to provide additional backup to the school health services as it has sufficient staff to provide these services.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This contract is late in submission as a delay occurred in the completion of this contract due to waiting for the revised copy of the Standard Contract (CM 10).

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract to the Peninsula Health Committee, Inc. dba Columbia Point Health Center. The contract shall be in effect during the period July 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$4,250, which is deemed to be reasonable by the School Committee.

The contractor will provide the necessary entry-level physical examinations, medical examinations of students who participate in interscholastic sports, and chapter 766 physical examinations for the students of the McCormack Middle, Dever and Tynan Elementary Schools.

The contractor is especially qualified to provide these medical services because it is in close proximity to the designated schools. Many of the students attending these schools already receive primary care from the Peninsula Health Committee, Inc., because it is the local health provider and thus able to provide additional backup to the scho

alth services as it only has sufficient staff to provide these services.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This contract is late in submission as a delay occurred in the completion of this contract due to waiting for the revised copy of the Standard Contract (M 10).

Very truly yours,  
Robert Spillane,  
Superintendent.

#### Office Machines Repair

Dear Mr. Mayor:  
I respectfully request your Honor's permission to dispense with public advertising and award a contract to BB Office Machine Co., Holbrook, for the period January 1, 1983, to June 30, 1983, at a cost not to exceed \$20,000, a price I deem reasonable. The amount to be encumbered initially is \$15,000. Under the terms of this contract, the contractor will repair machines at various school locations; pick up and deliver all machines that require on-site shop repair work for the maintenance of typewriters in a timely fashion. The response time of this company is three to five hours from the initial call for repair and they have performed services satisfactorily in all schools in various locations throughout the city without hesitation. BB Office Machine Co. has established a track record for repair of machines. Other companies have stated are not serviceable and have supplied loans of typewriters at no additional charge in addition to accepting every call regardless of the school location.

The contractor is especially qualified to provide maintenance service based upon its satisfactory performance and willingness to service equipment in various school locations throughout the city. Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This contract is late being submitted late due to the time it took to procure the necessary signatures.

Very truly yours,  
Leo J. Burke,  
Business Manager.

#### Mark and Plan Books

Dear Mr. Mayor:  
On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract, without public advertising, to Patrick Rinaldo, Revere, for furnishing mark and plan books for classroom use for the period July 1, 1983, through June 30, 1984. This contract is being submitted late due to the time it took to secure the necessary signatures.

Under the terms of the contract, the contractor will furnish and deliver mark and plan books (for teachers use) to the Materials Distribution Center, 16 Dorchester Avenue, Dorchester. The contract will not exceed \$14,000, (\$5.50 per book), a price I deem reasonable.

The contractor is specifically qualified to furnish these books since he is the sole vendor able to supply this type of plan book (attendance section may be detached from marking section during marking periods when marks are given to the office.) The School Committee publicly advertised in the

City Record July 27, 1981, for furnishing school and office supplies annual order. Mark and plan books was one of the items requested (Item 012024). We received one bid from Elan Publishing Company. Although the price of the book submitted by Elan was less (\$2.25 per book) than the price received from Mr. Rinaldo, the quality was inferior and it did not meet our specifications which called for a detachable complete record book.

Since this item has been advertised in past years and bid proposals mailed to twenty or more vendors, none of whom could provide a mark and plan book of this type, it appears the best interest of the city would be served by accepting this price quote received by Mr. Rinaldo.

Very truly yours,  
Leo J. Burke,  
Business Manager.

#### Custodians Seminars, etc.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, your authorization for the award of a contract to Sanitation System, Inc., New York, for services to be performed from October 1, 1983, to June 30, 1984, at a cost not to exceed \$9,900, which is deemed reasonable by the School Committee, is respectfully requested.

This contractor will provide a series of twenty-eight seminars and training sessions for custodians and their supervisors. These sessions will cover the basic methods, tools, techniques and quality control procedures of a state of the art cleaning program as well as provide evaluation techniques based upon work standards.

This contractor is especially qualified to perform the above service, a brief explanation as to why follows. In March, 1983, management consultants for Coopers & Lybrand were undertaking a study which eventually resulted in the reorganization of the departments of Planning and Engineering and the chief plant engineer into the Department of Facilities Management. Also participating in the study was Mr. Thomas Stockett, assistant vice-president for facilities management at New England Life. Mr. Stockett has functioned as an executive on loan to Boston Public Schools for the past year. At the request of Coopers & Lybrand and Mr. Stockett, SSI submitted a proposed custodial training plan. Another custodial training company was also invited to submit a proposal, but their proposal for nearly identical services was in excess of \$27,000, nearly three times the amount of SSI's. Also, in the past, SSI has performed similar training sessions for both Coopers & Lybrand and Mr. Stockett with satisfactory results.

Because of the professional nature of the services to be provided, and the recommendation of Coopers & Lybrand, it is my determination that the public interest would not be served by public advertisement of bids.

Very truly yours,  
Edward J. Winter,  
Secretary.

#### Admission Tests Booklets, etc.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Educational Testing Service, New Jersey. The contract shall be in effect during the period September 30, 1983, to March 30, 1984, and occur at a cost not to exceed \$69,900, which is deemed to be reasonable.

The contractor will provide the secondary school admission test booklets, related materials, and will

conduct registration, administration and scoring services to assist in the selection of eligible candidates for Boston Latin School, Boston Latin Academy, and Boston Technical School. Some of the activities listed above are preliminary to the actual administration of the test which will occur in November, 1983.

The contractor is especially qualified to provide the above services because of sole source status. It is the determination of the School Committee that the public interest would not be served by public advertisement for bids because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services.

Very truly yours,  
Edward J. Winter,  
Secretary.

#### Parents Council Program Audit

Dear Mr. Mayor:

I respectfully request your authorization for the award of a contract to Lucas Tucker and Company, 1616 Soldiers Field Road Extension, Boston. The contract shall be in effect during the period of September 1, 1983, to September 30, 1983, and occur at a cost not to exceed \$3,000, which is deemed to be reasonable. This contract is being submitted late due to the time it took to secure the necessary signatures.

The contractor will provide the following services at the office of the Citywide Parents' Council, 59 Temple Place: to conduct an audit of fiscal year 1983 to review financial records, compliance with court orders, contracts, budgets, reports, etc.

The contractor is especially qualified to provide the above services because of Lucas Tucker and Company's history and expertise in auditing small, nonprofit, public-administered programs serving the ethnicity of the Boston population. The Citywide Parents' Council contracted the Massachusetts Association of Public Accountants and received requests for proposals from the following five auditing firms:

Lucas Tucker and Company, 1616 Soldiers Field Road Extension, Boston, bid \$3,000, (includes out-of-pocket expenses); T.C. Edward & Company, 201 Devonshire Street, Boston, bid \$2,300 (does not include out-of-pocket expenses); Mr. Richard T. Bowe, CPA, 15 Court Street, Boston, bid \$2,500 (does not include out-of-pocket expenses); Coopers & Lybrand, One Post Office Square, Boston, bid \$10,000, reduced \$8,000; Fox and Company, 140 Federal Street, Boston, bid \$3,000 (includes out-of-pocket expenses).

The C.P.C. Finance Committee reviewed all the above proposals and selected Lucas Tucker and Company. Their selection was based upon the cost because Lucas Tucker and Company was among the lower bidders, as well as the company's expertise, sensitivity and understanding of court orders and community/government agencies. The Finance Committee adheres to the School Department affirmative action policy and contracts work to qualified minority firms or individuals, whenever applicable. Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

Very truly yours,  
Leo J. Burke,  
Business Manager.

## Advertising Services

Dear Mr. Mayor:

I respectfully request your written permission to dispense with public advertisement and award a contract to Globe Newspaper Co., d/b/a *The Boston Globe*, 135 Morrissey Boulevard, Dorchester.

This contract to be entered into with the *Boston Globe*, is to cover advertising services (help wanted and legal notices for public hearings).

Compensation under this contract shall not exceed \$10,000, which I deem reasonable for the work to be performed. The term of this contract shall be from July 1, 1983, through June 30, 1984.

Since the School Department is required by the federal court to advertise broadly in the context of minority recruitment, and the School Department must by law publish notices concerning public bidding for contracts, etc., and since the *Globe* is one of two local daily newspapers with a sufficiently large circulation, no public interest would be served by advertising for bids. Receipt of necessary signatures were returned after July 1, 1983, start-up date.

Very truly yours,

Leo J. Burke,  
Business Manager.

## Services to American Indians

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to the Boston Indian Council, Inc., 105 Huntington Avenue, Jamaica Plain. The contract shall be in effect during the period from September 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$56,707, which is deemed reasonable.

On December 14, 1982, the School Committee approved Project INVEST for \$89,591, which included \$56,707 to fund this contract. The contractor will provide the following educational and cultural activities on a citywide basis: develop and conduct tutoring and counseling programs on an after school basis, at the Boston Indian Council for American Indian students; coordinate and integrate cultural and social activities for Indian students with other Indian activities in the Boston area; provide physical facilities for meetings, office space for staff, and accountability and disbursement of payrolls.

The contractor is especially qualified to perform these services because: the Boston Indian Council represents the American Indian population in the Boston area and the program which is to be implemented requires a strong cultural component which the council is most aptly able to provide. In addition, the 300 plus, Indian students will be able to use the physical facilities of the council as a base for pursuit of their cultural heritage, supplemental educational assistance, and social contacts with Indian elders and peer groups.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination that the public interest would not be served by public advertisement for bids.

This request was delayed in submission as the revised grant was not received until early August then required a meeting of the Indian Parents' Council to approve the services to be rendered.

This agreement is to be executed, without appropriation of funds, under the provisions of General Laws, chapter 44, s. 53A, and is to be subject to the precept of funds under Title IV A, Indian Education Act, Project No. 060AH30290.

Very truly yours,

Robert R. Spillane,  
Superintendent.

## School Age Parent Program

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to the Comprehensive School Age Parenting Program, Inc. The contract shall be in effect during the period July 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$20,000, which is deemed to be reasonable.

On June 28, 1983, the School Committee approved the FY84 allocation for chapter 2 of the Educational Consolidation and Implement Act of 1982. Included in the approval was an allocation of \$125,000 to Alternative Program, of which \$20,000 was designated to fund this contract.

The contractor will provide comprehensive counseling and support services to students in the Comprehensive School Age Parenting Program at Jamaica Plain High and English High School, as well as their families. In addition to this, the contractor will collaborate with school personnel to ensure the appropriate delivery of education services to facilitate the completion of each student's high school education.

Comprehensive School Age Parenting Program is the only agency authorized to be based in Boston Schools and provide psychosocial counseling to students who are pregnant. Because this is a continuation of the services offered during the last school year as well as the contractor's past experiences linking and utilizing school-based and social/health services, the Comprehensive School Age Parenting Program is uniquely qualified to fulfill the conditions of this contract. Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor providing such services, I have determined that the public interest would not be served by public advertisement for bids.

This contract is being submitted late because the School Committee only approved the proposal on June 28, 1983, and confirmation of the acceptance of the proposal was not received from the State Department until August 1, 1983.

This agreement is to be executed, without an appropriation of funds, under the provision of General Laws Ch. 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 2 of the Educational Consolidation and Improvement Act of 1982, Project E9109170020.

Very truly yours,

Robert R. Spillane,  
Superintendent.

## DON'T TIE UP MAIL SERVICE — USE ZIP CODE

## ADVERTISEMENT CITY OF BOSTON

## PUBLIC FACILITIES DEPARTMENT

## NOTICE TO CONTRACTORS

### Invitation for General Bids for Site Improvements at Winthrop Square, Charlestown.

The City of Boston, acting by its Director of Public Facilities, Room 601, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for site improvements at Winthrop Square, Charlestown.

Bids will be received up until twelve o'clock noon Boston time, March 6, 1984, at the office of the Awarding Authority, Room 601, 26 Court Street, Boston, MA 02108, at which time and place they will be publicly opened and read aloud.

The bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston, in the sum of 5 percent of his or her bid.

No bid may be withdrawn after the time limit for filing bids and for the five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the lowest responsible and eligible bidder may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed. chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

PLANS AND SPECIFICATIONS will be available on or about February 11, 1985, at the Public Facilities Department to all interested parties who present a \$25 certified check payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and in the sum 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids or any item or items of a bid, if it be in the public interest so to do.

**Proposal to Provide Materials for Overhead Projectors for Boston Public Schools.**

The School Committee of the City of Boston invites bids to provide materials for overhead projectors for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal to Provide Materials for Overhead Projectors for Boston Public Schools. Bid date: Tuesday, February 26, 1985." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check payable to the City of Boston, in the amount of one hundred dollars (\$100), or a bid bond, must be left at the office of the Business Manager, at or before twelve o'clock noon, on Tuesday, February 26, 1985. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

January 31, 1985.

Whereas, The Traffic and Parking Commission is not in session, now, therefore, under the authority granted to me under St. 1929, c. 263, s. 2B, as amended, I hereby promulgate the following:

That the Traffic and Rules and Regulations of the City of Boston are amended as follows effective February 12, 1985.

Article V, Section 1 (One-Way Streets), is amended by striking out the following:

Ball Street, Roxbury.  
From Shawmut Avenue to Washington Street.  
Murray Hill Road, West Roxbury.  
From Florence Street to Washington Street.

Article V, Section 1 (One-Way Streets), is amended by adding the following:

Ashford Street, Brighton.  
From Hartley Terrace to Malvern Street.  
Humphreys Street, Dorchester.  
From Dudley Street to East Cottage Street.  
Kenmare Road, Dorchester.  
From Ely Road to Gallivan Boulevard.  
1 Ball Street, Roxbury.  
From Washington Street to Shawmut Avenue.  
Sheridan Street, Roxbury.  
From Centre Street to Chestnut Avenue.  
Whittier Street, Roxbury.  
From Cabot Street to Tremont Street.  
1 Murray Hill Road, West Roxbury.  
From Lindall Street to Washington Street.  
Sheridan Street, West Roxbury.  
From Centre Street to Chestnut Avenue.  
Article VI, Section 15, Part 3b (Obedience to Traffic Control Signals), is amended by adding the following:  
Beacon Street and Charles Street.  
Charles Street.  
Centre Street and Thomas Street.  
All approaches.  
Article VI, Section 17 (Stop Streets), is amended by adding the following:  
Exeter Street, Boston Proper.  
At Blagden Street.  
Cushing Avenue, Dorchester.  
At Uphams Avenue.  
Francis Street, Roxbury.  
At Binney Street.  
Green Street, West Roxbury.

**Invitation for Prospective Offerors  
to Submit Sealed Proposals on a  
Competitive Negotiated Basis.**

This advertisement is an extension of the bid opening date for R/P No. CAP 50-84 which was previously advertised.

The Massachusetts Bay Transportation Authority is requesting prospective offerors to submit sealed proposals on a competitive negotiated basis for the following:

No.: CAP-50-84 — Furnishing and Delivering from 150 to 200 Advanced Design Buses and Spare Parts with Options for Wheel Chair Lifts/Accommodations, an additional 135 to 180 Advanced Design Buses and Spare Parts, and for Training Aids and Mock-Ups to be exercised in accordance with the Contract Documents and Specification No. AEE 84-006.

The evaluation criteria that will be used to determine award, in order of priority, are as follows:

Total Base Proposal Price  
Product Evaluation  
Quality Assurance Evaluation  
Sealed proposals must be received at the Office of the Director of Materials, Materials Directorate,

Transportation Building, 10 Park Plaza, Room 2810, Boston, MA 02116-3933, no later than 4:30 p.m., EST, on Tuesday, February 19, 1985.

The Authority reserves the right to make an award without negotiation if, in the opinion of the Authority, evaluation of the proposals received indicates that the best achievable and technically acceptable proposal has been received, or to negotiate with those offerors whose proposals are within the competitive range, whichever is in the best interest of the Authority.

The contractor will be required to comply with all applicable equal employment opportunity laws and regulations, DBE/WBE laws and regulations, Buy America laws and regulations. All offerors will be required to certify that they are not on the Comptroller General's list of ineligible contractors.

This contract is subject to a financial assistance contract between the Massachusetts Bay Transportation Authority and the Urban Mass Transportation Administration, U.S. Department of Transportation, Project Nos.: MA-03-0093, MA-05-0018, MA-90-X019-01.

Contract documents and specifications and other pertinent information may be obtained at the Materials Directorate, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933. Proposals are to be submitted on the form(s) provided and/or as stipulated in the request for proposal and are to be enclosed and sealed in an envelope endorsed: "Proposal for Furnishing and Delivering Advanced Design Buses, R/P No. CAP-50-84, Proposal Opening Date: February 19, 1985."

The Authority reserves the right to reject any and all proposals, or any part thereof.

**REQUEST FOR DESIGNERS**

Under Massachusetts General Laws c. 7, s. 30, the Public Facilities Department is requesting proposals for design work including development of plans, specifications and cost estimates, and construction supervision for the following facilities with associated construction cost estimates.

Structural Repairs to Administration Building at Deer Island House of Correction.

Project fees will follow the schedule as stated in the proposal form. Completion shall be twelve weeks after execution of a contract. Applicants must be either registered architects or registered engineers in the Commonwealth of Massachusetts.

Designer Proposal Forms, Designer Qualification Statements and Program Sheets may be obtained from the Public Facilities Department, sixth floor, 26 Court Street, Boston, MA 02108, and will be mailed if necessary. If interested, please call 725-4828 and refer to this advertisement. Proposals are available now and must be returned no later than 5 p.m., March 7, 1985.

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. S6CN10, SINGLE SYSTEM MODIFICATIONS — CABOT RTL YARDS, BOSTON, MASSACHUSETTS (Class 6 — Signaling, Project Value 32.0) will be received by the Director of Construction at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on February 26, 1985. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

Work consists of furnishing application engineering, labor, materials as specified, tools and equipment for the modifications to the existing automatic train control system at Cabot RTL yard.

This contract is subject to a financial assistance contract between the MBTA and UMTA of the United States Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Each prospective bidder must also comply with additional prequalification requirements referred to in Paragraph 1.12, Competency of Bidders, in the Instruction to Bidders.

Prequalified bidders may obtain from the Contract Administrator a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after January 28, 1985, Monday through Friday, at a charge of \$25. Half-size drawings may be requested for convenience purposes at a charge of \$25 per set. The Authority's Standard Specifications, Bidding and Contract requirements and Division I — General Requirements dated November 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 14 percent WBE 4 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. George H. Smith, Jr., MBTA, 720 Atlantic Avenue, Boston, 02110 (Telephone No. (617) 722-5234). A prebid conference will be held on February 12, 1985, at 10 a.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid security shall consist of a bid deposit of one hundred sixty thousand dollars (\$160,000), in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**NEIGHBORHOOD DEVELOPMENT AND  
EMPLOYMENT AGENCY**

**The Invitation**

Opportunities Industrialization Centers of Greater Boston, Inc. (OIC), 184 Dudley Street, Roxbury, MA 02119, through funding from the Neighborhood Development and Employment Agency (DEA), with the support from the Community Development Block Grant, invites general contractors to bid the following project:

**Specific Information**

**Site**—210-220 Dudley Street, Roxbury, MA 02119

**Scope of Work**—Total rehabilitation of second floor

**Remarks**—General contractors and no subcontractors

**Bid Due**—February 25, 1985, 11 a.m., Boston, at 184 Dudley Street, Roxbury, Mass., on a form provided in the contract documents.

**Drawings available**—February 11, 1985, at 184 Dudley Street, Roxbury, Mass., through Howard Bell, facilities manager, telephone number 442-4244.

**Contract Conditions**

Plans and specifications are available upon receipt of a deposit of twenty dollars (\$20) in the form of a certified check made out to "OIC." This check will be returned when drawings are returned to OIC in satisfactory condition, provided this is within thirty (30) days.

Bids will be opened and read aloud at the job site at a designated time. For this time and other information, please call Howard Bell, telephone number 442-2424.

No bid for the award of this project will be considered unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended on minority business enterprises. For the purpose of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indian.

The attention of each bidder is called to the provision of the contract documents requiring that at least 50 percent of all work hours on this project be performed by Boston residents, 25 percent by minorities, and 10 percent by women, in each trade.

Included with the contract documents are copies of the "Minority Business Utilization Form," and "Minority Business Identification Statement." Each contractor must complete, sign, and file with this bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

Contractors shall also avail themselves of the list of minority businesses to be provided by NDEA through the Office of Minority Business Enterprise to facilitate compliance with the requirements.

The attention of each bidder is called to the fact that this is a federally assisted project and therefore not less than the minimum salaries and wages set forth in the contract documents must be paid to

each worker on the project (Davis-Bacon), and that the contractor must ensure that employees and applicants are not discriminated against because of race, color, religion, sex, or national origin (Executive Order 11246). Attention is also called to the contractor requirements relating to Workmen's Compensation and insurance requirements of the successful general contractor and subcontractor for the project shall be set forth in the Supplementary and Special Conditions of the contract documents.

PAUL S. GROGAN,  
Director.

**I. The Invitation**

The Hope House, through funding from the Neighborhood Development and Employment Agency (NDEA) under support from the Community Development Block Grant invites contractors to bid the following project:

**II. Specific Information**

**Site**—Hope House, 40 Upton Street, Boston, MA 02118.

**Scope**—New windows, new boiler and piping.

**Remarks**—No general contractor required. Subcontractor bids only.

**Bids Due**—February 25, 1985, at site.

**Drawings Available**—At site through Rich McQuade or Joe McGonagle, 262-1634 and Dodge Report.

**III. Contract Conditions**

General bids will be received at the job site at the designated time at which time they will be opened and read aloud. Bids shall be on a form provided in the contract documents. Plans and specifications will be available on February 11, 1985, at the job site. A deposit of \$20 (certified check), payable to the nonprofit organization will be left upon receipt of drawings and given back when they are returned in good shape within thirty days.

No bid for the award of this project will be considered unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended on minority business enterprises. For the purpose of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indian.

The attention of each bidder is called to the provision of the contract documents requiring that at least 50 percent of all work hours on this project be performed by Boston residents, 25 percent by minorities, and 10 percent by women, in each trade.

Included with the contract documents are copies of the "Minority Business Utilization Form" and "Minority Business Identification Statement." Each contractor must complete, sign, and file with this bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

Contractors shall also avail themselves of the list of minority businesses to be provided by NDEA through the Office of Minority Business Enterprise to facilitate compliance with the requirements.

The attention of each bidder is called to the fact that this is a federally assisted project and therefore, not less than the minimum salaries and wages set forth in the contract documents must be paid to each worker on the project (Davis-Bacon), and that the contractor must ensure that employees and applicants are not discriminated against because of race, color, religion, sex, or national origin (Executive Order No. 11246). Attention is also called to the contractor requirements relating to Workmen's Compensation and insurance requirements of the successful general contractor and subcontractor for the project shall be set forth in the Supplementary and Special Conditions of the contract documents.

PAUL S. GROGAN,  
Director.

CITY OF BOSTON**

**BOARD OF ELECTION COMMISSIONERS**

**Invitation for Proposal for the Printing of Voting Machine Labels, Absentee Ballots, and Specimen Ballots for the Two Hundred Fifty-two Precincts in the City of Boston for the Preliminary Election to be held on September 24, 1985, and the City Election to be held on November 5, 1985.**

The Board of Election Commissioners of the City of Boston, Room 224, City Hall, invites bids for the printing of ballots (both paper and voting machines labels), for the 252 precincts for the Preliminary Election to be held on September 24, 1985 and the City Election to be held on November 5, 1985. Proposal forms are obtainable at the office of the Election Commissioners, 224 City Hall, Boston. Envelopes containing proposals must be sealed and plainly marked "Proposal for Printing City of Boston Election Ballots." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a bid deposit in the form of a certified check, in the amount of two hundred dollars (\$200), payable to the City of Boston, must be left at the office of the Election Commissioners on or before Thursday, February 28, 1985, at twelve o'clock noon. Copies filed with the Election Commissioners will be publicly opened and read at twelve o'clock noon on the day stated. The other copy, also signed by bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids.

The Election Commissioners reserve the right to reject any or all bids, and to accept the bid which they deem best for the interest of the city.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Election Commissioners, and in the sum of 100 percent of the contract price, will be required of the successful bidder.

CITY OF BOSTON,  
BOARD OF ELECTION COMMISSIONERS,  
MICHAEL A. JOYCE,  
Chairman.

**PARKS AND RECREATION DEPARTMENT**

**NOTICE TO CONTRACTORS**

**Invitation for Bids for Repairs and Maintenance  
to Buildings and Structures of the Parks and  
Recreation Department. — Contracts F, G,  
H, and I.**

The City of Boston, acting by the Parks Commission, Room 816, Boston City Hall, Boston, MA 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled projects. Bids shall be clearly identified as a bid, and signed by the bidder on a form supplied by the Parks and Recreation Department. All bids for these projects are subject to all applicable provisions of law, including without limitations, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled:

**CONTRACT F**

Plumbing and Gas Fitting Repairs to Buildings, Structures and Outdoor Recreation Facilities.

**SCOPE OF WORK INCLUDES:** Plumbing and gas fitting repairs to buildings, structures and outdoor facilities of a maintenance or emergency nature, including without limitation, portable and irrigation water systems, sanitary and surface drainage systems, plumbing systems, equipment and fixtures, gas piping systems and equipment. Estimated cost of construction is \$20,000.

**CONTRACT G**

Painting of Buildings and Structures.

**SCOPE OF WORK INCLUDES:** Painting of buildings and structures, of a maintenance or emergency nature, including without limitation, surfaces of wood, metal and masonry. Estimated cost of construction is \$15,000.

**CONTRACT H**

Roofing Repairs to Buildings and Structures.

**SCOPE OF WORK INCLUDES:** Roofing repairs to buildings and structures of a maintenance or emergency nature including, without limitation, built-up roofing, shingle roofing, slate roofing, sheet roofing and flashing. Estimated cost of construction is \$10,000.

**CONTRACT I**

Repairs to Oil Burners in Buildings of Parks and Recreation Department.

**SCOPE OF WORK INCLUDES:** Repairs to No. 2 and No. 5 oil burners in buildings of the Parks and Recreation Department. Estimated cost of construction is \$10,000.

**TIME AND PLACE FOR FILING BID APPLICATIONS:** Bidders must submit an Application to Bid and Contractor Qualification Statement or Update to the department on or before twelve o'clock noon, Boston time, on Monday, February 18, 1985, at the office of the Awarding Authority, Room 816, City Hall, Boston MA 02201. All bids shall be filed with the Awarding Authority at the above address before twelve o'clock on Wednesday, March 27, 1985, at which time and place respective bids will be opened forthwith and read aloud. The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

APPLICATIONS TO BID are now available at Room 816, Parks and Recreation Department.

SPECIFICATIONS will be available on or about Monday, February 18, 1985, after 9 a.m., at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston. The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of the contracts.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, March 19, 1985, at 10 a.m., Boston time.

**PUBLIC FACILITIES DEPARTMENT**

**NOTICE TO CONTRACTORS**

**Invitation for Bids for Roof Replacement, Police  
Headquarters.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Roof Replacement, Police Headquarters."

**SCOPE OF WORK** includes: strip existing roof to structure, install single-ply 1-A roofing system; repair penthouse masonry, replace broken skylight glass; install new pipe supports, etc.

**TIME AND PLACE FOR FILING BID APPLICATIONS:** General bidders must submit an Application to Bid and Contractor Qualification Statement or Update to the department on or before twelve o'clock noon, Boston time, on February 19, 1985, at the office of the Awarding Authority, sixth floor, 26 Court Street, Boston, MA 02108. ALL GENERAL BIDS shall be filed with the Awarding Authority at the above address before twelve o'clock noon on March 20, 1985, at which time and place respective bids will be opened forthwith and read aloud. The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

Applications to bid are now available at the offices of the Public Facilities Department. PLANS AND SPECIFICATIONS will be available on or about February 11, 1985, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

NO. 7

## INDUSTRIAL JOBS AND DEVELOPMENT FOR BOSTON

*Economic Development and Industrial Corporation—a Year's Review.*

### Summary:

EDIC was extremely successful this year in offering real estate, financing and job training assistance to over 250 companies ranging from printing, garment and furnishings businesses to electronic related firms, an auto importer, and a number of manufacturers of advertising display products.

With a total of over 3,200 jobs to its record for the calendar year 1984, EDIC created almost 1,000 jobs and retained 2,275. Of this total, about 1,500 or 50 percent are held by Boston residents, 754 by minorities, and an expected 320 by the city's handicapped citizens.

### The Parks:

Major development projects were announced for all three of EDIC's parks in 1984, the Boston Marine Industrial Park, Crosstown Industrial Park, and Alsen-Mapes Industrial Park. As a result of these projects 2,140 jobs were created.

### Financial Assistance:

In the year that the Boston Industrial Development Financing Authority (BIDFA) hit its \$100,000 mark, a total of \$11,275,000 in industrial revenue bonds were authorized and issued. BIDFA, an affiliate of EDIC, encouraged projects which included acquisition and expansion of electrical construction, lighting products, and commercial printing.

The financial services group saved an important project in the Theatre District. Through BIDFA, a \$1.8-million, HUD 108 loan was arranged for the purchase of the Boylston Building—China Trade Center—when a federal grant was lost. The center, a mini Faneuil Hall in Boston's Chinatown, represents the cooperative efforts of the city's three development agencies, the private sector and the Chinese Economic Development Corporation. The development will create 300 construction and 300 permanent jobs in the area.

The Boston Local Development Corporation (BLDC), an affiliate of EDIC, packaged loans totaling \$2,150,000, with private financing levered by \$815,300 of low-interest, long term BLDC Targeted Revolving Loans. These projects range from manufacturers of steel signs and security systems

to vibration isolation systems used by high technology companies.

### Real Estate Services:

Approximately 200 companies located in the greater metro area and interested in locating in Boston have been assisted through EDIC's *Sitefinder*, a publication which identifies and describes sites for expansion and relocation in the Boston area.

The Real Estate Department assisted ten Community Development Corporations (CDC's) in Boston to help them attract industrial development to sites in their neighborhoods.

### Job Training:

This year EDIC's Boston Technical Center (BTC) has served 266 Boston residents with skills to find jobs at an average wage of \$5.75 per hour, some as high as \$10.50.

During the past year, the BTC secured increased employer participation in training and achieved an overall graduate job placement rate of 96 percent. The total in-kind contributions from companies participating amounted to \$242,446. Of BTC trainees, 92 percent came from Boston's neighborhoods reflecting the city's diverse ethnic and cultural composition.

### Marketing:

EDIC's Marketing Department began the first of a series of the Mayor's development meetings which brings together business leaders to encourage their expansion and development in the city and to discuss the concerns and issues of public/private partnerships, considerations for expansion, quality of life issues for city residents, industrial

and economic development within the city.

### Targeted Assistance:

In cooperation with other city agencies and departments, EDIC has provided assistance tailored to the specific needs of major industries in the city, such as Teradyne and Advanced Electronics

### Management:

EDIC's management brought in more than \$500,000 from outstanding audits and contracts. In addition, the Treasurer's Office is developing a three-year monthly cash flow with clear areas of accountability that will enable the corporation to stabilize its budget

### Development:

#### The Harbor Gateway Project

The Harbor Gateway Project was recently awarded \$125,000, a State Department of Transportation's Public Works Economic Development Program (PWED) grant for the engineering and improvement to several important roadways leading to the Boston Marine Industrial Park. This grant will allow for the planning and design needed to construct the roadways and a development parcel which will attract an additional \$20—25 million in further private investment. Over 2,000 additional jobs can be realized through further redevelopment of the BMIP

#### The Boston Design Center

The Boston Design Center with co-developers Richard A. Flier Interests and the Dallas Market Center Company, one of EDIC's major development projects, will further enhance the overall image of the BMIP. Located near the front entrance of the Park, the Design Center alone is expected to bring 1,170 of the expected 2,140 new jobs. Construction of the Design Center to begin in early 1985 complements the development and leasing of the adjacent Industrial Center. To date the Industrial Center is 52 percent leased to a variety

(Continued on next page)

## Jobs for Boston . . .

(Continued from front page)

of printing, garment, small and mid-sized companies

### Boston Port Services and Subaru Distributors

The BMIP's attraction is further highlighted with the addition of EDIC's new tenant, Boston Port Services and Subaru Distributors Corporation. Subaru estimates that approximately 50,000 cars will enter the port annually with the agreement reached between EDIC/Boston and the Massachusetts Port Authority. Subaru distributors will service, process, assemble radios, air conditioning, other customized accessories and prepare new automobiles in a 55,000 square-foot building located at the park. The increased harbor activity at the Subaru terminal will create 100 new jobs with incentives to hire a percentage of Boston residents beyond the 50 percent level.

### Crosstown's Morgan Memorial and Abelman Development

Crosstown Industrial Park's development projects, Morgan Memorial Goodwill Industries Headquarters and M. Abelman Company will respond to the needs of both the community and industry. The Parcel 2 developments is particularly exciting because it addresses the economic as well as the community development needs of Boston. Both projects represent long-term employment opportunities with training and rehabilitation services for the disabled. Goodwill and Abelman will retain 268 jobs, create 120 construction jobs and another 100 new jobs with ongoing development

Copies of EDIC—A Year in Review may be obtained from Claudia Smith at EDIC/Boston, 38 Chauncy Street, Boston, MA 02111. (617) 725-3342.

MARILYN SWARTZ LLOYD,

Director.

## POLICE DEPARTMENT ORDERS

January 28.

Special Order No. 85-6

To All Bureaus, Districts Areas, Divisions, Offices, Sections and Units.

Commanding officers are reminded that all sworn personnel under their command must attend firearms training and qualify in the use of their weapons every six months and not to exceed more than two sessions in one calendar year unless recalled by the range officer for additional training.

Police officers in the department, therefore, will be held accountable for proficiency as well as compliance with policy in the use of firearms (Rule 303, Section 16). All sworn members of the department are responsible for maintaining a degree of expertise in the use and handling of all firearms approved for their carrying. Specifically, sworn members will qualify at least twice a year with a score of 70 percent or higher, using the firearms normally carried on duty. An officer who fails to qualify will be temporarily reassigned to intensive training at the range until qualification is achieved. An officer, who after such intensive training, has still failed to qualify will be subject to reevaluation.

The firearms range is open for training in the use of firearms daily, except Saturdays, Sundays, holidays, and election days. There are four sessions held per day. The sessions begin promptly at 9:45 a.m., 1:15 p.m., 6 p.m., and 8:30 p.m. Each session lasts approximately two hours.

No patrol officer will be qualified with a two inch revolver unless rated a detective.

All bureau, area and unit commanders will insure that arrangements are made for all sworn personnel under their command to attend firearms training in compliance with the attached schedule.

One radio patrol car or wagon will be taken off the air (after notifying the Operations Division) in sufficient time for prompt arrival. Upon completion of the training, the radio patrol car or wagon will notify Operations of their availability.

By July 1, 1985, all sworn personnel shall be qualified at the police range at least once.

January 29.

Personnel Order No. 85-16

Gerard J. Dhooge, Id. 9250, has been appointed to this department as provisional supervisor of payrolls, assigned to the Management and Budget Unit, effective December 19, 1984.

## Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by noon, Monday of each week to insure its publication in the following Monday's issue.

School Traffic Supervisor Virginia L. Walsh, Id. 1875, is hereby reinstated after layoff to Area B, effective February 4, 1985.

The services of Recruit Police Officer Stephen Smith, Id. 8778, assigned to the Personnel Division, Extended Leave Section, are hereby terminated, effective November 20, 1984.

The records of this department are hereby amended to show that the name of Hostler Deborah S. Mosher, Id. 8383, assigned to the Mounted Unit shall appear as Deborah M. Spellman, effective January 7, 1985.

The resignation of School Traffic Supervisor Viola R. Johnson, Id. 1413, assigned to the House Detention, having been presented, is hereby accepted, effective December 15, 1984. Ms. Johnson will continue in her position as provisional detainee attendant, House of Detention.

The resignation of Traffic Supervisor Gladys Boger, Id. 2398, assigned to Area B, having been presented, is hereby accepted, effective January 1985.

The resignation of Police Clerk and Typist Clara A. McDonough, Id. 1664, assigned to the Personnel Division, Extended Leave Section, having been presented, is hereby accepted, effective January 15, 1985.

The resignation of School Traffic Supervisor Barbara A. Gorham, Id. 1074, having been presented is hereby accepted effective January 25, 1985.

To All Bureaus, Districts Areas, Divisions, Office Sections and Units.

January 29

Commissioner's Memorandum No. 85-7

The Boston Police Academy will be offering pre-examination training program for police officers in the department who are interested in preparing for the Sergeant's Promotional Examination.

The classes will be taught by members of the Police Academy and will initially be held at area C (District 11) in the guardroom. Once the William Hogan training Center is ready, the classes will be transferred to the new facility.

The following schedule of classes and the appropriate subject matter to be reviewed is listed below. Weekday classes will be held twice on the scheduled date(s) to accommodate all interested personnel. Afternoon classes will run from 1 p.m. to 3 p.m. and evening classes from 6:30 p.m. to 9 p.m. Saturday morning classes will take place from a.m. to 11:30 a.m.

February 4, 6, 9, — Criminal Law, chap. 265; February 11, 13, 16 — Criminal Law, chap. 276, chap. 138; February 18, 20, 23 — Motor Vehicle Law, chap. 90; February 25, 27, March — Criminal Procedure Handbook.

March 4, 6, 9 — Criminal Procedure Handbook; March 11, 13, 16 — Police Patrol — Operations Management; March 18, 20, 23 — Criminal Investigations; March 25, 27, 30 — Community Relations and the Administration of Justice.

April 1, 3, 6 — Evidence for Law Enforcement

January 30

Personnel Order No. 85-17

The following reassignment is hereby ordered effective on Wednesday, January 30, 1985.

Barbara Spillane, police clerk and typist Id. 1840, from Special Investigations Unit(D), to Intelligence unit (D).

## FIRE DEPARTMENT ORDERS

February 8.

### General Order No. 7

#### I. RETIREMENT

The retirement of the following-named member, in accordance with section 5, c. 32, G.L., will become effective at 0800 hours, March 1, 1985:

Fire Lieutenant George V. Collins, Engine Company 3.

Fire Lieutenant Collins was appointed to the department on April 9, 1947, and promoted to fire lieutenant on February 2, 1972. He leaves the department with the best wishes of his associates.

#### III. CHANGE IN RESPONSE

Company commanders shall make the following change in their UAAB assignment book:

Box 1877 — Working fire — drop Engine 10; add Engine 39; Working fire — drop Engine 56; add Engine 10.

#### IV. FIRE ALARM BOXES INSTALLED

The following-numbered fire alarm boxes have been installed and company commanders shall add them to the respective circuit cards:

Box 12-1356 — Mass. Eye and Ear Office Building, 317-325 Cambridge Street, Circuit 55.

Box 14-1284 — Payne Webber Building, 265 Franklin Street, Circuit 4.

Box 12-5397 — Town Lyne House Condominiums, 121 Tremont Street, Circuit 46.

#### V. FIRE ALARM BOX ESTABLISHED

The following-numbered fire alarm box has been established and company commanders shall add it to the appropriate UAAB assignment card:

Box 12-1493 — New England Medical Center Helicopter Pad, junction Massachusetts Turnpike and Albany Street, on ramp off the Southeast Expressway.

The circuit number will be announced when the box is installed.

#### VI. STREET DISCONTINUED (CORRECTION)

Notice has been received at this office that the Street Discontinued, G.O. No. 5, should be corrected to read: Trimount Place, South Boston, from Dorchester Street to Old Colony Avenue.

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

### SCHOOL DEPARTMENT

#### Instructional Services

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I request your authorization for the award of a contract to Greater Boston YMCA, 316 Huntington Avenue. The contract shall be in effect during the period July 5, 1983, to August 26, 1983, and occur at a cost not to exceed \$7,380, which is deemed to be reasonable. Contract will be charged to RC 018 Expense Code 910.

The contractor will provide the following instructional services at the YMCA, 316 Huntington Avenue: remediation in math and reading and recreational activities, swimming and other sports, to forty-eight Boston Public School students.

The Learning Camp will provide forty-eight Boston Public School ninth graders with reading and math tutoring and recreational activities: swimming, weightlifting, and basketball, as well as activities at the Y Camp in the Blue Hills. The project will take place Monday through Friday from 9 a.m. to 1 p.m. for eight weeks.

The contractor is especially qualified to provide the above services because of their decades of experience in providing recreational and instructional services to inner city youth. Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This contract is submitted late because the monies for the project were only allocated at the end of June, 1983, as an outcome of the commitment to this project in mid-June, 1983. Preparation of correct documentation has taken an extended period of time.

Very truly yours,

Robert R. Spillane,  
Superintendent.

#### Chapter 766 Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Stenson School, Inc., Barre, Richard J. Robinson, director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$101,752, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is \$50,876.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,

Edward J. Winter,  
Secretary.

#### Chapter 636 Services

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Tufts University, Medford. The contract shall be in effect during the period of August 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$54,478, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY'84 chapter 636 proposals for the sum of \$5,280,685. Tufts University's portion as is related to that amount is \$54,478.

The contractor will provide the following services:

For Boston Technical High School for \$54,478: supervising and operating the computer center after school and offering training workshops; assist in assembling four learning activity packages for chemistry; offer after-school instruction in theatre and dance; organize presentations by artists and composers; organize attendance by students at

cultural events at Tufts and in Boston; Offer a summer orientation program to entering students; offer cross-age tutoring to students needing assistance in learning; organize open house for parents.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairing; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan *Morgan v. McDonough*, Civil Action No. 72-911-G; further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

The reason for the late submission of this contract is that the State Board of Education did not approve the underlying ch. 636 proposal until June 28, 1983, and a contract could not be prepared prior to the awarding of funds.

This agreement is to be executed, without an appropriation of funds, under the provision of General Laws chapter 44, paragraph 53A, and is subject to the receipt of funds under grant from chapter 636 Project No. 84-D.

Very truly yours,

Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Children's Museum, 300 Congress Street. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$18,416, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY'84 chapter 636 proposals for the sum of \$5,280,685. Children's Museum's portion as is related to that amount is \$18,416.

The contractor will provide the educational services for the McKay and Hernandez Schools as follows: a four- to six-session course component for each grade of the school, K through 6th; staff planning meetings and workshops; course supplies and program materials, including expendable supplies for course session, materials from our Recycle Department, curriculum loan kits and books and other permanent program materials to be left with the school; a free family night at the Children's Museum for all children, families and teachers at the school; all transportation to the museum for course session not held at the school will be provided for by the Children's Museum as part of the services provided.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have

been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 84-9D-0009.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Boston University, 25 Buick Street, Boston. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$189,732, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY'84 chapter 636 proposals for the sum of \$5,280,685. Boston University's portion as is related to that amount is \$189,732.

Boston University will provide the following services:

Schedule I — District I elementary, middle and high schools for \$108,152: on-site delivery of student leadership program for high school and three middle schools; on-site class in leadership; on-site programs by guest speakers; one trip to Thompson's Island for 110 middle school students and one trip to Sargent Camp for forty high school students participating in leadership training; bilingual parent training workshops; direct service to eighty talented and gifted elementary and secondary school students participating in a Saturday enrichment program; direct tutoring services for twenty high school students; on-site workshops for teacher in reading, mathematics and bilingual education; direct assistance to basic skills program; identification and coordination of university-implemented activities; technical assistance with proposal development, identification of external resources, and parent participation and training.

Schedule II — District IX Jackson-Mann Elementary School and Boston Latin School for \$61,529: direct individual and group counseling services with supervision for up to fifty students in grade 1-5; on-site teacher training in effective verbal and non-verbal communication to address students' cultural, behavioral and developmental differences; direct assistance to teachers and students in use of computer laboratory; on-site workshops for teachers and parents on computer-assisted instruction and computer technology; direct assistance to students using the language laboratory to enhance foreign language listening-speaking skills; direct small group and individual instruction in reading, writing and study skills to reduce academic disparity; coordination of university resources available to students and school staff; design of special university-implemented activities; technical assistance with proposal development; identification of external resources; parent councils and school site management.

Schedule III — Presidents' Steering Committee for \$20,051: secretarial support to coordinators' group for meeting, information exchange, policy formulation, and technical assistance and commit-

tee participation in support of efforts of the Boston Public Schools' central administration; direct staff support to chairman of the Presidents' Steering Committee and Presidents' — Coordinators' Task Force, liaison work with coordinators' group and direct participation on planning and policy committees of Boston Public Schools' central administration.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairing; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to the University of Massachusetts, Amherst. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$45,000, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved the chapter 636 proposal underlying this contract in an amount not to exceed \$30,000, and on June 28, 1983, the School Committee vote to approve \$15,000 for the Block Grant, for a combined total not to exceed \$45,000.

The contractor will continue to provide services to school development teams including, but not limited to, the following secondary schools and districts: Boston Technical, Jeremiah Burke, Charlestown, English, Jamaica Plain, Madison Park, South Boston, Grover Cleveland, Hyde Park, Dorchester, Umana Technical, East Boston, Mackey, Lewis, Michelangelo, District V and District IX. On a weekly basis, the university will provide faculty and staff to assist teams from each of these schools as they formulate and implement plans to develop school-based management, increase attendance, design curriculum, improve school climate and address other issues of local or system concern. Assistance will include advising and technical assistance to individuals and teams, workshops, seminars, ERIC (computer) searches and progress monitoring at English High School. Also, the university will continue to cooperate with the Challenge Program which is increasing the number of high school students who go to college.

The contractor is uniquely qualified to provide the above services because: the University of Massachusetts has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to

the 1965 Racial Imbalance Act) in the category of University Pairing; the University of Massachusetts has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 84BC0001 and Block Grant.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Citywide Educational Coalition (CWEC), 37 Temp Place, Boston. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$15,000 which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY'84 chapter 636 proposals for the sum of \$5,280,685. CWEC's portion as is related to that amount is \$15,000.

The contractor will provide the following service: the publication of the major efforts and accomplishments of the Partnership Alliance and the Boston Public Schools through CWEC's monthly, issue-oriented newsletter; the organization of special meetings to bring together individuals from organizations interested in the Boston Public Schools (e.g., the Boston Committee, the Corporation for Boston, Goals for Boston) and appropriate individuals from the School Department and the Partnership Alliance; the dissemination of information about the Boston Public Schools and the Partnership Alliance at neighborhood meeting through CWEC's volunteer board of directors; the management of appropriate public forums on Boston Public School issues, including Partnership Alliance Programs.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General

aws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 Project 84-BC.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:  
On behalf of the Boston Public Schools, I request your authorization for the award of a contract to the Boston Ballet Company, 553 Tremont Street, Boston. The contract shall be in effect during the period September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$5,624, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY'84 chapter 636 proposals for the sum of \$5,280,685. The Boston Ballet's portion as is related to that amount \$5,624.

The contractor will provide the instructional services as follows: ten dance workshops in ballet, modern and ethnic dance; Career Day for students conducted by Boston Ballet artistic staff, administrative staff, and dancers; tour of Boston Ballet theatre, costume shop and other appropriate locations; attendance by students of Boston Ballet production of the *Nutcracker*; viewing by students of two classical ballet films; two performances by the Boston Ballet at the Curley School.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest could not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 84-2D-0002.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:  
On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Wheelock College, 200 The Riverway, Boston. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$185,029, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY'84 chapter 636 proposals for the sum of \$5,280,685. Wheelock College's portion as is related to that amount is \$185,029.

The contractor will provide the following services: Section 1, District IX — James Curley; Nathan Hale; Dennis Haley; Donald McKay; Raphael Hernandez — on-site staff and curriculum develop-

ment through in-class support, consultation, resource referral in the implementation of citywide objectives in language at the James Curley, one consultant, full time; and the Haley, one specialist, two-thirds time; on-site consultant support to staff for curriculum development and implementation, classroom management and organization, individualized and small group instruction at the Hale School, one consultant, half time; Kodaly music instruction to all students with curriculum and staff development at the Hale, one specialist, 56 percent time, and Curley, one specialist, full time; staff, curriculum, and resource development in science through on-site support, planning, consultation at the McKay School, one specialist, three-fifths time; the Hernandez; one specialist, two-fifths time; and the Haley, one specialist, one-fifth time; science workshops for staff at the Hale, eight at \$100, and McKay, twelve at \$96.50; staff and curriculum development in computer education at the Hernandez School, one specialist, one day per week; parent and community involvement coordination, support, program development and implementation at the Hale School, one liaison, half-time; organization and support for parent volunteer program at the Hale School, one coordinator, one-third time; technical assistance to schools, one coordinator, 76 percent time; small amount of consumable material for each component.

Section 2, District II — Ellis, Kennedy, Aggasiz Schools one specialist, three-fourth time; on-site specialist support to teachers for the development and implementation of language skills curriculum objectives; on-site staff development in pupil centered learning/teaching.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairing; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636, 84-9D, 84-2D-0002.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to the Museum of Fine Arts, 465 Huntington Avenue. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$15,847, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved the chapter 636 proposal for the sum of \$5,280,685. the Museum of Fine Arts' portion to that amount is \$15,847.

The contractor will provide following services:

Schedule I, District IV elementary school for \$10,150: orientation meetings at school with classroom teachers, museum instructor and principal to outline collaborative, multi-cultural curriculum and schedules for program; preparation of classroom materials for previsit and followups in terms of basic study by classroom teachers; visit to museum's galleries to enjoy and appreciate art of many cultures with parental participation; in-class, hands-on art activities with multi-cultural resource artists and parent participation; teacher training workshops at the museum; integration of special needs students in museum classroom program; reception and multi-cultural art exhibit at conclusion of program; encouragement of parental visits to museum through distribution of free passes.

Schedule II, District IX elementary and secondary schools for \$5,697: orientation meetings with classroom/art teachers and museum instructor to plan collaborative, multi-cultural and program schedules; classroom slide orientations to museum's galleries of art from many cultures by museum instructor; visits to Museum of Fine Arts and Museum of the National Center of Afro-American Artists, Boston; classroom demonstrations by multi-cultural resource artists; development of classroom units in social studies, language arts and art by classroom teachers; production of multi-cultural slide tape at museum for career awareness to be placed in curriculum center at school; purchase of multi-cultural curriculum materials on ancient civilizations for curriculum at school; teacher training workshops at the museum; year-end exhibition of student work and student-produced slide tape at school; encouragement of parental visits to museum through distribution of free parent passes.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution, the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 84-4D-0004 and 84-9D-0009.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Little Flags Theatre Foundation, Inc., 22 Sunset Street, Roxbury. The contract shall be in effect during the period of September 13, 1983, to May 18, 1984, and shall occur at a cost not to exceed \$12,662, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved

all of the FY '84 chapter 636 proposals for the sum of \$5,280,685. Little Flags Theatre Foundation, Inc.'s portion as is related to that amount is \$12,662.

The contractor will provide instructional services including workshops and training sessions for bilingual and monolingual teachers in curriculum development, integration and mainstreaming, assessment and evaluation, and other topics; pairing projects involving bilingual and standard curriculum students; direct teaching and enrichment services to 180 students; and providing multi-cultural performances and events in District I; and workshops and training in support of multi-cultural performance approaches to basic skills improvement; direct instruction to thirty students involving cognitive, technical and performing skill development; construction of sets, costumes and properties; creation of plays drawn from the lives of students; publication of a project book of accomplishments; and the production and promotion of an original script with music in the Michelangelo Middle School.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of cultural institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 84-7D and 84-1D.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your Authorization for the award of a contract to the Kodaly Center of America, Inc. The contract shall be in effect during the period of September 19, 1983, to June 1, 1984, and shall occur at a cost not to exceed \$8,000, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY '84 chapter 636 proposals for the sum of \$5,280,685. Kodaly's portion as is related to that amount is \$8,000.

The contractor will provide the following services: all the children in the Sarah Greenwood School have comprehensive year-long music instruction from qualified personnel from Kodaly Center of America. Students learn to sight-sing music, read and write music, sing in part and as soloists, use multicultural folk music and the masterworks, and develop a taste for high quality music. Habits of through learning are among classmates. An elective chorus meets weekly, and chorus performances will be held for parents.

The contractor is uniquely qualified to provide the above services because: the contractor has orga-

nized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Culture Institution, the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Judge W. Arthur Garrity, Memorandum and Order Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by the appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 Project No. 84-5D-0005.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your Authorization for the award of a contract to Music & Art Development, Inc. dba cooperative Artists Institute, 311 Forest Hills Street, Jamaica Plain. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$6,198, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY '84 chapter 636 proposals for the sum of \$5,280,685. Cooperative Artists Institute's portion as is related to that amount is \$6,198.

The contractor will provide the following instructional services at the Lucy Stone Elementary School, District V, for \$3,002, chapter 636 Project 84-5D: a series of performance/workshops (Tribal Rhythms Program) in music, movement, dramatic story telling and visual arts designed around a multicultural theme. During these participatory sessions, students and teachers will learn new performing and visual arts skills which enhance oral communication skills and which enforce interpersonal skills such as cooperation, sharing, respect, etc. The program will also include a series of teacher workshops and program planning/development sessions in which teachers will work with program artist to develop classroom follow-up activities to improve basic skills.

Also at the Theodore Roosevelt Middle School, District II, for \$3,196, chapter 636, Project 84-2D: a series of classroom workshops and performance in which students will learn performing and visual arts skills such as: dance/movement, book design, costume design, theater techniques, etc., and will gain an expanded awareness of career options in the arts not limited by occupational stereotypes based on race, sex or ethnicity. Also a series of workshops and program planning/development sessions in which teachers will develop classroom follow-up activities and will learn new performing and visual arts skills for use in the classroom.

The contractor is uniquely qualified to provide the above services because: the Cooperative Artists Institute is staffed by professional, minority performing visual artist from diverse racial and ethnic backgrounds who are highly skilled and experience in providing arts programs which address the multi-

cultural needs in the Boston Public Schools. The contractor has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Judge W. Arthur Garrity, Memorandum and Order Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G).

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 Project No. 84-5D-84-2D.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your Authorization for the award of a contract to Northeastern University, 360 Huntington Avenue. The contract shall be in effect during the period of July 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$269,342 which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY '84 chapter 636 proposals for the sum of \$5,280,685. The Northeastern University's portion as is related to that amount is \$269,342.

The contractor will provide the following services:

Schedule I District VII Elementary and Middle Schools, \$130,908: revitalized curriculum units (RCU) development in conjunction with teacher teams for language arts/reading and mathematics; curriculum objectives, grades K-5 production and dissemination of completed RCU's; coordination and supervision of parent outreach workers in nine district schools; consultant services in connection with development of curriculum for advanced work classes and reading program at middle schools, on going consultant services during program implementation and provision of supplementary materials and texts; assistance in selection and on going supervision of artist-in-residence; artist involved in program will provide services to student and teachers of the Timilty and Edwards Middle Schools; consultant services in connection with development of curriculum and provision of required equipment for computer education classes at three middle and five elementary schools; coordination of students leadership field trip activities at three middle schools.

Section II — Madison Park High School \$109,543: curriculum development, consultant services and provision of materials, printing services and administrative support for the following programs:

Alternative School Program includes consultant services (coordinator, staff development, curriculum/instruction and planning/evaluation), parent team member, career guidance intern and student intern services; staff training and provision of materials to enhance program operation; computer education program includes curriculum development, equipment rental, personnel and materials selection activities; reading/English basic skill program includes curriculum development and media activities involving consultants for curriculum development and staff training printing services and administrative support in selection of materials to enhance programs; science program is enhance

through curriculum enrichment activities and materials performing arts magnet program includes activities related to theatre arts, dance, and music which involve consultant services performances, field trips and materials to enhance ongoing programs.

Summer training program for alternative school staff.

Section III. Phillis Wheatley Middle School, 28,891: curriculum development and consultant services in connection with developmental reading programs, study skills projects and subject area literacy program including, but not limited to, staff training, materials development and ongoing administrative and coordination support to facilities program implementation; coordination and administrative support to facilitate implementation of Science Fair and Indoor/Outdoor Garden Programs, provision of personnel, consultants, and materials for program operation.

The contractor is especially qualified to provide the above services because: Northeastern University has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Judge W. Arthur Garrity, Memorandum and Order Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-91-G); also Northeastern University has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Paring.

The late submission of this contract is due to the following reasons; the State Board of Education did not approve the grant award until June 28, 1983; the School Committee did not approve the proposal until June 28, 1983; and the finalization from the Commissioner of the Board of Education was not received until July 1, 1983.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 84-7D-0007 and 84-9D-0009.

Very truly yours,

Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your Authorization for the award of a contract to the Historic Neighborhood Foundation, 92 South Street, Boston. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$16,685, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY '84 chapter 636 proposals for the sum of \$5,280,685. Historic Neighborhood Foundation's portion as is related to that amount is \$16,685.

The contractor will provide the following services:

Schedule 1 District 8 Cheverus Middle School: provide fifty students of various ethnic/racial backgrounds with ten field trips that emphasize the positive features of their school and home neighborhoods; field trips take place in October, November, April, May, June; provide fifty students of various ethnic/racial backgrounds with classroom previews and debriefings before and after ten field trips.

Schedule 2 District 8 Barnes Middle School; provide fifty students of various ethnic/racial backgrounds with five field trips that emphasize the positive features of their school and home neighborhoods; field trips take place in April and May; provide fifty students of various ethnic/racial backgrounds with classroom previews and debriefing before and after five field trips; provide fifty students of various ethnic/racial backgrounds with five sessions with City Stage Co., that enable students to produce and videotape newscasts on location in their school and home neighborhoods.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Culture Institution, the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Judge W. Arthur Garrity, Memorandum and Order Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-91-G); further, the services have been reviewed and approved by the appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 84-8MEP-0161 and 84-8MEP-0156.

Very truly yours,

Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your Authorization for the award of a contract to the Loom and Heron theatre, Inc., Brookline. The contract shall be in effect during the period of October 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$8,940, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY '84 chapter 636 proposals for the sum of \$5,280,685. Loom and Heron Theatre's portion as is related to that amount is \$8,940.

The contractor will provide the following instructional services: in District II, Loom and Heron teaching staff will work with both the Agassiz and Kennedy Elementary Schools, in the second and third grades; twelve teachers will work in each school for one day a week, three hours a day, for thirty weeks; each individual class will have the opportunity to work for ten weeks in this program; students will study three cultures, African, Hispanic, and European; through stories, games, songs, and crafts activities, the will learn about the cultures; in this program, the language arts skills of writing, speaking, listening, and reading will be stressed and integrated into the curriculum.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Culture Institution, the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Judge W. Arthur Garrity, Memorandum and Order Modifying Desegregation

Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by the appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 84-1D-0002.

Very truly yours,

Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your Authorization for the award of a contract to Museum of Science, Science Park, Boston. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$10,244, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY '84 chapter 636 proposals for the sum of \$5,280,685. The Museum of Science's portion as is related to that amount is \$10,244.

The contractor will provide the following instructional services to the Donald McKay and William Monroe Trotter schools as follows: training for teachers and parents in the use of the museum's educational resources; consultation to teachers in integrate museum experience into the school science curriculum; and development of museum exhibit and program resource materials.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resource to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendment to the 1965 Racial Imbalance Act) in the category of Culture Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Judge W. Arthur Garrity, Memorandum and Order Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 84-9.

Very truly yours,

Robert R. Spillane,  
Superintendent.

CITY OF BOSTON

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

Proposal for Boarding and Securing, Project  
No. 63-CD-ABU (A-E), Community Development Block Grant.

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

498 Blue Hill Avenue, Ward 14  
11 Jenkins Street, Ward 7  
19 Moreland Street, Ward 12  
16 Standish Street, Ward 14  
86 Walnut Avenue, Ward 12

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, February 28, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bids shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the

contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 63-CD-ABU (A-E)."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. Minority Workforce: The contractor and its sub-

contractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. Female Workforce: The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. Boston Residents: The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specification for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Wincheste, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment

portunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section of the Housing and Urban Development Act of 1968 and Executive Order 11246.

#### PUBLIC WORKS DEPARTMENT

#### Proposal for Miscellaneous Repairs to PWD Street Sweepers and Front End Loaders.

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, February 18, 1985.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, February 28, 1985, at room 714 and at the office of the City Auditor, room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of \$1, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

The Commissioner of Public Works has determined that there is little or no risk of default or unsatisfactory performance by the vendor/contractor, therefore, a performance bond will not be required.

#### NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

#### NEIGHBORHOOD DEVELOPMENT AND EMPLOYMENT AGENCY

##### I. The Invitation

The Quincy School Community Council, through funding from the Neighborhood Development and Employment Agency (NDEA) under support from the Community Development Block Grant invites contractors to bid the following project:

##### II. Specific Information

*Site* —Quincy Community School, 36 Oak Street, Boston.

*Scope*—Rehab four-story townhouse to community center.

*Remarks*—G.C. bids required.

*Bids Due*—At site on February 25, 1985, 2 p.m.

*Drawings Available*—Acorn Child Care Center, 214 Harrison Avenue, Jeanne Bruno.

##### III. Contract Conditions

General bids will be received at the job site at the designated time at which time they will be opened and read aloud. Bids shall be on a form provided in the contract documents. Plans and specifications will be available immediately at the job site. A deposit of \$20 (certified check), payable to the non-profit organization will be left upon receipt of drawings and given back when they are returned in good shape within thirty days.

No bid for the award of this project will be considered unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended on minority business enterprises. For the purpose of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indian.

The attention of each bidder is called to the provision of the contract documents requiring that at least 50 percent of all work hours on this project be performed by Boston residents, 25 percent by minorities, and 10 percent by women, in each trade.

Included with the contract documents are copies of the "Minority Business Utilization Form" and "Minority Business Identification Statement." Each contractor must complete, sign, and file with this

bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

Contractors shall also avail themselves of the list of minority businesses to be provided by NDEA through the Office of Minority Business Enterprise to facilitate compliance with the requirements.

The attention of each bidder is called to the fact that this is a federally assisted project and therefore, not less than the minimum salaries and wages set forth in the contract documents must be paid to each worker on the project (Davis-Bacon), and that the contractor must ensure that employees and applicants are not discriminated against because of race, color, religion, sex, or national origin (Executive Order No. 11246). Attention is also called to the contractor requirements relating to Workmen's Compensation and insurance requirements of the successful general contractor and subcontractor for the project shall be set forth in the Supplementary and Special Conditions of the contract documents.

#### Proposal for Furnishing Trucking Services for Transportation of Meals and Transportation of Commodity Foods for Boston Public Schools.

The School Committee of the City of Boston invites bids for furnishing trucking services for transportation of meals and transportation of commodity foods for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Trucking Services for Transportation of Meals and Transportation of Commodity Foods Bid Date: Wednesday, March 13, 1985." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check payable to the City of Boston, in the amount of one hundred dollars (\$100), or a bid bond, must be left at the office of the Business Manager, at or before twelve o'clock noon, on Wednesday 13, 1985. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

CITY OF BOSTON**

**PUBLIC WORKS DEPARTMENT**

**Proposal for Stripping and Refilling  
Street Sweeper Main Brooms.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, February 18, 1985.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, February 28, 1985, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of \$1, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

The Commissioner of Public Works has determined that there is little or no risk of default or unsatisfactory performance by the vendor/contractor, therefore, a performance bond will not be required.

**NOTICE**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less

than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JOSEPH F. CASAZZA,  
Commissioner of Public Works.

**ADVERTISEMENT  
MASSACHUSETTS BAY TRANSPORTATION  
AUTHORITY**

Transportation Building, 10 Park Plaza  
Boston, MA 02116-3933

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. COGN06, CONTINUOUS WELDED RAIL INSTALLATION, LITTLEBORO TO HYANNIS, BRISTOL AND PLYMOUTH COUNTIES, MASSACHUSETTS, (Class 3 - Trackage, Project Value 120.0) will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on March 5, 1985. Immediately hereafter, in a designated room, the proposals will be opened and read publicly.

Work consists of furnishing labor, materials as specified, tools and equipment for the installation of CWR, special trackwork and track surfacing and alignment grade crossing renewal and track bridge repairs and other trackwork.

This contract is subject to a financial assistance contract between the MBTA and the Executive Office of Transportation and Construction.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Each prospective bidder must also comply with additional prequalification requirements referred to in Paragraph 1.12, Competency of Bidders, in the Instructions to Bidders.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after February 11, 1985, Monday through Friday, at a charge of \$25. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 - General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by a separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation

provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 10 percent WBE 1 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. Kevin McRae, MBTA 500 Arborway, Jamaica Plain, MA 02130 (Telephone No. (617) 722-3465). A prebid conference will be held on February 25, 1985, at 10 a.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424) apply to any contract, procurement or agreement which results from this solicitation.

Bid security shall consist of a bid deposit of six hundred thousand dollars (\$600,000), in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. C9CN07, RAIL WELDING AND CWR DISTRIB., EASTERN ROUTE, SALEM, BEVERLY, AND WENHAM, ESSEX COUNTY, MASSACHUSETTS, will be received by the Director of Construction at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on March 13, 1985. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

The work consists of the transportation of rail from Salem to Beverly, Massachusetts, the welding of the rail, and the distribution of the welded rail in Salem, Beverly, and Wenham, Essex County, Massachusetts.

Prequalification of contractors in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders" will not be applicable to this contract.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after February 10, 1985, Monday through Friday, at a charge of \$25. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 - General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Assistant Director of Construction, Administration, Mr. Peter F. McNulty, Transportation Building, 10 Park Plaza, Boston, MA 02116-2933 (Telephone (617) 722-3118). A prebid conference will be held on February 25, 1985, at 10 a.m. on the third floor, Board Room, Transportation Building, 10 Park Plaza, Boston, Mass.

Bidders will be required to certify as part of their bid that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

Bid guaranty shall consist of a bid deposit of eighteen thousand dollars (\$18,000), in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**Invitation for Proposals for Supplying and Delivering Rock Salt and Calcium Chloride.**

The City of Boston, acting by the Board of Trustees in charge of the Library Department of the City of Boston, hereinafter referred to as the Awarding Authority, invites sealed proposals for supplying and delivering rock salt and calcium chloride, as specified, to the Boston Public Library.

Proposals will be received until 12 o'clock noon, Boston time, Wednesday, March 13, 1985, at the office of the Awarding Authority (Office of the Director), 666 Boylston Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, plainly marked with the name of the bidder and the notation "Bid Proposal," followed by a brief description of the item bid upon. One copy shall be filed at the office of the Awarding Authority (mail address: P.O. Box 286, Boston, MA 02117), and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total bid price shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 12 o'clock noon, Boston time, Wednesday, February 20, 1985, at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, and written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the city.

**Invitation for Bids for Maintenance and Operation of Existing Intrusion Alarm Systems at Various Locations in the City of Boston, Contract J, and Maintenance and Repairs to Existing Fire Alarm Systems at Various Locations in the City of Boston, Contract X.**

The City of Boston, acting by the Parks and Recreation Commission, Room 816, Boston City Hall, Boston, MA 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled projects. Bids shall be clearly identified as a bid, and signed by the bidder on a form supplied by the Parks and Recreation Department. All bids for these projects are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled:

**CONTRACT J**

**Maintenance and Operation of Existing Intrusion Alarm Systems at Various Locations in the City of Boston.**

**SCOPE OF WORK INCLUDES:** Work under this contract consists of furnishing all materials, labor and equipment to monitor, maintain and operate existing intrusion alarm systems. Estimated cost of construction is \$25,000.

**CONTRACT X**

**Maintenance and Repairs to Existing Fire Alarm Systems at Various Locations in the City of Boston.**

**SCOPE OF WORK:** Work under this contract consists of furnishing all labor, materials and testing equipment to maintain existing fire alarm systems. Estimated cost of construction is \$34,000.

**TIME AND PLACE FOR FILING BID APPLICATIONS:** Bidders must submit an Application to Bid and Contractor Qualification Statement or Update to the department on or before twelve o'clock noon, Boston time, on Monday, March 4, 1985, at the office of the Awarding Authority, Room 816, City Hall, Boston MA 02201. All bids shall be filed with the Awarding Authority at the above address before twelve o'clock on Wednesday, April 10, 1985, at which time and place respective bids will be opened forthwith and read aloud. The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

**APPLICATIONS TO BID** are now available at Room 816, Parks and Recreation Department.

**PLANS AND SPECIFICATIONS** will be available on or about Monday, March 4, 1985, after 9 a.m., at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston. The attention of all bidders is

specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of the contracts.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, April 2, 1985, at 10 a.m., Boston time.

**Invitation for Bids for Installation of Intrusion Alarm System at Traffic and Parking Department Headquarters.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Installation of Intrusion Alarm System at Traffic and Parking Department Headquarters."

**SCOPE OF WORK** includes: labor and material to install security monitoring devices at the Traffic and Parking Department headquarters.

**TIME AND PLACE FOR FILING BID APPLICATIONS:** General bidders must submit an Application to Bid and Contractor Qualification Statement or Update to the department on or before twelve o'clock noon, Boston time, on March 4, 1985, at the office of the Awarding Authority, sixth floor, 26 Court Street, Boston, MA 02108. **ALL GENERAL BIDS** shall be filed with the Awarding Authority at the above address before twelve o'clock noon on April 3, 1985, at which time and place respective bids will be opened forthwith and read aloud. The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

Applications to bid are now available at the offices of the Public Facilities Department. **PLANS AND SPECIFICATIONS** will be available on or about February 25, 1985, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

**MULTI-SERVICE CONTRACT ADVERTISEMENT**

**Invitation to Contract with Interested, Responsible and Competent Persons, Firms or Corporations Engaged in the Following Work:**

To Supply Data Entry Services to this department through a Multi-Service Contract in the completion of a variety of Individual Data Entry Applications requiring the transfer of data from both Standard and Non-Standard Forms. This data will be delivered to the contractor in its original format (printed or handwritten), to be input and returned to the city on nine-track EBCDIC tape(s) with a density of 1600 or 6250 BPI. Each application within this contract will be determined through a bid process. Since record format may vary with each application, specifications will be determined at the time of bid.

The City of Boston (the City) acting by its Director of Management Information Systems (the Official), invites competent persons, firms or corporations to enter into a contract to submit proposals as may be requested from time to time by the Official, for the performance of particular items of work generally described above, and to perform such item(s) of work when and as may be requested by the Official.

Copies of the contract documents may be obtained at the Management Information Systems Department, Room 703, Boston City Hall, Boston, MA 02201 on or before February 19, 1985.

Applications to contract for such work will be accepted until twelve noon on March 6, 1985.

The attention of all applicants is directed to the provisions of the contract documents, and particularly to the requirements for insurance and performance bonds as may be applicable.

The city and the Official reserve the right to contract only in those cases and in accordance with those applications as the Official deems to be in the best interest of the city.

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

JOSEPH M. TIERNEY  
PRESIDENT, CITY COUNCIL

VOL. 77

MONDAY, FEBRUARY 25, 1985

NO. 8

## MAYOR FLYNN ANNOUNCES GRANT FOR AIDS COUNSELING AND EDUCATION

On February 15, Mayor Raymond L. Flynn announced the award of two separate grants to a local community organization for the purpose of the counseling and education of people suffering from Acquired Immune Deficiency Syndrome (AIDS) and AIDS Related Complex (ARC). The funding will also be used to assist potential victims of this illness. The grants, totalling \$190,000, include a \$150,000 city award from Health and Hospitals and \$40,000 in the form of a NDEA Community Development Block Grant to the AIDS Action Committee of the Fenway Community Health Center. Today's announcement was made during a ceremony to honor the work of the AIDS Action Committee and its staff of paid professionals and volunteers.

Mayor Flynn was joined at the press conference by City Councillor David Scodras, Health and Hospitals Commissioner Lewis Pollack, NDEA Director Paul Grogan and Larry Kessler, executive director of the AIDS Action Committee (AAC).

The Mayor said, "These grants, from the Department of Health and Hospitals and the Neighborhood Development and Employment Agency, represent this Administration's commitment to the fight against AIDS. The city does not have the resources to find a cure, but we are committing important resources to helping those whose lives are affected by it."

Commissioner Pollack stated, "The award of \$150,000 to the AIDS Action Committee is an example of the best kind of government and community interaction for the benefit of public health." The combined grant will be used by AAC to maintain and expand existing programs established over the one-and-one-half years since its founding. The AAC has divided over 200 volunteers into subcommittees overseen by one paid staff person and a Fenway Community Health Center appointed steering committee to coordinate the flow of information and services around AIDS throughout the Boston area. AAC has established a functional network with city agencies, area hospitals, direct care and service agencies and community groups in an attempt to guarantee that quality health care is provided for people with AIDS/ARC.

Among the most important functions of the AAC, and a prime objective of the Flynn Administration, is to educate the public about AIDS. "We must approach AIDS and AIDS-related problems with calm courage and by providing comfort to people who have AIDS while not allowing ourselves to be overcome by fear," said Mayor Flynn. To this end the AAC has set up both an Education and a

Media subcommittee, as well as subcommittees on mental health, fundraising, archives and personnel.

The \$190,000 grant will also allow AAC to continue to run a 24-hour hotline for those inquiring about AIDS/ARC. Since the establishment of the AIDS hotline thousands of calls have poured into the office of the AIDS Action Committee. Some of the inquiries are from the victims of AIDS seeking information about the hospice-buddy system, established to help AIDS patients and their families. Others call to ask about mental health and community support services. Many have called to volunteer their help in the fight against AIDS.

### MAYOR FLYNN UNDERScores IMPACT OF PROPOSED FEDERAL CUTS IN BOSTON

Boston Mayor Raymond L. Flynn, joined by Mayor Dutch Morial of New Orleans and other U.S. Mayors in a meeting to assess the impact of proposed federal cuts on their cities, recently stated that the proposed elimination of such federal programs as

Revenue Sharing and Urban Development Action Grants, would have a "devastating impact on Boston."

"The Pentagon and the budget makers at the White House are planning 'Star Wars' in the sky, while I'm worrying about drug wars in the streets," Flynn said. "In 1984," Flynn noted, "Boston received over \$18 million in Revenue Sharing of which every penny went to such public safety programs as neighborhood foot patrols. Boston needs a defense budget, too. To defend neighborhoods against drug dealers; and to defend poor infants from dying in their first year of life.

"Unlike other large American cities, which have recourse to alternative revenues, Boston, due to its almost sole reliance on the property tax, would simply not have the ability to offset federal revenue losses. Clearly, these proposed federal cuts, underscore why more than ever, Boston needs the full support of the leadership of the Commonwealth to gain the structural financial reform we so urgently need.

"President Reagan talks about the national security — but by eliminating Revenue Sharing he would be undermining the ability of this city to make its citizens feel more secure on the streets of Boston — our nation's oldest city.

"Let us get it straight," Flynn stated, "it wasn't the cities of America, nor those cities' elderly and working families that caused the deficit that President Reagan is unjustly trying to resolve at the expense of their well-being. The 1981 tax cut instituted by President Reagan increased the federal deficit by \$170 million thereby triggering the severe deficit of today. And now the federal government by seeking to end such lifeline programs as revenue sharing is part of Boston's problem."

## POLICE DEPARTMENT ORDERS

February 1.

*Personnel Order No. 85-18*

Francis M. Roache, Id. 6380, having been appointed by Mayor Raymond L. Flynn, under the provisions of chapter 291, Acts of 1906, as amended by chapter 322 of the Acts of 1962, and having taken the oath of office on Friday, February 1, 1985, has assumed his duties as Interim Police Commissioner for the City of Boston.

Police Officer Roy Moser, Id. 4849, Personnel Division Medically Incapacitated Section.

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

### SCHOOL DEPARTMENT

#### Chapter 636 Services

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your Authorization for the award of a contract to Emmanuel College, 400 The Fenway, Boston. The contract shall be in effect during the period of August 16, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$52,191 which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY '84 chapter 636 proposals for the sum of \$5,280,685. Emmanuel's portion is related to that amount is \$52,191.

The contractor will provide the following services at the William H. Ohrenberger School, Emmanuel College coordinates a four-component project: \$52,191; a science program for the orderly dissemination of ideas and materials to students and teachers through a science coordinator; a reading program giving teachers and students access to medial and supplementary reading materials; a reading consultant; a cross-cultural program which provides a coordinator, resources, curriculum, materials and programs (including a cross-cultural dance program); parent association, parent helper program, providing parental out-reach through a parent coordinator, newsletters, and rental activities including parent helpers working at the school.

Section II — Madison Park High School \$109,543: curriculum development, consulting services and provision of materials, printing services and administrative support for the following programs:

The contractor is especially qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Payment. The institute has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Judge W. Arthur Garrity, Memorandum and Order Modifying Desegregation (*Morgan v. McDonough*, Civil Action No. 72-9) further, the services have been reviewed and approved by the appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement of bids.

This agreement is to be executed without appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636 Project No. 84-9D-0009.

Very truly yours,

Robert R. Spillane  
Superintendent

### Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by noon, Monday of each week to insure its publication in the following Monday's issue.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Community Music Center of Boston, Inc. 48 Warren Avenue. The contract shall be in effect during the period of September 15, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$68,628, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY' 84 chapter 636 proposals for the sum of \$5,280,685. The Community Music Center's portion as is related to that amount is \$68,628.

The contractor will provide the following instructional services Schedule I: District I elementary schools for \$18,664 (chapter 636, 84-1D), a twenty-five week program of services in students enrichment and staff development for bilingual and monolingual classes in music at the second grade level. Contractor will meet each class once a week; six-week intensive program in music at the kindergarten level; development of methods of integrating music in a multicultural approach into the general curriculum; instruction centered around enrhythmics (music and movement) and playing the percussion instruments; CMCB staff development (service meeting (four times per year); providing of multicultural performance in December and May/June by the students involved in the program for other students, teachers, parents, and community; twenty-five week program in poetry on the third-grade level. Contractor will meet each class once a week.

Schedule II: District II elementary schools for \$27,289 (Chapter 636, 84-2D), a twenty-seven-week program of services in students enrichment and staff development for bilingual and monolingual classes in music, grades, 1-5. — the contractor will meet with forty-two sections once a week during the program period; the program will build on past programming to develop means of integrating music in a multicultural approach that fits each school's stated priorities; instruction will include enrhythmics, preband instruction of the recorder, and continuation of ensembles and choral groups; curriculum development of multicultural material in music and music related fields; providing of multicultural performances in December and May/June by students involved in the program for other students, school personnel, parents, and community.

Schedule III: District III Lewenberg Middle School for \$10,000 (chapter 636 84-3D), a twenty-five-week program of students enrichment and staff development in music, dance, and drama, grade 6-8; the contractor will meet once a week during the program period, four sections in music, five sections in dance, and five sections in drama; integration of music, dance, and drama in a multicultural approach; providing an end-year production by students involved in the program for other students, school personnel, parents, and community.

Schedule IV: District VII Quincy Elementary School for \$3,000. (Chapter 636 84-7D), a thirty-seven-day program of services in student enrichment and staff development at Quincy School in poetry; the program will build on past programming to develop means of integrating poetry in a multicultural approach that is consistent with the district and school priorities in the arts; instruction will include poetry reading and writing, and curriculum development of multicultural materials in poetry and poetry-related fields; presentations of poetry readings during the school year by students involved in the program for other students, school personnel, parents, and community.

Schedule V: District IX Hernandez Elementary School for \$9,675. (chapter 636, 84-9D), a thirty-week program of services in students enrichment

and staff development for bilingual and monolingual students in music and movement, grade K-5; the program will build on past programming to develop means of integrating music and movement in a multicultural approach that reinforces the school's magnet theme; instruction will include preband playing on the recorder and percussion instruments, as well as movement games, yoga, and fitness training; curriculum development of multicultural materials in music/movement and music/movement-related fields; providing of multicultural performances in December and May/June by students for other students, school personnel, parents and community.

The contractor is especially qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); in the category of "Cultural Institution", the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan *Morgan v. McDonough*, Civil Action No. 72-911-G; further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the General Laws of chapter 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 636, 84-1D-0001, 84-2D-0002, 84-3D-0003, 84-7D-007, and 84-9D-0009.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Spanish Dance Theatre, Inc., 791 Tremont Street. The contract shall be in effect during the period of October 1, 1983, to May 30, 1984, and shall occur at a cost not to exceed \$12,598, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY' 84 chapter 636 proposals for the sum of \$5,280,685. Spanish Dance's portion as is related to that amount is \$12,598.

The contractor will provide the instructional services which are designed to foster cross-cultural awareness and the integration of bilingual students through the study of Hispanic dance and music.

Section I — District I Elementary Schools for \$9,509; twenty-five weeks of instruction of Hispanic dance and music for all fourth-grade classes in District I; instruction will emphasize musical and rhythmic development, coordination, and balance; two district-wide performances by the Spanish dance company; final student performance.

Section II — District VII Elementary Schools for \$3,089; ten weeks of instruction of Hispanic dance and music at the Blackstone School with two classes; ten weeks of instruction of Hispanic dance and music at the Hurley School with two classes; both program will conclude with a student performance.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of "Cultural Institution"; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan *Morgan v. McDonough*, Civil Action No. 72-911-G; further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the General Laws of chapter 44, s. 53A, and is to be subject to the receipt of funds under grant from chapter 636, 84-7D-0007 and 84-1D.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to the University of Massachusetts at Boston, Harbor Campus, Dorchester. The contract shall be in effect during the period of September 1, 1983, to June 30, 1984, and shall occur at a cost not to exceed \$304,250, which I have deemed to be reasonable. On June 28, 1983, the School Committee approved all of the FY' 84 chapter 636 proposals for the sum of \$5,280,685. The University of Massachusetts at Boston's portion as is related to that amount is \$304,250.

The University of Massachusetts at Boston, through its Institute for Learning and Teaching, will provide the following services; Section I: will provide the basic skills and SSAT preparation at the Dearborn and McCormack Middle Schools through the Middle School ISBS Program; will provide remedial and enrichment tutoring in ten elementary schools through the ISBS Elementary School Program; will work with the faculty at the McCormack Middle School to identify curriculum needs and strategies for implementing curriculum objectives through the task force; will assist in the SBHS Mosaic Writing Program which trains students in interviewing and writing skills along with the Community Studies Program; will work four schools on developing strategies for the integration of bilingual students; will provide enrichment programs at the Dearborn Middle School through the museum of Science; will provide enrichment programs at the McCormack Middle School through Kodaly, the MIT Dance Company, and Children's Museum.

Section II: District V/UMB Collaborative for \$118,447; will coordinate parent groups from twenty schools to work toward the improvement of educational services; will assist in the administration of services to teachers through the District V Teacher Center; will provide direct assistance at the J.E. Burke High School in developing a computer literacy curriculum at four levels, and providing training for teachers and students in the use of computers; will provide an after-school remedial reading program for approximately seventy-five District V middle school students per semester.

Section III: Bilingual Integration Project in District IX for \$21,674; will provide on-site support to seventy teachers on six schools in the development of integration strategies and activities; will design and teach two courses on integration strategies and activities for approximately thirty teachers; will train liaison teachers in five schools on the development of strategies and activities for their schools; will compile a booklet of all curriculum and activities designed by teachers participating in the program.

Section IV: Another Course to College Career Development Program for \$22,891; will provide a program of career counseling, personal counseling, crisis intervention, academic counseling, and liaison with administration and faculty for 100 junior and 100 seniors at the Another Course to College Program.

The contractor is uniquely qualified to provide the above service because the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of "University Parking"; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan *Morgan v. McDonough*, Civil Action No. 72-911-G; further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under the General Laws of chapter 44, s. 53A, and is to be subject to the receipt of funds under grant 636, Projects number 84-5D-6D-9D.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

## TRAFFIC AND PARKING DEPARTMENT

### Traffic Engineering Consultant

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Diversified Engineering Services Transportation Consultant of 10 Winthrop Road, Brookline.

Under the terms of the contract, Mr. Stanley T. Siegel will provide technical consultant assistance to the Traffic and Parking Department in its evaluation of the draft Environmental Impact Statement for the proposed Third Harbor Crossing.

In my opinion, Mr. Siegel is uniquely qualified to do this work because of his past transportation planning and traffic engineering experience and, therefore, immense familiarity with the Boston street network. More specifically, his work experience in the Boston area includes more than six years as deputy transportation coordinator for the Boston Redevelopment Authority and almost five years as director of transportation for the Town of Brookline. While with the BRA, he was actively involved in the planning and design of streets in the Waterfront and Government Center areas, including the relocation of Commercial Street and connections to the under-artery roadway.

Further, during the past five years, he has built an active consulting engineering practice in which he has dealt with the major transportation agencies in the area, establishing an excellent rapport with the technical staff of each agency. During this same

time period, he has kept in close touch with Boston area transportation planning and thinking, first as chairman of the Joint Regional Transportation Committee and later as a member of the Executive Committee of the Metropolitan Area Planning Council and its Technical Advisory Committee on transportation.

Compensation under this contract shall not exceed \$7,000, which I have determined to be reasonable for the work to be performed. The term of this contract shall be July 15, 1983 to November 15, 1983.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
John A. Vitagliano,  
Commissioner.

### Alarm System

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to ADT Alarm System, a corporation located at Cambridge, for security alarm system at 112 Southampton Street, Boston.

Under the terms of the contract, the contractor will respond to any and all alarms at the above location.

The contractor is especially qualified to do this work because ADT alarm equipment has been in operation in this building without any problems since 1947.

Compensation under this contract shall not exceed \$3,650, which I have determined to be reasonable for the work to be performed. The term of this contract shall be from July 1, 1983, to June 30, 1984.

Due to a backlog of clerical work this contract was overlooked and thus the late date on this letter.

Because of the prohibitive cost of removing the existing equipment and installing new equipment by a new vendor for the same service, I believe that public advertising would serve no useful purpose.

Very truly yours,  
John A. Vitagliano,  
Commissioner.

## TREASURY DEPARTMENT

### Chauffeur Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Alfred A. Byk an individual located at 373 Centre Street, Jamaica Plain, for car and chauffeur service for paymasters.

Under the terms of the contract, Mr. Byk will provide service of a car and chauffeur in transporting paymasters to various location around the city. Mr. Byk is uniquely qualified to do this work because he knows all the routes and has been transporting paymasters for the last fifteen years.

Compensation under this contract shall not exceed \$5,600, which I have determined to be reasonable for the work to be performed. Mr. Byk will be transporting paymaster weekly at the rate of \$125 per week. The term of this contract shall be from September 1, 1983, to June 30, 1984.

Because of the professional nature of the services to be performed I believe that public advertising would serve no useful purpose.

Lowell L. Richards, III,  
Collector-Treasurer.

### Trust Funds Audit

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a con-

tract to Fox & Company, certified public accountants, a partnership, located at 140 Federal Street, for audit of selected City of Boston Trust Funds.

Under the terms of the contract, the contractor will examine the financial statements of selected trust funds under the custody of the City of Boston in accordance with generally accepted auditing standards and express an opinion as to the financial position and changes in fund balances for the twenty-four-month period ending June 30, 1983.

The contractor is specifically qualified to do this work because of substantial experience in a variety of governmental and commercial auditing assignments, and previous experience with the trusts to be examined.

Compensation under this contract shall not exceed \$25,000, which I have determined to be reasonable for the work to be performed. The term of this contract shall be from July 15, 1983, to September 30, 1983.

Because of the professional nature of the services to be performed and the reasonable cost of the services, I believe that public advertising would serve no useful purpose.

This award letter was delayed to insure that the scope of the contract was sufficiently defined to insure that the audited statements would be sufficient to insure that they can be included in the city's financial statement without revision or modification.

Very truly yours,  
Lowell L. Richards, III,  
Collector-Treasurer.

### Tax Collection Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Elizabeth Francis, an individual, located at 178 Manchester Street, Dorchester, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of this contract, Ms. Francis will perform clerical functions for the unit and assist in collections by mail and/or by phone. Ms. Francis is uniquely qualified to do this work because of her experience within the unit and her excellent past performance.

Compensation under this contract shall not exceed \$2,000, which I have determined to be reasonable for the work to be performed. Ms. Francis will be working part time at the rate of \$5 per hour.

The term of this contract shall be August 2, 1983, through June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Respectfully yours,  
Lowell L. Richards, III,  
Collector-Treasurer.

I respectfully request your permission to dispense with public advertising and to award a contract to Eileen Clifford, an individual, located at 11 Austin Street, Hyde Park, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of this contract, Ms. Clifford will perform clerical functions for the unit and assist in collections by mail and/or by phone. Ms. Clifford is uniquely qualified to do this work because of her experience within the unit and her excellent past performance.

Compensation under this contract shall not exceed \$2,000, which I have determined to be reasonable for the work to be performed. Ms. Clifford will be working part time at the rate of \$6 per hour.

The term of this contract shall be August 26, 1983, through June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Respectfully yours,

Lowell L. Richards, III,  
Collector-Treasurer.

Dear Mr. Mayor:

I respectfully request your permission to discontinue with public advertising and to award a contract to Jacqueline M. Crossen, an individual, located at 126 Washington Street, Hyde Park, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of this contract, Ms. Crossen will perform clerical functions for the unit and assist in collections by mail and/or by phone. Ms. Crossen is uniquely qualified to do this work because of her experience within the unit and her excellent past performance.

Compensation under this contract shall not exceed \$2,000, which I have determined to be reasonable for the work to be performed. Ms. Francis will be working part time at the rate of \$6 per hour.

The term of this contract shall be August 26, 1983, through June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Respectfully yours,

Lowell L. Richards, III,  
Collector-Treasurer.

Dear Mr. Mayor:

I respectfully request your permission to discontinue with public advertising and to award a contract to Patricia Loughlin, an individual, located at 26 South Walter Street, Roslindale, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of this contract, Ms. Loughlin will perform clerical functions for the unit and assist in collections by mail and/or by phone. Ms. Loughlin is uniquely qualified to do this work because of her experience within the unit and her excellent past performance.

Compensation under this contract shall not exceed \$2,000, which I have determined to be reasonable for the work to be performed. Ms. Loughlin will be working part time at the rate of \$5.50 per hour.

The term of this contract shall be August 26, 1983, through June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Lowell L. Richards, III,  
Collector-Treasurer.

## CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

### ADMINISTRATIVE SERVICES DEPARTMENT Fire Apparatus

Dear Mr. Mayor:

On February 13, 1980, your Honor approved the award of two publicly advertised contracts for furnishing fire apparatus, proposal No. 100, to the Fire

Department. One of the contracts was awarded to Sutphen Corporation and one of the items awarded to Sutphen was for three, 500 G.P.M. Class A mid-pumpers. On October of 1980, a request was made by the Fire Commissioner to amend Sutphen's contract by converting one of the mid-pumpers to a combination water and foam unit. The contract was accordingly amended from \$540,470, to an amount not to exceed \$556,870. Your Honor approved the amended contract on October 22, 1980.

The contract with Sutphen consisted of the following items: three 500 G.P.M. mid-pumpers, one, 100-foot telescopic elevated platform, and two, HS 1500 G.P.M. Class A pumpers with option for squirt articulated boom unit. On February 10, 1981, the Fire Department received the three 500 G.P.M. pumpers. because of Proposition 2½ the purchase of the remaining items in the contract was suspended. At that time, as required by the contract, the city had made down payments of \$181,222.18 against the total contract price, leaving a balance of \$49,252.18 in the contract.

During the past few years, the Fire Commissioner has reviewed the needs of his department and the changing concepts in fighting fires. His reassessment has caused him to reverse his original intention of acquiring two, 1500 G.P.M. Class A pumpers and one 100 foot telescopic elevated platform. Instead, the Commissioner has requisitioned the purchase of two custom model HS 1250 G.P.M. Class pumpers at \$117,100 each, and one, custom 1250 G.P.M. Class A pump-foam tower unit with squirt and foam option at \$181,100.

All of the original bidders of fire apparatus were contacted by the Fire Department, and Stephen's quotes for this equipment were the lowest of those that responded. Considering an average increase in the Consumer Price Index of approximately 45 percent since the contract was originally awarded, Sutphen's prices are reasonable.

In view of the above reasons, your permission is respectfully requested to further amend, without advertising, the city's existing contract with Sutphen Corporation, Ohio, by deleting those items originally canceled and adding the equipment mentioned above. From the balance of \$49,252.18 previously paid, \$28,252.10 representing engineering and special component costs previously incurred by Sutphen, has been applied and considered by Sutphen in its quotes for the new equipment. The total amount of the contract, as so amended, is an amount not to exceed \$394,300, which reflects a credit for \$21,000 previously paid.

In view of the fact that Sutphen meets all of the city's equipment specifications, and because Sutphen's prices for this equipment are the lowest of any manufacturer of fire apparatus, it is my opinion that publicly advertising for bids would serve no useful purpose.

Respectfully yours,

Frank F. Chin,  
Purchasing Agent.

### HEALTH AND HOSPITALS DEPARTMENT

#### Trash Dumpster

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with Charles Lee Disposal, 1 Ellery Street, South Boston, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$4,800.

This amendment will increase the contract sum by \$2,771.64, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$7,571.64.

This amendment is necessary due to the increased volume of trash due to increased patient population, thereby necessitating the placement of an 8 cubic-yard dumpster to be located at the Alcohol Rehabilitation site with pickup two days a week.

In view of the above, and because the cost is reasonable, I recommend approval of this amendment.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

### Maternity Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the letter of award for a contract with Mattapan Community Health Center, 1425 Blue Hill Avenue, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$40,300.

This amendment will increase the contract sum by \$8,500 thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$48,800.

The additional funds have been awarded to assist the Mattapan Community Health Center in expanding its Maternity Services. The Mattapan community is in need of these services.

In view of the above, and because the cost to the city is reasonable, I recommend approval of this amendment.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

### Shelter Program Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to further amend the city's contract with the Trustees of Health and Hospitals of the City of Boston, a corporation created by St. 1880 c. 174, as most recently amended by St. 1965, c. 656, ss. 4-6, under which contract the corporation has agreed to provide stipends to guests providing housekeeping, dietary and organizational services to the Shelter for the Homeless at Long Island Hospital for the period January 19, 1983, through June 30, 1983, at a cost not to exceed \$20,000.

This amendment shall increase the contract sum by an additional \$11,700, to a contract liability not to exceed \$31,700, and extend the period of performance through September 30, 1983.

This new amendment is necessitated by the city's decision to continue to operate the Shelter for the Homeless at least through September 30, 1983, and will hereby permit the corporation to continue to provide stipends to the guests for three additional months for services performed.

In view of the above, and because the cost to the city, in my opinion is reasonable, your Honor's permission is respectfully requested to amend this contract, without advertising, under the terms and conditions stated above.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

### Transcription Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with Transcriptions Ltd., Needham Heights, for the period July 1, 1982, through June 30, 1983, at a cost not to exceed \$70,000.

This amendment will increase the contract sum by \$3,430, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$73,430.

Under this contract, Transcriptions Ltd., provides medical record transcription services to the department. This amendment is necessary because the volume of medical records to be transcribed was underestimated.

In view of the above and because the cost is reasonable, I recommend approval of this amendment.

This letter is being submitted late because the department wished to wait until the end of the fiscal year to be certain of the amount required.

Very truly yours,  
Lewis W. Pollack,  
*Commissioner.*

#### Rubbish Removal

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend for the second time, the city's contract with J.J. Melone, Inc., 3rd New Way, Hyde Park. Under this contract, J.J. Melone, Inc. provides rubbish removal services to Boston City Hospital for the period July 1, 1982, through June 30, 1983, at a cost not to exceed \$15,056.

The original amendment approved by the Mayor on April 1, 1983, in the amount of \$14,944, brought the city's total liability under this contract, as so amended, to an amount not to exceed \$30,000.

This second amendment shall increase the amended contract sum by an additional \$6,653.08. The city's total liability under this contract, as so amended for the second time, will not exceed \$36,653.08.

The additional cost for this contract is due to frequent mechanical failure of the newly installed San-I-Pac machine. Due to problems with the installation of this machine J.J. Melone, Inc., has continued to provide the daily pickup of waste at Boston City Hospital. The hospital is working diligently to solve the problems related to the installation of the San-I-Pac machine and shortly these additional charges will cease.

This amendment is being submitted late because the final bill had to be received so that the actual expense could be determined.

Therefore, because the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,  
Lewis W. Pollack,  
*Commissioner.*

#### Physical Medicine, etc.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with David S. Moses, M.D., 771 American Legion Highway, Roslindale, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$6,500.

This amendment will increase the contract sum by \$6,500, thereby, increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$13,000.

Under this contract, Dr. Moses will provide consultant services in the field of Physical Medicine and Rehabilitation at Long Island Hospital. The original contract stated that Dr. Moses would provide service one-half day per week at approximately four hours per visit. The medical director requests

Dr. Moses be on duty one full day per week, eight hours, at the rate of \$250 per eight-hour visit. The schedule and frequency of visits may be reduced at the discretion of the medical director, and also may be canceled with sufficient cause.

As Dr. Moses is a specialist in this field, because of the professional nature of the services to be provided and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,  
Lewis W. Pollack,  
*Commissioner.*

#### LAW DEPARTMENT

##### Legal Services

Dear Mr. Mayor:

On July 27, 1983, your Honor approved an award of a contract, without public advertising, to John L. Keefe, Esquire, of the law firm Vena, McNamara & Keefe located at 162 Boylston Street, for legal services in connection with workmen's compensation cases for the period of July 1, 1983, through June 30, 1984, at a cost not to exceed \$15,000.

Your approval is requested to amend this contract to provide for additional services which were not anticipated in the terms of the original contract. The cost of the contract, as amended, shall not exceed \$30,000, which I have determined to be reasonable. The contract as amended shall not exceed \$45,000, effective immediately.

Because of the professional nature of the services to be performed I believe that public advertising would serve no useful purpose.

Very truly yours,  
James P. McGuire,  
*Corporation Counsel.*

#### MAYOR'S OFFICE

##### Catering Services

Dear Mr. Mayor:

On January 21, 1983, your Honor approved an award of a contract, without public advertising, to Rebecca's, 21 Charles Street, Boston, for professional catering services to the City of Boston during the period July 1, 1982, through June 30, 1983, at a cost not to exceed \$10,000.

Your approval is requested to amend this contract to provide for additional catering service to other departments who initiate, request, and hence, organize receptions for "... business and community leaders ... civic leaders ... and academia" as outlined in the first award letter. Said departments shall be charged from their respective budget accounts.

The cost of this amendment, which is effective on March, 1983, shall not exceed \$10,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$20,000. The period of performance shall continue through June 30, 1983.

Because of budget constraints on all departments as well as my own, we find it fair and reasonable to charge individual department appropriations for the above-mentioned events. In view of the fact that such events are beneficial to the city, we find an increase in the contractual amount reasonable and no positive benefit would accrue to the city by public advertising for a new contract.

Sincerely,  
Katherine D. Kane,  
*Deputy Mayor.*

Dear Mr. Mayor:

On January 21, 1983, your Honor approved an award of a contract, without public advertising, to

Howard Swartz, Somerville, for professional catering services to the City of Boston during the period July 1, 1982, through June 30, 1983, at a cost not to exceed \$5,000.

Your approval is requested to amend this contract to provide for additional catering service to other departments who initiate, request, and hence, organize receptions for "... business and community leaders ... civic leaders ... and academia" as outlined in the first award letter. Said departments shall be charged from their respective budget accounts.

The cost of this amendment, which is effective on March, 1983, shall not exceed \$5,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$10,000. The period of performance shall continue through June 30, 1983.

Because of budget constraints on all departments as well as my own, we find it fair and reasonable to charge individual department appropriations for the above-mentioned events. In view of the fact that such events are beneficial to the city, we find an increase in the contractual amount reasonable and no positive benefit would accrue to the city by public advertising for a new contract.

Sincerely,  
Katherine D. Kane,  
*Deputy Mayor.*

#### NDEA

##### Software and Maintenance

Dear Mr. Mayor:

On December 3, 1982, your Honor approved an award of a contract, without public advertising, to Digital Equipment Corporation (DEC), 175 Federal Street, for the purpose of providing routine emergency software maintenance services in support of the operation of the Neighborhood Development and Employment Agency automated financial management and client tracking systems.

Your approval is requested to amend this contract to include funding to purchase necessary additional software in order to upgrade the DEC software operating system at NDEA and to increase the maintenance agreement to cover the additional software. This amendment will increase the contract amount from \$5,760 by \$1,000 to a total cost not to exceed \$6,760. The contract will continue to be effective for the period October 1, 1982, through September 30, 1983. Funds for the operation of the contract will be provided to the City of Boston through a federal government grant under Title I of the Comprehensive Employment and Training Act Amendments of 1978, P.L. 95-524. This request is retroactive due to time involved in determining the method of payment.

As this amendment is for the continuation of a contract for technical services at a reasonable cost which conforms to federal procurement requirements for CETA programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s.

Sincerely,  
Paul S. Grogan,  
*Director*

#### Elderly Services Programs

Dear Mr. Mayor:

On June 29, 1983, your Honor approved an award of a contract, without public advertising bids, to the Boston Evening Medical Center, a nonprofit organization, located at 314 Commonwealth Avenue, for providing an elderly services program. Compensation was determined to be reasonable

not to exceed \$10,000, for the period of July 1, 1983, to June 30, 1984, payment being made from the Community Development Block Grant program Year IX.

Your approval is requested to amend this contract in terms of compensation and services to be provided. Additional funds will be used to provide a social service coordinator and security for one additional day per week, pay for a twenty-four-hour pager and emergency answering service, and enable the center to lease a van to transport the elderly to the center.

I, therefore, respectfully request your Honor's permission to increase compensation by the amount of \$8,300. The total amount of this contract, as amended, shall not exceed \$18,300.

As this is a negotiated contract, at a reasonable cost, based upon an extensive review of proposals, my belief that public advertising would serve no useful purpose. I, therefore, request approval to proceed with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

#### PENAL INSTITUTIONS DEPARTMENT Medical Lab Services

Dear Mr. Mayor:

On November 4, 1982, your Honor approved an award of a contract based on public advertising for bids to Cambridge Diagnostic, Inc., Cambridge, to provide medical laboratory services for inmates at the Suffolk County House of Correction at Deer Island during the period of July 1, 1982, through June 30, 1983, at a cost not to exceed \$8,000.

Your approval is requested to amend this contract to provide for additional medical laboratory services necessitated by a higher level of inmate population than was predicted at the beginning of this fiscal year. The cost of this amendment, which is effective on April 20, 1983, shall not exceed \$4,000, which cost I have determined to be reasonable. The contract as amended shall not exceed \$12,000.

Submission of this letter will be delayed pending receipt of properly executed CM 10 and CM 6 forms from the vendor. Additionally, departmental budgetary transfers must be processed so that sufficient funds will be available for this amendment.

Because of the lowest prices quoted in the original bid submitted by Cambridge Diagnostic, Inc., and because they will remain bound to provide services at those prices, I believe that further public advertising would serve no useful purpose.

Very truly yours,

James F. Roberts,  
Acting Commissioner.

#### PUBLIC WORKS DEPARTMENT Engineering Services

Dear Mr. Mayor:

On September 28, 1982, your Honor approved an award of a contract, without public advertising for bids, to Seelye Stevenson Value & Knecht, Inc., for engineering services for the Summer Street Bridge over the Reserved Channel during the period August 16, 1982, to June 30, 1983, at a cost not to exceed \$8,950.

Your approval is requested to amend this contract to provide for additional engineering services relative to the piling foundation at the bridge. This would include the developing of plans, specifications and estimate for superstructure and pile repair at the subject bridge.

The cost of this amendment, which is effective on February 1, 1983, shall not exceed \$23,850, which I have determined to be reasonable. The contract, as amended, shall not exceed \$32,800.

This request is being submitted at this time due to the loss of the original letter of intent by the engineer and we only now have received a copy of the necessary correspondence to initiate this request.

This amendment is relative to and in conjunction with work currently being performed by this consultant and therefore I believe that public advertising would serve no useful purpose.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

#### Refuse Removal

Dear Mr. Mayor:

On July 20, 1982, your Honor approved the award of a contract based on public advertising for bids to United Contracting Co. Inc. of Boston, 1141 Dorchester Avenue, Boston, for collecting and removing refuse in District 10, Roxbury during the period July 1, 1982, to June 30, 1983, at a cost not to exceed \$756,698.

Through an administrative error, the contract amount should have stated that it should not exceed \$758,998, since under the conditions of section 2(f) of the specifications an allowance should have been made for monies when the contractor was required to work on snow operations.

Therefore, your approval is requested to amend this contract to provide for monies allowed under section 2(f). The cost of this amendment, which is effective on June 1, 1983, shall not exceed \$2,300, which I have determined to be reasonable. The contract, as amended, shall not exceed \$758,998. The period of performance shall be to June 30, 1983. The deficiency was not discovered until early August, 1983, when final payments were being processed for fiscal 1983, hence, the delay in this submission.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

Dear Mr. Mayor:

On July 20, 1982, your Honor approved the award of a contract based on public advertising for bids to Banfield and Associates Inc., Bldg. 75 Charlestown Navy Yard, for collecting and removing refuse in District 3, Dorchester during the period July 1, 1982, to June 30, 1983, at a cost not to exceed \$750,311.

Through an administrative error, the contract amount should have stated that it should not exceed \$754,611, since under the conditions of section 2(f) of the specifications an allowance should have been made for monies when the contractor was required to work on snow operations.

Therefore, your approval is requested to amend this contract to provide for monies allowed under section 2(f). The cost of this amendment, which is effective on June 1, 1983, shall not exceed \$4,300, which I have determined to be reasonable. The contract, as amended, shall not exceed \$754,611. The period of performance shall be to June 30, 1983. The deficiency was not discovered until early August, 1983, when final payments were being processed for fiscal 1983, hence, the delay in this submission.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

Dear Mr. Mayor:

On July 20, 1982, your Honor approved the award of a contract based on public advertising for bids to Joseph Amara & Sons Inc., 200 Providence Street, Boston, for collecting and removing refuse in District 2, Jamaica Plain, during the period July 1, 1982, to June 30, 1983, at a cost not to exceed \$466,789.

Through an administrative error, the contract amount should have stated that it should not exceed \$468,889, since under the conditions of section 2(f) of the specifications an allowance should have been made for monies when the contractor was required to work on snow operations.

Therefore, your approval is requested to amend this contract to provide for monies allowed under section 2(f). The cost of this amendment, which is effective on June 1, 1983, shall not exceed \$2,100, which I have determined to be reasonable. The contract, as amended, shall not exceed \$468,889. The period of performance shall be June 30, 1983. The deficiency was not discovered until early August, 1983, when final payments were being processed for fiscal 1983, hence, the delay in this submission.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

Dear Mr. Mayor:

On July 20, 1982, your Honor approved the award of a contract based on public advertising for bids to SCA Disposal Services of New England, Inc., Somerville, for collecting and removing refuse in District 5, South Boston, during the period July 1, 1982, to June 30, 1983, at a cost not to exceed \$433,436.

Through an administrative error, the contract amount should have stated that it should not exceed \$436,636, since under the conditions of section 2(f) of the specifications an allowance should have been made for monies when the contractor was required to work on snow operations.

Therefore, your approval is requested to amend this contract to provide for monies allowed under section 2(f). The cost of this amendment, which is effective on June 1, 1983, shall not exceed \$3,200, which I have determined to be reasonable. The contract, as amended, shall not exceed \$436,636. The period of performance shall be June 30, 1983. The deficiency was not discovered until early August, 1983, when final payments were being processed for fiscal 1983, hence, the delay in this submission.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

#### SCHOOL DEPARTMENT Telephone System

Dear Mr. Mayor:

On June 30, 1982, your Honor approved the award of a contract based on public advertisement for bids to Star Datacom, Inc. for furnishing a new telephone system at the administrative offices at 26 Court Street.

The cost of the system as proposed by Star Datacom, Inc., who was the low bidder, was \$454,830 if the system had been purchased outright. However, due to the financial condition of the School Department at the time, it was determined that an installment purchase over seven years or a lease with a \$1 buyout at the end of the term would be a more appropriate way of acquiring the new system.

Your Honor's permission was given to enter into a seven-year arrangement.

At this time, due to unanticipated savings that have been realized by an aggressive energy conservation program implemented in the schools, it is possible to pay off the balance owed on the telephone system and thereby avoid paying an estimated \$213,000 in interest charges.

A principal balance of \$359,316 is currently owed, plus one year's interest charges (from June, 1982, to present) on that balance in the amount of \$44,914. In addition, since the installation of the system in June, 1982, there have been numerous configuration changes — employees moving offices, extension number changes, added lines, etc. The cost of these changes is \$52,612.

Accordingly, your permission is now requested to amend this contract in the amount of \$456,842, in order to purchase the system outright, to discharge the debt service, and to pay for the unanticipated configuration changes that have occurred to date. Total value of the contract will not exceed \$552,356.

Since Star Datacom, Inc. installed and still owns the system and since the original public advertisement for bids was intended to result in the outright purchase of the system anyway, any further public advertisement would serve no purpose.

Very truly yours,

Leo J. Burke,  
Business Manager.

#### Various Electrical Repairs

Dear Mr. Mayor:

On July 29, 1982, your Honor approved the award of repetitive service contract C-3097-83 for repairs to elevators and generators and electrical repairs in buildings under the care and custody of the Boston Public Schools, during the period July 1, 1982, to June 30, 1983, at a cost not to exceed \$135,000. The contract was amended on June 1, 1983, to \$235,000.

Your approval is requested to amend this contract again to provide for additional necessary, and often emergency repairs, which were not anticipated in the estimated cost of the contract or first amendment.

The cost of this amendment to contract C-3097-83 shall not exceed \$25,564. The contract as amended shall not exceed \$260,564. The period of performance shall remain the same.

I have determined that the cost of this amendment is reasonable, and in keeping with the cost of similar repetitive service work. Because the vendors now included in the contract are performing satisfactorily, I believe that further public advertising would serve no useful purpose.

Preparation of this amendment was delayed because of a desire to identify completely all costs for the balance of FY 1983.

Very truly yours

Henry A. Scagnoli,  
Structural Engineer.

#### Computer Equipment

Dear Mr. Mayor:

On April 20, 1983, your Honor approved the award of contract, with public advertising, which appeared in the *City Record*, on Monday, February 7, 1983, to Microsource/Financial, Inc., Watertown, for furnishing the purchase of Apple 11e computer equipment for delivery to be made to the Hubert H. Humphrey ORC.

Your approval is requested to amend this contract to provide for the additional purchase of Apple 11e computers. As a result of supplementary funds made available by the Mayor to the School Department (a portion of these funds to be allocated for the purchase of additional computers); and, since a contract was in force with Microsource/Financial for

this equipment, it was determined that public advertisement would serve no useful purpose.

Microsource/Financial has won previous bids and has been providing ongoing training programs, servicing, etc. The amendment of this contract will allow for a continuance of the same services which have been more than satisfactory. The company has agreed to deliver this equipment at the same prices as stated in the original contract, a price I deem reasonable. The cost of this amendment shall not exceed \$200,000. The total cost of this contract, as amended, shall not exceed \$700,000.

Very truly yours,

Leo J. Burke,  
Business Manager.

#### Leasing of Rooms

Dear Mr. Mayor:

On July 20, 1982, your Honor approved the award of Contract 3003-83, without public advertising for bids, to A. W. Perry, Inc., 44 Bromfield Street, for the lease of rooms to be used for Adult Education instructional purposes on the fourth floor of their building at 16 Lincoln Street, for the period July 1, 1982, to an including June 30, 1983, with an option to extend for one additional year.

Your approval is requested to amend this contract to permit the exercise of the option to extend the lease until June 30, 1984. The rental will continue to be \$3,796.88 per month. The cost of this amendment, which is effective July 1, 1983, shall not exceed \$45,562.50. The total cost of this contract, as amended, shall not exceed \$91,125, which I have determined to be reasonable.

Because the building at 16 Lincoln Street is within proximity of the downtown section of the city, and its use during the past year has been in the best interest of service to the people in this program, I believe that public advertising would serve useful purpose.

This letter is being submitted late because the transaction was initially processed as an extension of time.

Very truly yours,

Paul W. Mooney,  
Senior Structural Engineer.

### CONTRACTS AWARDED

The Mayor has approved the award of the following contracts to the lowest eligible bidders:

#### ADMINISTRATIVE SERVICES DEPARTMENT

##### Divers Equipment

For furnishing divers equipment and supplies, Proposal 266, awarded to South Shore Skindivers, Inc., at \$3,476.28.

##### Light Turf Vehicles

For furnishing light turf vehicles, Proposal 284, to the Public Facilities Department, awarded to Sawtelle Brothers, Inc., at \$7,894.

##### Swimming Pool Supplies

For furnishing swimming pool supplies, Proposal 277, to the Public Facilities Department/Community Schools, awarded to Jones Chemical, Inc., at \$7,887.45.

##### Fire Hose, etc.

For furnishing fire hose and accessories, Proposal 279, to the Fire Department, awarded to Wm. G. Carpenter, Inc., at \$2,621.15.

##### Fire Extinguishers

For furnishing fire extinguishers and fire extinguisher parts, to the Fire Department, Proposal 282, awarded to Gorham Fire Equipment Co., Inc., at \$2,364.35.

#### Air Masks Repairs

For furnishing repair and replacement parts for air masks, Proposal 278, to the Fire Department awarded to American Fire Equipment Co., a, \$15,000.

#### Miscellaneous Fire Fighting Supplies

For furnishing miscellaneous fire fighting supplies, Proposal 280, to the Boston Fire Department awarded to American Fire Equipment Co., Inc. \$21,344; Boston Coupling Co., Inc., \$11,307.50 and Metro Fire and Safety Equipment, \$2,122.

#### Automotive Batteries

For furnishing automotive batteries, Proposal 270, to the various city departments, awarded to Atlantic Battery Co., at \$50,000.

For furnishing batteries, Proposal 271, to the Boston Police Department, awarded to Multiplie Industries Corporation, at \$13,110.16.

#### HEALTH AND HOSPITALS DEPARTMENT

##### Vacuum Cleaner Repairs

For repairing vacuum cleaner equipment at Boston City Hospital, awarded to The Dowd Company, Inc., at \$2,500.

**NOTICE TO CONTRACTORS**

**Invitation for Bids for Installation of Intrusion  
Alarm System at Traffic and Parking Department  
Headquarters.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Installation of Intrusion Alarm System at Traffic and Parking Department Headquarters."

SCOPE OF WORK includes: labor and material to install security monitoring devices at the Traffic and Parking Department headquarters.

**TIME AND PLACE FOR FILING BID APPLICATIONS:** General bidders must submit an Application to Bid and Contractor Qualification Statement or Update to the department on or before twelve o'clock noon, Boston time, on March 4, 1985, at the office of the Awarding Authority, sixth floor, 26 Court Street, Boston, MA 02108. ALL GENERAL BIDS shall be filed with the Awarding Authority at the above address before twelve o'clock noon on April 3, 1985, at which time and place respective bids will be opened forthwith and read aloud. The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be the public interest to do so.

Applications to bid are now available at the offices of the Public Facilities Department. PLANS AND SPECIFICATIONS will be available on or about February 25, 1985, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

**Invitation for General Bids for Furnishing, Delivering Automatic Floor Scrubber to Central Food Facility, 370 Columbia Road, Dorchester, Mass.**

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing and delivering automatic floor scrubber to Central Food Facility, 370 Columbia Road, Dorchester, Mass.

General bids will be received up until twelve o'clock noon, Boston time, Monday, March 11, 1985, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the office, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid must be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid must be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, the sum of \$100 minimum of 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless an award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.),

chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials of payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

**PUBLIC FACILITIES DEPARTMENT**

**NOTICE TO CONTRACTORS**

**Invitation for General Bids for Site Improvements at Joseph S. Shubow Park, Brighton.**

The City of Boston, acting by its Director of Public Facilities, Room 601, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, invites sealed bids for site improvements at Joseph S. Shubow Park, Brighton.

Bids will be received up until twelve o'clock noon, Boston time, March 15, 1985, at the office of the Awarding Authority, Room 601, 26 Court Street, Boston, MA 02108, at which time and place they will be publicly opened and read aloud.

The bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston, in the sum for 5 percent of his or her bid.

No bid may be withdrawn after the time limit for filing bids and for the five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless an award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation by insurance and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.) chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

Plans and specifications will be available on or about February 25, 1985, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston, for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum of 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids or any item or items of a bid, if it be in the public interest so to do.

CITY OF BOSTON,  
PUBLIC FACILITIES COMMISSION,  
JAMES F. HART,  
*Director.*

(Feb. 25.)

bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

AUTHORITY**

Transportation Building, 10 Park Plaza  
Boston, MA 02116-3933

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. ROCCNO1 TRACKLESS TROLLEY RUNNING REPAIR FACILITY, North Cambridge, Massachusetts, PHASE II, will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on March 21, 1985. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

Work consists of improvements and modifications to the trackless trolley yard involving grading, paving, fencing, gates, retaining walls, masonry work, exterior lighting, grounding and certain utility modifications.

This contract is subject to a financial assistance contract between the MBTA and the United States Department of Transportation.

Prequalification of contractors in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders" will not be applicable to this Contract.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after February 18, 1985, Monday through Friday, at a charge of \$25. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition,

pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 14 percent WBE 4 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Senior Project Manager, John Powers, 58 Day Street, Somerville, MA 02144, telephone No. (617) 722-5806. A prebid conference will be held on March 7, 1985, at 10 a.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424) apply to any contract, procurement or agreement which results from this solicitation.

Bid Guaranty shall consist of a bid deposit of fourteen thousand dollars (\$14,000), in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**NOTICE TO CONTRACTORS**

Invitation for Bids for Furnishing Mechanical Sweeper for Cleaning of Roadways in City Cemeteries and Invitation for Bids for Guard and Protection Services at Parks and Recreation Facilities, Various Locations in the City of Boston — Contract W.

The City of Boston, acting by the Parks Commission, Room 816, Boston City Hall, Boston, MA 02201, hereinafter referred to as the Awarding Au-

thority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for these projects are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract documents entitled "Furnishing Mechanical Sweeper for Cleaning Roadways in City Cemeteries."

**SCOPE OF WORK:** Furnish mechanical sweepers with operators, including transportation, parts, tools, equipment and consumables required to perform the work specified. Estimated cost of contract is \$5,000.

Guard and Protection Services at Parks and Recreation Facilities, Various Locations in the City of Boston — Contract W.

**SCOPE OF WORK:** Furnish guard and protection service for designated real property and personal property within the designated cemeteries in the city. Estimated cost of contract is \$10,000.

Bids shall be submitted in duplicate before 5 p.m., on Tuesday, March 12, 1985, and open forthwith, and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to time named for opening of bid.

The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

**SPECIFICATIONS** will be available on or about Monday, February 25, 1985, after 9 a.m., at the Parks and Recreation Department to all interested parties who present a \$10 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within the days of the bid opening in order for the bidder to have the \$10 check returned.

Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications as the obligation of the contractor and subcontractor to take affirmative action in connection with employment practices in the performance of the contracts.

The successful bidder will be required to provide insurance for the payment of compensation to the furnishing of other benefits under the Women's Compensation Law, General Laws (Ter. Ed.) chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

Prospective bidders are requested to attend prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, March 19, 1985, at 10 a.m., Boston time.

### CITY OF BOSTON

#### INSPECTIONAL SERVICES DEPARTMENT

#### NOTICE TO CONTRACTORS

#### Proposal for Boarding and Securing, Project No. 64-CD-ABU (A-G), Community Development Block Grant.

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

- 7 Intervale Street, Ward 14
- 1 Intervale Street, Ward 14
- 2 Mt. Pleasant Avenue, Ward 8
- 4 Mt. Pleasant Avenue, Ward 8
- 7 Atherton Street, Ward 11
- 7 Atherton Street, rear, (garage only) Ward 11
- 7A Greenville Street, Ward 12

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, March 7, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud. General bids must be submitted on the form for general bid obtained from the Awarding Authority. General bids shall be completely filled in, sealed, enclosed in an envelope, sealed, and only marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be opened before time stated above for the opening of the general bids.

No general bid may be withdrawn after the time set for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) after the opening of the general bids. In addition, no general bid filed by the three lowest responsible eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rates determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder. The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 64-CD-ABU."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

#### Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

#### Attention to All Bidders

##### I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

##### II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

#### NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to

NOTICE TO CONTRACTORS

**Proposal for Demolition and Site Clearance,  
Project No. 142-CD-ATD(A-C), Community  
Development Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 808, City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

145 Homestead Street, Ward 12  
241-243 Humboldt Avenue, Ward 12 (rear barn)  
1258 Blue Hill Avenue, Ward 14

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, March 7, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined of this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and the Housing and Urban Development

Department, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, section 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Project No. 142-CD-ATD."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for the employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the demolition and site clearance of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The contractor's attention is called to XXIV Protection of the Public. These measures, which appear in the contract, are of two general types: revisions to the demolition contract specifications, and modifications or additions to the Clearance of Unsafe Buildings Program itself.

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE  
ACTION TO ENSURE EQUAL EMPLOYMENT  
OPPORTUNITY (EXECUTIVE ORDER  
11246), IF APPLICABLE.**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas, (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies

fully with the following requirements for Minor Business Enterprise Utilization, if applicable.

**Notice**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices the performances of this contract.

**Attention to All Bidders**

**I. Minority Business Requirements:**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least percent of his bid price shall be expended for minority business enterprise, if the bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Direct lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of the directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, eighth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use minority business that is not listed in the Directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**II. Workforce Requirements:**

During the performance of this contract, the general contractor shall agree and shall require that subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provision chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If the contractor has any questions pertaining to the applicability

ese requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section of the Housing and Urban Development Act of 1968 and Executive Order 11246.

CITY OF BOSTON,  
INSPECTIONAL SERVICES DEPARTMENT,

*Inspectional Services Commissioner.*  
(Feb. 25.)

#### ADVERTISEMENT THE SCHOOL COMMITTEE OF THE CITY OF BOSTON

Department of Planning and Engineering,  
26 Court Street, Boston, Mass.

#### Invitation for General Bids for Furnishing, Delivering and Setting in Place Automatic Slicing Machines in Various Schools.

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing, delivering and setting in place automatic slicing machines in various schools.

General bids will be received up until twelve clock noon, Boston time, Monday, March 11, 1985, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$100 minimum or 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Sat-

urdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

PAUL W. MOONEY,  
*Senior Structural Engineer.*

Office of the Business Manager

#### Proposals for Furnishing and/or Financing the Acquisition of Vehicles.

The School Committee of the City of Boston invites sealed proposals for furnishing and/or financing the acquisition of the following vehicles:

125 School Buses (65-passenger)

136 Vans (8-passenger)

Every proposal shall be submitted in duplicate on, and in accordance with, the contract documents which may be obtained at the office of the Business Manager, tenth floor, 26 Court Street, Boston, on or after February 25, 1985.

All proposals shall be filed no later than 12:00 noon, Boston time, on March 26, 1985, at the office of the City Auditor, Room M4, City Hall, Boston, and at the office of the Business Manager, tenth floor, 26 Court Street, Boston, at which time and place they shall be publicly opened and read aloud.

A bidders conference will be held on March 5, 1985, at 12:00 noon at the office of the Business

Manager, tenth floor, 26 Court Street, Boston. Any clarification or change of the contract documents resulting from the bidders conference will be communicated in writing to all persons receiving copies of the contract documents.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for a bid deposit and a performance bond or deposit.

Each proposal must be accompanied by a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, in the amount of \$5,000, which sum shall be forfeited as liquidated damages in the event the bidder fails to execute a contract or fails to supply a performance bond or deposit in accordance with the contract documents.

A performance bond of a surety company authorized to do business in Massachusetts and in a form substantially as prescribed by the contract documents, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, will be required of the successful bidder(s) as security for the faithful performance of the contract. The penal sum of such bond shall be equal to twenty-five percent (25%) of the total value of the contract awarded to a particular bidder.

The School Committee of the City of Boston reserves the right to reject any or all proposals or any part or parts thereof and to award the contract(s), or not to award the contract(s), as the School Committee deems to be in the interests of the City.

#### Proposals for Providing Fresh and Frozen Foods for the Boston Public Schools.

The School Committee of the City of Boston acting by the Business Manager, invites interested, competent persons and firms customarily engaged in providing fresh and frozen foods, such as:

Meat and Fish  
Fruits and Vegetables  
Cookies and Crackers  
Pizza

to enter into a contract with the Department of School Food Services for providing the above items for the period July 1, 1985, through June 30, 1986.

Copies of the contract documents may be obtained at the School Food Services Office, second floor, 26 Court Street, Boston, MA 02108.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

The Director of School Food Services reserves the right to reject any or all applications as she deems it to be in the public interest to do so.

**NOTICE TO CONTRACTORS**

**Invitation for Bids for Maintenance and Operation of Existing Intrusion Alarm Systems at Various Locations in the City of Boston, Contract J, and Maintenance and Repairs to Existing Fire Alarm Systems at Various Locations in the City of Boston, Contract X.**

The City of Boston, acting by the Parks and Recreation Commission, Room 816, Boston City Hall, Boston, MA 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled projects. Bids shall be clearly identified as a bid, and signed by the bidder on a form supplied by the Parks and Recreation Department. All bids for these projects are subject to all applicable provisions of law, including without limitations, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled:

**CONTRACT J**

Maintenance and Operation of Existing Intrusion Alarm Systems at Various Locations in the City of Boston.

**SCOPE OF WORK INCLUDES:** Work under this contract consists of furnishing all materials, labor and equipment to monitor, maintain and operate, existing intrusion alarm systems. Estimated cost of construction is \$25,000.

**CONTRACT X**

Maintenance and Repairs to Existing Fire Alarm Systems at Various Locations in the City of Boston.

**SCOPE OF WORK:** Work under this contract consists of furnishing all labor, materials and testing equipment to maintain existing fire alarm systems. Estimated cost of construction is \$34,000.

**TIME AND PLACE FOR FILING BID APPLICATIONS:** Bidders must submit an Application to Bid and Contractor Qualification Statement or Update to the department on or before twelve o'clock noon, Boston time, on Monday, March 4, 1985, at the office of the Awarding Authority, Room 816, City Hall, Boston MA 02201. All bids shall be filed with the Awarding Authority at the above address before twelve o'clock on Wednesday, April 10, 1985, at which time and place respective bids will be opened forthwith and read aloud. The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

APPLICATIONS TO BID are now available at Room 816, Parks and Recreation Department.

PLANS AND SPECIFICATIONS will be available on or about Monday, March 4, 1985, after 9 a.m., at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston. The attention of all bidders is

specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of the contracts.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, April 2, 1985, at 10 a.m., Boston time.

# CITY RECORD

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

JOSEPH M. TIERNY  
PRESIDENT, CITY COUNCIL

VOL. 77

MONDAY, MARCH 4, 1985

NO. 9

## BOSTON COLLEGE CITIZENS SEMINAR

*Address of Mayor Raymond L. Flynn, February 26, 1985.*

Today's seminar is a milestone in the progress of the municipal coalition for financial reform. Over the past several weeks — in many forums — municipal leaders like Mayor Musante, Mayor Torigian, and I have been talking and planning. Our discussions have shown us that every municipality — whether big or small, rich or poor — has the same desire to provide the best possible services.

Everywhere I've visited in the past several weeks — Northampton or Newton, Peabody or Pittsfield, New Bedford, Fall River, Springfield or Somerville — I've found mayors, managers, aldermen, and selectmen who share common problems when it comes to the bottom line. And out of these discussions we are creating a task force for fairness.

We are a task force looking for leaders, and the leaders we need can be found at the State House. Because the problems of the cities and towns — and the solutions we have proposed — are questions of fairness and equity that must be answered by the Governor and the Legislature.

Our mission can be summarized in a few sentences:

- Municipal financial reform should have followed the enactment of Proposition 2½, to share the burden rather than just drop it. But the reforms did not take place. It is left to today's state and municipal leaders to finish the job.

Because, since 1981, Boston alone has lost over \$400 million, because of its over-reliance on the property tax. Increases in local aid from the Commonwealth, while needed and appreciated, have not come close to covering this loss. Indeed, the increases have not even kept pace with inflation.

No one can place blame on the property owner who voted to put controls on what had been an uncontrolled and unfair property tax burden, especially when 50 percent of the Boston property owners are paying the freight for the more than one million people who use city services every workday.

But, by the same token, you cannot suggest that the people who voted for 2½ were voting for fewer, less well-trained police officers, or for fewer health and social services for the elderly.

If we are to be able to provide — and improve — those services, we need a fair relationship with state government. Mayor Musante and Mayor Torigian will be able to tell you about the unique needs and concerns in their cities. I will

tell you that Boston is a case study of the need for municipal financial reform.

We are the only major city in the country that leans so heavily on the property tax to finance basic services. We rely on this levy for 98 percent of our locally generated revenues.

By comparison, Philadelphia realizes a mere 23 percent of its local revenue from property. And the list goes on: St. Louis and Kansas City realized only 15 percent of their local revenues from property. New York and San Francisco receive only 45 percent and Baltimore 64 percent.

To appreciate the meaning of this comparison, we must look at it in the context of Boston's economic relationship with the Commonwealth.

As all of you know, Boston is the historic economic and financial center for the region. Over sixty percent of all the jobs in Boston are held by those who live outside the city. High tech has replaced textiles and schooners have given way to jets and trucks — but the city remains at the center in financial services, transportation, education, tourism, medicine, and the retail industry. A few blocks from here, at Quincy Market, the annual sales surpass Disneyland. Our hotels and convention center attract meetings such as last year's Shriners' Convention, which generated over \$45 million for local businesses.

Sixty-five thousand Shriners enjoyed a week in Boston without incident, protected and served by a city government that spent \$483,000 and did not directly receive a penny from all that business.

Boston's booming economy is helping to fuel the state's recovery. Just this morning, *The Boston Globe* reported that in the last quarter of 1984, the Port of Boston surged to a 41 percent increase over the same quarter in 1983.

And last year Boston experienced the single greatest amount of new development in any one year: \$3 billion in new projects.

We are talking about a city that last year generated \$1.1 billion in revenue to the state. That is more than one-sixth of all the revenue that the state received in 1984.

Yet we annually get back only 21 cents for every tax dollar we send to the state.

While we act as a rich stream of revenue for the state, our single source of revenue is severely limited by another factor:

- Over 50 percent of our parceled land area is tax exempt.

Only Washington, D.C. comprises more tax-exempt property than does Boston. We are proud to host the symphony and the museums, the hospitals and universities. They are integral parts of Boston's reputation as a center of learning and culture.

Yet this situation creates a painful irony for Boston: we are home to institutions that are world leaders in new ideas, while we provide services to them using an out-of-date revenue structure.

We need structural reform in Boston, because the factors I have outlined have combined to create a structural gap between revenue and essential expenditures. In recent years, city government has attempted to cover the gap through the sale of garages and through other one-time revenue

(Continued on next page)

## B. C. Citizens Seminar . . .

(Continued from front page)

sources. But those days are over. We are running out of furniture to throw on the fire.

But we also know that it takes for new ideas to win acceptance and then approval. So, in Boston, we have done some other things that were difficult but necessary. Through this city's fiscal 1985 budget we have made some painful budget cuts:

- Personnel reductions reached 460 full-time equivalents by the end of calendar 1984.

- Two-thirds of all city departments started the year with their budgets either level-funded or cut, as compared with fiscal year 1984.

- And most agencies and departments were reduced another five percent in the course of this fiscal year.

- We have reduced overtime by 10 percent overall. Middle management overtime costs have been virtually eliminated.

- We have moved city departments from outside offices back to City Hall, at a savings of \$300,000.

But, as State Revenue Commissioner Ira Jackson has pointed out, these management moves were necessary but not sufficient. He said, "Even the efficiencies and economics in the city's management — and many are being made — cannot drive a solution of a structural nature. In the longer term, the structural inadequacies could shake the foundation of the city's viability."

And viability means the ability to live. In Boston, it means having the funds necessary to continue to improve the quality of life in our neighborhoods. To put police on the streets, to rebuild neighborhood recreation centers, and to repair the infrastructure. The foundation for our city must be made up of good schools, good jobs, and efficient services.

We have made some progress in building this foundation. We are cleaning the streets — last year we organized the city workforce and 5,000 volunteers to pull 4,000 tons of debris from streets, sidewalks, parks, and vacant lots.

We are helping those who find it hardest to help themselves — and we have applied scarce resources to a program to arrest the rate of infant mortality in the city.

To continue this important work, we have proposed a set of options for finan-

cial reform. We have opened our books and we have analyzed our problems in detail. Deputy Commissioner Collins, who is with us on the panel, worked closely and cooperatively with the city on a very fair and thorough review of our budget before certifying the city's tax rate this fiscal year.

We have shared this analysis with our state leaders. Just this morning, I had a very productive meeting with Senate President Bulger. Last Friday, I met with Governor Dukakis, where he repeated his commitment to provide Boston with the "tools and resources" to earn financial independence. And earlier I met with Speaker Keverian and the leadership of the House.

Our need becomes more urgent in light of the cutbacks that the President has proposed for the fiscal 1986 federal budget. At a time when the City of Boston needs more money to fight a drug war on the streets, the budget makers want to cut revenue sharing funds and spend billions on militarizing the stars. The budget makers defend their proposals by citing surpluses enjoyed by states and cities. But in Boston, we are looking at a potential deficit of \$60 million at the end of fiscal 1986 — even without these proposed federal cuts.

The people of cities and towns across the Commonwealth are asking for a fair deal from their state government. That is the lesson we hope to leave with you today.

Thank you.

## FIRE DEPARTMENT ORDERS

February 21

General Order No. 8

### I. PROMOTION

The following-named member has been promoted to fire captain and transferred to Headquarters, effective 0800 hours, Wednesday, February 20, 1985:

Fire Lieutenant Paul R. Moore, Ladder Company 6.

### II. RETIREMENT

The retirement of the following-named member in accordance with the provisions of section 7, G.L. c. 32, will become effective at 0800 hours, March 1, 1985:

Fire Fighter James J. Anderson, Jr., Ladder Company 15.

Fire Fighter Anderson was appointed to the department on November 12, 1958, and he leaves the department with the best wishes of his associates.

### IV. CHANGE IN RESPONSE

Company commanders shall make the following change in their UAAB books:

Box 12-1662, 1st alarm ladder response — Company 17, add Ladder 15.

### V. CHANGE IN RESPONSE (CORRECTION)

The change in response, as listed in General Order No. 7, should be corrected to read:

Box 1877, Working fire — drop Engine 10 — Engine 39.

Working fire drop Engine 56 — Engine 10.

Company commanders shall make the above correction in their UAAB assignment books.

### VI. FIRE ALARM BOX LOCATION (CORRECTION)

The location of fire alarm box 13-1283, as listed in General Order No. 4, shall be corrected to read as follows:

Box 13-1283, One Post Office Square Building, One Post Office Square.

Company commanders shall make the above correction in their UAAB books.

### VII. FIRE ALARM BOX ESTABLISHED

The following-named fire alarm box has been established and company commanders shall add the appropriate UAAB assignment card:

Box 12-1435, Wang Laboratory, 185 Kneeland Street.

The circuit number will be announced when the box is installed.

### VIII. COMMENDATION

The Fire Commissioner is pleased to commend Data Processing Systems Analyst William Hackett for his analysis and reporting of certain patterns concerning fire alarm boxes which had a history of high false alarms and led to the apprehension and conviction of two individuals pulling false alarms.

Because of his initiative and diligence in helping to reduce a major problem in the fire service, the Commissioner wishes to make this commendation a part of his personnel record.

For furnishing typesetting and printing press supplies, Proposal 295, to the ASD/Purchasing Division/Printing Section, awarded as follows:

Polychrome Corporation, \$65,254.47; Roberts & Porter, Inc., \$28,531.82; and D & M Products, \$6,373.94.

#### **Electrophoresis System**

For furnishing electrophoresis system, Proposal 298, to the Boston Police Department, awarded to Sartorius Filters, Inc., at \$6,484.50.

#### **Box Stalls**

For furnishing miscellaneous parts for portable box stalls, Proposal 294, to the Boston Police Department, awarded to Crowley Commission Sales, Inc., at \$16,393.

#### **Grass Seed, etc.**

For furnishing grass seed and weed control, Proposal 286, to the Parks and Recreation Department, awarded to John D. Lyon, Inc., at \$4,567.50.

#### **Rake Handles**

For furnishing rake handles, Proposal 291, to the Boston Fire Department, awarded to R.G. Mearns Co., Inc., at \$3,298.60.

#### **Automotive Equipment**

For furnishing automotive equipment (trucks, salt spreaders, trailer), Proposal 289, to the various city departments, awarded as follows:

International Harvester Co., \$604,409.24; Oste Chevrolet, Inc., \$86,669; Polar Equipment Co., \$40,650; C & J Lawnmower Service, Inc., \$2,270.

#### **Rental of Cargo Van**

For furnishing rental of cargo van, Proposal 302, to the Police Department, awarded to Clark & White Rental, Inc., at \$11,775.

#### **Air Masks Accessories**

For furnishing cylinders & brackets for air masks, Proposal 304, to the Fire Department, awarded to American Fire Equipment Co., Inc., at \$40,006.70.

#### **Conversion Kits**

For furnishing conversion kits, Proposal 297, to the Fire Department, awarded to American Fire Equipment Co., Inc., at \$22,000.

### HEALTH AND HOSPITALS DEPARTMENT

#### **Vacuum Cleaner Repairs**

For repairing miscellaneous vacuum cleaner equipment at Boston City Hospital, awarded to Custodial Systems & Supplies, at \$10,000.

#### **Microfilming Services**

For microfilming of deceased patient's medical records at Boston City Hospital, awarded to Spaulding Company, Inc., at \$29,825.

### LIBRARY DEPARTMENT

#### **Carbon-Filled Panels**

For supplying and delivering carbon-filled panels for CF-4 activated carbon filters, awarded to Air Engineering, Inc., at \$24,852.

#### **Offset Paper Supplies**

For supplying and delivering miscellaneous offset paper supplies, awarded to Century Paper Company, Inc., at \$10,513.30.

### PARKS AND RECREATION DEPARTMENT

#### **Franklin Field Improvements**

For construction of improvements at Franklin Field, awarded to L. Russo Construction, Inc., at \$338,210.

#### **Fence Repairs**

For fence repairs at Mary Hannon, Edward P. Clifford, Reverend Fr. Buckley Playgrounds, awarded to Expert Fence Corp., at \$71,500.

#### **Protection Services**

For guard and protection services at Parks and Recreation facilities, various locations in the City of Boston, awarded to Guardline Associates, at \$20,529.60.

#### **Franklin Park Improvements**

For construction of improvements at Franklin Park, West Roxbury, awarded to D. F. Frangioso Co., Inc., at \$389,700.

### PUBLIC FACILITIES DEPARTMENT

#### **Generator Housing**

For emergency generator housing, Long Island Chronic Disease Hospital, awarded to Logan Plastering and Construction, Inc., at \$28,980.

#### **Roof Replacements**

For roof replacements at Grove Hall Library, awarded to Titan Roofing, Inc., at \$93,000.

#### **Egress Door and Spiral Stair**

For egress door and spiral stair, Deer Island House of Correction, awarded to John Palumbo Company, at \$44,400.

### PUBLIC WORKS DEPARTMENT

#### **Highway Reconstruction**

For state and project for highway reconstruction in East Seventh Street, Gates Street, Knowlton Street, etc., awarded to Baker & Company, Inc., at \$634,739.25.

#### **Roadway Resurfacing**

For roadway resurfacing in the Central Business District in Boston, awarded to Hot-Top Pavements, Inc., at \$393,830.

### SCHOOL DEPARTMENT

#### **Data Processing Materials**

For furnishing data processing materials, awarded to Duplex Products, Inc., Weymouth, not to exceed \$29,279; NCR Corporation, Newton, not to exceed \$15,000; The Arnold Corporation, Canton, not to exceed \$13,988.20; Globe Ticket Company, Woburn, not to exceed \$6,202.

#### **Oil Burners**

For furnishing and installing new oil burners in various schools, awarded to J. A. Marino Automatic Heating Co., Inc., at \$13,123.

#### **Glass Replacements**

For glass replacements at Hyde Park High School, awarded to R & L Construction Co., Inc., at \$3,104.

#### **Audio-Visual Equipment, etc.**

For furnishing audio-visual equipment and supplies (the Humphrey Center ORC), awarded as follows:

General Photographic Supply Co., a division of American Modern Distributors, Inc., \$4,041.03; Multigraphics, a division of AM International, Inc., \$3,590.90; W.B. Hunt Co., Inc., \$3,430.41; USI, Inc., \$2,102.50; Lake Systems Corporation, \$2,080.15.

#### **Physical Education Apparel**

For furnishing education athletic wearing apparel (baseball and softball), awarded to Hyde Park Sports, Inc., not to exceed \$15,000; and Holovak & Coughlin Sporting Goods, not to exceed \$3,500.

#### **Paper Towels**

For furnishing singlefold paper towels, awarded to Bay Colony Paper Corporation, not to exceed \$27,000.

#### **Leasing of Vehicles**

For furnishing leasing of vehicles for Boston School Department (Tileston Alternative, McKinley, etc.), awarded to Jack Madden Food Sales, Inc., at \$7,950.

#### **Printing Services**

For furnishing printing of newsletter (Student Voice), awarded to Harwich Industries, Inc., at \$6,253.36.

#### **Computer Supplies**

For furnishing computer supplies (annual order), awarded to W. B. Hunt Co., Inc., not to exceed \$30,000; and Supply 21 Corporation, not to exceed \$15,000.

#### **Clock System**

For furnishing and installing a secondary clock system at Boston Latin Academy, awarded to D & S Electric and Lighting Service, at \$6,750.

#### **Chimney Repairs**

For rebuilding the chimney at the Martin L. King School, awarded to Boston Chimney and Tower Co., Inc., at \$16,495.

### INSPECTIONAL SERVICES DEPARTMENT

#### **Razing of Structure**

For the razing of the structure at 28 Angell Street, Ward 14, awarded to Napoli Wrecking, at \$8,700.

#### **Boarding and Securing**

For the boarding and securing of the structures at 42 Wayland Street, Ward 13; 21 Esmond Street, Ward 14; 53 Kingsdale Street, Ward 14; and rear, 53 Kingsdale Street, Ward 14; awarded to Donald Clancy & Sons, at \$3,720.

#### **NDEA**

#### **Uniformed Security Guards**

For a uniformed security guard detail, awarded to Excelon Security Services, Inc., at \$26,344.50.

#### **Trash Removal**

For daily trash removal services, awarded to AFL Disposal Company, Inc., at \$5,460.

### PARKS AND RECREATION DEPARTMENT

#### **Basketball Surface Improvements**

For improvements to basketball surfaces at various locations, awarded to New England Sealcoating, Inc., at \$86,755.

### PUBLIC FACILITIES DEPARTMENT

#### **Site Improvements**

For site improvements for American Legion Playground, awarded to Rich Construction Corporation, at \$23,498.

#### **Heating Modifications**

For heating modifications at Fire Headquarters, Engine 51, Hyde Park Municipal Building, awarded to Aarco, Inc., at \$177,210.

### Various Engineering Services

For professional electrical engineering services and technical assistance, the preparation of feasibility studies, preliminary schemes, plans, specifications and cost estimates, and supervision of construction, for various projects, at a total cost not to exceed \$35,000, awarded to Lottero & Mason, Inc., and Helden Associates, Inc.

For professional architectural/engineering services and technical assistance, the preparation of feasibility studies, preliminary schemes, plans, specifications and cost estimates, and supervision of construction, for various projects, at a total cost not to exceed \$50,000, awarded to Anderson-Nichols & Co., Inc., CE Maguire, Inc., and SEA Consultants, Inc.

For professional mechanical engineering services and technical assistance, the preparation of feasibility studies, preliminary schemes, plans, specifications and cost estimates, and supervision of construction, for various projects, at a total cost not to exceed \$50,000, awarded to Readon & Turner, Helden Associates, Inc., and Richard D. Kimball Co., Inc.

For professional plumbing engineering services and technical assistance, the preparation of feasibility studies, preliminary schemes, plans, specifications, and cost estimates, and supervision of construction, for various projects, at a total cost not to exceed \$20,000, awarded to Robert W. Sullivan, Inc., and E. J. Flynn Engineering Inc.

For professional civil/structural engineering services and technical assistance, the preparation of feasibility studies, preliminary schemes, plans, specifications, and cost estimates, and supervision of construction, for various projects, at a total cost not to exceed \$25,000, awarded to Green International Affiliates, Inc., H.W. Lockner, Inc., and Schoenfield Associates, Inc.

### Surveying Services

For professional surveying services, inspections and the preparation of studies, reports and recommendations for various projects, at a total cost not to exceed \$25,000, awarded to Boston Survey Consultants, Inc., Somerville Engineering, Inc., and Blackman & Bianco, Inc.

### Specifications Writing

For professional services and technical assistance, in the preparation of contract specifications for various projects, at a total cost not to exceed \$10,000, awarded to Charles H. Stretton, and Rothman, Inc.

### Soil Testing, etc.

For soil testing and inspection services for various projects, at a total cost not to exceed \$20,000, awarded to Haley & Aldrich, Inc., and American Engineering & Testing, Inc.

### Structural Steel Testing

For concrete and structural steel testing and inspection services, at a total cost not to exceed \$20,000, awarded to American Engineering & Testing, Inc., and C.E. Maguire, Inc.

### PUBLIC WORKS DEPARTMENT

#### Elevator Maintenance

For preventive maintenance and repair program for elevators at the Central Maintenance Facility, awarded to Montgomery Elevator Company, at \$19,120.

### Radio Repairs, etc.

For miscellaneous repairs to two-way radios and base stations, awarded to Electrocom Corporation, at \$17,050.

### Repairs to Spreaders

For miscellaneous repairs to Anderson spreaders, etc., awarded to Anderson Engineering Co., Inc., at \$21,000.

### Automotive Repairs

For repairs to cylinder heads, brake shoes, clutches, etc., awarded to Boston Clutch Works, Inc., at \$4,300.

### Bridge Repairs

For repairs to the structural steel and miscellaneous work at L Street Bridge over the Reserved Channel, awarded to Bonacorso Construction Corp., at \$198,910.

### Glass Installation

For installation of glass in Public Works Department equipment, awarded to Jackson Glass, Inc., at \$12,000.

### Highway Construction

For highway construction in Countryside Drive in Dorchester, and highway reconstruction in Alcott Street and Dighton Street in Brighton, awarded to Todesca Equipment Company, at \$157,077.

### Painting of Bridge

For painting the draw and approach spans of the Charlestown Bridge over the Charles River, Water Street, and the Boston & Maine R.R. awarded to Eastern Decorators, Inc., at \$96,680.

### SCHOOL DEPARTMENT

#### Data Processing Supplies

For furnishing data processing materials, awarded to Duplex Products, Inc., not to exceed \$29,279; NCR Corporation, not to exceed \$15,000; The Arnold Corporation, not to exceed \$13,988.20; and Globe Ticket Company, not to exceed \$6,202.

#### Various Shop Supplies

For furnishing shop supplies and equipment (electrical, automobile and radio supplies, Catalogue 209), awarded to Snap-On Tools Corporation, not to exceed \$10,000; and North Shore Hardware Co., Inc., not to exceed \$6,000.

For furnishing shop supplies (ORC), awarded to Gould Industrial Supply Co., Inc. not to exceed \$8,034.85; North Shore Hardware Co., Inc., not to exceed \$7,897.21; Eagle Electric Supply Co., Inc., not to exceed \$5,128.89.

Purchase orders; A. B. Dick Company; American Steel & Aluminum; J. L. Hammett Company; American Printing Equipment; Daye Distributors; Metropolitan Pipe & Supply; Ribco, Inc.

### Resurfacing Platform

For resurfacing the north exterior platform at the William Kent School, awarded to Washington Paving Co., Inc., at \$11,400.

### Microcomputers

For furnishing microcomputers (DEC Rainbow or equal), awarded to Digital Equipment Corporation, not to exceed \$550,000.

### SUFFOLK COUNTY JAIL

#### Communication Equipment Maintenance

For providing communication equipment maintenance and repair for the Suffolk County Jail, awarded to Motorola, Inc., at \$6,120.

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising based on the following communications:

### ADMINISTRATIVE SERVICES DEPARTMENT

#### Purchasing Division

#### Computer Program Rental

Dear Mr. Mayor:

It is requested that permission be granted to dispense with public advertising for bids and award contract, without advertising, to Syncsort, Incorporated, New Jersey, in the amount not to exceed \$3,500, net.

This contract will enable the Administrative Services Department/Data Processing Division to continue to rent the Proprietary Computer Program for the period beginning July 1, 1983, and ending June 30, 1984.

I feel it is in the best interest of the city to continue to do business with this company as their program has proven very successful in the past.

This letter of award is being submitted at this late date due to a delay in the contract negotiations.

Respectfully yours,

Frank F. Chin,  
Purchasing Agent.

#### Copier

Dear Mr. Mayor:

The Purchasing Division has received a requisition from the Assessing Department requesting purchase a Bruning Engineering copier, which has been rented by the Property Equalization Department while they were in existence.

The present cost of this copier to purchase \$7,995 and we have been allowed a credit of \$1,275, which is 75 percent of the amount the Property Equalization had paid for the rental.

Since the Assessing Department has a need for this equipment and since we are being allowed a adequate credit by A.M. Bruning for the monies paid for the past rental, I feel no useful purpose would be served by public advertisement.

Therefore, permission is requested to award contract to A.M. Bruning Needham, in the amount of \$6,720, net, a cost I consider reasonable.

Respectfully yours,

Frank F. Chin,  
Purchasing Agent.

### ASSESSING DEPARTMENT

#### Consultant Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award contract to Murphy Associates, Lawrence, for consultant services to the Assessing Department.

Under the terms of the contract, the contractor, recognized architectural and engineering organization, will provide expert testimony, court appearances or trial preparation as may be required by the Assessing Department in its defense of their appraisals values for the Boston Garden property, located at 80-140 Causeway Street in Boston, for the years 1978-1982, and the Suffolk Downs race track located in the east district of the City of Boston, for the years 1980-1982. The contractor is uniquely qualified to provide these services because of the recent work preparing cost estimates for these properties which were incorporated into the Assessing Department's appraisals.

Compensation under this contract shall not exceed \$5,000, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$500 per diem.

The term of this contract shall be September 15, 1983 through June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

Edward W. Jay,  
Commissioner.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Francis J. McGee, 40 Court Street, for services to the Assessing Department.

Under the terms of the contract, the contractor will appraise the East Boston portion of the Suffolk Downs race track and the Boston Garden property located at 80-140 Causeway Street in the City of Boston. In addition to providing appraisal reports on the above-mentioned properties, the contractor shall assist the Assessing Department with trial preparation and expert testimony related to these properties should the matter be brought to trial. Mr. McGee is uniquely qualified to perform these services because of his years of experience as an appraiser, real estate analyst, and consultant, specially in the area of commercial and industrial properties.

Compensation under this contract shall not exceed \$32,000 which I have determined to be reasonable for the work to be performed. The contractor's rate of compensation for court appearances and related preparation shall be \$600 per day.

The term of this contract shall be September 15, 1983, through June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

Edward W. Jay,  
Commissioner.

#### AUDITING DEPARTMENT Insurance Consultant

Dear Mr. Mayor:

I request your permission to dispense with public advertising and to award a contract to Martin E. Segal Company, Incorporated, located at 607 Boylston Street. The contractor will engage in a study to consider excess loss insurance for the city for risk exposure on employees' group health benefits and workmen's compensation benefits.

Under the terms of the contract, they will review data for past years, evaluate the financial exposure, and estimate possible future claims; assist in deciding at what risk points excess loss insurance is advisable; estimate the costs of such insurance given the current market; and, if the decision is made to proceed with coverage, solicit and screen bids, and aid in selecting and implementing such a program.

The market for excess loss insurance is highly restricted. The number of qualified, independent analysts is even more so. Martin E. Segal Company is uniquely qualified to do this work because of their extensive experience in analyzing the needs of municipal and state governments for self-insurance.

Compensation under this contract shall not exceed \$45,000, which I have determined to be reasonable for the work to be performed. The term of

this contract shall be July 1, 1983, to June 30, 1984.

Because of the highly specialized and professional nature of the services to be provided and the special qualifications of the contractor to provide such services, it is my determination that public advertising would serve no useful purpose.

Respectfully submitted,

Richard J. Hawes,  
Deputy City Auditor.

#### Financial Management System

Dear Mr. Mayor:

Permission is respectfully requested to dispense with public advertising and to award a contract to computer partners, Inc., of 60 State Street, Boston, to develop and implement an integrated financial management system for the city's Auditing and Collector-Treasurer's offices.

Computer Partners, Inc. was selected by the Auditor, Collector/Treasurer and Director of Data Processing to do this work over the period of the next three years following a long period of internal discussion and review of the financial management and data processing problems facing the city in both the near term and the future and of Computer Partner's ability to perform the required tasks in comparison to other firms in the automated financial management field. It is our determination both from this review and from our experience with Computer Partners in other, similar projects for the city, that they combine the best qualifications at a reasonable cost to carry out this long and complex task for the city.

With the forthcoming implementation of Proposition 2½, the city's need for timely and integrated financial reporting system will become critical. Our present record-keeping and reporting systems, as pointed out in the independent auditor's management letters of 1979 and 1980 are woefully inadequate to the needs of a city the size and complexity of Boston. The successful completion of this project is a management goal of the city as we begin to grapple with fiscal problems presented by the passage of Proposition 2½.

The scope of work to be performed by Computer Partners is outlined in considerable detail in the attached proposal of January, 1981. This proposal will become a part of the final contract with Computer Partners.

In summary, Computer Partners will develop and install a city data processing system — compatible integrated financial management system, as was recommended by city's independent and outside auditors, which will include: installation of an automated general ledger and revenue accounting system; implementation of an automated vendor master file and tracking system; installation of an automated accounts payable and disbursement system; installation of a comprehensive appropriations accounting system which is integrated with the general ledger and accounts payable system; convert the city to an updated, automated payroll system which is integrated with the city's accounting system; install and integrate an automated cost, grant and cash management accounting system, and develop and integrate a cash receipting system for the city.

Estimated for this work will be as follows: Fiscal Year 1981, not to exceed fee \$212,000; Fiscal Year 1982, not to exceed fee \$650,000; Fiscal Year 1983, not to exceed fee \$850,000.

These estimated costs correspond to the year in which the work will be done. Much of the previous years' installation work will require extensive testing and monitoring as new systems are brought on line, which explains the large annual increase in

costs. We have determined that these are reasonable fees for the services to be performed. We respectfully request at this time that you grant permission to award a contract for the FY '81 work in the amount not to exceed \$212,000. It is expected that additional contracts will be awarded in Fiscal 1982 and 1983, depending upon the availability of funds and satisfactory conclusion of the prior period's work. It is not expected that work contracted in the FY '84 phase will require additional funding in following fiscal years in order for this phase of the contract to be successful completed.

Because of the uncertainties of 2½ and the developmental nature of this project, some risk concerning final completion and implementation of this project exists; the vendor offers an attractive fee in the early stage of the project on the condition that the option to continue the project, contingent on availability of funds, will be available upon satisfactory conclusion of each phase. We agree with this condition, and believe that their willingness to take this risk weighs strongly in favor of their selection to do this work.

In view of these conditions and the qualifications of Computer Partners, their commitment to work within the uncertainties of this three-year, phased project and their extensive experience with the city's data processing system and architecture, no substantial purpose or benefit would be gained for the city by public advertising.

Newell Cook,  
City Auditor.

#### ELECTION DEPARTMENT Voting Machines Mechanics

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to R.F. Shoup Corp. Pennsylvania, for professional services.

Under the term of the contract R.F. Shoup Corp. will furnish two voting machine mechanics to assist in the Board of Election Commissioners in setting up voting machines and as members of contact teams on the days of the City of Preliminary Election on October 11, 1983, and the City Election on November 15, 1983.

The two voting machine mechanics supplied by R.F. Shoup Corp. are uniquely qualified for the Shoup 2.5 voting machine which is the type of voting machine used in 115 precincts of the city.

The Board of Election Commissioners has hired twelve individuals to assist in setting-up and as members of contact teams for the automatic voting machines used in 137 voting precincts in the city. These individuals are drawn from the local cities and towns (Newton, Brookline, Melrose, and Waltham). Unfortunately, the Shoup 2.5 voting machine is not used in any other city or town in Massachusetts making it necessary to contract with R.F. Shoup Corp. thus incurring travel and lodging costs in order to guarantee qualified and component performance.

In view of the fact that a monitor has been assigned to the Election Department the Board of Election Commissioners has voted to have maximum coverage of voting precincts for the City Preliminary and City Election in order to minimize the waiting period for contact man (voting machine mechanic) to respond to repair or malfunction.

May the board further point out that the Election Commission has been subject to criticism in the past due to lack of trained personnel to respond to malfunctions of voting machines.

The board has retained the R.F. Shoup Corp. in the past in similar circumstances and has found the firm to be both efficient and cost-saving, and feels it

would serve no useful purpose to publicly advertise at this time.

Compensation under this contract shall not exceed \$5,000 for professional services, travel expenses and lodgings which the board deems to be reasonable.

The terms of this contract shall be from October 10, 1983, to November 16, 1983. Compensation shall be at \$25 per hour and travel and lodging costs shall be reasonable.

Respectfully submitted  
Michael A. Joyce,  
Chairman.

**INSPECTIONAL SERVICES DEPARTMENT  
Razing of Structures**

Dear Mr. Mayor:

The following buildings or structures have been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous conditions. These buildings are a menace to the neighborhood. The location are 206 West Ninth Street, Ward 7; and 208 West Ninth Street, Ward 7. Emergency bid held Thursday, September 29, 1983, at 11 a.m.

Accordingly, in conformity with the provisions of chapter 802, Acts of 1972, as amended, particularly section 123.1 thereof, I have asked and received your Honor's permission to enter these various premises and to raze the buildings or structures.

Bidders were requested to submit an aggregate bid for the entire lot of buildings or structures, but to break down their bids to show the charge against each separate address. This breakdown is necessary for later departmental use in billing demolition costs incurred against each separate address. This breakdown is necessary for later departmental use in billing demolition costs incurred against the individual property owner of each house.

We have solicited invitation bids, award to be made to the lowest qualified bidder, and have received the following: Franklin Crane, \$16,600; Jon Berardi, \$7,399; Napoli Wrecking, \$17,400; Mystic, \$9,700; Jay-Mor Wrecking, \$10,935.

John Berardi Wrecking Co. has submitted the lowest aggregate bid. This company is thoroughly familiar with this work, it carries all necessary insurance, and it has done satisfactory work for this department in the past.

The Inspectional Services Commissioner considers the price of this contract as reasonable. Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding, without advertising, as required in the City Charter of a contract in the sum of \$7,399 to the John Berardi Wrecking Co., 117 Franklin Street, Allston, Mass.

Very truly yours,  
Anthony Pepicelli,  
Inspectional Services Commissioner.

**LAW DEPARTMENT  
Legal Services**

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to William Solomon, 23 Claymoss Road, Brighton.

Under the terms of this contract, Mr. Solomon will provide legal services to the Law Department, as required, on an hourly consultant basis, including but not limited to research, preparation of briefs, memoranda, opinion letters, pleadings, and other documents.

Compensation under this contract shall not exceed \$3,500. Payments will be made at the rate of

\$10 per hour for actual time, a rate which is reasonable.

The term of this contract shall be September 1, 1983, through December 31, 1983. This award letter is being submitted late because the requirement for these services and their extent could not be contemplated in advance.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
James P. McGuire,  
Corporation Counsel.

**MANAGEMENT INFORMATION SYSTEMS  
Project Management Services**

Dear Mr. Mayor:

Authority is respectfully requested to award a contract, without public advertising, to Charles T. Main, Inc., Prudential Center, Boston, for the period beginning July 1, 1983, through June 30, 1984.

Charles T. Main, Inc. will provide the following project management and consulting services for the Boston Coordinated Mapping Project within the Management Information Systems Divisions of Administrative Services:

Continuation of project management through selection of vendor and benchmarking tests; finalize the creation of an intelligent street file for data base usage; finalize the completion of a preliminary prototype application; finalize the creation of a city street file coded index for greater versatility in using city streets and addresses; perform necessary consultation for system development through equipment installation and assist the Boston Coordinated Mapping Task Force in completion of vendor evaluations in response to technical specifications and the establishment of requirements for equipment configuration; and including any other services as required by the Boston Coordinated Mapping Task Force and the total amount not to exceed \$50,000.

Due to the professional nature of the work specified and in conformance with established project management requirements under the previous FY 83 contract, it is felt that in order to continue with existing policies public bidding would not serve a useful purpose. This contract is being submitted late due to administrative constraints and will be charged to appropriation code 1-01-49-29-0, and payment will be made on a monthly basis on work performed during that period.

Respectfully yours,  
Joseph A. Sarno,  
Executive Assistant.

**PARKS AND RECREATION DEPARTMENT  
Neighborhood Programming, etc.**

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Fort Hill Civic Association, 6 Fort Avenue, Roxbury, for maintenance and recreation programming at Highland Park under the terms of the Boston Partners in Urban Recreation program. This program is funded through a Department of Interior Urban Parks and Recreation Recovery Grant.

Under the terms of this proposed contract, Fort Hill Civic Association will perform maintenance services of a labor-intensive nature at the above facility and/or responsive neighborhood recreation programming.

Fort Hill Civic Association is especially qualified to do this work because of their established community orientation and their past demonstrated concern for their local parks and recreation facilities.

Compensation under this contract shall not exceed \$3,000, which I have determined to be reasonable for the work to be performed. This will be charged to the Boston Partners in Urban Recreation Grant, account number 38367. The term of this contract shall be from July 13, 1983, to April 30, 1984.

Due to the fact that Fort Hill Civic Association is a private, nonprofit corporation knowledgeable of the particular needs of the Highland Park and because our department has solicited aid of the nature that will provide, I believe that public advertising would serve no useful purpose. I, therefore, respectfully request that your permission be forthcoming to enter into this contract.

Sincerely,  
Robert R. McCoy,  
Commissioner.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award contract to Condon Community School, 200 Street, South Boston, for maintenance and recreation programming at Father Buckley Playground/St. Vincent's Church project under the terms of the Boston Partners in Urban Recreation program. This program is funded through a Department of Interior Urban Parks and Recreation Recovery Grant.

Under the terms of this proposed contract, Condon Community School will perform maintenance services of a labor-intensive nature at the above facility and/or responsive neighborhood recreation programming.

Condon Community School is especially qualified to do this work because of their established community orientation and their past demonstrated concern for their local parks and recreation facilities.

Compensation under this contract shall not exceed \$3,500, which I have determined to be reasonable for the work to be performed. This will be charged to the Boston Partners in Urban Recreation Grant, account number 3-8367-290. The term of this contract shall be from October 1, 1983, to April 30, 1984.

Due to the fact that Condon Community School is a private, nonprofit corporation knowledgeable of the particular needs of the Father Buckley Playground/St. Vincent's Church project and because our department has solicited aid of the nature that will provide, I believe that public advertising would serve no useful purpose. I, therefore, respectfully request that your permission be forthcoming to enter into this contract.

Sincerely,  
Robert R. McCoy,  
Commissioner.

**POLICE DEPARTMENT  
Laboratory Analysis**

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award contract to University Hospital, Boston, for providing complete blood and urine analysis for approximately 140 Boston Police recruits, to identify increased propensity for cardiovascular diseases which can be signified by high cholesterol levels, high triglyceride levels, high blood sugar; serious illnesses such as diabetes, liver function problems, kidney and bladder diseases, endocrine system imbalances, certain tumors, syphilis; presence of toxic substances.

This screening has typically been done in the past on a pre-hire basis. This year however, due to a desire to reduce the number of screenings required and because of an accelerated hiring program, the tests were postponed until post-hire, during the academy process.

Prices for doing this work were discussed with several area hospitals and laboratories. University Hospital was selected because it had the most advantageous price, and because they demonstrated the necessary sensitivity to security and pretesting (as well as post-testing) confidentiality that this process required. Because of the need for such security, this letter is being prepared now.

Compensation under this contract shall not exceed \$8,000, which I have determined to be reasonable for the work to be performed. The term of this contract is from June 1, 1983, to June 30, 1983.

Because of the specialized nature of this work, the checking of prices from other hospitals and laboratories that has been done and the need for pre-screening confidentiality, I believe that public advertising would serve no useful purpose.

Sincerely,

Joseph M. Jordan,  
Police Commissioner.

#### PUBLIC FACILITIES DEPARTMENT Asbestos Inspection Services

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on August 10, 1983, I hereby request your Honor's written authority to award, without further advertising, pursuant to a publicly advertised request for proposal, to Hygienetics, Inc., 150 Causeway Street, a contract for professional services for asbestos inspection and testing at various locations as needed during the period August 1, 1983, to June 30, 1984, at a cost not to exceed \$20,000, payable as set forth in the contract. I have determined this cost is reasonable.

As a result of the above-mentioned advertisement and the receipt of proposals, the consultant was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL ch. 7, sec. 30. I believe this firm is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that public advertising would serve no useful purpose.

Respectfully,

Donald B. Manson,  
Director.

#### Various Design Services, etc.

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on August 10, 1983, I hereby request your Honor's written authority to award, without further advertising, pursuant to a publicly advertised request for proposal, to Reardon & Turner, 150 Causeway Street, Boston, a contract for architectural/engineering design services, including supervision of construction, for the replacement of the boiler and burner at Boston Technical High School, at a cost not to exceed \$46,655, which is a negotiated fee based on an estimated cost of \$450,000. I have determined this cost is reasonable.

As a result of the above-mentioned advertisement and the receipt of proposals, the consultant was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL ch. 7, sec. 30. I

believe this firm is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that public advertising would serve no useful purpose.

Respectfully,

Donald B. Manson,  
Director.

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on August 10, 1983, I hereby request your Honor's written authority to award, without further advertising, pursuant to a publicly advertised request for proposal, to Richard D. Kimball Company, Inc., Reading, a contract for architectural/engineering design services, including supervision of construction, for modifications to the heating systems at Hyde Park High and Dearborn Schools, at a cost not to exceed \$74,912, which is a negotiated fee based on an estimated construction cost of \$705,000. I have determined this cost is reasonable.

As a result of the above-mentioned advertisement and the receipt of proposals, the consultant was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL ch. 7, sec. 30. I believe this firm is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that public advertising would serve no useful purpose.

Respectfully,

Donald B. Manson,  
Director.

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on August 10, 1983, I hereby request your Honor's written authority to award, without further advertising, pursuant to a publicly advertised request for proposal, to Joseph Schneider Engineers, Inc., 85 East India Row, Boston, a contract for architectural/engineering design services, including supervision of construction, for replacement of the heating at the Phillips Wheatley School, at a cost not to exceed \$46,655, which is a negotiated fee based on an estimated construction cost of \$450,000. I have determined this cost is reasonable.

As a result of the above-mentioned advertisement and the receipt of proposals, the consultant was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL ch. 7, sec. 30. I believe this firm is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that public advertising would serve no useful purpose.

Respectfully,

Donald B. Manson,  
Director.

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission dated July 29, 1983, and in response to an advertisement in the *Boston Globe* of May 16, 1983, inviting interested, competent persons engaged in the category of work described below to enter into a contract for periodically estimating the cost of and

thereafter performing the work as required by the department in conjunction with its alterations and repairs program, the following firms declared their intent to enter into a contract with the city: Pierce, Pierce & Kramer, Inc., 116 Newbury Street, Boston; Earl Flansberg & Associates, Inc., 77 North Washington Street, Boston; Arnold Jacobson & Associates, 660 Summer Street, Boston; DEP Associates, 232 Chelsea Street, East Boston; S.E. Architects Division, Somerville Engineering, Inc., Somerville.

Your approval is hereby requested to award contracts to the above firms for the period August 1, 1983, to June 30, 1984. The services to be provided include, in addition to general architectural services and technical assistance, the preparation of feasibility of studies, preliminary schemes, plans, specifications and cost estimates, and supervision of construction, for various projects at a total cost not to exceed \$50,000, which is a reasonable cost.

The Auditor may certify an appropriation or other funds in an amount less than the face amount of each contract hereunder pursuant to the Standard Contract General Conditions, articles 12.3 and 12.4.

Very truly yours,

Donald B. Manson,  
Director.

#### SCHOOL DEPARTMENT Computer Analyses, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to SPSS Inc., Illinois, for the period July 1, 1983, to June 30, 1984, at a cost not to exceed \$4,000, a price I deem reasonable. Delay in securing signatures (although delivery will not be made until September, 1983) caused late submission of contract.

Under the terms of this contract, the contractor will furnish the license which includes a nationally known computer software package (SPSS) to be used for computer analyses of various school data. The computer software package is copyrighted and is not available by bid.

The authors have prepared computer programs for a wide spectrum of high-priority procedures compatible with our IBM 3341 that will be of broad usage to professional staff in the Boston schools and has been recommended by the University of Chicago Social Science Division.

Compensation under this contract shall not exceed \$4,000. Delivery will be between September 19, 1983, and November 1, 1983.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by advertising for bids.

Very truly yours,

Leo J. Burke,  
Business Manager.

#### Uniforms

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to AAA Police Supply Company, Dedham, for furnishing uniforms for the Boston School Police Department of Safety Services, at a cost not to exceed \$23,900, a price I deem reasonable.

This contract was publicly advertised in the *City Record*, on August 31, 1981, and drew no bid proposals from local vendors. Mr. John A. Chistolini, chief of the safety division contracted AAA Police Supply Company and recommended that they be

awarded an (unadvertised) contract as they were able to meet our specifications the prices were in line with planned expenditures and the company guaranteed prompt delivery.

AAA Police Supply Company has continued to supply the Boston Public School Department of Safety Services with uniform items and has lived up to its promise of expedient delivery and Mr. Chistolini expresses satisfaction in his dealings with this firm.

To assure the commonality of the police attire in this component, it appears the public interest would be best served remaining with the above-named contractor.

This contract is being submitted for your approval after commencement of partial delivery of these uniforms because of immediate need to provide in-place personnel with necessary items to complete mandated uniform requirements of Boston School Police personnel.

Very truly yours,

Leo J. Burke,  
Business Manager.

#### Leasing Certain Premises

Dear Mr. Mayor:

I request your approval of my action in leasing, without advertising certain premises deemed necessary and convenient by the Boston Public Schools.

This lease is for the gymnasium facilities at the Melnea A. Cass Branch of the Boston YWCA, Clarendon Street, to be used for school physical education by the pupils of Copley Square High School.

The term of the lease begins on September 19, 1983, and ends on June 15, 1984.

The rental for the term is \$5,200. Funding is provided in the School Department budget. The contract cost is, in my opinion reasonable.

Since the Boston YWCA is located near the school, is suitable, and has been used for this special purpose previously, I believe that public advertising would serve no useful purpose.

Very truly yours,

Paul W. Mooney,  
Senior Structural Engineer.

#### Volunteers Program

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract to School Volunteers for Boston, Inc. The contract shall be in effect during the period July 1, 1983, to June 30, 1984, and occur at a cost not to exceed \$72,000, which is deemed to be reasonable.

The contractor will provide the following instructional services on a citywide basis: support and expand programs of instruction in the Boston Public Schools through a more extensive use of volunteers in the basic skills, enrichment, and career education.

The contractor is especially qualified to provide the above services because of its experienced staff who have recruited, trained, and placed volunteers in the Boston Public Schools over the past seven years.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

This contract is submitted late because of an error in the contract which had to be corrected by the contractor. Also, the award letter had to be retyped on Mr. Winter's stationary. School Committee

approval was not obtained until August 23, 1983 due to summer meeting schedules.

Very truly yours, Edward J. Winter,  
Secretary.

#### Audio-Visual Units

Dear Mr. Mayor:

I respectfully request your Honor's permission to disperse with public advertising and award a contract to Borg-Warner Educational System, Illinois, for the period July 1, 1983, through June 30, 1984.

Under the terms of this contract, the contractor will provide twenty-three (already installed units) System 80 audio-visual units to be converted from a rental program to the purchase of the equipment. An additional eight units for one-year rental term will also be furnished by Borg-Warner with the availability of supplementary funds: rental to purchase twenty-three units at \$275 per unit • \$6,325; rental of eight units at \$45 per unit • \$360. The units will be covered by a one-year service warranty.

The System 80 is an audio-visual educational unit designed to individualize instruction in basic areas. The unit resembles a small table television and is designed to provide five area — diagnosis, prescription, teaching, and evaluation, including maintenance of records for student progress.

Compensation under this contract shall not exceed, \$6,685. Because of the technical nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by advertising for bids. This contract is being submitted late due to the process in procuring necessary signatures. This is being treated as an FY82-83 contract because the monies were set aside as supplementary funds.

Very truly yours,

Leo J. Burke,  
Business Manager.

#### Chapter 766 Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of the superintendent of schools, I request your authorization for the award of a contract to Pilgrim Center, Youth Resources, Inc., 100 River Street, Braintree, Rev. John Curley, director, for the providing of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$50,370, which is deemed to be reasonable by the committee, during the period of July 1, 1983, to June 30, 1984.

The amount to be encumbered initially is zero.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,

Edward J. Winter,  
Secretary.

#### TRAFFIC AND PARKING DEPARTMENT Fuel Control System, etc.

Dear Mr. Mayor:

I respectfully request your permission to disperse with public advertising and to award a con-

tract to Northeastern Petroleum Service & Supply Inc., 37 Brookley Road, Boston.

Under the terms of the contract, Northeastern Petroleum Service & Supply, Inc. will furnish and install a fleet fuel control system and central pump island at 112 Southampton Street.

At present the gasoline pump at 112 Southampton Street is located inside the garage facility. I have been notified by the Fire Department this is illegal and extremely dangerous and have been ordered to shut down the pump.

Since the Traffic and Parking Department supplies gas to many of the city's vehicles it is imperative that this situation be remedied as soon as possible.

This company has done work for various departments in the city and their work has been very satisfactory. They have also been the only bidders respond when such a contract has been advertised.

Compensation under this contract shall not exceed \$26,641, which I have determined to be reasonable for the work to be performed. The terms of this contract shall be from September 21, 1983 through October 31, 1983.

Because of the emergency nature of the work and the time constraint, I believe that public advertising would serve no useful purpose.

Very truly yours,

John A. Vitagliano,  
Commissioner.

#### TREASURY DEPARTMENT Tax Collection Services

Dear Mr. Mayor:

I respectfully request your permission to disperse with public advertising and to award a contract to Richard Sexton, an individual, located 755 Adams Street, Dorchester, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of this contract, Mr. Sexton will perform clerical functions for the unit and assist collections by mail and/or by phone. Mr. Sexton is uniquely qualified to do this work because of his experience within the unit and his excellent past performance.

Compensation under this contract shall not exceed \$6,500, which I have determined to be reasonable for the work to be performed. Mr. Sexton will be working part time at the rate of \$5 per hour.

The term of this contract shall be September 1983, through June 30, 1984.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Respectfully yours,

Lowell L. Richards, III,  
Collector-Treasurer

#### Financial Management System

Dear Mr. Mayor:

Permission is respectfully requested to execute Contract No. SC5928-81 with Computer Partners Inc. of 60 State Street, Boston, through June 1983, as provided for in our letter to you dated January 30, 1981, requesting permission to award original contract and setting forth the expense scope and extent of the anticipated three-year project.

As you are aware, Computer Partners, Inc. was selected by the Auditor, Collector-Treasurer and Director of Management Information System to develop and implement an integrated financial management system for the city for the financial years ending June 30, 1981, 1982, and 1983, subject to a renewal of the contract each year to

work for the succeeding year, subject to approval.

Computer Partners, Inc. is required to prepare and submit quarterly work plans and hourly budget for each task related to the development and implementation of the integrated financial management system. The city is not obligated to spend any money until the City Auditor reviews and approves the work plan. In addition, the city will not be obligated to pay for any budget overruns on these tasks once approved.

In view of the fact that Computer Partners, Inc. is presently involved in providing the required services, we do not believe that any public purpose could be served by modifying the contract at this time.

Respectfully yours,  
Lowell L. Richards, III,  
City Auditor.

#### SCHOOL DEPARTMENT Theater program

Dear Mr. Mayor:  
On October 13, 1983, you approved an award of a contract, without public advertising for bids to Arts Progress, Inc., 25 Ballard Street, Jamaica Plain, for multi-arts cultural education programs in the Boston Public Schools under the guidelines of chapter 6 during the period September 15, 1982, to June 30, 1983, at a cost not to exceed \$9,870.

Your approval is requested to amend this contract to provide for the participation of Boston Public School students in the Intergenerational Theatre program. Improvisational theater, creative movement and vocal training of elementary school students at the Blackstone and Agassiz elementary schools are offered as part of this program. Boston Public school students and community senior citizens will create and perform an original theater piece portraying common interests. The requested funds represent the Boston public schools' portion of this program's funding. The remaining cost of program funding will come from state, corporate and private sources under the guidelines of the Cultural Resources Program of the Mass. Council on the Arts and Humanities.

The cost of this amendment, which was effective July 1, 1983, shall not exceed \$1,130, which I have determined to be reasonable. The contract as amended shall not exceed \$11,000. The lateness of this contract is attributable to the fact that it was not until late in the school year when the participating school principals determined that they would be unable to raise the Boston Public Schools' share of the program's cost from private sources as they had anticipated. At that time city funds were identified. In addition, the principals of the schools were not aware of the earlier contract which had been awarded Arts in Progress, Inc. for services in other schools. A service order which had been prepared and to be returned and an amendment prepared in its place. This further delayed submission of this amendment.

The Mass. Council on Arts and Humanities awarded a grant of \$8,470 to Arts in Progress, Inc. to conduct an Intergenerational Theatre Program in these two Boston schools. The receipt of these funds was contingent upon the Boston Public Schools providing \$1,130 as its share of the cost. On this basis, I believe that Arts in Progress, Inc. is uniquely qualified and that public advertising would serve no use purpose.

Very truly yours,  
Robert R. Spillane,  
Superintendent.

#### Locksmith Work

Dear Mr. Mayor:

On July 20, 1983, your Honor approved an amendment to repetitive service contract C-3468-83 for general carpentry and related work, including locksmith work, increasing the contract amount from \$710,000, to \$850,000, for the period July 1, 1982, to June 30, 1983.

Your approval is requested to amend this contract again to provide for emergency locksmith work for the security of computers in various schools, work not anticipated in the first amendment.

The cost of the second amendment to contract C-3468-83 shall not exceed \$4,725. The contract as amended shall not exceed \$854,725. The period of performance will remain the same.

I have determined the cost of this amendment to be reasonable, and in keeping with the cost of similar repetitive service work.

Because the vendor performing locksmith work under this contract is performing satisfactorily, I believe that further public advertising would serve no useful purpose.

Preparation of this amendment letter was delayed because of a desire to identify completely all costs for the balance of FY 1983.

Very truly yours,  
Henry A. Scagnoli,  
Structural Engineer.

#### Welding and Grille Work

Dear Mr. Mayor:

On April 25, 1983, your Honor approved an amendment to repetitive service contract C-3312-83 for repairs to iron work, chain link fences and welding work — repairs to school yards, originally approved on August 31, 1982, increasing the contract amount from \$58,000, to \$108,000, for the period July 1, 1982, to June 30, 1983.

Your approval is requested to amend this contract again to provide for emergency welding and grille work for the security of computers in various schools, work not anticipated in the first amendment.

The cost of the second amendment to contract C-3312-83 shall not exceed \$5,500.29. The contract as amended shall not exceed \$113,500.29. The period of performance will remain the same.

I have determined the cost of this amendment to be reasonable, and in keeping with the cost of similar repetitive service work.

Because the vendors performing welding and grille work under this contract are performing satisfactorily, I believe that further public advertising would serve no useful purpose.

Preparation of this amendment letter was delayed because of a desire to identify completely all costs for the balance of FY 1983.

Very truly yours,  
Henry A. Scagnoli,  
Structural Engineer.

#### TREASURY DEPARTMENT Word Processing Equipment

Dear Mr. Mayor:

On May 13, 1983, your Honor approved award of a contract, without public advertising, to C.F.C. Associates, Inc., a corporation located at Burlington, for providing specified Wang word processing equipment for its exclusive use, for a period of not more than five years commencing on May 1, 1983, and ending not more than sixty months following the commencement of the contract term. The total amount of this contract was not to exceed \$1,200,000.

Your approval is requested to amend this contract to allow for an increase in the total amount of

services to be covered by the contract with CFC Associates, Inc., so as to provide the necessary financing for the additional equipment the city is acquiring. The amount of this amendment will not exceed \$2,070,000, which I have determined to be reasonable. It is anticipated that the actual term of the contract as to any group of equipment would be for slightly more than four years, and would provide for sixteen quarterly payments, but in any event would not extend beyond April 30, 1988. The total amount of this contract, for all services received, shall not exceed \$3,270,000.

Because of the reasons stated in the original award letter for entering into the original contract with C.F.C. Associates, Inc. remain true, and C.F.C. Associates, Inc. has already performed as anticipated under the implemented portion of the contract, I therefore request your approval of the foregoing. It would be my intention to implement the foregoing pursuant to amendments to existing documentation in order to effect this transaction most efficiently.

Sincerely,  
Lowell L. Richards, III,  
Collector-Treasurer.

#### TREASURY DEPARTMENT Parking Ticket Collection Services

Dear Mr. Mayor:

On July 1, 1982, your Honor approved the award of a contract, without public advertising for bids, to State Street Bank and Trust Company and Datacom Systems Corporation ("Datacom") for parking ticket collection services at a cost not to exceed \$3,800,000.

Your approval is requested to amend this contract in order to provide the city with increased capacity to collect fines and penalties due to it for tickets issued during the period January 1, 1978, through June 30, 1982, and the authority to pay for such services. This amendment is necessary due to the new services requested of Datacom regarding notification to the Registry of all unpaid and uncontested parking violations issued to Massachusetts vehicles during the above-mentioned period. Other terms of the contract would remain the same. Compensation under this contract, as amended, shall not exceed \$3,800,000.

The period of this contract as amended, shall not exceed beyond June 30, 1983.

Because of the professional nature of the services to be performed, we believe that further public advertising would serve no useful purpose.

Very truly yours,  
Lowell L. Richards, III,  
Collector-Treasurer.

#### TREASURY DEPARTMENT Data Processing Consultant

Dear Mr. Mayor:

On August 20, 1982, your Honor approved an award of a contract, without public advertising for bids, and amended the contract on February 9, 1983, to Access International for professional data processing consulting services and related equipment during the period July 1, 1982, to June 30, 1983, at a cost not to exceed \$330,000.

Your approval is requested to further amend this contract to provide for additional services and related equipment. These services are necessary to insure the advanced training of Treasury Department personnel. The cost of this amendment, which is effective as of June 25, 1983, shall not exceed \$24,000, which I have determined to be reasonable. The contract, as amended, shall not

exceed \$354,000. The performance shall remain the same.

Because of the detailed familiarity of the contractor with the data processing system of the Treasury Department and the excellent work to date of the contractor, I believe that public advertising would serve no useful purpose.

This award letter was delayed in order to identify the full cost of the project and to insure that the desired outcome could be achieved.

Very truly yours,

Lowell L. Richards III,  
Collector-Treasurer.

### CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

#### ASSESSING DEPARTMENT

##### Consultant Engineering Services

Dear Mr. Mayor:

On August 11, 1983, your Honor approved the award of a contract to R.W. Beck and Associates, Wellesley, for professional services as consultant engineering to the Assessing Department.

Your approval is requested to amend this contract to provide for additional services which were not anticipated in the terms of the original contract. These services shall consist of providing the Assessing Department with valuation services, as requested by the official, relating to the telephone and other utility personal property located in the City of Boston.

The period of this contract shall be extended from June 30, 1983, through June 30, 1984. the contract amount and all other terms and conditions shall remain the same as in the original contract.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,

Edward W. Jay, Jr.,  
Commissioner.

#### HEALTH AND HOSPITALS DEPARTMENT

##### Pediatric Services

Dear Mr. Mayor:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the letter of award for a contract with Codman Square Health Center, Inc., 6 Norfolk Street, Dorchester, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$30,000.

This amendment will increase the contract sum by \$15,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$45,000.

The additional funds have been awarded to help the Codman Square Health Center offset the loss of their National Health Service Corps pediatrician. The Codman Square community is in need of pediatric services.

In view of the above, and because the cost to the city is reasonable, I recommend approval of this amendment.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

#### Health Center Assistance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the letter of award for a contract with South End Health Center, Inc., 400 Shawmut Avenue, Dorchester, for the period July 1, 1983, through June 30, 1984, at a cost not to exceed \$100,000.

This amendment will increase the contract sum by \$20,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$120,000.

The additional funds have been awarded to help the South End Community Health Center offset the loss of Medicaid income it has experienced because of the reduction of the number of its patients with Medicaid coverage. Federal regulations, enacted in October, 1981 have result in a substantial number of people losing their AFDC and categorical Medicaid eligibility. The South End Community Health Center, which serves a very large AFDC population, has been particularly affected by these changes.

In view of the above, and because the cost to the city is reasonable, I recommend approval of this amendment.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

THE SCHOOL COMMITTEE OF THE  
CITY OF BOSTON**

**Department of Planning and Engineering,  
26 Court Street, Boston, Mass.**

**Invitation for General Bids for Furnishing, Delivering and Setting in Place Automatic Slicing Machines in Various Schools.**

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing, delivering and setting in place automatic slicing machines in various schools.

General bids will be received up until twelve o'clock noon, Boston time, Monday, March 11, 1985, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$100 minimum or 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The School Committee of the City of Boston invites bids for purchase of computer supplies for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Purchase of Computer Supplies. Bid date: Wednesday, April 3, 1985." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check payable to the City of Boston, in the amount of one hundred dollars (\$100), or a bid bond, must be left at the office of the Business Manager, at or before twelve o'clock noon, on Wednesday, April 3, 1985. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

CITY OF BOSTON

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Bids for Boarding and Securing,  
Project No. 66-CD-ABU (A-L), Community  
Development Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, herein-after referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

726 Dudley Street, Ward 7  
46 Fisher Street, Ward 10  
108 Minden Street, Ward 10  
26 Dunreath Street, Ward 12  
5 Hartwell Street, Ward 12  
372-382 Warren Street, Ward 12  
576-578 Blue Hill Avenue, Ward 14  
104 Brunswick Street, Ward 14  
31 Havelock Street, Ward 14  
33 Havelock Street, Ward 14  
33 Vaughan Avenue, Ward 14  
23 Bowdoin Street, Ward 15  
25 Bowdoin Street, Ward 15  
89 Nightingale Street, Ward 14

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, March 14, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bids shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 65-CD-ABU (A-L)."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a

minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that its subcontractors agree to the following workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commission of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specification" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms: the contractor's aggregate workforce in each trade on all construction work in the covered areas. (pages EEO-1 and EEO-2 of the bid specification for goals and timetables.)

These goals are applicable to all the contract construction work (whether or not it is federal or federally assisted) performed in the covered area.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Framingham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoughton, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4.1 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to ensure minorities and women evenly on each of its contracts.

The transfer of minority or female employee trainees from contractor to contractor or from contract to project for the sole purpose of meeting the contractor's goals shall be a violation of the

ct, the Executive Order and the regulations in 41  
R Part 60-4. Compliance with the goals will be  
asured against the total workhours performed.  
The attention of all bidders is specifically directed  
the provisions of the contract documents, includ-  
g, with limitation, the notice to all bidders (includ-  
subbidders), and the provisions with respect to  
nds, insurance, equal employment opportunity,  
imum wages, time of performance, liquidated  
ages, and the requirements set forth in the  
fications on supplemental equal employment  
portunity, anti-discrimination and affirmative  
ion program contract provisions, and to the re-  
irements of mandatory compliance with section  
of the Housing and Urban Development Act of  
68 and Executive Order 11246.

### CITY OF BOSTON

#### INSPECTIONAL SERVICES DEPARTMENT

#### NOTICE TO CONTRACTORS

##### Invitation for Bids for Boarding and Securing, Project No. 65-CD-ABU, Community Development Block Grant.

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

1-25 Warren Street, Ward 9

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, March 14, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bids shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the

contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 65-CD-ABU."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

#### Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

#### Attention to All Bidders

##### I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

##### II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 per-

cent ratio of minority manhours to total employment manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commission of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

#### NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Executive Order Opportunity Clause" and "Standard Federal Executive Order Opportunity Construction Contract Specification set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms: the contractor's aggregate workforce in each trade on all construction work in the covered areas. (Pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contract construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Duxbury, Everett, Malden, Medford, Melrose, Millis, Norwood, Reading, Revere, Somerville, Stoughton, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its contracts.

The transfer of minority or female employee trainees from contractor to contractor or from project to project for the sole purpose of meeting contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with the

of the Housing and Urban Development Act of 1968 and Executive Order 11246.

**Invitation for General Bids for Furnishing, Delivering Automatic Floor Scrubber to Central Food Facility, 370 Columbia Road, Dorchester, Mass.**

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing and delivering automatic floor scrubber to Central Food Facility, 370 Columbia Road, Dorchester, Mass.

General bids will be received up until twelve o'clock noon, Boston time, Monday, March 11, 1985, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$100 minimum of 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Common-

wealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials of payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

**NOTICE TO CONTRACTORS**

**Invitation for Bids for Furnishing Mechanical Sweeper for Cleaning of Roadways in City Cemeteries and Invitation for Bids for Guard and Protection Services at Parks and Recreation Facilities, Various Locations in the City of Boston — Contract W.**

The City of Boston, acting by the Parks Commission, Room 816, Boston City Hall, Boston, MA 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the projects listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for these projects are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract documents entitled: "Furnishing Mechanical Sweeper for Cleaning of Roadways in City Cemeteries."

**SCOPE OF WORK:** Furnish mechanical sweepers with operators, including transportation, parts, tools, equipment and consumables required to perform the work specified. Estimated cost of contract is \$5,000.

Guard and Protection Services at Parks and Recreation Facilities, Various Locations in the City of Boston — Contract W.

**SCOPE OF WORK:** Furnish guard and protection service for designated real property and personal property within the designated cemeteries of the city. Estimated cost of contract is \$10,000.

Bids shall be submitted in duplicate before 2 p.m., on Tuesday, March 12, 1985, and opened forthwith, and read aloud. One bid shall be filed with

the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to time named for opening of bid.

The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, February 25, 1985, after 9 a.m., at the Parks and Recreation Department to all interested parties who present a \$10 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$10 check returned.

Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of the contracts.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 816, City Hall, on Tuesday, March 5, 1985, at 10 a.m., Boston time.

Boston, MA 02116-3933

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. T4CNO7, SUBWAY VENTILATION IMPROVEMENTS-SHAFT G-11, BOSTON, MASSACHUSETTS, (Class 1 — General Transit Construction, Project Value 16.1), will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on March 19, 1985. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

The work consists of the construction of new facilities at a single location on Boylston Street between Arlington and Charles Streets in the City of Boston, Massachusetts, as shown on the drawings.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders". Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification of this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after February 21, 1985, Monday through Friday, at a charge of \$25 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 10 percent WBE 1 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids in re-

sponse to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. John A. Carey, 275 Dorchester Avenue, Trailer No. 1, South Boston, MA 02127, Telephone No. (617) 722-5609. A prebid conference will be held on March 5, 1985, at 10 a.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

Bid guaranty shall consist of a bid deposit of eighty thousand, five hundred dollars (\$80,500), in the form of a bid bond, cash, certified check, treasurer's check or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**Invitation for Prospective Offerors  
to Submit Sealed Proposals on a  
Competitive Negotiated Basis.**

**This Advertisement Is an Extension of the Bid  
Opening Date for R/P No. CAP 50-84 Which Was  
Previously Advertised.**

The Massachusetts Bay Transportation Authority is requesting prospective offerors to submit sealed proposals on a competitive negotiated basis for the following:

No.: CAP-50-84 — Furnishing and Delivering from 150 to 200 Advanced Design Buses and Spare Parts with Options for Wheel Chair Lifts/Accommodations, an Additional 135 to 180 Advanced Design Buses and Spare Parts, and for Training aids and mock-ups to be exercised in accordance with the contract documents and Specification No. AEE 84-006.

The Evaluation Criteria that will be used to determine award, in order of priority, are as follows:

Total Base Proposal Price  
Product Evaluation  
Quality Assurance Evaluation

Sealed proposals must be received at the Office of the Director of Materials, Materials Directorate, Transportation Building, 10 Park Plaza, Room 2810, Boston, MA 02116-3933, no later than 4:30 p.m., EST, on Monday, March 4, 1985.

The Authority reserves the right to make an award without negotiation if, in the opinion of the Authority, evaluation of the proposals received indicates that the best achievable and technically acceptable proposal has been received, or if negotiate with those offerors whose proposals are within the competitive range, whichever is in the best interest of the Authority.

The contractor will be required to comply with applicable equal employment opportunity laws and regulations, DBE/WBE laws and regulations, Boston America laws and regulations. All offerors will be required to certify that they are not on the Comptroller General's list of ineligible contractors.

This contract is subject to a financial assistance contract between the Massachusetts Bay Transportation Authority and the Urban Mass Transportation Administration, U.S. Department of Transportation, Project No(s): MA-03-0093, MA 05-0018, MA-90-X019-01.

Contract documents and specifications and other pertinent information may be obtained at the Materials Directorate, Transportation Building, Park Plaza, Boston, MA 02116-3933. Proposals are to be submitted on the form(s) provided and/or stipulated in the request for proposal are to be closed and sealed in an envelope endorsed: "Proposal for Furnishing and Delivering Advanced Design Buses, R/P No. CAP-50-84, Proposal Opening Date: March 4, 1985."

The Authority reserves the right to reject any and all proposals, or any part thereof.

**Invitation for Proposals for Window Washers  
at Boston City Hall.**

The City of Boston (the City), acting by its Assistant Commissioner, Real Property Department (Official), invites sealed proposals for the performance of the work generally described above, and the contract documents.

Every proposal shall be submitted in duplicate, and in accordance with the contract documents which may be obtained at the office of the Official, Real Property Department, Room 811, Boston City Hall, on and after March 4, 1985.

All proposals shall be filed no later than two o'clock noon, Boston time, March 20, 1985, at the office of the City Auditor, Room M4, City Hall, Boston, and at the office of the Official at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract documents and specific to the requirements for bid deposits, insurance and performance bonds as may be applicable.

The City and the Official reserve the right to reject any or all proposals or any part or parts thereof, to award the contract as the Official deems to be in the best interests of the City.

# CITY RECORD

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

JOSEPH M. TIERNEY  
PRESIDENT, CITY COUNCIL

VOL. 77

MONDAY, MARCH 11, 1985

NO. 10

## MAYOR FLYNN RELEASES HARBOR CLEAN-UP PLAN

Boston Mayor Raymond L. Flynn has released his plan for "a comprehensive and equitable approach for the clean-up of Boston Harbor."

Calling Boston Harbor one of the "great resources of the New England region," Mayor Flynn said, "I want to see Boston Harbor returned to a condition where kids can swim at Tenean Beach and where folks can fish off Castle Island."

The Mayor's report is the product of a joint effort by the Mayor's Office of Capital Planning, the Environment Department, the Division of Administrative Services, the Boston Law Department, the Boston Redevelopment Authority, and the Department of Traffic and Parking.

In the report, Flynn emphasized "that a comprehensive clean-up plan, including the primary treatment alternative, will most benefit the inner harbor. There is significant doubt," Mayor Flynn noted, "that secondary treatment will contribute to any real overall improvement in the environmental quality beyond that attainable from primary treatment with the deep ocean outfall."

In addition, in the report Mayor Flynn reaffirmed his commitment "to the preservation of Long Island, and to the medical services now provided there." Towards that effort, the city has already commenced discussions with the state regarding the preservation of Long Island and the other harbor islands.

The Flynn report also specified that "an absolute commitment should be given to mitigate the impacts on whichever community is impacted by the chosen site(s). This commitment should include barging of construction materials to the site, traffic patterns which minimize the use of residential streets, and strict controls on the hazardous transportation of any materials."

The following are the highlights of Mayor Flynn's Harbor Clean-up Plan:

(1) No action should be taken on the pending waiver and siting decisions until the Board of Directors and key staff of the new Water Resources Authority are given a chance to review

the issues and provide their input to the decision making process.

(2) Long Island is the most valuable natural and recreational resource in Boston Harbor. The City of Boston intends to maintain the current medical and emergency shelter uses of Long Island. The city is also committed to integrating Long Island with other recreational uses of the harbor, and toward that end, has begun discussions with the State Department of Environmental Management (DEM) on possibilities for parkland on the island.

(3) Whatever decisions are ultimately made on the waiver and on siting, there must be an absolute commitment to mitigate the impacts of construction and operation on whichever community is impacted by the chosen site(s). This commitment should include barging of construction materials to the site, traffic patterns which minimize the use of residential streets, and strict controls on the transportation of any hazardous materials.

(4) To protect the rate payers' interest, EPA and the state should select as final primary and secondary treatment alternatives the least-cost option from among the three secondary options contained in the SDEIS/R.

(5) A comprehensive Harbor cleanup must begin immediately. There is a significant doubt, however, that secondary treatment will contribute to any real, overall improvement in environmental quality beyond that attainable from primary treatment with the deep ocean outfall. We do know, however, that a comprehensive clean-up plan, including the primary treatment alternative, will most benefit the inner harbor—the environment closest to the people who must pay for the cleanup. EPA should carefully consider these issues before deciding the waiver issue.

### MAYOR FLYNN APPOINTS CLEAN CITY COMMISSION

Mayor Raymond L. Flynn has announced the creation of the Clean City Commission which will develop and execute strategies for a cleaner, healthier, more livable city. The fifteen-member commission is made up of five representatives from each of three groups: city government, community organizations, and the private sector.

The commission will assess and evaluate the way Boston's streets and neighborhoods are cleaned and will develop new and comprehensive strategies to improve clean-up procedures. It will also work to change people's attitudes about littering. In addition, the commission will look at existing fines and ordinances imposed on those who violate anti-pollution laws, and will study ways to make enforcement measures more strict.

"The Clean City Commission will draw upon people who have hands-on experience in clean-up activities. It will unite city workers, who are directly responsible for cleaning and maintaining

(Continued on next page)

## Clean City Commission

(Continued from previous page)

the streets and neighborhoods of Boston, with residents who have been vigilant in their concern for a clean city along with representatives of the private sector," said Mayor Flynn.

"By tapping the resources available to these three groups, Boston will be in a position to develop an ongoing plan to make our city cleaner. The commission will be able to raise money through donations from local businesses and corporations and direct the energy of neighborhood residents who want to contribute in making Boston more livable," continued the Mayor.

The commission was established by an executive order and positions are non-salaried. Staffing for the commission will come from existing agencies.

Named co-chairs of the commission were Alex Bledsoe, director of the Mayor's Office of Community Participation and Kevin Phelan, senior vice-president of Meredith and McGrew.

Commission members include:

### Co-Chairs

1. Thomas A. Bledsoe, director, Mayor's Office of Community Participation. 2. Kevin Phelan, senior vice-president, Meredith and McGrew.

### Members

3. Joseph Canavan, superintendent, Boston Public Works Department.

4. Frank Frattaroli, principal health inspector, Health Division, Inspectional Services Department.

5. Norm Patch, Mayor's Office of Business and Cultural Development.

6. Dennis Quilty, assistant corporation counsel, Boston Law Department.

7. Paul R. Murphy, executive director, Parkway Boys and Girls Club.

8. Beth Deare, president, Roxbury Highlands Neighborhood Association.

9. Anneliese Van Wyck, chair, Commonwealth Avenue Mall Volunteer Committee.

10. Christine Cooper, director, Jamaica Plain Project.

11. Mary Baker, chair, Rosewood Street Association in Mattapan, and president of Mattapan Fair Share.

12. John Hamill, president, Shawmut Bank.

13. Elizabeth Cook, executive director, Advertising Club of Greater Boston.

14. James Marcellino, Esq., partner, Gaston, Snow and Ely Bartlett.

15. Tom Leonard, Elliot Lounge in Boston.

## FIRE DEPARTMENT ORDERS

February 8.

General Order No. 10

### I. PROMOTIONS

The following-named members will be promoted to fire lieutenant and transferred to Headquarters, effective 0800 hours, Wednesday, February 27, 1985:

Fire Fighter Daniel J. Chisholm, Engine Company 18.

Fire Fighter Michael G. Feely, Ladder Company 16.

Fire Fighter Martin J. O'Brien, Engine Company 50.

Fire Fighter Joseph I. Holland, Engine Company 18.

### II. TRANSFERS

The following-named members will be transferred, effective 0800 hours, Saturday, March 2, 1985:

Fire Captain Edward J. Callahan, from Headquarters, to Engine Company 22.

Fire Lieutenant James D. Mullen, from Engine Company 37, to Engine Company 50.

Fire Lieutenant Ralph Larato, from Engine Company 3, to Ladder Company 19.

Fire Fighter Edward G. O'Brien, from Engine Company 50, to Engine Company 3.

Fire Fighter Eric A. Singleton, from Ladder Company 9, to Engine Company 22.

Fire Fighter Richard P. Freda, from Pers./Medical, to Engine Company 49.

Fire Fighter Peter J. Dolan, from Engine Company 51, to Ladder Company 1.

Fire Fighter Charles J. Parenteau, from Engine Company 18, to Ladder Company 1.

Fire Fighter James J. Carter, from Engine Company 3, to Training and Maintenance.

### III. RETIREMENT DATE CORRECTION

The retirement date of Fire Fighter James J. Anderson, Ladder Company 15, as listed in General Order No. 8, should be corrected to read, effective 0800 hours, April 1, 1985.

### IV. FIRE ALARM BOX INSTALLED

The following-numbered fire alarm box has been installed and company commanders shall add it to Circuit Card No. 10:

## CITY RECORD

USPS 114-640

Published weekly in Boston, under the direction of the Mayor, in accordance with legislative act and city ordinance.

—, Editor

Patricia Ross, Assistant Editor

Editorial Office, Room 203, 1 City Hall Square, Boston 02201, Tel. 725-4607.

Second class postage paid at Boston, Massachusetts.

Subscription (in advance) . . . . . \$12.00 per year  
Single copies . . . . . 30 cents  
Postmaster: Send address change to City Record, Room 203, 1 City Hall Square, Boston, MA 02201.

### NEWS AGENCY

Old South Newsstand, 302 Washington Street.

### Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by noon, Monday of each week to insure its publication in the following Monday's issue.

Box 12-1493 — New England Medical Center Helicopter Pad junction Massachusetts Turnpike and Albany Street, on ramp off the Southeast Expressway.

### V. FIRE ALARM BOX ESTABLISHED

The following-numbered fire alarm box has been established and company commanders shall add to the appropriate UAAB assignment card:

Box 12-2232 — Smith House, 757 Shawmut Avenue.

The circuit number will be announced when the box is installed.

### VI. CHANGE IN DESIGNATION OF FIRE ALARM BOX

The following-numbered fire alarm box has been changed to read:

Box 12-5195 — St. Gabriel's Parish School, 1 Washington Street.

Company commanders shall make the above change on the UAAB assignment cards.

### VII. MUTUAL AID ASSIGNMENT SHEETS

Temporary mutual aid running assignment sheets are being distributed to the department. These computer printout sheets shall replace the present card system and shall be used until the new cards have been printed and distributed.

These new assignments are effective 0800 hours, March 1, 1985.

### VIII. COMMENDATION

On August 11, 1984, nine alarms were struck a fire of suspicious origin at 40 Wormwood Street South Boston. Fire Fighters (Inspectors) Robert Shaw and Francis X. Donlan of the Arson Squad arrived on the scene and began to gather and evaluate facts from first arriving company members and onlookers. While mingling among the crowd, they observed an individual acting in a suspicious manner.

Questioning of this individual led to reading his "Miranda" rights and placing the suspect under arrest, whereupon he confessed to setting this fire.

Follow-up investigation led to the indictment of the suspect on five counts of burning a building a five counts of burning vehicles.

Because of their diligence and dedication to eliminate a problem which plagues our profession, the Fire Commissioner is pleased to commend inspectors Robert M. Shaw and Francis X. Donlan of the Arson Squad and makes this commendation part of their personnel folder.

## POLICE DEPARTMENT ORDER

February 25

Personnel Order No. 85-35

The following reassignments are hereby ordered, effective on the dates listed below.

Police Officer Sherman Brown, Id. 6889, from Mobile Operations, Patrol (D), to Area C (D) — 2-85.

Police Officer James Lawler, Id. 5532, Area D to Personnel Division, Medically Incapacitated Section (D) — 2-27-85.

Police Officer Carol O'Neill, Id. 8880, Personnel Division, Medically Incapacitated Section (D) Area D (D) — 2-25-85.

Franklin Valley, Id. 9230, motor equipment pairman, from Auto Maintenance Unit (D), to Personnel Division, Excused Leave Section (D) 2-25-85.

## CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

### PARKS AND RECREATION DEPARTMENT Landscaping Services

Dear Mr. Mayor:  
On October 7, 1982, your Honor approved the award of a contract without public advertising for services to Storch Associates, landscape architects and engineers, with offices at Two Charlesgate East, Boston, as the designer to furnish architectural services for the preparation of plans, specifications, contract documents, construction cost estimates and supervision of construction of improvements to recreation facilities at twelve sites in the City of Boston, during the period September 1, 1982, to December 1, 1982, at a cost not to exceed \$16,379.73.  
Since the contract was executed, the scope of the work to be designed and supervised by the designer has increased from an estimated cost of construction of \$470,000 to \$515,000. The designer's basic fee for services, 13.67 percent (Public Facilities Department's memorandum, effective January 1, 1980, Architectural Services-Renovation "B" Rate) of the presently estimated cost of construction of \$515,000, will be \$67,295.05. The total cost of the proposed services not to exceed \$23,218.81 for supplementary services and an additional \$16,823.76 for supervision of multiple sites. The net result of this change will be to increase the contract price of \$6,839.08.

The amendment will include an extension of time for performance under this contract till December 1, 1984, to permit supervision of construction by the designer.

Storch Associates is qualified to perform the services proposed, and the compensation to be paid to the firm is fair and reasonable and conforms with the rate paid for similar professional services to other city departments.

As the proposed contract is to be one for the performance of professional services, a public solicitation for bids would serve no useful service; the contract to be charged to 3-31-16-000.

Very truly yours,

Robert R. McCoy,  
Commissioner.

### PUBLIC FACILITIES DEPARTMENT Advertising Services

Dear Mr. Mayor:  
Pursuant to a vote of the Public Facilities Commission on September 15, 1983, I hereby request your Honor's written authority to dispense with inviting proposals by advertisement in the *City Record*, and enter into an agreement with Globe Newspaper Company, 135 Morrissey Boulevard, Boston, awarding a contract executed August 29, 1983, which provides for advertising print space in the *Boston Globe* for the period July 1, 1983, to June 1, 1984, so as to increase the amount authorized for expenditure from \$35,000 to \$65,000, which is a reasonable amount.

As a result of increased contract activity, we have had for additional advertising print space.

Due to the provision of the law to the effect that executed and existing city contracts may be altered only by a writing signed by all parties thereto, including the Mayor and bonding company, public advertising in this instance would serve no useful purpose.

Respectfully,

Donald B. Manson,  
Director.

## Engineering Design Services

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on August 10, 1983, I hereby request your Honor's written authority to dispense with inviting proposals by advertisement in the *City Record*, and enter into an agreement with E.J. Flynn Engineers, Inc., Middleboro, amending a contract executed May 26, 1983 which provides for engineering design services for replacement of fuel oil tanks at Long Island Hospital, so as to increase the amount authorized for expenditure from \$14,280, to \$29,430 (including \$3,000 for supplementary services) which is a reasonable amount.

Due to unforeseen conditions, it has become necessary to redesign the project, which requires a new design approach to rectify existing problems. In addition, further deterioration of the oil tanks and lines has occurred since the original design which was approved by this department. The additional scope of services includes installation of new oil tanks, auxiliary pumps, heaters and piping; removal of existing tanks; installation of new condensation lines; field repair of three cylindrical tanks and piping connections at boiler plant. The new estimated construction cost is \$240,000.

Due to the provision of the law to the effect that executed and existing city contracts may be altered only by a writing signed by all parties thereto, including the Mayor and bonding company, public advertising in this instance would serve no useful purpose.

Respectfully,

Donald B. Manson,  
Director.

### PUBLIC WORKS DEPARTMENT Engineering Services

Dear Mr. Mayor:

On April 11, 1983, your Honor approved the award of a contract, without public advertising for bids, to Hardesty & Hanover, New York, for engineering services in connection with the bascule leaf of the Chelsea Street Bridge, during the period March 1, 1983, to April 30, 1983, at a cost not to exceed \$40,000.

Your approval is requested to amend this contract to provide for additional engineering services, with those services to include: the preparation of final plans, technical specifications and estimates, checking of shop drawings, office consultation during construction, providing an on-site resident engineer during construction.

This request is being submitted late inasmuch as a previous request for an amendment has been misplaced and a lengthy period of time has elapsed since its inception.

The cost of this amendment, which is effective on May 1, 1983, shall not exceed \$89,000, which I have determined to be reasonable. The contract as amended, shall not exceed \$129,000. The period of performance shall be extended to June 30, 1984.

This work is relative to and in addition to engineering services by this consultant and for that reason I believe that public advertising would serve no useful purpose.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

### SCHOOL DEPARTMENT Boston Compact

Dear Mr. Mayor:

On April 11, 1983, your Honor approved the award of a contract, without public advertising for bids, to the University of Massachusetts/Boston, for the development of the Boston Compact during the period August 1, 1982, to June 30, 1983, at a cost not to exceed \$24,293.

Your approval is requested to amend this contract by extending the time period to August 31, 1983, to provide for an eleven-site local school planning institute to specifically define local school strategies and support needs if the Boston Compact's goals are to be achieved in the high schools. The cost of this amendment shall not exceed \$50,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$74,293.

The contractor is especially qualified to provide the above services because of the university's past and present involvement with leadership training in the Boston Public Schools; because Robert Schwartz, the individual being assigned to this project, has represented my office in the development of the compact with private business and area colleges; and because the work required is a direct outgrowth of those activities completed within the contract I wish to amend.

Because of the professional nature of the services to be provided under this agreement, in combination with the factors outlined above, I believe that public advertising would serve no useful purpose.

This agreement is to be executed, without an appropriation of funds, under provision of General Law, ch. 44, s. 53A and is subject to the receipt of funds from ch. II, E.C.I.A., Fund Code E9309, \$25,000, and Fund Code 30117, \$25,000.

Very truly yours,

Robert R. Spillane,  
Superintendent.

## CONTRACTS AWARDED

The mayor has approved the award of the following contracts to the lowest eligible bidders:

### ADMINISTRATIVE SERVICES DEPARTMENT Purchasing Division

#### Security Access System

For furnishing a security access system for computer installation Proposal 268, to the ASD/MIS Department, awarded to Pasek Corporation, at \$37,500.

#### Water Coolers Rental

For furnishing lease or rental of water coolers, Proposal 283, to the various city departments, awarded to Great Bear Spring Co., at \$50,000.

#### Machine Shop Equipment

For machine shop equipment, Proposal 586, for delivery to the Humphrey Occupational Resource Center, awarded to R.H. Hebert Machine Tool Co., at \$72,930; and the Robert Morris Company, at \$106,196.

#### Patching Mix

For furnishing emulsified cold bituminous patching mix, Proposal 306, to the Public Works Department, awarded to Hot Top Pavements, Inc., at \$81,150.

#### Air Filters

For furnishing air filters, Proposal 305, to the Public Facilities Department, awarded to Air Engineering, Inc., at \$6,304.05.

#### Electric Imprinter

For furnishing electric imprinter, Proposal 301, to the Health and Hospitals Department, awarded to Addressograph Farrington, Inc., at \$5,976.

#### Fiberglass Pipe

For furnishing fiberglass pipe covering, Proposal 293, to the Mattapan Hospital, awarded to Metropolitan Pipe & Supply Company, at \$4,521.90.

### Uniforms

For furnishing uniforms, Proposal 309, to the Traffic and Parking Department, awarded to Weston Uniform Co., Inc., at \$38,261.10

For furnishing uniforms (Security Police), Proposal 308, to the Health and Hospitals Department, awarded to Weston Uniform Co., Inc., at \$8,490.22.

### Calendars and Diaries

For furnishing calendars and diaries, Proposal 300, to the various city departments, awarded to James T. Towhill Co., Inc., at \$11,824.97; and Mutual, at \$2,732.50.

### Traffic Controllers

For furnishing traffic controllers, Proposal 313, to the Traffic and Parking Department, awarded to Traffic Engineering & Sales, Inc., at \$130,344.50; Penamat Distributors, Inc., at \$5,959.90; and L.A.B. Electrical Sales Corp., at \$5,025.

### Hydraulic Equipment

For furnishing hydraulic truck crane, booms and winches, Proposal 311, to the Traffic and Parking Department, awarded to Consolidated Utility & Equipment Services, Inc., at \$4,867.92.

### Microfilmer

For furnishing microfilmer with endorser, Proposal 260, for Treasury/Collecting Department, awarded to Bell and Howell, at \$11,402.

### Tire Chains

For furnishing tire chains, Proposal 324, to the Fire Department, awarded to R.H. Scales Co., Inc., at \$8,969.38

### Van

For furnishing a van (Radio Command Post), Proposal 312, to the Fire Department, awarded to Wheeled Coach Sales of New England, Inc., at \$39,100.

### Mobile Storage System

For furnishing a mobile storage system, Proposal 292, to the Public Facilities Department, awarded to Donnegan Systems, Inc., at \$8,990.

### Microcomputer

For furnishing microcomputer wheel balancer (readvertisement), Proposal 318, to the various city departments, awarded to Lappen Auto Supply Co., Inc., at \$5,560.

### Lumber

For furnishing lumber Proposal 315, to the Public Works Department/Highway Division, awarded to F.D. Sterritt Lumber Co., at \$7,638.32.

### Street Lighting Equipment

For furnishing street lighting equipment, Proposal 276, to the Public Works Department/Street Lighting Division, awarded to Bradford Consultants, at \$29,424.96; Gem Peerless Electric Supply, Division of the Westco Corp., at \$26,875; and Westinghouse Electric Supply, at \$3,349.

### Miscellaneous Forms

For furnishing miscellaneous forms, Proposal 317, to the various city departments, awarded to Moore Business Forms, at \$10,570.25; and Unified Data Products, at \$4,141.

### Ladders

For furnishing wooden extension ladders, Proposal 310, to the Boston Fire Department, awarded to Cape Cod Staging & Equipment Manufacturing Co., at \$5,279.70.

### Sodium Chloride

For furnishing sodium chloride, Proposal 307, to

the various city departments, awarded to International Salt Co., at \$1,098.940; and Waldo Brothers Co., at \$11,400.

### Silk Screening Material

For furnishing silk screening material, Proposal 314, to the Traffic and Parking Department, awarded to Lambert Co., Inc., at \$7,706.85.

### Automotive Equipment

For furnishing automotive equipment (passenger vans), Proposal 258, to the Mayor's Office/Commission of the Affairs of the Elderly, awarded to Westminster Dodge, Inc., at \$148,728.

### Traffic Signal Cable, etc.

For furnishing traffic signal cable, Proposal 325, to the Traffic and Parking Department, awarded to Clifford of Vermont, Inc., at \$10,845.

For furnishing traffic signal equipment, Proposal 322, to the Traffic and Parking Department, awarded to General Traffic Equipment Corporation, at \$2,185.

### AUDITING DEPARTMENT

#### Accounting/Auditing Services

For various accounting services in support of the Auditing Department, for the years 1984, 1985, and 1986, awarded to Paul J. Gerry, at a total not to exceed \$739,000 for the three years; and to Yang I. Kim, at a total not to exceed \$882,800, for the three years.

### HEALTH AND HOSPITALS DEPARTMENT

#### Dental Supplies

For furnishing dental supplies, Proposal 257, to the Department of Health and Hospitals, awarded to Bay Dental Supply Company, at \$7,505; Healthco/Rover Dental Supply Company, at \$17,095, and J.J. Crimmings Company, at \$6,877.

#### Thoracic Catheters

For furnishing sterile thoracic catheters, Proposal 259, to the Department of Health and Hospitals, awarded to Sherwood Medical Company, at \$13,000.

#### Linens, etc.

For furnishing linens and patient cloth gowns, Proposal 256, to the Department of Health and Hospitals, awarded to American Hospitex, at \$10,756; Medline Industries, Inc., at \$10,751; and Whitehouse Manufacturing Company, at \$4,134.

For furnishing linens and patient cloth gowns, Proposal 256, to the Department of Health and Hospitals, awarded to American Institutional Textile, at \$3,490.

#### Diagnostic Products

For furnishing diagnostic products, Proposal 260, to the Department of Health and Hospitals, awarded to American Scientific Products, at \$4,690.

#### Various Maintenance Services, etc.

For estimating periodically the cost of, and thereafter, upon the lowest responsible estimate, performing the category of work as required by the department on buildings and properties under the care and custody of the Department of Health and Hospitals, the attached list of firms declared their intent to enter into a contract with the city under the terms and conditions stated above, at a cost not to exceed \$3,103,000.

Air Conditioning and Refrigeration Maintenance Service:

Bay State Service, Inc., Coolidge Coolant Co.,

Johnson Controls, Inc., P.H. Mechanical. Automatic Doors:

W.J. Flynn.

Affiliated Engineering Co., Inc., Consolidated, James Devaney Fuel Co., Inc., P.J. Janis Co., S., Johnson Controls, J.A. Marino Automatic Heating Co., Inc., Mechanical & Energy Systems, Edward H. Marchant Co., Inc., Mechanical Coordinators Corp., George Robbins & Co., Inc.

#### Pump Repairs:

Affiliated Engineering Co., Inc., Dorchester Electric Motor Co., Inc., P.J. Janis Co., Inc., Johnson Controls, J.A. Marino Automatic Heating Co., Inc., Mechanical & Energy Systems, P.H. Mechanical, Arcell Pump Engineering Corp.

#### Roofing:

Joseph Botti Co., Inc., D. Clancy & Sons, Genco Construction, T.J. Mannion Co., Inc., Mechanical Coordinators Corp., J.E. Morin, John J. Murray, John Palumbo Co.

#### Power Cleaning:

Joseph Botti Co., Inc., Consolidated Inc., P.J. Janis Co., Inc., T.J. Mannion Co., Inc., George Robbins & Co., Inc., Roto-Rooter, Service Pumping & Main Co., Inc.

#### Sign Making:

John Palumbo Co., Sign O' Life, Inc.

#### Sterilizer and Autoclave Repairs:

American Sterilizer Co. (AMSCO), Johnson Controls.

#### Telephone Repairs and Installations:

Henkels & McCoy.

#### Tile Flooring:

Affiliated Engineering Co., Inc., Bloom South & Urney, Joseph Botti Co., Inc., Genco Construction, T.J. Mannion Co., Inc., Mechanical Coordinators Corp., John J. Murray, John Palumbo Co.

Walkie Talkie and Pager Repair—Two-Way Radio Maintenance:

Motorola, Radio Systems.

#### Hazardous Waste Removal:

Recycling Industries.

#### Soldering and Brazing:

Affiliated Engineering Co., Inc., Antonelli Contracting, Johnson Controls, J.A. Marino Automatic Heating Co., Inc., Mechanical Coordinators Corp., H. Mechanical, John Palumbo Co.

#### Window Glazing and Repairs:

D. Clancy & Sons Co., Paul Doherty, Genco Construction, T.J. Mannion Co., Inc., Mechanical Coordinators Corp., John J. Murray Co., National Plate Window Glass Co., Inc., John Palumbo Co., John Walker Co., Inc.

#### Consultant Architect:

Genco Construction Co., Whitney, Atwood, Percross Associates, Inc.

#### Consultant — HVAC

Johnson Controls, Mechanical Energy Systems.

#### Automotive Repairs

For estimating periodically the cost of, and therefore, upon the lowest responsible estimate, permitting the work of repairing ambulances, trucks and automobiles under the care and custody of the Department of Health and Hospitals, for the period July 1, 1983, through June 30, 1985, the following firms declared their intent to enter into a contract with the city under the above conditions, at a cost not to exceed \$282,740.

Aamco Transmission Service, Adams Automatic Transmission, Alliance Auto Glass Service, Bay State Auto Spring Mfg. Co.

Biondi's Service Center, Boston Auto Electric, C., Cappy's, Inc., Towing & Wrecker Service, S.E. Churchill, Inc.

Gibbs Ford, Granite Auto Electric, Helin's Automotive Cooling Service, Inc., Pier Garage, Inc., Pier Transmission.

Professional Vehicles, Woodward Spring Shop, Inc., World Wide Motors, Anderson Engineering Co., Inc.

#### INSPECTIONAL SERVICES DEPARTMENT

##### Razing of Structures

For the razing of structures at 39 Boylston Street, Ward 19, awarded to Jay-Mor Wrecking, at \$4,276.

##### Boarding and Securing

For the boarding and securing of structures at 64-66 Marion Street, Ward 1; 662 Columbia Road, Ward 7; 664 Columbia Road, Ward 7; 18 Esmond Street, Ward 14; 64 Richfield Street, Ward 15; 47 Topliff Street, Ward 15, awarded to Donald Clancy, at \$4,979.

#### LIBRARY DEPARTMENT

##### Microfiche Viewers

For supplying and delivering microfiche viewers, awarded to Associated Microfilm Management Services, Inc., at \$7,640.

##### NDEA

##### Air Conditioners

For providing and maintaining air conditioners via lease to the City of Boston Neighborhood Development and Employment Agency, awarded to Boston Filter Company, at \$45,246.

##### Financial Management

For providing financial management services to five Community Schools in the operation of adult literacy programs, awarded to Quincy School Community Council as follows:

Jackson-Mann, \$65,000; Harborside, \$62,000; Mattahunt, \$45,000; Kent, \$40,000; Jamaica Plain, \$75,000; total, \$287,000.

#### PARKS AND RECREATION DEPARTMENT

##### Ball Diamonds Restoration

For restoration of ball diamonds in the Dorchester District, awarded to Rich Construction Corp., at \$34,628.

For restoration of ball diamonds in the Mattapan District and West Roxbury District, awarded to Rich Construction Corp., at \$46,398.

##### Various Improvements

For construction of improvements at the Mission Hill Playground, awarded to Alar Corp., not to exceed \$106,000.

For improvements at the Boston Public Garden, awarded to A & B Construction Co., Inc., at \$156,000.

For improvements to the Paul Revere Mall, awarded to Alar Corp., at \$22,600.

##### Xerox Reproductions

For making and delivering Xerox process reproductions, awarded to Beacon Blueprint, Inc., at \$3,774.

#### POLICE DEPARTMENT

##### Cleaning of Vehicles

For providing the Police Department with interior and exterior cleaning of vehicles, awarded to Boston Car Wash Corp., not to exceed \$5,500; Allston Car Wash Corp., not to exceed \$600; and Mobile Fleet Systems, not to exceed \$3,500.

#### PUBLIC FACILITIES DEPARTMENT

##### Roof Repairs, etc.

For skylight repairs and reroofing, Hyde Park Municipal Building, awarded to Titan Roofing, Inc., at \$19,550.

For reroofing of Gate House Building, Charles Street Jail, awarded to Fairway Roofing & Sheet Metal Company, at \$14,665.

##### Site Improvements

For site improvement to Columbus Park Playground, awarded to R.J. Delmonico, Inc., at \$319,321.

For site improvement, Joseph Lee Playground, awarded to Sciaba Construction Corporation, at \$301,700.

##### Recreation Center

For improvements to the East Boston Recreation Center, awarded to Rich Construction Corp., at \$351,700.

##### Renovations

For renovations to District 2 Police Station, Roxbury, awarded to Paul J. Rogan Co., Inc., at \$134,950.

##### Various Types of Repair Work

For plumbing and gas fitting repairs (Category 1), awarded as follows:

Consolidated, Inc., Craftsmen Construction Co., D & F Plumbing & Heating Co., P.J. Janis Co., Inc., John E. Kelley Plumbing & Heating Co., P.J. Kennedy & Sons, Inc., Edward H. Marchant Co., Inc., J. McCusker, Inc. No item of work shall equal or exceed \$2,000. Total cost not to exceed \$45,000.

For electrical repairs (Category 2), awarded as follows:

Craftsmen Construction Co., D & S Electric Lighting Service, J.J. Finn Electrical Service, Griffin Electric Corp., Joseph L. McKeen, Inc., OBIN Electric Company. No item of work shall equal or exceed \$2,000. Total cost not to exceed \$42,000.

For heating, ventilation and A/C repairs, including oil burner repairs (Category 3), awarded as follows:

D & F Plumbing & Heating Co., P.J. Janis Co., Inc., John E. Kelley Plumbing & Heating Co., P.J. Kennedy & Sons, Inc., Edward H. Marchant Co., Inc., J. McCusker, Inc. No item of work shall equal or exceed \$2,000. Total cost not to exceed \$30,000.

For general carpentry and related work (Category 4), awarded as follows:

Camdele Construction Co., D. Clancy & Sons Glass Co., Dartmouth Construction Co., Door Systems, Inc., Lee Kennedy Co., Inc., Murphy & Fahy Construction Co., John Palumbo Co., T.C. Murphy Contractors. No item of work shall equal or exceed \$2,000. Total cost not to exceed \$35,000.

For carpeting and floor coverings (Category 5), awarded as follows:

Camdele Construction Company, Dartmouth Construction Co., Nat Farkas & Associates, O'Sullivan Flooring Co., Inc., J.F. O'Toole Co., Inc., John Palumbo Co., Inc., R & R Carpet. No item of work shall equal or exceed \$2,000. Total cost not to exceed \$20,000.

CITY OF BOSTON**

**INSPECTIONAL SERVICES DEPARTMENT**

**NOTICE TO CONTRACTORS**

**Proposal for Demolition and Site Clearance,  
Project No. 143-CD-ATD, Community Development Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

21 Winthrop Street, Ward 12  
23 Winthrop Street, Ward 12

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, March 21, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined of this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Project No. 143-CD-ATD."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the demolition and site clearance of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The contractor's attention is called to XXIV, Protection of the Public. These measures, which appear in the contract, are of two general types: revisions to the demolition contract specifications, and modifications or additions to the Clearance of Unsafe Buildings Program itself.

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246), IF APPLICABLE.**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization, if applicable.

**Notice**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provisions and the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices and the performances of this contract.

**Attention to All Bidders**

**I. Minority Business Requirements:**

No bid for the award of this project will be considered acceptable unless the general contract complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contract must give satisfactory assurance that at least percent of his bid price shall be expended for minority business enterprise, if the bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which least 51 percent of the beneficial ownership a control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of the directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, eighth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**II. Workforce Requirements:**

During the performance of this contract, the general contractor shall agree and shall require that subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section of the Housing and Urban Development Act of 1968 and Executive Order 11246.

26 Court Street, Boston, Mass.**

**Invitation for General Bids for Furnishing and  
Delivering Floating Swimming Pool Covers  
and Roller Systems for the Indoor Pools to  
Various Schools.**

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing and delivering floating swimming pool covers and roller systems for the indoor pools to various schools.

General bids will be received up until twelve o'clock noon, Boston time, Wednesday, March 27, 1985, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, the sum of \$100 minimum or 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded)

from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 67-CD-ABU."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

#### Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

#### Attention to All Bidders

##### I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

##### II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

#### NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to

onds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section of the Housing and Urban Development Act of 1968 and Executive Order 11246.

THE SCHOOL COMMITTEE OF THE  
CITY OF BOSTON**

Department of Planning and Engineering,  
26 Court Street, Boston, Mass.

**Invitation for General Bids for Furnishing, Delivering and Setting in Place Hot Food Serving Counters at Boston Latin School.**

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing, delivering and setting in place hot food serving counters at Boston Latin School.

General bids will be received up until twelve o'clock noon, Boston time, Tuesday, March 26, 1985, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the greements contained in the subbid or general bid, in the sum of \$100 minimum or 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless an award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

**Proposal for Printing Services for Fiscal Year  
1985/1986 for Boston Public Schools.**

The School Committee of the City of Boston invites bids for printing services for Fiscal Year 1985/1986 for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Printing Services for Fiscal Year 1985/1986. Bid date: Wednesday, April 10, 1985." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check payable to the City of Boston, in the amount of one hundred dollars (\$100), or a bid bond, must be left at the office of the Business Manager, at or before twelve o'clock noon, on Wednesday, April 10, 1985. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

CITY OF BOSTON

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

**Proposal for Boarding and Securing, Project No. 68-CD-ABU(A-E), Community Development Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

498 Blue Hill Avenue, Ward 14  
11 Jenkins Street, Ward 7  
19 Moreland Street, Ward 12  
16 Standish Street, Ward 14  
86 Walnut Avenue, Ward 12

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, March 21, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bids shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 68-CD-ABU."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

**Notice**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

**Attention to All Bidders**

**I. Minority Business Requirements:**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**II. Workforce Requirements:**

During the performance of this contract, the general contractor shall agree and shall require that subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commission of Labor and Industries under the provisions chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specification" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms of the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contract construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winches, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employee trainees from contractor to contractor or from project to project for the sole purpose of meeting contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

The attention of all bidders is specifically directed

the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section of the Housing and Urban Development Act of 1968 and Executive Order 11246.

LISA G. CHAPNICK,  
*Commissioner of Traffic and Parking.*  
 (March 11.)

# **TRAFFIC RULINGS** **Permanent** **Official Advertisement** **TRAFFIC AND PARKING DEPARTMENT**

November 30, 1984.

Whereas, The Traffic and Parking Commission is not in session, now, therefore, under the authority granted to me under St. 1929, c. 263, s. 2B, as amended, I hereby promulgate the following:

That the Traffic Rules and Regulations of the City of Boston are amended as follows, effective January 2, 1985.

Article IV, Section 2 (Stopping, Standing, and Parking Prohibited), is amended by striking out the following:

Summer Street, Boston Proper.

South side, from Chauncy Street to South Street, 24 hours.

Article IV, Section 2 (Stopping, Standing, and Parking Prohibited), is amended by adding the following:

# CITY RECORD

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

JOSEPH M. HERNY  
PRESIDENT, CITY COUNCIL

DL 77

MONDAY, MARCH 18, 1985

NO. 11

## MAYOR FLYNN APPOINTS POLICE COMMISSIONER

*Statement of Mayor Raymond L. Flynn on Appointment  
of Francis M. Roache Boston Police Commissioner, March 13, 1985.*

Today the people of Boston have a Police Commissioner who will work to give them the most honest, professional, and accountable crime-fighting organization the country.

I have the privilege of making this appointment, but Francis "Mickey" Roache is truly our Commissioner. A police leader who recognizes that our diversity is our strength as a city; who is committed to making the Police Department a critical agent in the process of improving the quality of life in our neighborhoods.

Mickey Roache becomes your permanent Commissioner today because he has accomplished more in six weeks than many people accomplish in a decade. He has restructured the Command Staff; reducing its over-all number from twenty-seven to eighteen, improving management while making it more representative of the city it serves.

Mickey Roache knows that for the victim of a crime or a neighborhood resident living in fear, the Police Department is not a set of buildings or a fleet of cars. It's the one or two individual officers who respond to a call for help. He has been in the field — he has seen the awful sights and comforted the victims — and he has placed his trust in those men and women who work the field today. In return for his trust, he has demanded dedication and integrity from them.

The appointment of Mickey Roache as Police Commissioner is another sign that we're getting tough on crime in this city. I have a strong desire to create a strategy to improve community-based policing. In that regard, we are completing a feasibility study for the possible reopening of neighborhood police stations.

We also have a strategy in place to fight the drug merchants who deal death and destruction to our families and our neighborhoods. We will fight them with every weapon at our disposal.

Now, it is time for our partners at the state and federal levels to do their part. It is time for our state leaders to recognize our role as the center of the metropolitan area, and give us the financial tools to provide high-quality public safety and other services. We are not an island and we cannot be expected to

reach into an empty pocket to protect the millions of people who use and enjoy our city every year.

### MAYOR ANNOUNCES CITY POLICY ON LODGING HOUSES

On Sunday, March 10, 1985, at a meeting with tenants who are residents of lodging houses in Boston, Mayor Flynn released a policy document, detailing the extent of the lodging house problem in the city.

Mayor Flynn said that, "Lodging houses are disappearing from the Boston housing landscape at an alarming rate. For decades, the elderly, handicapped, and poor have relied on these houses as residences of the last resort.

"Our objective must be to help both the tenants who are losing this housing necessity and those owners who want to continue managing these lodging houses.

"The present case-by-case approach whereby city action is often confined to agencies learning of specific problems and responding with too little, too late, must be replaced by a pro-active approach," Mayor Flynn said.

Mayor Flynn proposed two policy options in his report: 1) making lodging house preservation part of city housing policy; 2) treating the problem in the context of the homeless emergency shelter program.

### Protecting the Truly Vulnerable: Preservation of Lodging Houses

#### Scope of Problem

For over a century, lodging houses in Boston have provided low-cost shelter for the newly arrived immigrant, the elderly, the disabled and the young working person. Lodging houses are distinguishable from rental apartments in that they normally provide a single, usually furnished, room for very low rent. It is housing as a bare minimum — but it often is the only housing that its residents can afford.

Lodging houses are clustered in Boston's downtown neighborhoods, mostly the South End, Back Bay, Beacon Hill's north slope, and Bay Village. For many reasons, these are areas experiencing rapid and escalating development pressures. Lodging houses have not escaped these pressures. In 1964, there were 923 licensed lodging houses in the South End alone. Today, the entire city has just 241 licensed lodging houses left.

Since January, 1984, forty-six building permits have been applied for seeking conversion to apartments or condominiums. Just in the past eight weeks of this year, eight more lodging houses have been purchased — we suspect for the purpose of conversion to higher-income properties.

#### The Plight of the Tenants

It appears that the diminishing stock of lodging house units is directly contributing to the "homeless" problem in Boston. The Pine Street Inn claims that forty percent of all their new guests are coming directly from closed-down lodging houses.

It appears further, that tenants sometimes are not being accorded their full, legal rights when they are vacated from their accommodations. We have enough information gathered so far to

(Continued on next page)

## Lodging Houses . . .

(Continued from previous page)

demonstrate a pattern of illegal evictions. Often, tenants are removed from their housing as a precondition to final sale — in order that the new owner may avoid Boston's rental housing and tenant protections.

### *The Plight of the Owners*

Lodging house owners too, have special problems. Many are elderly themselves and are experiencing a decline in their physical capacity to maintain their buildings. Even for those who are not elderly, lodging houses present some special management challenges. Building maintenance, keeping up to codes, tenant management — all those problems and more combine to make this kind of ownership unique and difficult. Add to that the constant pressures of the development potential of this real estate and we can understand the rapid diminution of lodging house availability.

The city is not without resources to help remedy the special challenges of lodging house ownership and management. There are programs available through NDEA and elsewhere that could be targeted for the purpose of lodging house preservation.

## POLICE DEPARTMENT ORDERS

March 1.

### *Personnel Order No. 85-37*

The following reassignments are hereby ordered, effective on the dates listed below.

Detective John J. Mulligan, Id. 6172, from Training and Education (Range) (D), to Area E (D) — 3-6-85.

Detective Joseph Smith, Id. 5970, from Area D (D), to Ballistics Unit (D) — 3-6-85.

Detective William Carter, Id. 6536, from Area D (D), to Ballistics Unit (D) — 3-6-85.

Police Officers:

Marvin Emery, Id. 5737, from Area A (N), to Personnel Division, Medically Incapacitated Section (N) — 3-6-85.

Lawrence Sullivan, Id. 6433, from Area D (N), to Personnel Division, Medically Incapacitated Section (N) — 3-6-85.

Frederick Gottwald, Id. 8852, from Area A (D), to Personnel Division, Medically Incapacitated Section (N) — 3-6-85.

James Happnie, Id. 6417, from Team Police (N), to Personnel Division, Medically Incapacitated Section (N) — 3-6-85.

Richard Atwood, Id. 6885, from Area A (D), to Personnel Division, Medically Incapacitated Section (N) — 3-6-85.

Norberto Perez, Id. 8734, from Area C (N), to Personnel Division, Medically Incapacitated Section (N) — 3-6-85.

### NEWS AGENCY

Old South Newsstand, 302 Washington Street.

### Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by noon, Monday of each week to insure its publication in the following Monday's issue.

### Commissioner's Memorandum No. 85-11

March 1

To All Bureaus, Districts-Areas, Divisions, Office Sections, and Units.

The attached notice of examination to be held for the position of signman-electrician, Police Department, will be brought to the attention of all civilian employees in this department.

This notice will be posted conspicuously on bulletin boards.

### Special Order No. 85-13

March 1.

To All Bureaus, Districts-Areas, Divisions, Office Sections, and Units.

This department is in the process of updating the Language Reference Sheet (BPD FORM 202) which is to be distributed to all sworn personnel. The purpose is to identify those officers who are proficient in reading, writing or speaking any foreign language.

Occasionally, an interpreter is needed to assist officers with arrests, families of sick/injured persons, etc.

Commanding officers will insure that sworn personnel, under their command, who possess any of the above skills complete the form and return same to the Planning and Research Division no later than 5 p.m., Friday, April 5, 1985.

Once a list has been compiled, sufficient copies will be forwarded to all areas, units, etc. to be used when the need arises.

### Special Order No. 85-12

March 4

To All Bureaus, Districts-Areas, Divisions, Office Sections, and Units.

A State Primary Special Election will be held Wards 9, 12, and 14 on Tuesday, March 12, 1985. Polling places will be open from 7 a.m. to 8 p.m. Area B Commanders will insure that the following instructions are complied with.

### General Instructions

The Bureau of Field Services will assign one patrolman to the office of the Election Department the day of the election.

On election day, the day deputy superintendent of Area B will report to his area at 5 a.m. He will assign to each officer detailed for election duty a copy of "Instructions to Police Officers Detailed for Duty at Primaries and Elections"; will instruct all officers assigned to polling places to familiarize themselves with the contents of these instructions; to strictly comply with them and will insure that all officers report to the polling places at the time specified in the order.

The on-duty night deputy superintendent of Area B will be responsible election night for assuring polling locations on their area are functioning properly.

Area B commanding officers, captains, lieutenants and sergeants will inspect polling places located within their jurisdiction.

Commanding officers of Area B will divide election hours into two shifts: 5 a.m. to 2 p.m.; and 2 p.m. to conclusion of election duties.

The 5 a.m. officer will report to the area station house where the polling place to which he is assigned is located and pick up the leatheroid box and proceed to his assigned polling place. Area B Commanders will impress upon all officers assigned

polling places in the a.m., the importance of returning to the polls at 6 a.m. State election laws dictate that candidates for office or their representatives should be permitted to examine and check the figures on the voting machines 1/2 hour before the polls open to determine that the figures are properly registered. In order to accomplish this, the officers must arrive on time to allow the election wardens sufficient time to set up the voting machines. The officer will then insure that the polls are open at 7 a.m.

Cards with the ward and precinct number and the location of the voting booths are to be given to the 50 officers detailed at the various polling places. These must be given to the employees of the Election Department by the police officers detailed to the polling places.

The 2 p.m. officer will report directly to his assigned polling place. At the completion of the voting operation, this officer will return the leatheroid box to the Election Department, City Hall.

At the close of the polls all night officers assigned to the polling places will stand at the end of the line of all voters placed in line by the warden with cards bearing their names. All these voters will be permitted to vote but the officers will not permit any additional persons to join the line.

All night officers are reminded that when making returns to City Hall that the Official Returns Book and the Total Tally Sheet are not placed in the leatheroid Box with the ballots cast, but are to be turned separately at the same time.

Area B commanders will instruct all officers who are detailed to polling places to see that the election rules are strictly enforced.

No one will be allowed behind the rail in any polling place except voters, election officers, and the election commissioner.

Posters commonly called stickers, shall not be used, circulated or distributed in the polling place, in the building where the polling place is located on the walls thereof, on the premises on which the building stands, or within 150 feet of the entrance to such polling place. (A yellow line on the premises indicates the distance of 150 feet from the entrance of the polling place.)

In accordance with law, a candidate for office or representative, duly authorized in writing, may within one hour after the official vote for said office has been announced by the warden, be permitted to examine and check the vote recorded on voting machines in any precinct in the City of Boston in which the name of said candidate has appeared on ballot; likewise he shall be permitted to examine and check the figures on the voting machine before the polls open to determine that its figures are properly registered. Polling places shall be open one hour before voting begins for the purpose of admitting such candidates to examine said machines. Election officers have been instructed in the procedure to follow and it is important that the police officer in each precinct remain on duty during the examinations.

Officers assigned to duty in these precincts should be apprised of the procedure to be followed. When the warden has set up the machines for voting and the polls are declared open, he will give the keys for each machine in the precinct to the police officer. The police officer will have custody of these keys until the close of the polls when the law requires us to furnish a ballot box key during the polling hours. At the close of the polls, the police officer will return the keys to the warden.

On Shoup machines, key 2 and 3 will be automatically locked in the voting machines; key 4 will be given to the police officer to return to City Hall. On automatic machines, key 2 and 3 will be given to the

police officer to return to City Hall. These keys are to be enclosed in a sealed envelope and signed by all election officers. Since the procedure is important, we request that the police officers check the envelope one for each machine to be certain that they are in proper order. These are not to be put in the leatheroid box, but are to be taken in hand by the police officer, and delivered to the clerk at the check-in desk in the Election Department. If any challenged ballots are cast in the precinct where machines are used, the police officer will have the ballots to return, but in any event he will return to City Hall, the box sent to the polling place for ballots cast, and the envelopes containing keys.

The officers assigned to the polls should be reminded that it is the privilege of the voters to watch the count of the votes cast. It is understood that no disturbance or crowding is to be permitted, and that the voters are to remain outside the rails.

All officers assigned to polling places are reminded that the law prohibits smoking at any time within the polling places and full compliance is required.

Commanding officers of Area B will evaluate their manpower requirement to cover polling places, and any additional needs by the areas will be called to the Bureau of Field Services as soon as possible.

## RETIREMENTS

December 31, 1984.

To the Auditor:

The applications for retirement of the following names have been received to be effective on the dates noted, in accordance with sections 5, 6, 7, and 10 of chapter 32:

### FIRE DEPARTMENT

John F. Casey, fire fighter.  
Robert Foley, fire captain.  
Melzer T. Pietroski, fire lieutenant.

### HEALTH AND HOSPITALS DEPARTMENT

Ruth Copeland, ward clerk.  
Anthony Dumas, mason-painter.  
John G. Mullaney, corp. maintenance.  
Eleanor G. Sangealey, nursing assistant.  
Albert Tyler, housekeeper.  
Shirley Wall, nurse.

### HOUSING INSPECTION DEPARTMENT

Joseph Liotta, inspector.  
Anthony H. Cataldo, director environmental health.

### PARKS AND RECREATION DEPARTMENT

Francis H. Joyce, supervisor.

### POLICE DEPARTMENT

Angelo DiBari, police officer.  
Edward Holland, police officer.

### SCHOOL DEPARTMENT

Rose Connolly, lunch monitor.

Clifford Masticola, teacher.  
Phyllis M. McDonough, principal clerk-secretary.  
Elizabeth O'Reilly, principal clerk-secretary.  
Marta B. Perez, teacher.  
Louise Serrecchia, secretarial aide.  
Eleanor L. Smith, teacher.  
Kathleen D. Thompson, teacher, counselor.

### WATER AND SEWER COMMISSION

Cornelius Driscoll, assistant pumping operator.  
Thomas Abbott, manager.  
Robert L. Brayboy, Jr., millwright.  
Alexander Connolly, head storekeeper.  
John F. Hardiman, laborer.

Emilo T. Puopolo, working foreman.

Attest:

JAMES F. O'DONNELL,  
Executive Officer.

## CONTRACTS AWARDED

The mayor has approved the award of the following contracts to the lowest eligible bidders:

### PUBLIC FACILITIES DEPARTMENT

#### Various Types of Repair Work

For glass and glass substitute work (Category 6), awarded as follows:

Alliance Glass Corp., D. Clancy & Sons Glass Co., Dartmouth Construct Co., National Plate & Window Glass Co., Inc., John Palumbo Co. No item of work shall equal or exceed \$2,000. Total cost not to exceed \$12,000.

For roofing repairs and metal work (Category 7), awarded as follows:

D. Clancy & Sons Glass Co., J.E. Morin, John Palumbo Company, Roofing Enterprises, Waterproofing Company. No item of work shall equal or exceed \$2,000. Total cost not to exceed \$2,000.

For repairs to building sites (Category 8), awarded as follows:

Camdele Construction Co., D. Clancy & Sons Glass Co., Dartmouth Construction Co., Murphy & Fahy Construction Co., T. C. Murphy Contractors, John Palumbo Company. No item of work shall equal or exceed \$2,000. Total cost not to exceed \$34,000.

For repairs to iron work, chain link fences, and welding work (Category 9), awarded as follows:

DeAngelis Iron Works, Inc., Door Systems, Inc., Napoli Wrecking Co., Inc., John Palumbo Co. No item of work shall equal or exceed \$2,000. Total cost not to exceed \$18,000.

For furnishing and delivering various supplies and equipment (Category 10), awarded as follows:

D. Clancy & Sons Glass Co., Dartmouth Construction Co., J.J. Finn Electrical Service, P.J. Janis Co., Inc., John Palumbo Co. No item of work shall equal or exceed \$2,000. Total cost not to exceed \$24,000.

For miscellaneous labor services (Category 11), awarded as follows:

Camdele Construct Co., D. Clancy & Sons Glass Company, Dartmouth Construction Co., Dec-Tam Corp., Joseph L. McKeen, Inc., Murphy & Fahy Construction Co., Napoli Wrecking Co., Inc., John Palumbo Co., Thomas A. Sheehan Co., Inc. No item of work shall equal or exceed \$2,000. Total cost not to exceed \$32,000.

For painting, including sign painting (Category 12), awarded as follows:

Bello Painting Co., Inc., Dartmouth Construction Co., DeAngelis Iron Work, Inc., Joseph Gazzola, Inc., John Palumbo Co., R. Van Putten Co. No item of work shall equal or exceed \$2,000. Total cost not to exceed \$18,000.

For locksmith work (Category 13), awarded as follows:

City Lock Co., Dartmouth Construction Co., John Palumbo Co. No item of work shall equal or exceed \$2,000. Total cost not to exceed \$18,000.

For plastering, waterproofing and masonry (Category 14), awarded as follows:

D. Clancy & Sons Glass Co., Dartmouth Construction Company, J.E. Morin, Murphy & Fahy Construction Co., John Palumbo Company, Roofing Enterprises, Waterproofing Company. No item of work shall equal or exceed \$2,000. Total cost not to exceed \$20,000.

#### Placement of Statue, etc.

For placement of statue and alterations to the Rose Garden, awarded to Rich Construction Corporation, at \$13,537.

### PUBLIC WORKS DEPARTMENT

#### Highway Reconstruction

For state aid — highway reconstruction in Centre Street and Independence Drive in West Roxbury and Tremont Street in Brighton, awarded to Chales & Angelo Todesca & Sons, J. V., at \$215,513.10.

### SCHOOL DEPARTMENT

#### Locksets

For new locksets at East Boston High School, awarded to Brummitt-Kelly Co., Inc., at \$3,950.

#### Leasing of Vehicles

For furnishing leasing of vehicles for Boston School Department (Tileston Alternative, McKinley, etc.), awarded to Integrity Leasing Corporation, not to exceed \$16,000.

#### Medical Supplies

For furnishing medical supplies (annual order), awarded to Micro Bio-Medics, Inc., not to exceed \$6,035.49; and Whitney Brothers, Inc., not to exceed \$3,349.67.

For grading and paving, fence and concrete work at the William Blackstone School, awarded to Washington Paving Co., Inc., at \$21,800.

#### Sand

For furnishing sand, awarded to Construction Supply of NE, Inc., not to exceed \$7,500.

#### Various Gases

For furnishing oxygen, acetylene, argon and other gas supplies, to (ORC), awarded to Yankee Oxygen, Inc., not to exceed \$15,000.

#### Software

For furnishing Decmate I word processor software for same, a VTIXX-CB kit to update a VT 100 to VT 125, awarded to Digital Equipment Corporation, not to exceed \$11,882.75.

#### Oil Burners

For furnishing and installing new oil burners at the Maurice J. Tobin School, awarded to J. A. Marino Automatic Heating Co., Inc., at \$25,123.

For furnishing and installing new oil burners and steam traps at Brighton High School, awarded to J. A. Marino Automatic Heating Co., Inc., at \$41,123.

#### Alarm System

For furnishing and installing an intrusion alarm system at White Stadium, awarded to Special Agent Systems, Inc., at \$10,311.

#### Kitchen Supplies

For furnishing kitchen supplies (Home Economics), awarded to Anchor Equipment Co., Inc., not to exceed \$4,734.62; Central Restaurant Equipment & Supply, not to exceed \$4,147.20; and Harbour Food Service Equipment, Inc., not to exceed \$4,039.70.

#### Printing Services

For furnishing printing of position control forms, awarded to Sir Speedy Printing, not to exceed \$6,000.

For furnishing printing of CPC newsletter, awarded to Harwich Industries, Inc., not to exceed \$26,000.

For furnishing printing of Chapter I Bulletin, newsletter, awarded to Addison C. Getchell, not to exceed \$8,000.

For furnishing printing of test booklets (reading, math, writing and learning), awarded to Addison C. Getchell, not to exceed \$18,000.

#### Projector and Copier Materials

For furnishing materials for thermal copiers and overhead projectors, awarded to A.B. Dick Company, not to exceed \$3,500; and H.B. Educational Systems, Inc., not to exceed \$3,500.

#### Fine Arts Supplies

For furnishing fine arts supplies, awarded as follows:

J.L. Hammett Company, not to exceed \$50,000; New England School Supply, not to exceed \$35,000; Henry S. Wolkins Company, not to exceed \$32,000; and Elgin School Supply Co., Inc., not to exceed \$4,516.69.

Purchase orders to Brodhead-Garrett Co., Chaselle, Inc., Cutter Ceramics, Dick Blick East, Beckmann, Inc., Pepperell Braiding Co., General Photo.

#### Data Processing Materials

For furnishing data processing materials, awarded as follows:

Duplex Products, Inc., not to exceed \$29,279; NCR Corporation, not to exceed \$15,000; The Arnold Corporation, not to exceed \$10,000; Globe Ticket Company, not to exceed \$6,202.

#### Equipment Repairs

For estimating periodically the cost of, and thereafter, upon the lowest responsible estimate, performing repairs to furniture and food preparation equipment awarded as follows:

Bay State York Co., Inc., Cafe Service, Inc., Commercial Food Equipment Service, Commonwealth Air Conditioning and Heating, Inc., D & S Electric and Lighting Service, Deleco Industries, Inc., G & P Service Contractors, Inc., not to exceed \$100,000.

#### Plumbing Repairs, etc.

For plumbing repairs at the Charles E. Mackey School, awarded to Consolidated, Inc., at \$7,164.

For toilet partition repairs at the Mario Umana High School, awarded to Master Mechanical Contractors, Inc., at \$7,566.

For estimating periodically the cost of, and thereafter, upon the lowest responsible estimate, performing plumbing and gas fitting repairs — heating, ventilating, and air conditioning repairs, including oil burner repairs, electrical repairs, elevators and generators, awarded to:

Autocall Division of Federal Signal Corp., Barber Colman Company, Bay State York Co., Inc., Carl Louis Plumbing and Piping Contractors, Inc. Consolidated, Inc., C.J. Cambria.

D & F Plumbing and Heating Co., Inc., Benjamin D'Agostino, d/b/a D'Agostino Heating, Domenic Campochiaro, d/b/a D & S Electric Lighting Service, Dec-Tam Corporation, Deleco Industries, Inc. Dorchester Electric Motor Co., Inc.

Griffin Electric Corp., Heatrol, Inc., Richard A. Kelly, d/b/a, Kelco Co., Kendall Boiler and Tank Co. Inc., Kendall Electric Service Company.

P. J. Kennedy and Sons, Inc., W. A. Kraft Corp., William MacKinlay, J. A. Marino Automatic Heating Co., Inc., Edward H. Marchant Co., Inc., J. McCusker, Inc.

Joseph L. McKeen, Inc., Montgomery Elevator Company, Northeast Elevator Company, Inc., Obi Electric Co., Inc., Donald Pacious, George Robbin & Co., Inc., Patrick F. Russo, d/b/a Patrick F. Russo Co.

R.J. Sanders Co., Gus Sergi, Inc., S.E.S. Co. Inc., Signet Electronics Systems, Inc., Simple Time Recorder Co., Standard Electric Time Corp Ward Insulation, Inc., d/b/a Rockland Insulation Co., Trethewasy Bros. — not to exceed \$100,000 total.

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising based on the following communications:

#### Budget System, Services, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award contract to Computer Partners, Inc., a corporation located at 60 State Street, Boston, for professional consulting services.

Under the terms of the contract, Computer Partners, Inc. will assist city personnel in the design and development of certain unique budget application on the new Budget Division Wang, VS 85 system and spread software.

Compensation under this contract will be for professional consulting services and shall not exceed \$15,000. The applicable hourly rates for professional services under this contract are as follows: Account Manager, \$75; Programmer Analyst, \$40; Programmer, \$35.

Compensation under this contract will be charged and paid from appropriation account number 10144290.

The term of this contract shall be September 1, 1983, to June 30, 1984. Due to delays encountered in negotiating the terms and compensation of the contract, this award letter is being submitted late.

Computer Partners, Inc. is uniquely qualified to perform this work because of their professional qualifications and extensive experience with the City of Boston's data processing system and architecture. Therefore, I believe that public advertising would serve no useful purpose.

Very truly yours,

Dennis J. Morgan,  
Supervisor of Budgets.

Purchasing Division

## Communications Equipment

Dear Mr. Mayor:  
Under General Laws, chapter 7, section 22B, two more political subdivisions may join together for the purpose of obtaining and accepting competitive bids on similar items of materials, supplies, equipment or service which they intend to purchase.

Pursuant to this law, the City of Newton, on behalf of the Greater Boston Police Council (GBPC), publicly advertised for bids to provide communications equipment to the police department of the member cities and towns. The lowest bidder meeting specifications was Motorola Inc., and a contract was awarded to Motorola for a five-year period, from November, 1981, to November, 1986.

The Purchasing Division has received a requisition from Suffolk County Jail for the furnishing of a Motorola remote microphone MX radio alligator clip and a Motorola MX350 portable radio w/remote microphone, batteries, case and antenna, all which are available under Motorola's contract with GBPC. Although the GBPC contract was intended to apply primarily to police departments of the member cities and towns, Motorola has agreed to furnish the equipment requested by Suffolk County Jail at the same prices and under the same terms and conditions as the GBPC contract.

Accordingly, your permission is requested to award a contract, without advertising, to Motorola Inc., 16 New England Executive Park, Burlington, in an amount of \$6,796, net, a cost I consider reasonable.

Respectfully yours,  
Frank F. Chin,  
Purchasing Agent.

## Binding Covers, etc.

Dear Mr. Mayor:  
I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Gerald E. Smith & Assoc., New Bedford, in the amount of \$4,000 net.

This contract will cover the purchase of a cover unit and various types of binding covers, to be used in fiscal 1984.

This binder is new to the industry and cost less to purchase and less to buy supplies for. It will enable a Copy Center to do binding quicker and more professionally that it can do with binder it now has. Because no other vendor in New England has this product I feel that no useful purpose would be served by public advertising.

Respectfully yours,  
Frank F. Chin,  
Purchasing Agent.

## Rental of Trailer

Dear Mr. Mayor:  
Permission is requested to dispense with public advertising and award a contract to Arthur Industries, Connecticut, in the amount of \$2,438.60 net, a cost I consider reasonable.

The contract will pay for the rental of a trailer for the substation to be situated at Morton Street and Hill Avenue. The charge will be \$8.90 per day from November 1, 1983, to June 30, 1984. The Police Department has an immediate need for this trailer and Arthur Industries is agreeable to provide it immediately, whereas other companies have a long delay.

This award letter is being submitted at this late date as the Police Department was late in notifying

Respectfully yours,  
Frank F. Chin,  
Purchasing Agent.

## Computer Equipment

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to American Computer Group, Inc., located at 712 Beacon Street.

Under the terms of the contract, American Computer Group, Inc. will provide, install, and maintain four, new, eight-channel statistical multiplexors and four 9600 baud modems to be used with the multiplexors. This equipment will allow computer terminals in the Assessing Department to interact with the department's computer at Milk Street.

Compensation under this contract shall not exceed \$6,100, which I have deemed to be reasonable for the equipment to be provided. The contract will be paid by the Assessing Department, account 1013649. The term of the contract shall be November 1, 1983, through May 1, 1984.

A request for bid for this equipment was originally let by the Purchasing Department. However, the department discovered that the original specifications were flawed. Even though the errors were not substantial, they were misleading and therefore it was decided to request informal bids from all of the original vendors who had responded to the flawed specifications.

The original vendors submitting bids are as follows: American Computer Group, \$6,096; Marketechs, \$9,156; DataMark, \$12,840; Bulter Associates, no response.

Under the circumstances described above, I believe that to publicly advertise this bid once again would serve no useful purpose.

Respectfully yours,  
Frank F. Chin,  
Purchasing Agent.

## Rental of Wagon

Dear Mr. Mayor:

Permission is requested to dispense with public advertising and award a contract to Colonial Car Lease Co., Inc., in the amount of \$4,500 net, for the lease renewal of a 1982 Malibu classic wagon for the Licensing Board. Since Colonial Car Lease Co. has agreed to provide this vehicle at the same rate as last year, I feel that no useful purpose would be served by public advertising.

Therefore, permission is requested to award a contract, without public advertising, to Colonial Car Lease Co., Inc., Plymouth, in the amount of \$4,500 net, which is a monthly rate of \$411.43 and a mileage charge of \$.02 per mile for the first 5,000 miles and \$.04 per mile for over 5,000 miles, for a period of September 9, 1983, through June 30, 1984, with the option to renew to December 31, 1984.

This letter is being submitted at this late date due to the fact that the Licensing Board inadvertently omitted submitting the above information to Purchasing until this late date.

Respectfully yours,  
Frank F. Chin,  
Purchasing Agent.

## FIRE DEPARTMENT Raytheon Radar Set

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and award a contract to Ocean Marine Services, Inc., 66 Long Wharf, Boston, for furnishing and installing one Raytheon 3200 radar set aboard Boston Fire Department Fireboat Marine Unit 1 M.V. St. Florian and to adjust all components of radar after installation.

Under the terms of the contract, the contractor will furnish and install and perform any necessary

warranty work as may be required on a Raytheon 3200 radar set aboard Marine Unit 1 located at Battery Wharf, Boston. Warranty on unit to be two-year limited parts with one-year free labor.

The contractor is specially qualified to do this work, because the contractor is the only contractor in the area who has in stock a 32-volt Raytheon radar set and can install the set immediately on signing of contract. The contractor is the sole radar depth sounder company located on the Boston waterfront.

Because of the foregoing, the contractor can, within minutes, be at the contractor's wharf for adjustments, repairs, etc.

Compensation under this contract shall not exceed \$3,595, including exchange of old radar unit. The cost, which I have determined to be reasonable for the work to be performed, shall be charged to Item 59 in the Fire Department budget.

The term of this contract shall be from July 6, 1983, to June 30, 1984.

Because of the proximity of Ocean Marine Services, Inc. to the Boston Fire Department Marine Units and past experience of repairs performed by them and the reasonable cost of these past services, I believe no useful purpose would be served by public advertising.

This award letter is late due to administrative problems in processing.

Very truly yours,  
George H. Paul,  
Fire Commissioner/Chief.

## Storage of Generator, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Motorola, Inc. located at New Jersey, for rental atop the Prudential Building for the Fire Department antenna and storage of an emergency generator.

Under the terms of the contract, the contractor will maintain the antenna and storage of the emergency generator.

The contractor is specially qualified to do this work because the equipment is Motorola-type material.

Compensation under this contract shall not exceed \$3,010.44, which I have determined to be reasonable for the work to be performed. The term of this contract shall be from July 1, 1983, to June 30, 1984.

Because of the equipment being Motorola equipment, the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

The reason that this contract is being submitted late is the company has just sent the proper paperwork and amount we are to pay.

Very truly yours,  
George H. Paul,  
Fire Commissioner/Chief.

## HEALTH AND HOSPITALS DEPARTMENT Administration Sets

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to PRC Medical Specialties, South Weymouth, \$24,000; net 30 days; FOB Weymouth, for the period November 1, 1983, through June 30, 1984.

Under this contract, PRC Medical Specialties will supply the Department of Health and Hospitals with Ratemate administration sets No. 1000, fifty cases

at \$165 per case. These sets are to be used with the Anastros Rateminder volumetric controllers recently purchased by the department. PRC Medical Specialties is the sole distributor in this area of the Rateminder administration sets. Because of the above reason and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack, *Commissioner*

#### LAW DEPARTMENT Legal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Michael A. Collora, Esquire, of the law firm Hemenway and Barnes, located at 60 State Street.

Under the terms of the contract, Mr. Collora will provide legal services to the Law Department in connection with the case of *United States v. McNeill*, United States District Court. Mr. Collora will review transcript and exhibits of the trial in connection therewith, legal research on pension applications, preparation for and attendance at City of Boston Retirement Board hearings on petition filed by city to revoke disability pension of William P. McNeill and work-related.

Compensation under this contract shall not exceed \$6,000, which is reasonable for the services to be performed. Payments will be made at the rate of \$85 per hour.

The term of this contract shall be May 20, 1983, through June 30, 1983. This award letter is being submitted late because of administrative error.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
James P. McGuire,  
*Corporation Counsel*

#### LICENSING BOARD Legal Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising in the awarding of a contract to Harrison A. Fitch, Esquire, of 189 State Street, for legal services to be rendered to this board.

Under the terms of the agreement, Mr. Fitch will represent the board in any legal actions which may be necessary to enable the board to perform its statutory function.

Mr. Fitch is a highly qualified and capable attorney. He has agreed to represent this board at the rate of \$80 per hour which is below the usual rate and very reasonable. Because of the professional nature of the contract, no useful purpose would be served by public advertising.

The total amount of compensation under this contract shall not exceed \$6,000 in the current fiscal year.

The period of this contract shall be from April 15, 1983, to June 30, 1983. This letter is being submitted late due to the sudden need that the board experienced in its legal representation. The board did not know, prior to April 5, 1983, that a change of counsel would be necessary and it took several weeks to obtain all of the files and background information necessary to fully acquaint Mr. Fitch with the board's legal needs.

Very truly yours,  
Andrea W. Gargiulo,  
*Chairwoman*

#### MAYOR'S OFFICE Parkman House Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to the Boston Foundation, Inc., a corporation located at Boston, for the care, cleaning, maintenance, security and operations of the Parkman House. In the course of said services, the foundation shall provide the services of a maximum of two employees, and administrator and a live-in housekeeper. This contract will also provide for the procurement of provisions, which will include but not be limited to paper goods, newspapers, periodicals, office supplies, cleaning supplies, and food for light meals for the Parkman House, 33 Beacon Street, Boston.

Under the terms of this proposed agreement, the foundation will pay for all labor, materials, and provisions furnished. The period of performance will be July 1, 1983, through June 30, 1984. The cost to the city for this contract will not exceed \$90,000.

In view of the success of the Boston Foundation, Inc. in providing services for the Parkman House in the past as well as the unique services rendered, it is my opinion that public advertising would serve no useful purpose in the awarding of this contract.

This contract is to be charged to the Mayor's Office Appropriation Code 1-01-11-29.

This award letter is being submitted late due to ongoing budget negotiations.

Sincerely,  
Nelda S. Sogoloff,  
*Administrative Director*

#### Entertainment Programs

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to the Boston Foundation, Inc., a corporation located at Boston, for the following services: to pay participants of the Independence Day Parade and other related Independence Day 1983 events; to pay for cultural events, including but not limited to, music programs, theatre and dance for the enrichment, recreation and education of residents of, and visitors to the City of Boston, by various performing groups within the City of Boston during the period of this contract; to produce musical events on the stage of City Hall Plaza.

Under the proposed agreement, the foundation will advance monies for all labor and materials furnished and the purpose of the contract for the convenience of the City of Boston in that the foundation will pay for everything furnished under this agreement and will be reimbursed for the services that are provided. The cost of this contract to the city will not exceed \$14,500, which is reasonable. The period of performance of this contract is July 1, 1983, through June 30, 1984.

In view of the success of the Boston Foundation, Inc. being able to make payments to performing groups in an expedient fashion and the success of the Boston Foundation, Inc. in producing cultural, musical, theatrical dance and civic programs for the City of Boston and the special nature of the services rendered, it is my opinion that public advertising would serve no useful purpose and that the awarding of this contract is in the best interest of the City of Boston.

As a deputy mayor of the City of Boston, I am a municipal employee as that term is defined in the G.L.c. 268A, the Conflict of Interest Statute. I am also president of the Boston Foundation from which I receive no compensation. In that capacity, I will on its behalf execute and be responsible for the overall

administration of this contract with the city. Your approval of this letter of award will constitute your written determination as the official responsible for an appointment that my interest in this contract is not so substantial as to be deemed likely to affect the integrity of the services which the city expects me. G.L.c. 268A, 19.

This award letter is being submitted late due to ongoing budget negotiations.

Sincerely,  
Katharine D. Kane,  
*Deputy Mayor*

#### Temporary Secretarial Services, etc.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Olsten Temporary Services, located at 10 Bromfield Street, Boston.

Under the terms of this contract, Olsten will provide temporary secretarial and word processing services to the Office of Policy Management.

Due to the ongoing excellent services Olsten has provided this department and at a reasonable cost, I believe that public advertising would serve no useful purpose.

The cost of this contract will not exceed \$15,000. Payment for these services shall be charged to the Office of Policy Management, Appropriation Code 1-14-02-29. The term of this contract shall be from July 1, 1983, to December 30, 1983. Due to clerical and administrative delays, this award letter is being submitted late.

Sincerely,  
Micho F. Spring,  
*Deputy Mayor*

#### Capital Improvements Consultant

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Stuart E. Marwell, an individual residing in New York (after September 30, 1983), for professional consulting services with regard to the management and administration of the capital improvements program and the capital budget as well as assistance in closing out various school and other departmental construction project accounts and grants.

The term of this contract will be from October 1, 1983, to June 30, 1984, and compensation provided under it will be at the rate of \$37.50 per hour plus actual cost of pre-approved travel and transportation. Compensation will not exceed \$6,500.

Because of the professional nature of the work to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,  
Micho F. Spring,  
*Deputy Mayor*

CITY OF BOSTON

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

Invitation of Bids for Demolition and Site Clearance, Project No. 144-CD-ATD, Community Development Block Grant.

The City of Boston, acting by its Inspectional Services Commissioner, Room 807, City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

90-92 Stoughton Street, Ward 13

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, March 28, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined of this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 144-CD-ATD."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the demolition and site clearance of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The contractor's attention is called to XXIV, Protection of the Public. These measures, which appear in the contract, are of two general types: revisions to the demolition contract specifications, and modifications or additions to the Clearance of Unsafe Buildings Program itself.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246), IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization, if applicable.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provisions and the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices and the performances of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 1 percent of his bid price shall be expended for minority business enterprise, if the bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership or control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of the directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beach Street, eighth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commission of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed

the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 58 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

(March 18.)

**ADVERTISEMENT  
MASSACHUSETTS BAY TRANSPORTATION  
AUTHORITY**

Transportation Building, 10 Park Plaza  
Boston, MA 02116-3933

**NOTICE TO CONTRACTORS**

Sealed bids for MBTA Contract No. 097-412 SYSTEMWIDE STATION FURNISHINGS, SOUTH/EAST CORRIDOR PROJECT, BOSTON, MASSACHUSETTS (Class 7 — Buildings, Project value 42.6) will be received by the Director of Construction, at the Contract Administration Office, 10th floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) April 23, 1985. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

Work consists of furnishing and installing station furnishings: platform furniture, wall gratings, signage, lighting, and handrails, with all associated fittings and appurtenances.

This contract is subject to a financial assistance contract between the MBTA and the United States Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Proposal Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after March 13, 1985, Monday through Friday, at a charge of \$100. Half-size drawings may be requested for convenience purposes at a charge of \$25 per set. The Authority's General Requirements and Covenants (978 Edition of Division I), as amended, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post on request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air

freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-Owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 16 percent WBE 4 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Senior Project Manager, Mr. Daniel L. Ocasio, 500 Arborway, Boston, MA 02130. (Tel. No. (617) 722-5910). A prebid conference will be held on April 9, 1985, at 10 a.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Proposal guaranty shall consist of a bid deposit of two hundred thirteen thousand dollars (\$213,000), in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

CITY OF BOSTON**

**INSPECTIONAL SERVICES DEPARTMENT**

**NOTICE TO CONTRACTORS**

**Proposal for Demolition and Site Clearance,  
Project No. 145-CD-ATD, Community Development Block Grant.**

The City of Boston, acting by its Inspectional Services Commissioner, Room 808, City Hall, 1 City Hall Square, Boston, MA 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

89 Nightingale Street, Ward 14  
102 Nightingale Street, Ward 14

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, March 28, 1985, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid shall be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined of this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation,

sections 39F and 39K through 39P of chapter 30, and sections 29 to 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 145-CD-ATD."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for the employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the demolition and site clearance of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The contractor's attention is called to XXIV, Protection of the Public. These measures, which appear in the contract, are two general types: revisions to the demolition contract specifications, and modifications or additions to the Clearance of Unsafe Buildings Program itself.

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246), IF APPLICABLE.**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulation in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

**Notice**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section Contract provision of

the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices the performances of this contract.

**Attention to All Bidders**

**I. Minority Business Requirements:**

No bid for the award of this project will be considered acceptable unless the general contract complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contract must give satisfactory assurance that at least 1 percent of his bid price shall be expended for minority business enterprise, if the bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of the directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beach Street, eighth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use minority business that is not listed in the Directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**II. Workforce Requirements:**

During the performance of this contract, the general contractor shall agree and shall require that its subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commission of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect

bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

Boston, MA 02116-3933

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. C9CN08, COMMUTER RAIL STATION IMPROVEMENTS, EASTERN LINE/GLOUCESTER BRANCH, ESSEX COUNTY, MASSACHUSETTS, (Class 1 — General Transit Construction) (Project Value 13.1) will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on Wednesday, March 27, 1985. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

The work consists of miscellaneous station improvement work including, but not limited to, bituminous and precast concrete platforms with timber curbing, steel canopies with electrical lighting and prefabricated timber pedestrian crossings at various locations, Eastern Line/Glooucester Branch, all located in Essex County, Massachusetts, as shown in the plans.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after Thursday, March 6, 1985, Monday through Friday, at a charge of \$50 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division I — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 15 percent WBE 3 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Assistant Director of Construction — Administration, Mr. Peter F. McNulty, Transportation Building, 10 Park Plaza, Boston, MA 02116-2933, Telephone (617) 722-3118. A prebid conference will be held on Monday, March 18, 1985, at 10 a.m., at 500 Arborway, Jamaica Plain, MA 02130. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

Bid guaranty shall consist of a bid deposit of sixty-five thousand five hundred dollars (\$65,500), in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

Boston, MA 02116-3933

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. C9CN12, PARKING AND STATION IMPROVEMENTS — PHASE II, BEVERLY AND IPSWICH, MASSACHUSETTS, (Class 1 — GENERAL TRANSIT CONSTRUCTION, PROJECT VALUE 12.0) will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116, until two o'clock (2 p.m.) on March 29, 1985. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

The work consists of parking lot and platform improvements at North Beverly and Montserrat Stations, and platform improvements at Beverly Depot and Ipswich Stations. The work will include earthwork, grading, drainage, walks, platforms, retaining walls, track crossings, stairways, granite and timber curbing, bituminous concrete pavement, signing, pavement markings, guardrail, bollards, lighting, fencing, landscaping, passenger shelters, raised concrete platforms and demolition.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after March 6, 1985, Monday through Friday, at a charge of \$25. The Authority's Standard Specifications, Bidding and Contract Requirements and Division I — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of ten dollars (\$10), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 15 percent WBE 3 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors

will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. Kevin McRae, 500 Arborway, Boston, MA 02130, Telephone (617) 722-3465. A prebid conference will be held on March 19, 1985, at 2 p.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

Bid security shall consist of a bid deposit of sixty thousand dollars (\$60,000), in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. C9CN09, BRIDGE IMPROVEMENTS, VARIOUS LOCATIONS, ESSEX COUNTY, MASSACHUSETTS, Class 4(a) — Bridges, Steel Superstructures or Class 4(c) — Bridges, Concrete Structures (Project Value 27.8), will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on Thursday, March 28, 1985. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

The work includes, but is not limited to, demolition and earthwork, pilework, precast and cast-in-place concrete work, new structural steel bridge superstructures, and repairs to existing steel bridges and associated waterproofing, painting, staining, and timber construction at various locations in Essex County, Massachusetts, as shown on the plans.

This contract is subject to a financial assistance agreement between the MBTA and the United States Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Proposal Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after Wednesday, March 6, 1985, Monday through Friday, at a charge of \$50 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division I — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Instruction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Plans and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 15 percent and WBE 3 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Assistant Director of Construction — Administration, Mr. Peter F. McNulty, Transportation Building, 10 Park Plaza, Boston, MA 02116-2933, Telephone (617) 722-3118. A prebid conference will be held on Tuesday, March 19, 1985, at 10 a.m., at 500 Arborway, Jamaica Plain, MA 02130. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Proposal guaranty shall consist of a bid deposit of one hundred thirty-nine thousand dollars (\$139,000), in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**Invitation for General Bids for Fabricating, Delivering and Installing Lunch Room Equipment to Madison Park High School, 100 New Dudley Street, Roxbury, Mass.**

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for fabricating, delivering and installing lunch room equipment to Madison Park High School, 100 New Dudley Street, Roxbury, Mass.

General bids will be received up until twelve o'clock noon, Boston time, Tuesday, April 2, 1985, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$100 minimum or 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless an award has been made upon expiration of the prescribed time therefore.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide workers' compensation insurance for the payment of compensation and for the furnishing of other benefits under the Workers' Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

**Invitation for Bids for Expanded Metal Window Grills, Dorchester High School.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Dorchester High School — Expanded Metal Window Grills."

SCOPE OF WORK includes furnishing and installing security screens over new aluminum windows.

TIME AND PLACE FOR FILING BID APPLICATIONS: General bidders must submit an Application to Bid and Contractor Qualification Statement or Update to the department on or before twelve o'clock noon, Boston time, on April 1, 1985, at the office of the Awarding Authority, sixth floor, 26 Court Street, Boston, MA 02108. ALL GENERAL BIDS shall be filed with the Awarding Authority at the above address before twelve o'clock noon on May 1, 1985, at which time and place respective bids will be opened forthwith and read aloud. The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be the public interest to do so.

Applications to bid are now available at the offices of the Public Facilities Department. PLANS AND SPECIFICATIONS will be available on or about March 25, 1985, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall

be in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$100 minimum or 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

PAUL W. MOONEY,  
Senior Structural Engineer.

THE SCHOOL COMMITTEE OF THE  
CITY OF BOSTON

Department of Planning and Engineering,  
26 Court Street, Boston, Mass.

Invitation for General Bids for Furnishing and Delivering Floating Swimming Pool Covers and Roller Systems for the Indoor Pools to Various Schools.

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing and delivering floating swimming pool covers and roller systems for the indoor pools to various schools.

General bids will be received up until twelve o'clock noon, Boston time, Wednesday, March 27, 1985, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. PUBLIC FACILITIES DEPARTMENT

PUBLIC NOTICE

At the Public Facilities Commission meeting on February 28, 1985, the Commission voted and the Mayor subsequently approved their intent to sell to Quincy-Geneva Housing Corporation, approximately 2,540 square feet of land, located at the rear from the northeasterly side of Holborn Street (Ward 12, Parcel 2984), in the Roxbury district of the City of Boston.

Written details of this proposal may be examined at the office of the Public Facilities Department, 26 Court Street, sixth floor, Boston, MA 02108, on any regular work day between the hours of 9 a.m. and 5 p.m.

# CITY RECORD

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

JOSEPH M. TIERNEY  
PRESIDENT, CITY COUNCIL

VOL. 77

MONDAY, MARCH 25, 1985

NO. 12

## MAYOR ANNOUNCES EQUAL RIGHTS REORGANIZATION

On March 21, Mayor Raymond L. Flynn announced the appointment of Benjamin F. Thompson as senior advisor on equal rights. This appointment is central to a reorganization of equal rights functions within the administration.

Mr. Thompson will join the Mayor's staff to coordinate policy on anti-discrimination programs, on affirmative hiring, and business participation, and on programs to increase access and promote racial harmony.

"As senior advisor on equal rights, I will be responsible for policy development and coordination within these departments and with the Boston human and social service communities," said Mr. Thompson.

Specifically, he will report to Mayor Flynn on policy development and implementation which takes place within four commissions and two divisions within existing departments.

These are the Human Rights Commission, the Fair Housing Commission, the Affirmative Action Division of the Personnel Department, the Contract Compliance of the Neighborhood Development and Employment Agency, the Women's Commission, and the Commission on Handicapped Affairs.

Mayor Flynn stated, "Over the last year, Ben Thompson has demonstrated his ability as an administrator to handle difficult situations with fairness and sensitivity. I want to work with him on the issues that will bring people together in Boston."

Mayor Flynn also announced the appointment of David J. Cortiella of Dorchester as director of affirmative action. Cortiella, who will work within the Personnel Department and will report directly to the Mayor, will coordinate affirmative action efforts in all city departments. Mayor Flynn commented, "I expect to work closely with David to develop one of the most effective affirmative hiring programs in the country."

Mr. Cortiella is currently staff attorney with the Massachusetts Securities Division of the Secretary of State's Office. He has been active with El Comite de

Padres in the Boston Public School desegregation case. Before attending law school, Cortiella was a career counselor for linguistic minorities.

Mayor Flynn announced appointments to the Human Rights Commission and the Fair Housing Commission. Libby L. Chiu, the principal of the Joseph Patrick Kennedy School in East Boston, will serve as chairperson of the Human Rights Commission.

The Mayor named Frederick Mandel to the position of executive director of the Human Rights Commission. Mandel, who is an attorney with the state Department of Education, a member of the Steering Committee of the Boston Lesbian and Gay Political Alliance, and longtime activist with the American Jewish Congress, was formerly an attorney with the Massachusetts Commission Against Discrimination.

"I am confident that we have assembled a talented and diverse group of people to work with me to promote justice and dignity for all residents of Boston," Mayor Flynn remarked.

The seven members of the Human Rights Commission are:

- Reverend John Borders, Dorchester; minister at Morningstar Baptist Church in Mattapan.
- Doris Bunte, Dorchester; Administrator of the Boston Housing Authority.
- Libby L. Chiu, Jamaica Plain; principal of the Joseph Patrick Kennedy School in East Boston.
- Dermot Meagher, Beacon Hill; assistant bar counsel at the Board of Bar

Overseers of the Massachusetts Supreme Judicial Court; Board of Directors of Gay and Lesbian Advocates and Defenders.

- William P. McDonough, West Roxbury; attorney with the Federal Trade Commission.
- Jaime Rodriguez, Jamaica Plain; team leader of Psychological Readjustment Program, Veterans Administration Hospital.
- Josephine Zizza, North End; president of North End Center Seniors at the Nazzaro Center.

New members of the Fair Housing Commission include:

- Jovita Fontanez, South End; board member, United South End Settlements, consultant on health issues and associate commissioner of the Metropolitan District Commission.
- Mary Lafferty, South Boston; Montessori teacher at the Condon Community School and resident of D Street housing development.
- Marianne E. McLaughlin, West Roxbury; program manager for Capital Improvement and Preventive Maintenance for the Abrams Management Company.

Frank Jones, executive director of the Boston Committee, and Miguel Satut, director of Oficina Hispana, currently serve on the Fair Housing Commission. The new appointments replace Jerome Rappaport and Anna May Cole, whose terms expired. Janet Robitaille is resigning from the Fair Housing Commission to assume added responsibilities as a newly appointed executive assistant to Boston Fire Commissioner Leo Stapleton.

LET'S KEEP AMERICA CLEAN

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

### NDEA

#### Various Training Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with the Women's Technical Institute, a nonprofit organization, with offices at 1255 Boylston Street. Under the terms of the contract, the contractor will provide nontraditional, technical occupational training in the electronics industry for twenty-five CDBG-eligible women with special emphasis being placed on displaced homemakers, women heads of households, welfare recipients, minorities and offenders. In addition, the contractor will operate a prevocational training component to address the educational deficiencies of the participants.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Compensation under the terms of this agreement shall not exceed \$85,000. Funds for this contract, the amount of which I have determined to be reasonable for the services to be provided, shall be payable under the Community Development Block Grant Program (Jobs Bill). The term of this contract shall be from October 1, 1983, to June 30, 1984. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conforms to federal procurement requirements for CDBG programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with the Boys and Girls Clubs of Boston, a nonprofit organization, with offices at 15 Green Street, Charlestown. Under the terms of the contract, the contractor will provide training to sixty out-of-school youths in job hunting and retention skills followed by self-directed job search. This service will complement competency-based educational classes offered by the Boston Community Schools in a collaborative effort between the two agencies.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Compensation under the terms of this agreement shall not exceed \$36,000. Funds for this contract, the amount of which I have determined to be reasonable for the services to be provided, shall be

payable under the Community Development Block Grant Program (Jobs Bill). The term of this contract shall be from October 1, 1983, to June 30, 1984. This request was delayed due to the time involved in reaching funding decisions.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conforms to federal procurement requirements for CDBG programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with the Economic Development and Industrial Corporation/Boston Technical Center, a nonprofit organization with offices at 660 Summer Street. Under the terms of the contract, the contractor will provide training to sixty-five CDBG-eligible Boston residents in the area of marine trades. The program is designed to train participants as outside machinists, marine electricians, pipefitters, shipfitters and marine welders. In addition, counseling and job-placement services will be provided.

The contractor was selected based on a competitive evaluation of its proposal submitted in response to a request for proposal conducted by the Neighborhood Development and Employment Agency. In addition, the contractor has an exemplary performance record in the operation of similar programs.

Compensation under the terms of this agreement shall not exceed \$126,409. Funds for this contract, the amount of which I have determined to be reasonable for the services to be provided, shall be payable under the Community Development Block Grant Program (Jobs Bill). The term of this contract shall be from October 1, 1983, to June 30, 1984. This request was delayed due to the time involved in reaching funding decisions.

### NEWS AGENCY

Old South Newsstand, 302 Washington Street.

### Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the *City Record*. Advertising and other copy must, except in emergencies, be in hand at the *City Record* office by noon, Monday of each week to insure its publication in the following Monday's issue.

As this is a contract award based upon an extensive review of proposals and the cost is reasonable and which conforms to federal procurement requirements for CDBG programs, no public purpose would be served by formal advertising. I therefore request approval to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

### Fiscal Agent Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to the Quincy School Community Council, a nonprofit organization, located at 88 Washington Street, Boston, for the purpose of providing financial management services to eight Boston Community School programs.

Under the terms of the contract, the contractor will act as fiscal agent to the following Community Schools at the funding levels listed: Condo \$57,600; Agassiz, \$50,300; Tynan, \$48,700; Jackson-Mann, \$42,400; Harborside, \$38,700; Le \$22,500; Blackstone, \$19,000; Ohrenberge \$10,000 — total, \$289,200.

The individual schools will offer a variety of human service programs ranging from daycare services, educational programs, and elderly services. The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposal conducted by the Boston Community Schools Program. In addition, the contractor has an excellent record in the operation of similar programs.

Compensation under the terms of this contract shall not exceed \$289,200, payment being made from Year XI funds of the Community Development Block Grant program. The period of performance shall be from October 1, 1983, to June 30, 1984. The submission of this letter has been delayed due to the late receipt of City Council authorization to expend Year IX funds.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, it is my belief that public advertising would serve no useful or practical purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Paul S. Grogan,  
Director.

### PENAL INSTITUTIONS DEPARTMENT

#### Van Repairs

Your Honor:

I respectfully request your Honor's permission to dispense with public advertising and to award contract to Automotive Truck Center, Inc., 22 Sunnyside Avenue, Arlington, for engine repairs to the department's 1978 GMC prisoner transportation van (No. 2948).

Under the terms of the contract, the contractor will remove the 454 cubic inch engine from the van and replace it with a short block; will replace the push rods; and will complete valve repairs.

Automotive Truck Center, Inc. is specially qualified to perform under the terms of this contract because they are the only authorized GMC truck repair facility in the region which will perform this work under the city's financial procedures.

Compensation under this contract shall not exceed \$2,500, which I have determined to be reasonable for the work to be performed. The term of the

contract shall be from July 1, 1983, through August 1, 1983. This contract is being submitted late because of budgetary and administrative delays. Because of the emergency nature of the needed pairs (this van is essential for the secure transportation of prisoners), because Automotive Truck Center, Inc. is the only vendor able and willing to perform under the terms of this contract, and because the cost of these services is reasonable, I believe that public advertising would serve no useful purpose.

Very truly yours,  
James F. Roberts,  
*Acting Commissioner.*

**POLICE DEPARTMENT  
Leasing Certain Premises**

Dear Mr. Mayor:  
I respectfully request your permission to dispense with public advertising and to enter into a lease with the Store 24 Corporation, Waltham, for the purpose of leasing the premises located at 138 Main Street, Charlestown, which will be used as a police substation by this department. The premises is in a convenient and central location, has a reasonable rental charge, and sufficient size (1,500 square feet). Department personnel have surveyed the Charlestown district but could not locate comparable space. The lessor will bear the cost of necessary renovations. The term of the lease shall be from November 1, 1983, to June 30, 1984, at a cost not to exceed \$7,200, which I have determined to be reasonable.

For the reasons mentioned above, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Joseph M. Jordan,  
*Police Commissioner.*

**Proctoring, Monitoring, etc.**

Dear Mr. Mayor:  
I respectfully request authorization to dispense with public bidding in the award of a contract to the Community Relations Department, University of Massachusetts at Boston Harbor Campus, in an amount not to exceed \$3,212 for services rendered on April 23, 1983.

The purpose of this contract is to provide administrative and proctor services for the Police Department cadet examination.

We wish to award this contract to the University of Massachusetts, Community Relations Department because this institution has the expertise and experience to proctor, monitor, and administer the examination.

The university provided seventy-two persons who worked as monitors and proctors for this examination. These people were experienced at administering such tests and were sensitive to security and control problems, such as maintaining order and the correct count of exams and preventing incidents of cheating.

The delay in this matter is due to delinquent billing which was expected to be under \$2,000.

Due to the facts outlined herein, I see no practical purpose to be served by public advertising for these services.

Very truly yours,  
Joseph M. Jordan,  
*Police Commissioner.*

**PUBLIC FACILITIES DEPARTMENT  
Leasing Certain Premises**

Dear Mr. Mayor:  
Under a delegation of its power from the Public

Facilities Commission to the director of Public Facilities, I hereby request your Honor's written authority to dispense with public advertising in extending the lease for certain premises deemed necessary and convenient by the director of Public Facilities. There is a further delegation of power from the commission to the director to execute such lease, or extension thereof, upon receipt of said written authority from the Mayor.

The demised premises consist of the entire building (50,000 square feet) at 147 Milk Street, Boston, which will serve as office space for the Assessing, Rent Control, and Penal Departments.

The term of the lease is six months, from July 1, 1983, to December 31, 1983. The monthly rental will be \$39,583.33, plus tax escalation payments and charges for lamps due under the terms of the lease. The total rental charge for this term shall not exceed \$237,499.98. I have determined that this cost is reasonable.

This letter is being submitted late due to the uncertainty of the planned gut renovation of the building by the owner. These renovations will commence at the end of the year. Also, the contemplated merger of the Office of Property Equalization into the Assessing Department contributed to the delay in submitting this award letter.

Since these facilities are both adequate and convenient, it is my judgment that public advertising would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
*Director.*

**Roof Inspection, etc.**

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on September 15, 1983, I hereby request your Honor's written authority to award, without further advertising, pursuant to a publicly advertised request for proposals, to the following firms contracts for roof inspection and testing services, including moisture testing, inspection, cost estimates and preparation of studies and reports, as needed during the period October 1, 1983, to June 30, 1984, at a total cost not to exceed \$10,000, which is a reasonable amount: Miller Engineering & Testing, Inc., and Briggs Associates, Inc.

As a result of the above-mentioned advertisement and the receipt of proposals, these consultants were selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL ch. 7 sec. 30. I believe they are qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that public advertising would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
*Director.*

**Removal of Wood and Steel Deck**

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to D. Clancy & Sons, Co., 339 Dorchester Street, Boston.

Under the terms of this contract, the contractor will expeditiously remove and dispose of all wooden steps, decking, structured steel, and columns, located upon the top masonry roof of the third floor, mezzanine, of the City Hall. The immediate removal of all wooden steps and decking would alleviate any possible fire-threatening situation which could

cause severe damage to the City Hall due to the spontaneously combustible nature of the construction material. Therefore, I requested bids from three contractors normally engaged in this type of work with the following results: D. Clancy & Sons, Co., \$4,990.

Compensation under this contract shall not exceed \$4,990, which I have determined to be reasonable for the work to be performed.

Because of the exigency due to the present situation, the danger of fire and possible future damages to the City Hall building, the reasonable cost of these services, and our favorable past experiences with this contractor, I believe that public advertising would serve no useful purpose in this case.

**Carpeting**

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to J.F. O'Toole Co., Inc., 1792 Dorchester Avenue, Boston.

Under the terms of this contract, the contractor will provide labor and materials needed to install new carpeting in the new jury room. This work is necessary to provide acoustical quality to this room where the court system will be processing two hundred prospective jurors each day, and advising each juror of his particular assignments. Because the present, unsatisfactory conditions of the new jury room greatly impedes the judge's ability to perform his appointed tasks, I invited bids from three reputable contractors normally engaged in this type of work with the following results: J.F. O'Toole Co., Inc., \$4,980.

Compensation under this contract shall not exceed \$4,980, which I have determined to be reasonable for the work to be performed.

Because of the exigent need to install new carpeting to the jury room, the reasonable cost of these services, and our favorable past experience with this contractor, I believe that public advertising would serve no useful purpose in the case.

Respectfully,  
Donald B. Manson,  
*Director.*

**Energy Conservation Services**

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on August 10, 1983, I hereby request your Honor's written authority to dispense with inviting proposals by advertisement in the *City Record*, and award to Francis E. O'Brien, Jr., 43 Mendum Street, Roslindale, a contract for professional services for the efficient operation and maintenance of selected city-owned buildings with major emphasis on no- or low-cost energy conservation measures, including on-site assistance and technical backup, minimal training of staff monitors, energy-related design review and development; at a cost not to exceed \$21,000 (including \$2,100 for out-of-pocket expenses), which is a reasonable cost.

Mr. O'Brien has completed successfully similar work for us for the past two years. Based on this experience with him, I believe he is qualified to provide the services required herein.

In view of technical and professional nature of the services, it is my judgment that public advertising would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
*Director.*

**Payments of Expense**

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on August 10, 1983, I hereby request your

Honor's written authority to dispense with inviting proposals by advertisement in the *City Record*, and award *nunc pro tunc* to U.S. Department of Transportation, United States Coast Guard, 150 Causeway Street, a contract for the payment of expenses incurred in the cleanup of an oil spill which occurred at the Mattapan Chronic Disease Center in January, 1978, the cost not to exceed the negotiated settlement of \$5,000, which is a reasonable amount.

The city's Law Department was involved in lengthy negotiations with the Coast Guard and after a thorough analysis of the charges, was instrumental in reducing the amount owed to \$5,000.

Since this contract is to pay for expenses incurred several years ago, public advertising would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
Director.

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on September 15, 1983, I hereby request your Honor's written authority to dispense with inviting proposals by advertisement in the *City Record*, and to award to the following community schools a contract for the reimbursement of non-personnel expenses incurred as participants in the Community Child Care Program, during the period August 15, 1983, to June 30, 1984, at a total cost not to exceed \$24,806, which is a reasonable amount:

Hennigan Community School Council, Inc., \$9,663.62; Cleveland-Marshall Community School Council, \$3,996.75; Blackstone Square Community School Council, \$2,854.25; East Boston Harborside Community School Council \$3,574.76; Mattahunt Community School Council, Inc., \$4,716.62.

The reason for the late submission of this letter is due to the fact that although the grant for this program began in December, 1982, the mechanism for handling the reimbursement of expenses was decided on only recently and this new process is just beginning.

Since this contract is for the payment of expenses and is covered by a state grant, public advertising would serve no useful purpose.

Respectfully,  
Donald B. Manson,  
Director.

#### PUBLIC WORKS DEPARTMENT Utility Deposit Account Study

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Touche Ross and Company, a partnership located at One Federal Street, Boston. The award and enforcement of this contract will further enhance our present endeavors to improve our municipal fiscal condition, by analyzing the current structure of fees charged to utilities by the Public Works Department for permits to open streets to access utility lines, and to outline issues in the design and accounting for future street opening permit fees.

Under the terms of the contract, Touche Ross and Company will assist the city in analyzing and realizing Phase II of the "Street Cut Permit Fee and Deposit System Review." The services provided will be: to assist the city Auditing Department in developing their approach for an internal city project intended to determine and analyze balances in the Utility Deposit Account; to review the status of the proposed automated permit fee accounting system for the Public Works Department; to prepare comparative fee and deposit pricing under alternate

proposed procedures for street/sidewalk repairs necessitated by utility street cuts.

Compensation under this contract shall not exceed \$25,000, an amount I have determined to be reasonable for work to be performed. Payment for services associated with this contract will be made against account number 9931 1000.

The term of the contract shall be September 30, 1983, through June 30, 1984.

Since Touche Ross and Company is uniquely qualified to perform this work, and because of their familiarity with municipal assets as well as their past record of achievement in this field, I believe that public advertising would serve no useful purpose.

Respectfully yours,  
Joseph F. Casazza,  
Commissioner.

#### ADVERTISEMENT CITY OF BOSTON

##### FIRE DEPARTMENT

**Invitation to Contract with Interested, Responsible and Competent Persons, Firms, or Corporations Engaged in Repair of Electrical Equipment, Including Single and Polyphase Electric Motors, Motor Control Equipment, Etc., Located within a Reasonable Distance of the Fire Alarm Division, 59 Fenway, Boston, Whether or Not Located in the City of Boston.**

The City of Boston, acting by its Fire Commissioner, invites competent persons, firms, or corporations to enter into a contract to submit proposals as may be requested from time to time by the Official, for the performance of particular items of work generally described above, and to perform such item(s) of work when and as may be required by the Official.

Copies of the contract documents may be obtained at Fire Headquarters, 115 Southamptor Street, Boston, Mass. 02118, on or before Friday, April 5, 1985.

Applications to contract for such work will be accepted until 12 o'clock noon, Friday, April 26, 1985.

The attention of all applicants is directed to the provisions of the contract documents, and particularly to the requirements for insurance and performance bonds as may be applicable.

The City and the Official reserve the right to contract only in those cases and in accordance with those applications as the Official deems to be in the best interest of the City.

By LEO D. STAPLETON,  
Official.

**Proposal for Purchase of Duplicating Machines  
for Boston Public Schools.**

The School Committee of the City of Boston invites bids for purchase of duplicating machines for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Purchase of Duplicating Machines. Bid date: Thursday, April 18, 1985." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check payable to the City of Boston, in the amount of one hundred dollars (\$100), or a bid bond, must be left at the office of the Business Manager, at or before twelve o'clock noon, on Wednesday, April 17, 1985. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

**NOTICE TO CONTRACTORS**

**Invitation for Bids for Air Conditioning Installation at Five Branch Libraries, West Roxbury, Connolly, Adams, Mattapan and Hyde Park.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Air Conditioning Installation at Five Libraries, West Roxbury, Connolly, Adams, Mattapan, and Hyde Park."

SCOPE OF WORK includes installation of air conditioning.

**TIME AND PLACE FOR FILING BID APPLICATIONS:** General bidders must submit an Application to Bid and Contractor Qualification Statement or Update to the department on or before twelve o'clock noon, Boston time, on April 8, 1985, at the office of the Awarding Authority, sixth floor, 26 Court Street, Boston, MA 02108. ALL SUBBIDS for general bid shall be filed with the Awarding Authority at the above address before twelve o'clock noon on May 2, 1985, and ALL GENERAL BIDS shall be filed with the Awarding Authority at the above address before twelve o'clock noon on May 9, 1985, at which time and place respective bids will be opened forthwith and read aloud. The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be the public interest to do so.

Subtrade  
16A—Electrical

Applications to bid are now available at the offices of the Public Facilities Department. PLANS AND SPECIFICATIONS will be available on or about April 1, 1985, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

**ADVERTISEMENT  
CITY OF BOSTON**

**DEPARTMENT OF HEALTH AND HOSPITALS**

**Invitation for Bids for Professional Management  
of the Dietary Departments of Boston City  
Hospital, Mattapan and Long Island Hospi-  
tals.**

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the following service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, third floor, Administration Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time, March 25, 1985.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500 as a bid deposit, payable to and to become the property of the City of Boston. If the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

On Wednesday, April 3, 1985, a bidders tour of the facilities at Boston City Hospital will be conducted. The tour will begin at 9 a.m. from the main cafeteria, "A" corridor.

A bidders conference will be held on April 3, 1985 at the Board Room, fifth floor, Administration Building, 10:30 a.m. to 12 noon.

On Thursday, April 4, 1985, a bidders tour of the facilities at Mattapan Hospital will be conducted. The tour will begin at 9 a.m. from the main cafeteria. At the completion of this tour, the group will proceed to the main cafeteria at Long Island Hospital where a tour of their facilities will be conducted.

A bidders conference will be held at 12 noon, April 4, 1985, at Long Island Hospital Dietary Offices to answer questions concerning the Mattapan and Long Island Hospital proposal.

These tours will be the only opportunity that bidders will be given to inspect the premises of the three hospitals.

Bids will be publicly opened and read on Tuesday, April 16, 1985, at twelve noon, Boston time, at the Office of Contract Management, Boston City Hospital.

The successful bidder(s) must furnish a performance bond, deposit of money, or other security acceptable to the Awarding Authority, in an amount equal the amount of \$100,000. Said bond must be with a surety company authorized to do business in Massachusetts as surety to guarantee the faithful performance of the contract.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

**LIBRARY DEPARTMENT**

**Invitation for Proposals for Window Installation  
and Repair at the Central Library and Cer-  
tain Branch Libraries.**

The City of Boston, acting by the Board of Trustees in charge of the Library Department of the City of Boston, hereinafter referred to as the Awarding Authority, invites sealed proposals for window installation and repair at the Central Library and certain branch libraries for the period July 1, 1985, through June 30, 1986.

Proposals will be received until 12 o'clock noon, Boston time, Tuesday, April 30, 1985, at the office of the Awarding Authority (Office of the Director), 666 Boylston Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, plainly marked with the name of the bidder and the notation "Bid Proposal," followed by a brief description of the item bid upon. One copy shall be filed at the office of the Awarding Authority

(mail address: P.O. Box 286, Boston, MA 02117), and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total bid price shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 12 o'clock noon, Boston time, Wednesday, March 27, 1985 at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, and written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the city.

**ADVERTISEMENT  
CITY OF BOSTON**

**PUBLIC WORKS DEPARTMENT**

**Proposal for Repairs to Sidewalks in Area II.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., after Monday, March 25, 1985.

All proposals shall be filed no later than 2 p.m., Boston Time, Thursday, April 11, 1985, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance, and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

**NOTICE**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

**ATTENTION TO ALL BIDDERS**

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**PREBID CONFERENCE**

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on April 9, 1985, at 10 a.m. in Room 714, City Hall. All prospective bidders are urged to attend, and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JOSEPH F. CASAZZA,  
*Commissioner of Public Works.*

**Invitation for General Bids for Fabricating, Delivering and Installing Lunch Room Equipment to Madison Park High School, 100 New Dudley Street, Roxbury, Mass.**

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for fabricating, delivering and installing lunch room equipment to Madison Park High School, 100 New Dudley Street, Roxbury, Mass.

General bids will be received up until twelve o'clock noon, Boston time, Tuesday, April 2, 1985, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$100 minimum or 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

**Invitation for Bids for Expanded Metal Window Grills, Dorchester High School.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Dorchester High School — Expanded Metal Window Grills."

SCOPE OF WORK includes furnishing and installing security screens over new aluminum windows.

**TIME AND PLACE FOR FILING BID APPLICATIONS:** General bidders must submit an Application to Bid and Contractor Qualification Statement or Update to the department on or before twelve o'clock noon, Boston time, on April 1, 1985, at the office of the Awarding Authority, sixth floor, 26 Court Street, Boston, MA 02108. ALL GENERAL BIDS shall be filed with the Awarding Authority at the above address before twelve o'clock noon on May 1, 1985, at which time and place respective bids will be opened forthwith and read aloud. The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be the public interest to do so.

Applications to bid are now available at the offices of the Public Facilities Department. PLANS AND SPECIFICATIONS will be available on or about March 25, 1985, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall

be in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

DL. 77

MONDAY, APRIL 1, 1985

NO. 13

## IMPACT OF PRESIDENT'S PROPOSED FY 1986 BUDGET

### *Executive Summary*

This report examines how the proposed federal budget would affect the residents of Boston, especially those of low and moderate incomes. Under this proposal, Boston would receive \$177 million less in federal funds than it did in Fiscal Year 1985, and \$363 million less than it received in the administration's first budget in FY '81.

If the proposed Fiscal Year 1986 budget were enacted today, it would:

- **CUT FEDERAL HOUSING FUNDS TO BOSTON BY \$39.1 MILLION** compared with FY '85, severely limiting the city's ability to provide affordable housing to low- and moderate-income people. Major cuts in Boston include \$8.4 million in public housing operating and modernizing programs; \$9.6 million in Section 8 Assisted Housing Certificates; \$1 million in Housing Rehabilitation loans and grants; and \$1.2 million in Housing Development Grants (HODAGs).
- **ELIMINATE GENERAL REVENUE-SHARING FUNDS.** This city depends all of its revenue-sharing funds on the police, and this year's \$18.3 million amounts to 24 percent of the Police Department's overall budget. This proposed cut would severely impact our ability to police the streets.
- **ELIMINATE OR REDUCE URBAN DEVELOPMENT PROGRAMS,** cutting funds for Boston by \$30 million. The budget proposes to eliminate Urban Development Action Grants; the Economic Development Administration; the

Small Business Administration; and the Section 108 program; and reduce the Community Development Block Grant by 25 percent. UDAGs alone have meant 17,000 construction jobs and 10,000 permanent jobs for Boston.

- **MAJOR ELIMINATIONS OR REDUCTIONS IN HEALTH INSURANCE AND NUTRITION PROGRAMS** — programs that are critical to the battles against infant mortality and hunger. For example, in Boston, 2,800 low-income recipients will be cut from the Women, Infants and Children (WIC) nutritional program. Cuts in Medicaid and Medicare and new program regulations would create an even larger number of poor, uninsured elderly and poor people; discouraging many from seeking care while forcing Boston City Hospital to absorb a greater number of those who do seek care.

- **ELIMINATE FUNDING FOR THE WASTE WATER TREATMENT FACILITY IN BOSTON HARBOR,** forcing construction costs onto

ratepayers and state and local governments.

- **CUT \$106 MILLION IN PUBLIC TRANSPORTATION FUNDS,** that would eliminate assistance for operations, and would reduce drastically, funds for new construction and maintenance.

As stated in the introduction, Boston would be uniquely hurt by these cuts. While other cities may raise taxes to meet the obligations forced on them by the federal government, Boston is not authorized to implement new revenue sources. The property tax — the city's sole source of locally generated tax revenue — is limited by state law and can grow at a maximum rate of 2-1/2 percent per year. The property tax is further limited by the fact that over 50 percent of the city's property is tax-exempt. Among major U.S. cities, only Washington, D.C. has more tax-exempt property.

Boston's antiquated revenue structure would prevent the city from compensating for these cuts.

The complete report contains a fuller discussion of how the poor and working families of Boston will be hurt by the proposed federal budget. It is a grim prospect, and it is one that describes the profound consequences of profound actions proposed by the administration.

## POLICE DEPARTMENT ORDERS

March 5.

*Personnel Order No. 85-41*

Police Officer John F. Fedorchuk, Id. 6617, assigned to Management and Budget, is hereby rated Detective, effective on Wednesday, March 6, 1985.

March 6.

*Personnel Order No. 85-50*

The following-named persons have been appointed to this department, in capacity stated, effective as shown.

Provisional Police Dispatchers:

Barbara M. Quiles, Id. 9261, Operations Division (N) — 2-27-85.

Tony A. Raices, Id. 9260, Operations Division (N) — 2-27-85.

John T. Bergquist, Id. 8691, Operations Division (D) — 2-27-85.

(Mr. Bergquist terminated as police cadet, assigned to the Personnel Division, detailed to the Licensing Unit, effective February 26, 1985.)

The following-named persons have been appointed as permanent Management Analysts, assigned as follows, effective February 27, 1985.

Management Analysts:

Robert F. Hunt, Id. 1522, B.I.S. Intelligence Unit, (D).

(Mr. Hunt was promoted from computer programmer, same assignment.)

Patrick J. Connaughton, Id. 7463, M and B, Auditing Section (D).

(Mr. Connaughton terminated as provisional management analyst, same assignment, effective February 26, 1985.)

The records of this department shall be amended so that the name of provisional Police Dispatcher Catherine M. Roche, Id. 8505, assigned to the Operations Division, shall appear as Catherine M. Botte, effective January 29, 1985.

The records of this department shall be amended so that the name of Police Dispatcher Nancy S. O'Leary, Id. 2341, assigned to the Operations Division, shall appear as Nancy Sable, effective December 26, 1984.

March 6.

*Personnel Order No. 85-45*

In accordance with law, the following-named persons are hereby retired from active service in the Boston Police Department, effective at the close of business on February 28, 1985.

State-Boston Retirement Board

Chapter 32, Section 5

Superintendent in Chief Francis J. Coleman, Id. 5377, Office of the Police Commissioner, Executive Office.

Superintendent, John F. Geagan, Id. 4384, Bureau of Field Services.

Superintendent, Anthony J. Leone, Id. 3919, North Zone.

Deputy Superintendent Stephen C. DeLosh, Id. 5494, Internal Affairs Division.

Deputy Superintendent James J. Feeney, Id. 4407, Area D.

Detective Thomas J. Calnan, Id. 4764, Area A.  
Police Officer John T. Joyce, Id. 4766, Operations Unit.

March 6.

*Personnel Order No. 85-47*

The resignation of Custodial Worker Robert F.

Grayden, Id. 8790, assigned to the Personnel Division, Extended Leave Section, having been presented, is hereby accepted, effective December 4, 1984.

The resignation of Provisional Police Dispatcher Maria C. Santos-Lopes, Id. 8802, assigned to the Operations Division (N), having been presented, is hereby accepted, effective March 6, 1985.

Traffic Supervisor Josephine L. Brown, Id. 2034, assigned to the Personnel Division, Extended Leave Section, is hereby terminated from her position for abandonment of said position, effective January 4, 1985.

The resignation of Provisional Senior Programmer Thomas G. O'Connor, Id. 8362, assigned to the Systems and Programming Section, Management and Budget, having been presented, is hereby accepted, effective February 13, 1985.

Provisional Management Analyst Dorothy M. Novak, Id. 8752, assigned to Planning and Research, terminated service with this department, effective February 26, 1985.

The resignation of Provisional Clerk and Typist Ramon P. Vasquez, Id. 7965, assigned to the Insurance Reports, Management and Budget, having been presented, is hereby accepted effective March 26, 1985.

March 7.

*Special Order No. 85-15*

To all bureaus, districts-areas, divisions, offices, sections and units.

Police work has always been a demanding profession, but in the last few years, as it has become more and more complicated, the stresses of the job have increased to the point where they are often difficult for individual police officers to deal with alone. The toll these pressures take on health and well-being of police officers varies in kind and degree with each individual case, but virtually every officer, sometime during his career, feels their effects. The success he has in dealing with his particular problem usually depends on how much support he received from his fellow officers.

There are a number of reasons why this is so, but

the main reason is simply that police officers do not discuss police work with outsiders. We hesitate to talk to our civilian friends because they don't generally understand what the problems really are. We avoid discussing police work with our wives or families because we don't want them involved in the part of our lives; and we reject "professional" help either because we lack confidence in it or because it seems too demeaning for a policeman to admit that he's human and needs help. That leaves other police officers as the only people from whom we are prone to accept advice or assistance.

Unfortunately, whether or not an officer receives the kind of support he needs is usually a matter of chance. There really has been no consistent resource in the department to help a police officer deal with a job-related personal problem. While informal aid for officers with alcoholic problems has sometimes been available, stress problems appearing in other forms, e.g., family troubles, repeated excessive use of force, ulcers, severe depression, or extreme nervousness have been left to the individual to handle.

When problems like these are ignored, they often grow more and more serious and may develop a number of destructive and dangerous side effects. The officer who is having a serious problem may be thinking about these problems when he should be alert to danger to his partner or himself.

A police officer's personal problems, if he is not handling them effectively, have an undeniable effect on his ability to carry out his duties safely. The Stress Program is designed to help officers, participating voluntarily, to handle job-related personal problems rather than being handled by themselves.

### The Program

The idea of this program is to provide police officers with an objective and non-judgmental resource to which they can go voluntarily for advice and assistance in working out personal problems. The problems with which the program is concerned are job-related ones that decrease the officers' effectiveness or increase the likelihood of his being killed or injured in the line of duty. Those problems will command the highest priorities of the staff members and the greatest share of their time. The Boston Police Officer who sincerely seeks assistance with any personal problem will be turned away, regardless of the nature or magnitude of the problem. In fact, a major goal of the program is to help the officer learn to handle his problems before he loses his job, his family, or both.

The program is staffed entirely by Boston Police Officers, all of whom have received special training in counseling techniques and many of whom have personally experienced the same types of problems the program addresses. The staff has a number of capabilities upon which it may draw to help fellow officer who is seeking aid. The officer may find help in peer counseling or he may request referral to an outside agency. The key to the program, however, is the desire of the participant to participate. The initial and continued involvement of an officer will be of his own volition, and no officer will be forced to participate by the department.

The Stress Program is located at 249 River Street, Mattapan, a location physically isolated from the department. While the program is attached, for payroll purposes, to the Personnel Division, it will be functionally autonomous. Neither the department nor any unit or entity within the department will have access to program files and records.

Regular office hours are from 9 a.m. to 5 p.m. Monday through Friday, and a twenty-four hour telephone service will be available so that officers can
